Management provided us with the required list.

An inspection of the payroll records for the year noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

TWELFTH JUDICIAL DISTRICT
INDIGENT DEFENDER BOARD
MOBILE, LOUISIANA

NOTES TO THE FINANCIAL STATEMENTS
December 31, 1974

INTRODUCTION

The Twelfth Judicial District Indigent Defender Board is established in compliance with Louisiana Revised Statutes 18:149-150, to provide and compensate counsel appointed to represent indigents in criminal and quasi-criminal cases on the district court level. The judicial district encompasses the parish of Evangeline, Louisiana.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF REPRESENTATION

The accompanying component unit financial statements of the Twelfth Judicial District Indigent Defender Board have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

B. REPORTING ENTITY

As the governing authority of the parish, for reporting purposes, the Evangeline Parish Police Jury is the financial reporting entity for Evangeline Parish. The financial reporting entity consists of (a) the primary government (police jury), the organizations for which the primary government is financially accountable, and (b) other organizations for which nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Governmental Accounting Standards Board Statement No. 14 established criteria for determining which component units should be considered part of the Evangeline Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

1. Appointing a voting majority of an organization's governing body, and
 - a. The ability of the police jury to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial burdens on the police jury.
2. Organizations for which the police jury does not appoint a voting majority but are fiscally dependent on the police jury.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

**NOTES TO THE FINANCIAL STATEMENTS (continued)
December 31, 1994**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Indigent Defender Board is a part of the operations of the district court system. The district court system is financially dependent on the police jury for office space and coverrooms. The substance of the relationship between the district court system and the police jury is that the police jury has approval authority over the district budget. Therefore, the indigent defender board was determined to be a component unit of the Natchitoches Parish Police Jury, the financial reporting entity. The accompanying financial statements present information only on the funds maintained by the indigent defender board and do not present information on the police jury, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

C. FUND ACCOUNTING

The board uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions or activities.

A fund is a separate accounting entity with self-balancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not reported on the funds because they do not directly affect net expendable available financial resources.

D. BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The General Fund is accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. The operating statement presents increases and decreases in net current assets. The modified accrual basis of accounting is used by the General Fund. The General Fund uses the following practices in recording revenues and expenditures.

REVENUES

Revenues are recognized when they become measurable and available as net current assets.

EXPENDITURES

Expenditures are recognized under the modified accrual basis of accounting when the related fund liability is incurred.

**NOTES TO THE FINANCIAL STATEMENTS (continued)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. RESERVE

In accordance with Louisiana R. S. 49:1442, local indigent defender boards are not political subdivisions within the meaning of the Louisiana Government Budget Act. Therefore, the Board is not required to formally adopt a budget, however for financial management purposes, the Board did adopt a budget for the year ended December 31, 1994.

F. COMPENSATION LIABILITY

The indigent defender board does not have a formal policy for vacation and sick leave.

NOTE 2 - CASH

At year end, December 31, 1994, the cash consisted of deposits with banks, with a book value of \$94,985.

These deposits are stated at cost, which approximates market. Under state law, these deposits for the remaining bank balances may be secured by Federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the Federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. At December 31, 1994 the district had \$12,181 respectively, in deposit- insured bank balances. Of the total bank balance, \$100,000 was covered by Federal Depository Insurance. The remaining balance of \$2,181 is not secured by the pledge of securities and this is a violation of state law.

NOTE 3 - RECEIVABLES

The following is a summary of receivables as December 31, 1994:

<u>Class of Receivable</u>	<u>1994</u>
Court Costs	\$ 4,800
State Grants	38,100
Local Bond Finance	500
Total	<u>\$43,400</u>

NOTE 4 - PENSION PLAN

Plan Description. The Twelfth Judicial District Indigent Defender Board contributes to the Municipal Employees' Retirement System of Louisiana, a cost-sharing, multiple-employer defined benefit pension plan administered by a separate board of trustees. The System is composed of two distinct plans, Plan A and Plan B, with separate assets and benefit provisions. Some employees of the board are members of Plan A.

INCIDENT DEFENDER BOARD
Bartoville, Louisiana

NOTES TO THE FINANCIAL STATEMENTS (continued)
December 31, 1994

NOTE 4 PENSION PLAN (Continued)

All permanent employees working at least twenty-eight hours per week who are paid wholly or in part from parish funds and all elected parish officials are eligible to participate in the System. Under Plan A, employees who retire at or after age 45 with at least 10 years of creditable service, at or after age 55 with at least 20 years of creditable service, or at any age with at least 30 years of creditable service are entitled to a retirement benefit, payable monthly for life, equal to 2 percent of their final-average salary for each year of creditable service. However, for those employees who were members of the supplemental plan only before January 1, 1980, the benefit is equal to one percent of final-average salary plus \$10 for each year of supplemental-plan-only service earned before January 1, 1980. Final-average salary is the employee's average salary over the 30 consecutive 31 longest months that produce the highest average. Employees who terminate with at least the amount of creditable service stated above and do not withdraw their employee contributions may retire at the ages specified above and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established or amended by state statute.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Focaloid Employees' Retirement System, Post Office Box 14819, Baton Rouge, Louisiana 70804-1489, or by calling 18041928-1100.

Funding Policy. Under Plan A, members are required by state statute to contribute 2.5% of their annual covered salary and the board is required to contribute an actuarially determined rate. The current rate is 2.5% of annual covered payroll. Contributions to the system also include one-fourth of one percent (except Orleans and East Baton Rouge Parishes) of the taxes shown to be collectible by the tax rolls of each parish. These tax dollars are divided between Plan A and Plan B based proportionately on the salaries of the active members of each plan. The contribution requirements of plan members and the board are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:121, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The board's contributions to the System under Plan A for the year ending December 31, 1994, was \$364 equal to the required contributions for the year.

NOTES TO THE FINANCIAL STATEMENTS (continued)

NOTE 8 - RELATED PARTY TRANSACTIONS AND INTERESTED EVENTS

The board's former chairman, A. J. Ray, Jr. was the major stockholder of the financial institutions with which the Board has a banking relationship. Upon termination of Mr. Ray's chairmanship, due to death, Charles Jones was appointed chairman.
