INDEPENDENT AUDITORS' REPORT

Honorable Mariah J. Cooper, Mayor and Members of the Board of Aldermen Town of Waterproof, Louisiana

We have audited the accompanying general purpose financial statements of the Town of Waterproof, Louisiana, as of and for the year then ended June 30, 1999 as listed in the table of contents. These general purpose financial statements are the responsibility of Town of Waterproof, Louisiana's management. Our responsibility is to express an opinion on these general purpose financial statements at the table of a statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards; and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of Town of Waterproof, Louisiana, as of June 30, 1999, and the results of its operations and the cash flows of its proprietary fund types for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Waterproof, Louisiana. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued reports dated December 17, 1999 on our consideration of the Town of Waterproof, Louisiana's internal control structure and on its compliance with laws and regulations.

1840 NORTH E. E. WALLACE BLVD. P. O. BOX 478 FERRIDAY, LA 71334 (318) 757-6511 FAX (318) 757-7206 OFFICES IN NATCHEZ, MISSISSIPPI

-2-

Honorable Mariah Cooper, Mayor Town of Waterproof, Louisiana Page Two

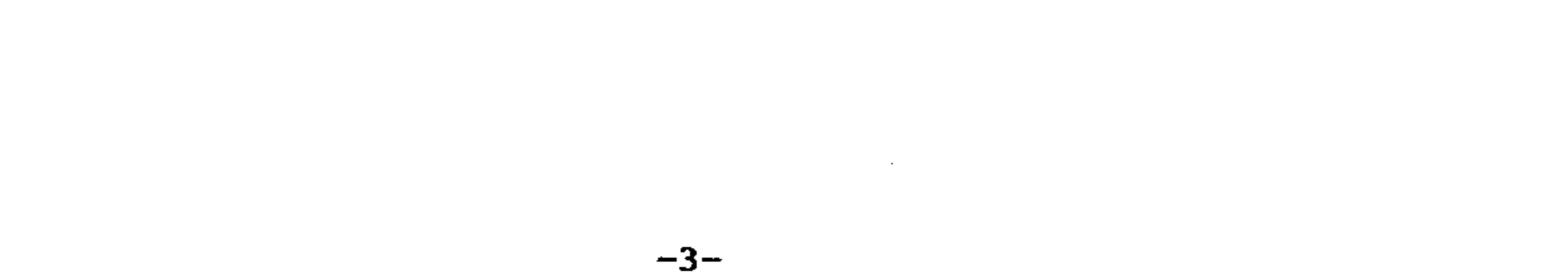

Our audit was performed for the purpose of forming an opinion on the general purpose financial statements of the Town of Waterproof, Louisiana taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U. S. Office of Management and Budget circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the general purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general purpose financial statements taken as a whole.

Ferriday, Louisiana December 17, 1999

The following notes are an integral part of these financial statements. -9-

INTRODUCTION

.

- 1. The Town of Waterproof, Louisiana was incorporated under provisions of the Lawrason Act as a Town in 1862.
- 2. The purpose of the municipality is to provide utility services, public safety (police and fire), streets, sanitation and general administrative services.
- 3. The Board of Aldermen consists of five elective members and they are paid \$125 per month.
- 4. The Town is located in the southern portion of Tensas Parish, Louisiana. Tensas Parish is located in Northeast Louisiana.
- 5. The population of Waterproof, Louisiana is 1,082 persons.
- 6. The Town of Waterproof, Louisiana has eight full time employees and two part time employees.
- 7. The Town of Waterproof, Louisiana has approximately 532 utility customers.

NOTE 1 – <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

A. BASIS OF PRESENTATION

The accompanying financial statements of the Town of Waterproof, Louisiana have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

B. REPORTING ENTITY

As the municipal governing authority, for reporting purposes, the Town of Waterproof, Louisiana is considered a separate financial reporting entity. The financial reporting entity consists of (a) the primary government (municipality), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

NOTE 1 – <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED</u>

GASB Statement No. 14 established criteria for determining which component units should be considered part of the Town of Waterproof, Louisiana for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

- 1. Appointing a voting majority of an organization's governing body, and
 - a) The ability of the municipality to impose its will on that organization and/or
 - b) The potentials for the organization to provide specific financial benefit to or impose specific financial burdens on the municipality.
- 2. Organizations for which the municipality does not appoint a voting majority but are fiscally dependent on the municipality.
- 3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

As required by generally accepted accounting principles, these financial statements present the Town of Waterproof, Louisiana (the primary government) and its component units. There are no component units included in the accompanying financial statements as either blended with the municipality funds or discretely presented.

C. FUND ACCOUNTING

The municipality uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

Funds of the municipality are classified into two categories: governmental and proprietary. In turn, each category is divided into separate fund types. The fund classifications and a description of each existing fund type follow:

)

.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Governmental Funds

.

Governmental funds are used to account for all or most of the municipality's general activities, including the collection and disbursement of specific or legally restricted monies, the acquisition or construction of general fixed assets, and the servicing of general long term debt. Governmental funds include:

- 1. General Fund the general operating fund of the municipality and accounts for all financial resources, except those required to be accounted for in other funds.
- 2. Capital Projects account for transactions relating to proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

Proprietary Funds

Proprietary funds are used to account for activities similar to those found in the private sector, where the determination of net income is necessary or useful to sound financial administration. Proprietary funds differ from governmental funds in that their focus is on income measurement, which, together with the maintenance of equity, is an important financial indicator. Proprietary funds include:

1. Enterprise funds—account for operations (a) where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges, or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

General Fixed Assets and Long Term Debt

The accounting and reporting treatment applied to the property, plant and equipment and long-term liabilities associated with a fund are determined by its measurement focus.

All governmental fund type operations are accounted for on a spending or "financial flow" measurement focus and only current assets and current liabilities are generally included on their balance sheets.

NOTE 1 – <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED</u>

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the General Fixed Assets Account Group and are recorded as expenditures in the governmental fund types when purchased. The Town has elected to not capitalize public domain ("infrastructure") fixed assets consisting of certain improvements other than buildings, including roads, bridges, sidewalks and drainage improvements. No depreciation has been provided on general fixed assets.

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-Term Debt Account Group.

All proprietary funds are accounted for on a cost of services or "capital maintenance" measurement focus, and all assets and all liabilities (whether current or noncurrent) associated with their activity are included on their balance sheets.

Depreciation of all exhaustible fixed assets used in the proprietary fund is charged as an expense against their operations. Depreciation has been provided over the estimated useful lives using the straight-line method as follows:

Gas lines, Sewer lines and plant Vehicles and equipment 50 years 3 to 10 years

All fixed assets are stated a historical cost.

D. BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. Taxpayer-assessed income, gross receipts and sales taxes are considered "measurable" when in the hands of collecting governments and are recognized as revenue at that time. Anticipated refunds of such taxes are recorded as liabilities and reductions of revenue when they are measurable and their validity seems certain.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. An exception to this general rule is principal and

interest on general long-term debt which is recognized when due.

1

6

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

All proprietary funds are accounted for using the accrual basis of accounting. Their revenues are recognized when earned and their expenses are recognized when incurred. Bad debts are recognized when they become uncollectable.

E. BUDGETS AND BUDGETARY ACCOUNTING

The Town follows these procedures in establishing the budgetary data reflected in these financial statements:

- 1. The Town prepares a proposed budget and submits it to the Mayor and Board of Aldermen no later than fifteen days prior to the beginning of each fiscal year. The Town approves a budget for the general fund only.
- 2. A summary of the proposed budget is published and the public notified that the proposed budget is available for public inspection. At the same time, a public hearing is called.
- 3. A public hearing is held on the proposed budget at least ten days after publication of the call for the hearing.
- 4. After the holding of the public hearing and completion of all action necessary to finalize and implement the budget, the budget is adopted through the passage of an ordinance prior to the commencement of the fiscal year for which the budget is being adopted.
- 5. Budgetary amendments involving the transfer to funds from one department, program or function to another or involving increases in expenditures resulting from revenues exceeding amounts estimated, require the approval of the Board of Aldermen.
- 6. All budgetary appropriations lapse at the end of each fiscal year.
- 7. Budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP). Budgeted amounts are as originally adopted, or as amended from time to time by the Board of Aldermen. Such amendments were not material in relation to the original appropriations.

3

F. INVENTORIES

Inventories or material and supplies are valued at lower of cost or market.

NOTE 1 ~ <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED</u>

G. ALLOWANCE FOR UNCOLLECTABLE ACCOUNTS

Allowance for uncollectable accounts receivable at June 30, 1999 was \$8,271.

H. RESTRICTED ASSETS

Certain assets of the Town of Waterproof, Louisiana have been restricted for debt service and customers' deposits and these assets total \$57,321.

I. COMPARATIVE DATE

Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the Town's financial position and operations. However, comparative (i.e., presentation of prior year totals by fund type) data have not been represented in each of the statements since their inclusion would make the statements unduly complex and difficult to read.

J. TOTAL COLUMNS ON COMBINED STATEMENTS - OVERVIEW

Total columns on the combined statements – overview are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

K. CASH AND CASH EQUIVALENTS

Cash includes amounts in demand deposits, interest-bearing demand deposits and time deposits. Cash equivalents include amounts in time deposits and those investments with original maturities of 90 days or less. Under state law, the municipality may deposit funds in demand deposits, interest-bearing demand deposits, or time deposits with state banks organized under Louisiana law or any other state of the Unites States, or under the laws of the United States.

NOTE 1 – <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED</u>

L. FUND EQUITY

.

.

Contributed Capital

Contributed capital is recorded in proprietary funds that have received capital grants or contributions from developers, customers, or other funds when such resources are restricted for the acquisition or construction of capital assets. Contributed capital is amortized based on the depreciation recognized on that portion of the assets acquired or constructed from such resources.

M. ENCUMBRANCES

The Town of Waterproof docs not use encumbrance accounting.

NOTE 2 – <u>CHANGES IN GENERAL FIXED ASSETS ACCOUNT GROUP</u>

A summary of changes in general fixed assets follows:

	Balance <u>6/30/98</u>	<u>Additions</u>	<u>Deletions</u>	Balance <u>6/30/99</u>
Land and Buildings Equipment	\$ 46,140 151,164	\$ - 43,934	\$ - _	\$ 46,140 195,098
Total	\$197,304	\$ 43,934	\$ -	<u>\$241,238</u>

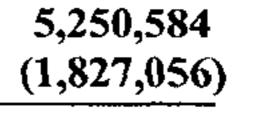

NOTE 3 – PROPRIETARY FUND PROPERTY, PLANT AND EQUIPMENT

A summary of proprietary fund's plant and equipment at June 30, 1999 follows:

Water	\$ 3,004,854
Sewer	1,321,287
Gas	803,896
Garbage	117,755
Backhoe and Mowing	2,792

Total plant and equipment Less accumulated depreciation

Net

3,423,528

NOTE 4 – <u>AD VALOREM TAXES</u>

T

Ad valorem taxes attach as an enforceable lien on property as of January 1, of each year. Taxes are levied by the Town in September or October and are actually billed to the taxpayers in November. Billed taxes become delinquent on January 1, of the following year. Revenues from ad valorem taxes are budgeted in the year billed.

The Town bills and collects its own property taxes using the assessed values determined by the tax assessor of Tensas Parish.

For the year ended June 30, 1999 taxes of 7.27 mills were levied on property with assessed valuations totaling \$1,344,257 and were dedicated to general corporate purposes.

Total taxes levied were \$9,773.

NOTE 5 – <u>RETIREMENT COMMITMENTS</u>

The Town of Waterproof employees are all members of the social security system and are members of no other retirement plan. The expense of the social security is reflected in payroll taxes in the various statements of income.

NOTE 6 – <u>CASH AND CASH EQUIVALENTS</u>

Under state law, the Town may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having principal offices in Louisiana.

At June 30, 1999, the Town had cash and cash equivalents according to the bank's balances totaling \$136,344 as follows:

Demand deposits	\$ 103,537
Time deposits	<u>32,807</u>
Total	\$ <u>136,344</u>

Under state law, these deposits, or the resulting bank balances, must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both

parties. Cash and cash equivalents (bank balances) at June 30, 1999 of \$100,000 were secured by Federal deposit insurance and \$36,344 was secured by securities pledged.

NOTE 7 – OTHER REQUIRED INDIVIDUAL FUND DISCLOSURES

The Town grants one week vacation after one year of service and two weeks vacation after two years of service. Each employee is entitled to ten sick days per year. Vacation or sick pay does not accumulate. The cost of accrued absences at June 30, 1999 was \$2,940. The Town's policy concerning compensation for unpaid vacation pay or sick pay is that upon termination of an employee, vacation days and sick days not previously used by the employee are not reimbursed.

NOTE 8 - CHANGES IN LONG-TERM DEBT

•

The following is a summary of bond transactions of the Town of Waterproof for the year ended June 30, 1999:

Proprietary Fund

The following is a summary of bond transactions of the Town of Waterproof for the year ended June 30, 1999:

Bonds payable at June 30, 1998	\$ 561,415
Bonds retired	5,671
Bonds payable at June 30, 1999	\$ <u>555,744</u>

Bonds payable at June 30, 1999 are comprised of the following issues:

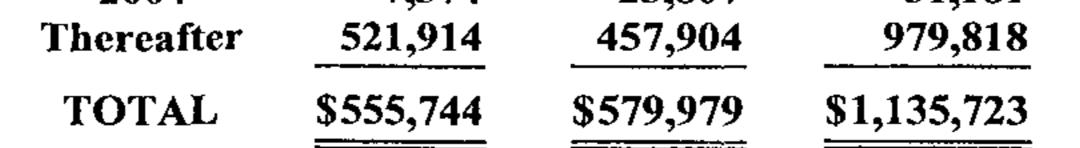

Water Revenue Bonds:

Year

\$ 566,415 in revenue bonds due in annual installments of \$31,180 through July of 2035; interest at 4.5%.

The annual requirements to amortize the bonds as of June 30, 1999 are as follows:

Ended			
<u>June 30</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2000	\$ 6,184	\$ 24,997	\$ 31,181
2001	6,462	24,719	31,181
2002	6,753	24,428	31,181
2003	7,057	24,124	31,181
2004	7,374	23,807	31,181

NOTE 9 – PROPRIETARY FUND BOND INDENTURE RESTRICTIONS

The Town's proprietary fund bonds are governed by bond indenture, the terms of which are summarized as follows:

- 1. Commencing with the month following completion of improvements financed with the proceeds of the bonds, a reserve fund shall be maintained. For the period August 20, 1997 through July 20, 2035, \$130 must be deposited into this fund until \$31,180 has been accumulated.
- 2. Commencing with the month following completion of improvements financed with the proceeds of the bonds, a contingency fund shall be maintained. For the period August 20, 1995 through July 20, 2035, \$129 must be deposited monthly.

The Town is in compliance with these restrictions.

NOTE 10 – RESTRICTED ASSETS PROPRIETARY FUND TYPE

Certain assets were restricted for debt service and customer deposits. These assets consisted of the following:

Sinking fund	\$ 22,861
Customer deposits	26,588
Bond reserve fund	3,232
Bond contingency fund	4,680
	\$ 57,321

NOTE 12 – <u>SUMMARY OF GRANTS</u>

.

--- · ·- ·

Funding from the following Federal and State grants was received during the year ended June 30, 1999:

Funding Source and Program	CFDA <u>Number</u>	Revenue <u>Am</u> ount
Federal:		
HUD-LCDBG Wastewater Improvements	14.219	\$ 647,387
Department of Justice -COPS	16.710	38,531
USDA Rural Development - Police Car	10.733	16,500
Department of Justice - Law Enforcement		

Equipment	16.592	3,693				
Total - Federal		<u>\$ 706,111</u>				
State:						
Office of Rural Development - Police Car		\$ 10,000				
State of Louisiana - Division of Administration		16,860				
Total - State		\$ 26,860				
Total Federal and State Grants		\$ 732,971				

NOTE 13 - THE YEAR 2000 ISSUE

The Year 2000 Issue is a result of shortcomings in many electronic data processing systems and other equipment that may adversely affect operations in the year 1999 and beyond if date sensitive coding is not corrected. The Town is aware of the year 2000 issue and is currently assessing all of its systems.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Mariah J. Cooper, Mayor and Members of the Board of Aldermen Town of Waterproof, Louisiana

We have audited the general purpose financial statements of Town of Waterproof, Louisiana as of and for the year ended June 30, 1999, and have issued our report thereon dated December 17, 1999. We have conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Town of Waterproof, Louisiana's general purpose financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, non compliance with which could have a direct and material effect on the determination of financial statement amounts. However providing an opinion on compliance with those provisions was not an object of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Town of Waterproof, Louisiana's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant

deficiencies in the design or operation of the internal control over financial reporting that, in our judgement, could adversely affect the Town of Waterproof, Louisiana's ability to record, process, summarize and report financial data consistent with the assertions of management in the general purpose financial statements.

-

Honorable Mariah J. Cooper, Mayor and Members of the Board of Aldermen Page Two

Finding 99-01 Segregation of Duties

We noted that the Town does not have adequate segregation of duties in accounting in the office. We recommend that an attempt be made to strengthen internal control problems created by having few employees.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe the reportable condition described above is a material weakness.

This report is intended for the information and use of management of the district and the Legislative Auditor of the State of Louisiana. However, this report is a matter of public record and its distribution is not limited.

Ferriday, Louisiana December 17, 1999

SECTION IV - SCHEDULE OF FINDINGS AND QUESTIONED COSTS

.. .

TOWN OF WATERPROOF, LOUISIANA

Schedule of Findings and Questioned Costs Year Ended June 30, 1999

Summary of Audit Results

.

>

- 1. The auditor's report expresses an unqualified opinion on the General Purpose Financial Statements.
- 2. One reportable condition was disclosed during the audit of the financial statements reported in the Report on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed In Accordance with Government Auditing Standards.
- 3. No instance of noncompliance certain laws and regulations of the Town of Waterproof, Louisiana were disclosed during the audit.

<u>Findings – Financial Statement Audit</u>

Reportable Conditions

99-1 Segregation of Duties

Condition:	We noted that the Town of Waterproof, Louisiana does not have adequate segregation of duties.
Criteria:	To increase internal controls, we recommend adequate segregation of duties.
Effect:	Because of lack of segregation of duties, internal controls are weakened.
Recommendation:	We recommend that an attempt be made to strengthen internal control problems created by having few employees.
Response:	Management indicated that it would not be cost efficient or feasible to increase the number of employces.

TOWN OF WATERPROOF, LOUISIANA

SUMMARY OF SCHEDULE OF PRIOR AUDIT FINDINGS JUNE 30, 1999

INTERNAL CONTROL FINDINGS

٠

•

- 98-1 Segregation of Duties (For fiscal year ending June 30, 1998)
 - Condition: There is an insufficient segregation of dutics to have an effective internal control.
 - Current status: This finding still applies and is noted in the current audit for the year ending June 30, 1999. (See current finding noted as 99-1). Management indicates that no action can be taken at this time.
- 98-2 Expenditures in excess of budget (For fiscal year ending June 30, 1998)

Condition:	During the year the Town of Waterproof had expenditures in excess of 5% over the amount budgeted in the general fund. This was a law violation.
Current status:	This law violation no longer exists.

.

SECTION V -- RESPONSE

· ·· ·· ·· ··· · ···· ··· ··· ····

TOWN OF WATERPROOF, LOUISIANA MANAGEMENT RESPONSE JUNE 30, 1999

Reportable Condition 99-1 Segregation of Duties

- se 🖉 🏓

.

The Mayor of the Town of Waterproof responded that the Town is aware of the internal control weakness caused by lack of segregation of duties in the accounting department. The Town will continue to have this problem because there are few employees and there are no plans to employ any additional employees in the accounting department.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL **OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

Honorable Mariah Cooper, Mayor and Members of the Board of Alderman **Town of Waterproof, Louisiana**

Compliance

We have audited the compliance of the Town of Waterproof, Louisiana with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 1999. The Town of Waterproof, Louisiana's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Town of Waterproof Louisiana management. Our responsibility is to express an opinion o the Town of Waterproof, Louisiana's compliance based on our audit.

We conducted our audit of compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in Government Auditing Standards, issued by the comptroller General of the United States and OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform that audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Town of Waterproof, Louisiana's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Town of Waterproof, Louisiana's compliance with those requirements.

In our opinion, the Town of Waterproof, Louisiana complied, in all material respects, with the

requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 1999.

Internal Control Over Compliance

**

3 🕈

The management of the Town of Waterproof, Louisiana is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Town of Waterproof, Louisiana's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider being material weaknesses.

Schedule of Expenditures of Federal Awards

We have audited the general purpose financial statements of the Town of Waterproof, Louisiana as of and for the year ended June 30, 1999, and have issued our report thereon dated December 17, 1999. Our audit was performed for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the general-purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general purpose financial statements taken as a whole.

This report is intended for the information of management, federal awarding agencies and the Legislative Auditor. However, this report is a matter of public record and its distribution is not limited.
