INDEPENDENT AUDITOR'S REPORT

To the District Attorney of the
Thirty-Fourth Judicial District,
Chalmette, Louisiana.

We have audited the accompanying general purpose financial statements of the Office of the District Attorney of the Thirty-Fourth Judicial District (the Office), as of and for the year ended December 31, 1997, as listed in the table of contents. These general purpose financial statements are the responsibility of the District Attorney. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the District Attorney, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Office of the District Attorney of the Thirty-Fourth Judicial District as of December 31, 1997, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued our report dated June 5, 1998, on our consideration of Office of the District Attorney of the Thirty-Fourth Judicial District's internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, contracts and grants.

NOTES TO FINANCIAL STATEMENTS

**Office of the
District Attorney of the
Thirty-Fourth Judicial District**

December 31, 1987

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

As provided by Article V, Section 26 of the Louisiana Constitution of 1974, the District Attorney has charge of every criminal prosecution by the state in his district, is the representative of the state before the grand jury in his district, and is the legal advisor to the grand jury. He performs other duties as provided by law. The District Attorney is elected by the qualified electors of the judicial district for a term of six years. The judicial district encompasses the parish of St. Bernard, Louisiana. Salaries and other general operating expenditures are paid and reported by the St. Bernard Parish Government.

The accounting policies of the Office of the District Attorney of the Thirty-Fourth Judicial District (the Office) conform to generally accepted accounting principles as applicable to governmental units. The following is a summary of significant accounting policies:

a) Reporting Entity

The Office is not included as a component unit in any other financial statements. The Office maintains funds to account for specific programs as described below. The activities of the Office have been reviewed and it was determined that there are no potential component units which should be included in the Office's general purpose financial statements.

b) Fund Accounting

The government uses funds to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts.

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

b) Fund Accounting (Continued)

Governmental Funds

Governmental Funds are those through which most governmental functions of the Office are financed. The acquisition, use and balances of the Office's expendable financial resources and the related liabilities are accounted for through Governmental Funds. The measurement focus is upon determination of changes in financial position, rather than upon net income determination. The following is the Governmental Funds of the Office.

General Fund - The General Fund was established in compliance with Louisiana Revised Statute 15:571.11, which provides that a percentage of the fines collected and bonds forfeited within the judicial district be transmitted to the District Attorney to defray the necessary expenses of the Office.

Title IV-D Incentive Special Revenue Fund - The Title IV-D Incentive Special Revenue Fund consists of incentive payments from the Louisiana Department of Health and Hospitals, as authorized by Act 117 of 1975, to establish family and child support programs compatible with Title IV-D of the Social Security Act. The purpose of the program is to enforce the support obligation owed by absent parents to their families and children, to locate absent parents, to establish paternity, and to obtain family and child support. As discussed in Note 4, the contract for Title IV-D Incentive Funds was canceled and was not renewed as of December 31, 1997.

c) Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Basis of Accounting (Continued)

All Governmental Funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. Commissions on fines, Act 293 court costs, Act 834 bond premium fees, Act 52 bond forfeitures, income from forfeitures of assets seized in illegal drug activity, and Title IV-D incentive payments are recorded in the year they are earned. Interest on investments is recorded when earned. Any interest not received at year end is accrued as a receivable. Other revenues are recognized when received.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

d) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

e) Operating Budgetary Data

The District Attorney did not adopt budgets for the General Fund and Special Revenue Fund for the year ended December 31, 1997, because the District Attorney did not anticipate any expenditures in these funds. Therefore, the accompanying general purpose financial statements of the Office do not include a comparison of revenues and expenditures to budget.

f) Bad Debts

The general purpose financial statements of the Office contain no allowance for bad debts. Uncollectible receivables are recognized as bad debts at the time information becomes available which would indicate the uncollectibility of the particular receivable. These amounts are not considered to be material in relation to the financial position or operation of the funds.

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

g) General Fixed Assets

Fixed assets of the Office are accounted for in the general fixed assets account group of the St. Bernard Parish Government. Therefore, the accompanying financial statements do not include a general fixed assets account group.

h) Encumbrances

Encumbrance accounting, under which purchase orders, contracts and other commitments are recorded in the fund general ledgers, is not utilized by the Office.

i) Total Column on Combined Statements - Overview

The total column on the combined statements - overview is captioned memorandum only to indicate that it is presented only to facilitate financial analysis. Data in this column does not present financial position or results of operations, in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

Note 2 - CASH AND CASH EQUIVALENTS

At December 31, 1997, the District Attorney has cash and cash equivalents totaling \$1,002,228 as follows:

| | |
|------------------|---------------------------|
| Demand deposits | \$ 314,700 |
| Savings accounts | 33,633 |
| Time deposits | <u>648,880</u> |
| Total | <u>\$1,002,228</u> |

Louisiana state law allows all political subdivisions to invest excess funds in obligations of the United States, certificates of deposit of state or national banks having their principal office in Louisiana or any other federally insured investment.

Note 2 - CASH AND CASH EQUIVALENTS (Continued)

State law requires deposits (cash and certificates of deposit) of all political subdivisions to be fully collateralized at all times. Acceptable collateralization includes FDIC insurance and the market value of securities purchased and pledged to the political subdivision. Obligations of the United States, the State of Louisiana and certain political subdivisions are allowed as security for deposits. Obligations furnished as security must be held by the political subdivision or with an unaffiliated bank or trust company for the account of the political subdivision. In accordance with state law all cash and deposits were collateralized.

Cash and deposits are categorized into three categories of credit risk.

Category 1 includes deposits covered by federal depository insurance or by collateral held by the District Attorney or its agent in the Office's name.

Category 2 includes deposits covered by collateral held by the pledging financial institution's trust department or its agent in the Office's name.

Category 3 includes deposits covered by collateral held by the pledging financial institution or its trust department or agent but not in the Office's name and deposits which are uninsured or uncollateralized.

The year end bank balances of deposits and the carrying amount as shown on the combined balance sheet are as follows:

| | Bank Balances | | | Book Balance |
|---------------------------|------------------|------------|------------------|--------------------|
| | Category | | | |
| | 1 | 2 | 3 | |
| Cash and cash equivalents | <u>\$486,484</u> | <u>\$-</u> | <u>\$338,113</u> | <u>\$1,000,226</u> |

At December 31, 1997, cash and certificates of deposits in excess of the FDIC insurance were collateralized by securities held by unaffiliated banks for the account of the Office. The Governmental Accounting Standards Board (GASB), which promulgates the standards for accounting and financial reporting for state and local governments, considers these securities uncollateralized. Even though the pledged securities are considered uncollateralized under the provisions of GASB Statement 3, Louisiana Revised Statute 19:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the depositor that the fiscal agent has failed to pay deposited funds upon demand.

Note 3 - DUE TO OTHER GOVERNMENTAL ENTITIES

Amounts due to other governmental entities, in accordance with Act 834 of 1993 and Act 52 of 1994 and forfeiture of assets seized in connection with illegal drug activity at December 31, 1997 consisted of the following:

| | Act 834 | Act 52 | Asset Forfeiture | Total |
|------------------------------------|-----------------|------------------|---------------------|------------------|
| St. Bernard Sheriff's Office | \$29,060 | \$ 38,807 | \$21,998 | \$ 89,865 |
| Judicial Court Fund | 29,060 | - | - | 29,060 |
| 14th Judicial District | | | | |
| Indigent Defender Board | 29,060 | 26,968 | - | 56,028 |
| Criminal Court | - | 67,325 | 7,232 | 74,657 |
| Clerk of Court | - | - | 1,551 | 1,551 |
| DART (Drug Asset Recovery Team) | - | - | 371 | 371 |
| Totals | \$87,180 | \$135,900 | \$31,252 | \$254,332 |

Note 4 - FEDERAL FINANCIAL ASSISTANCE

The Office previously participated in the United States Department of Health and Human Services Child Support Enforcement, Title IV-D Program, Catalog of Federal Domestic Assistance No. 13.783. This program is funded by indirect assistance payments in the form of incentive payments received from the Louisiana Department of Health and Hospitals (LDH). Effective December 1991, the District Attorney decided to discontinue the contract with the LDH which provided funding for these services. Thus, the LDH now administers this portion of the program and accordingly, no incentive payments were appropriated to the Office in 1997.

There are no restrictions on how the incentive payments may be expended, except as may be required by state law for any other funds of the Office. However, these payments may be subject to further review and audit by the federal grantor agency. No provision has been made in the financial statements for the reimbursement of any expenditures that may be disallowed as a result of such a review or audit.

SPECIAL REPORT OF CERTIFIED PUBLIC ACCOUNTANTS

BERGONZIO BENNETT

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL
OVER FINANCIAL REPORTING BASED ON AN AUDIT
OF THE GENERAL PURPOSE FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the District Attorney of the
Thirty-Fourth Judicial District,
Chalmette, Louisiana.

We have audited the general purpose financial statements of the Office of the District Attorney of the Thirty-Fourth Judicial District (the Office), as of and for the year ended December 31, 1997, and have issued our report thereon, dated June 5, 1998. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Office's general purpose financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the Office's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might

be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation of the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of the Assessor, the State of Louisiana and the Legislative Auditor for the State of Louisiana. However, this report is a matter of public record and its distribution is not limited.

**COMMUNICATIONS WITH THE OFFICE OF THE DISTRICT ATTORNEY
OF THE THIRTY-FOURTH JUDICIAL DISTRICT**

To the Office of the District Attorney
of the Thirty-Fourth Judicial District,
Chalmette, Louisiana.

We have audited the general purpose financial statements of the Office of the District Attorney of the Thirty-Fourth Judicial District (the Office) for the year ended December 31, 1997, and have issued our report thereon dated June 5, 1998. Professional standards require that we provide you with the following information related to our audit:

Our Responsibility under Generally Accepted Auditing Standards and Government Auditing Standards

As stated in our engagement letter dated November 12, 1996, our responsibility, as described by professional standards, is to plan and perform our audit to obtain reasonable, but not absolute, assurance about whether the general purpose financial statements are free of material misstatement. Because of the concept of reasonable assurance and because we did not perform a detailed examination of all transactions, there is a risk that material errors, fraud, or other illegal acts may exist and not be detected by us.

As part of our audit, we considered the internal control of the Office. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we performed tests of the Office's compliance with certain provisions of laws, regulations, contracts, and grants. However, the objective of our tests was not to provide an opinion on compliance with such provisions.

Significant Accounting Policies

Management has the responsibility of selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant
