As part of our audit of the State of Louisiana's financial statements for the year ending June 30, 1987, we conducted certain procedures at the Louisiana Technical College, River Parishes Campus. Our procedures included (1) a review of the technical college's internal control structure, (2) tests of financial transactions, and (3) tests of adherence to applicable laws, regulations, policies, and procedures governing financial activities.

The June 30, 1987, Annual Fiscal Report of the Louisiana Technical College, River Parishes Campus was not within the scope of our work, and, accordingly, we offer no form of assurance on that report upon its issuance. The technical college's accounts are an integral part of the State of Louisiana's financial statements, upon which the Louisiana Legislative Auditor expresses an opinion.

Our procedures included interviews with management personnel and selected technical college personnel. We also evaluated selected documents, files, reports, systems, procedures, and policies as we considered necessary. We found no matters that required disclosure in this report.

This report is intended for the information and use of the technical college and its management. By provisions of state law, this report is a public document, and it has been distributed to appropriate public officials.

Respectfully submitted,  
  
 Daniel G. Kyle, CPA, CFE  
 Legislative Auditor
