**INDEPENDENT ACCOUNTANTS' REPORT
ON APPLICABLE AGREED-UPON PROCEDURES**

Honorable Robert Stewart, Mayor,
and Members of the Board of Aldermen
Village of Collinston, Louisiana

We have performed the procedures enumerated below, which were agreed to by the management of Village of Collinston, Louisiana, solely to assist you in evaluating the accompanying *Louisiana Attention Questionnaire*, dated December 31, 1997, and prepared for the year ended December 31, 1997. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purposes for which this report has been requested or for any other purpose.

Our applied procedures, together with any findings, follow:

Public Bid Law

1. We selected all expenditures, if any, made during the year for materials and supplies exceeding \$1,000, or public works exceeding \$50,000, and determined whether such purchases were made in accordance with LSA-RS 38:2211-2251 (the public bid law).
2. Our review of expenditure totals and cash disbursement journals revealed one individual expenditure for materials and supplies exceeding \$1,000 and no individual expenditure for public works exceeding \$50,000. We noted no instances of noncompliance with the public bid law.

Code of Ethics for Public Officials and Public Employees

3. We obtained from management a list of the immediate family members of each board member as defined by LSA-RS 42:1100-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

3. We obtained from management a listing of all employees paid during the period under examination.
4. We determined whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.
 - o We noted no instances of noncompliance.

Budgeting

5. We obtained a copy of the legally adopted budget and all amendments.
6. We traced the budget adoption and amendments to the minute book.
7. We compared the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues and expenditures exceeded budgeted amounts by more than 5%.
 - o Expenditures for the year ended December 31, 1967, exceeded appropriations of \$66,170 by \$33,589 or 51.00%.

Accounting and Reporting

8. We randomly selected six disbursements made during the period under examination and:
 - (1) traced payments to supporting documentation as to proper amount and payee, (2) determined if payments were properly coded to the correct fund and general ledger account, and (3) determined whether payments received approval from proper authorities.
 - o We noted no occurrences of lack of support, mis-coding or unauthorized payments in regard to the six disbursements randomly selected.

Meetings

9. We examined evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law).
 - o We noted no instances of noncompliance.

Debt

10. We examined bank deposits for the period under examination to determine whether any such deposits appeared to be proceeds of banks loans, bonds, or like indebtedness.
 - o We reviewed the detail general ledger for the period and noted no such deposits.

Advances and Forfeits

11. We examined payroll records and minutes for the year to determine whether any payments had been made to employees which may constitute bonuses, advances or gifts.
 - o We noted no instances of noncompliance.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on the assertions included in the accompanying *Louisiana Statewide Questionnaire*. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of Village of Collinsville, Louisiana, and the Legislative Auditor and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, under state law, this report is a public record and subject to unlimited distribution.
