Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exempt from income determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code as an organization described in section 501(c)(3)(i).

We have further determined that you are not a private foundation within the meaning of section 501(c)(3) of the Code, because you are an organization described in sections 501(c)(3)(i) and 501(c)(3)(ii)(i).

If your sources of support or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security) based on remuneration of \$200 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Directors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 501(c)(3) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substance, of material change on the part of the organization that resulted in your loss of such status or if he or she acquired knowledge that the Internal Revenue Service had given notice that you could no longer be classified as a section 501(c)(3) organization.

Does any deduct contribution to you as provided in section 170 of the
