The Board of Directors Franklin Association for Retarded Citizens, Inc. Winnsboro, Louisiana

We have audited the statement of financial position of **Franklin Association for Retarded Citizens, Inc.** (a nonprofit organization - the Association) as of June 30, 1998, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of June 30, 1998, and the changes in its net assets and its cash flows for the year then ended in conformity with generally accepted accounting principles.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 14, 1998 on our consideration of the Association's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information included as "Supplementary Information" in the Table of Contents is presented for purposes of additional analysis and is not a required part of the basic financial statements of the Association. Such information has

been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The accompanying notes are an integral part of this financial statement.

FRANKLIN ASSOCIATION FOR RETARDED CITIZENS, INC. NOTES TO FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 1998

Note 1 - Description of Organization

Franklin Association for Retarded Citizens, Inc. (the Association) was established in 1972, incorporated in September 1982, and received their tax exempt status as a 501(c)(3) organization in December 1987. Its purpose is to promote the general welfare of mentally retarded persons. Its programs are designed to assist and train clients in work activity and self-help skills so they may become productive within the community. The principal program is vocational training of adults, 21 years of age and older.

Note 2 - Summary of Significant Accounting Policies

A. Financial Statement Presentation and Basis of Accounting

The Association's financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As of June 30, 1998 the Association has no permanently restricted net assets.

The financial statements of the Association have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

B. Donated Services

Members, agencies, businesses, volunteers, and others contribute substantial services toward the fulfillment of projects initiated by the Association. No amounts have been reflected in the financial statements for donated services because the donated services do not meet the requirements for accounting recognition under SFAS 117.

C. Land, Buildings and Equipment

Land, buildings and equipment are stated at cost. All donated capital assets are recorded at fair market value on the date of the donation. Depreciation is computed on a straight-line basis over the useful lives of the assets. The Association utilizes estimated lives of 5 years for vehicles and leasehold improvements, 5 to 10 years for furniture and equipment, and 20 to 30 years for buildings.

7

.

FRANKLIN ASSOCIATION FOR RETARDED CITIZENS, INC. NOTES TO FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 1998

D. Compensated Absences

The financial statements do not include an accrual for vacation or sick pay. The Association's policy is that vacation days and/or sick days cannot be carried over to subsequent years.

E. Functional Expenses

Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated by various statistical bases.

F. Programs

Vocational Training's income is derived from the Office of Developmental Disabilities, Louisiana Department of Health and Hospitals. These funds are used to train clients in vocational and prevocational activities and supportive services.

The Bertha Nelson Work Activity Center's income is derived from sales of products made by clients and services performed by clients which include janitorial, laundry, washing cars, and contract services.

G. Tax-Exempt Status

The Association is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code) and, therefore, has no provision for Federal income taxes. Contributions to the Association are tax deductible within the limitations prescribed by the Code.

H. Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

- Note 3 Land, Buildings and Equipment

Land, buildings and equipment consist of the following at June 30, 1998:

FRANKLIN ASSOCIATION FOR RETARDED CITIZENS, INC. NOTES TO FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 1998

Buildings	\$ 43,670
Furniture and Equipment	15,262
Vehicles Under Capital Lease	49,155
Leasehold Improvements	1,750
Land	 10,000
	119,837
Less: Accumulated Depreciation	 (65,445)
Net Land, Buildings and Equipment	\$ 54,392

Note 4 - Capital Leases

The Association entered into a four year lease/purchase agreement with Ford Motor Credit Company for two vans. The monthly rental is \$1,238 including interest at 10 percent.

Following is a schedule of future minimum lease payments under the capital lease at June 30, 1998:

Future Minimum Lease Payments	\$ 21,046
Less: Amount Representing Interest	(1,509)
NET PRESENT VALUE OF	

FUTURE MINIMUM LEASE PAYMENTS \$ 19,537

The annual principal payments under the capital lease obligation are as follows: 1999 - \$13,500; 2000 - \$6,037.

Note 5 - Related Party Transactions

The Association has an operating lease of a building with the President of the Board. The building is used for training clients. The annual lease amount is \$2,400. The lease term is one year with an automatic renewal each year.

Note 6 - Disclosures About Concentrations

The Association received over \$173,000 in funding from the state of Louisiana through the Office of Citizens with Developmental Disabilities during the year ended June 30,

1998. This represents over 80% of the Association's revenue.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Franklin Association for Retarded Citizens, Inc.

Winnsboro, Louisiana

We have audited the financial statements of the **Franklin Association of Retarded Citizens, Inc.** (a non-profit corporation – the Association) as of and for the year ended June 30, 1998, and have issued our report thereon dated December 14, 1998. We conducted our audit in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and the *Louisiana Governmental Audit Guide,* issued by the Louisiana Society of Certified Public Accountants and the Louisiana Legislative Auditor.

Compliance

As part of obtaining reasonable assurance about whether the Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Association's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be

detected within a timely period by employees in the normal course of performing their

assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses.

This report is intended for the information of management of the Association, other entities granting funds to the Association and the Legislative Auditor for the state of Louisiana. However, this report is a matter of public record and its distribution is not limited.
