<u>A. Basis of Presentation</u> - The accompanying financial statements have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to preventereral units. The Governmenteral Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial recording principles.

B. <u>Reporting Entry</u>. - As the governing authority of the parish, for reporting purposes, here concorder Bankho Polica Juny in the intensid in propring settly for Concorder Bankho. The formatial reporting settly consists of 14) the primary government (police lury), (b) comparisonment when the many overniment is formating accountable, and (c) other opparations for which more and apprilatione of their relationship with the primary opparations for which more and apprilations can be reported as a structure of under the settlement of the relationship with the primary opparations for which more and apprilations can be reported as a structure of under the settlement of under the settlement of the relationship with the primary opparation of the settlement of the relationship with the primary opparation of the settlement of the relationship with the primary opparation of the settlement of the relationship with the primary opparation of the settlement of the relationship with the primary opparation of the settlement of the relationship with the primary opparation of the settlement of the relationship with the primary opparation of the relationship with the primary opparation of the settlement of the relationship with the primary opparation of the settlement of the relationship with the primary opparation opparation opparation opparations of the relation opparation opparatis opparation opparatis opparation opparation opparation opparat

m

Governmental Accounting Standarda Board Statement No. 14 established orderin for elementary which component units should be considered part of the Concordia Parish Policia Jury for liancial reporting purpose. The basis criterion for including a potential component unit within the reporting antity is financial accountability. The GASB has and that notating to considered in determining francial cocuntability. The GASB has included:

- 1. Appointing a voting majority of an organization's governing body, and
 - a. The ability of the police jury to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or income apecific financial bardens on the police law.
- Organizations for which the police jury does not appoint a voting majority but are fiscally dependent on the police jury.
- Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Bocuse the police jury appoints a volting majority of the Recretision District's boord most and boards in foreign dystepretent on the police jury, the distribution as determined to be a component unit of the Concords Parish Police Jury, the financial reporting with; The bacompanying bacantial isabienting special information on the police jury, the granted granteement the distribution of the concords the problem of the police jury, the granted granteement the advanced and do not present information on the police jury, the granted granteement the advanced in policy of the componential units the componential information of the component the advanced in policy policy.

C. Fund Accounting - The Recreation District uses a fund and an account group to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to all financial management by segregating treasactions relation to creating accenter that flandings on activities.

A fund is a separate accounting entity with a self-balancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available manual resources. The General Fund of the Recreation Diatrict is classified as a governmental land. The General Fund accounts for the District's general activities, including the collection and discursement of specific or legally restricted monies and the acquisition or construction of common flow assets.

<u>D. Basis of Accounting</u> - The accounting and financial reporting treatment applied to a final is determined by its measurement floats. With first areauxement focus, may correct assets and correct liabilities are generally included on the balance of whet The operating statement of the General Fund parameter increases and decreases in the first generative includes on the balance based on the balance observations. The General Fund parameter increases and decreases in the first generative parameters increases and decreases and

Revenues - Ad valorem taxes and the related state revenue sharing are recorded in the year the taxes are assessed. Ad valorem taxes are assessed on a celendar year basis, become due on November 16 of each year, and become delivativent on Disconter 31. The taxes are prevalely collected in Disconter of the current year and January and February of the resistin year.

Interest income on time deposits is recorded when the interest is earned and could be withdrawn.

Substantially all other revenues are recognized when received.

Expanditures - Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.
