INDEPENDENT AUDITOR'S REPORT

TRUSTEES,
IBERIA HOME MORTGAGE AUTHORITY
New Iberia, Louisiana

I have audited the accompanying general purpose financial statements of IBERIA HOME MORTGAGE AUTHORITY (A Louisiana Public Trust), a component unit of the City of New Iberia, Louisiana, at March 31, 1999 and 1998, and for the years then ended as listed in the financial information section of the foregoing table of contents. These financial statements are the responsibility of the management of the IBERIA HOME MORTGAGE AUTHORITY. My responsibility is to express an opinion on these financial statements based on my audits.

I conducted my audits in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the general purpose financial statements referred to above present fairly in all material respects the financial position of IBERIA HOME MORTGAGE AUTHORITY at March 31, 1999 and 1998, and the results of its operations and cash flows for the years then ended, in conformity with generally accepted accounting principles.

IBERIA HOME MORTGAGE AUTHORITY
NOTES TO FINANCIAL STATEMENTS
March 31, 1999 and 1998

NOTE 1: GENERAL INFORMATION

The IBERIA HOME MORTGAGE AUTHORITY is a Louisiana Public Trust created pursuant to Chapter 2-A of Title 9 of the Louisiana Revised Statutes of 1950, as amended, and a Trust Indenture dated January 16, 1979 with the City of New Iberia, Iberia Parish, Louisiana as beneficiary. The Authority was formed for the purpose of issuing bonds to provide funds to acquire mortgage notes secured by first mortgage liens on certain residential properties located in Iberia Parish, Louisiana. The authority is governed and administered by a Board of Trustees consisting of ten Trustees, which ten-member Board shall be composed of the Mayor and Board of Trustees of the City, the Mayor of the City of Jeanerette, State of Louisiana, and the President of the Police Jury of the Parish. The financial statements of Iberia Home Mortgage Authority have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Authority's accounting and procedures also follow the guidelines set forth in the Louisiana Municipal Audit and Accounting Guide and the industry audit guide, Audits of State and Local Governments published by the American Institute of Certified Public Accountants. The more significant of the Authority's accounting policies are described below.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity-In evaluating how to define the governmental unit, for financial reporting purposes, consideration has been given to the following criteria as set forth by GASB Statement No. 14:

- a. Financial interdependence
- b. Selection of governing authority
- c. Accountability for fiscal matters

Based on the above criteria, the Authority is considered to be a component unit, and an integral part of the City of New Iberia, Louisiana (the reporting entity). These financial statements include only the operations of the Authority.

Fund Accounting-The Authority uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

IBERIA HOME MORTGAGE AUTHORITY
NOTES TO FINANCIAL STATEMENTS, CONTINUED
March 31, 1999 and 1998

Note 2: SIGNIFICANT ACCOUNTING POLICIES, Continued

A fund is a separate IBERIA accounting entity with a self-balancing set of accounts. An account group, on the other hand, is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

Funds are classified into three categories: governmental, proprietary and fiduciary. Each category, in turn, is divided into separate "fund types". The Authority's current operations require only the use of one fund, the proprietary fund. The Proprietary Fund is the general operating fund of the Authority. It is used to account for all financial resources of the Authority.

Method of Accounting-The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. Since the Authority only has one operating cycle, the Balance Sheets are non-classified. The modified accrual basis of accounting is used by all governmental fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transactions can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recorded when the related fund liability is incurred.

Budgetary Practices-Because no financial activity was planned for the years the Authority did not adopt a budget for the years ended March 31, 1999 and 1998. Therefore these financial statements do not contain a comparison of actual to budgeted activity.

Investments -Investments are stated at cost, plus discount adjustments. Because these securities are purchased for investment purposes, and the quoted market values fluctuate during the investment period, gains and losses are recognized (based on the specific identification method) either upon realization, or when securities' values are deemed to have been permanently impaired.

Intangible Assets-The costs of issuing the bonds and the deferred amount on refunding are being amortized over the life of the bonds using the allocated cost method. The premium received from the refunding bonds is being amortized over the life of the bonds using the effective interest method.

IBERIA HOME MORTGAGE AUTHORITY
NOTES TO FINANCIAL STATEMENTS, CONTINUED
March 31, 1999 and 1998

Note 2: SIGNIFICANT ACCOUNTING POLICIES, Continued

Use of Estimates-Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. The use of estimates and assumptions is a normal practice followed by all entities preparing financial statements in accordance with generally accepted accounting principles.

NOTE 3: CASH AND INVESTMENTS

Cash and investments at March 31, 1999 consist of the following:

	<u>Cash</u>	<u>Investments at Cost</u>	<u>Total</u>
Trustee's Accounts:			
Debt Reserve Account	\$ -	\$212,000	\$212,000
Principal Prepayment Account	168,025	223,908	391,933
Bond Account	39,139	300,215	339,354
Expense Account	<u>-</u>	<u>-</u>	<u>-</u>
Totals	<u>\$207,164</u>	<u>\$736,123</u>	<u>\$943,287</u>

Cash and Investments at March 31, 1998 consist of the following:

	<u>Cash</u>	<u>Investments at Cost</u>	<u>Total</u>
Trustee's Accounts:			
Debt Reserve Account	\$ -	\$212,000	\$212,000
Principal Prepayment Account	-	-	-
Bond Account	46,483	341,242	387,725
Expense Account	<u>8,506</u>	<u>-</u>	<u>8,506</u>
Totals	<u>\$ 54,989</u>	<u>\$553,242</u>	<u>\$608,231</u>

The indenture restricts the funds in the various accounts to be used for certain, specific purposes. In addition, minimum balances in cash and investments amounting to \$325,272 and \$360,175 were required at March 31, 1999 and 1998 by the indenture.

The investments consist of:

	<u>Face Amount (Maturity Value)</u>	
	<u>1999</u>	<u>1998</u>
Guaranteed Investment Certificates at 4% to 5.05% interest with final maturity in 2010	\$736,123	\$553,242

IBERIA HOME MORTGAGE AUTHORITY
 NOTES TO FINANCIAL STATEMENTS, CONTINUED
 March 31, 1999 and 1998

NOTE 3: CASH AND INVESTMENTS, Continued

Market value of the above securities at March 31, 1999 and 1998 approximated cost.

The above cash and securities are pledged as security for the Authority's bonds payable.

The Authority's cash as of March 31, 1999 and 1998 is fully insured and collateralized by securities held by the Authority.

NOTE 4: MORTGAGE LOANS RECEIVABLE

Mortgage loans receivable consist of 8-1/4% real estate notes secured by first liens on residential properties located in Iberia Parish, Louisiana. These loans were originated by participating mortgage lending institutions in accordance with the then current standards established by FNMA and FHMC guides. The participants are now servicing these loans which mature by the year 2011. All loans are considered to be collectible at March 31, 1999 and 1998. These mortgage loans receivable are pledged as security for the Authority's bonds payable.

NOTE 5: BOND ISSUANCE COSTS

Bond issuance costs consist of the following:

	<u>1999</u>	<u>1998</u>
Underwriters' Fees	\$194,925	\$194,925
Other (Printing, legal, rating fees)	<u>117,144</u>	<u>117,144</u>
Total	<u>312,069</u>	<u>312,069</u>
Accumulated Amortization	<u>(159,261)</u>	<u>(138,367)</u>
Unamortized Bond Issuance Costs	<u>\$152,808</u>	<u>\$173,702</u>

NOTE 6: BONDS PAYABLE

On July 7, 1993, the Authority issued \$7,620,000 in Iberia Home Mortgage Authority Single Family Mortgage Revenue Bonds dated July 1, 1993, with interest ranging from 3.75% to 7.38% to refund \$8,695,000 of the outstanding 1979 Series Bonds. The proceeds of \$7,869,000 including a premium of \$559,300 (after payment of \$312,000 in underwriting fees, insurance and other issuance costs) plus proceeds from sale of investments were used to retire the 1979 Series Bonds.

IBERIA HOME MORTGAGE AUTHORITY
NOTES TO FINANCIAL STATEMENTS, CONTINUED
March 31, 1999 and 1998

NOTE 6: BONDS PAYABLE, Continued

The refunding resulted in a difference of \$369,901 between the reacquisition price and the net carrying amount of the old debt(deferred amount on refunding). This difference, reported in the accompanying financial statements as a deduction from bonds payable, is being charged to operations through the year 2010 using the allocated cost method.

The Authority completed the refunding to reduce its total debt service payments over the next 17 years by \$2.9 million.

The bonds are secured by an assignment and pledge of and security interest in all mortgage loans acquired with bond proceeds and the income therefrom, all monies and investments held under the indenture, and all of the Authority's rights and interest.

Scheduled bond maturities through 2003 are as follows:

2000	\$205,000
2001	\$220,000
2002	\$235,000
2003	\$255,000
2004	\$265,000

The Authority's trust instrument contains certain provisions requiring that should excess funds be accumulated by the Authority, they be used to redeem a mandatory early retirement of the Authority's bonds payable. This situation existed in 1998 and 1999 and in addition to the scheduled maturities, \$260,000 and \$305,000 was retired in 1998 and 1999 respectively.

NOTE 7: ACCRUED EXPENDITURES

	<u>1999</u>	<u>1998</u>
Accrued expenditures consist of the following:		
Accrued interest	\$68,772	\$78,175
Other accrued expenditures	<u>7,443</u>	<u>8,137</u>
Totals	<u>\$76,215</u>	<u>\$86,312</u>

NOTE 8: COMPENSATION OF BOARD MEMBERS

During the years ended March 31, 1999 and 1998, no per diems were paid to the trustees of the Authority.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

TRUSTEES
IBERIA HOME MORTGAGE AUTHORITY
New Iberia, Louisiana

I have audited the financial statements of the IBERIA HOME MORTGAGE AUTHORITY as of and for the year ended March 31, 1999, and have issued my report thereon dated August 26, 1999.

I conducted my audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

In planning and performing my audit of the financial statements of IBERIA HOME MORTGAGE AUTHORITY for the year ended March 31, 1999, I considered its internal control structure in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control structure.

The trustees of IBERIA HOME MORTGAGE AUTHORITY are responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objective of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, I have classified the significant internal control structure policies and procedures in the following categories:

Treasury and Investing
Cash Receipts
Cash Disbursements

For all of the internal control structure categories listed above, I obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and I assessed control risk.

My consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control structure and its operations that I consider to be material weaknesses as defined above.

This report is intended for the information of the audit committee, management, and others within the organization and the Louisiana Legislature Auditor's office. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH
LAWS AND REGULATIONS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

TRUSTEES
IBERIA HOME MORTGAGE AUTHORITY
New Iberia, Louisiana

I have audited the financial statements of the IBERIA HOME MORTGAGE AUTHORITY, as of and for the year ended March 31, 1999, and have issued my report thereon dated August 26, 1999.

I conducted my audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

Compliance with laws, regulations, and contracts applicable to the IBERIA HOME MORTGAGE AUTHORITY is the responsibility of management. As part of obtaining reasonable assurance about whether the general purpose financial statements are free of material misstatement, I performed tests of the Authority's compliance with certain provisions of laws, regulations, and contracts. However, my objective was not to provide an opinion on overall compliance with such provisions.

The results of my tests discovered one instance of noncompliance that is required to be reported under Government Auditing Standards.

Finding:

The Authority's Trust Indenture dated July 1, 1993 contains terms and provisions specifying how the Authority's outstanding bonds payable shall be redeemed. These terms and provisions require mandatory redemptions arising from prepayments as well as mandatory sinking fund redemptions. During the year, redemptions of outstanding bonds were not made in accordance with these terms and provisions.

Management Response:

The Iberia Home Mortgage Authority has met with the trustee bank handling the bond issue. The trustee bank has taken corrective action to insure that the bonds are called for redemption in accordance with the trust agreement. In addition, the management of the Iberia Home Mortgage Authority has initiated additional steps to monitor the trustees' corrective action plan.

With respect to items not tested, nothing came to my attention that caused me to believe that the Authority had not complied, in all material respects, with those provisions.

This report is intended for the information of the audit committee, management, and the Louisiana Legislative Auditor's office. This restriction is not intended to limit the distribution of this report, which is a matter of public record.
