INDEPENDENT AUDITOR'S REPORT ON FINANACIAL STATEMENTS AND SUPPLEMENTAL INFORMATION SCHEDULES

To the Board of Directors of
Save Our Sons, Incorporated
Monroe, Louisiana

I have audited the accompanying statement of financial position of Save Our Sons, Incorporated (a nonprofit organization) as of June 30, 1998, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

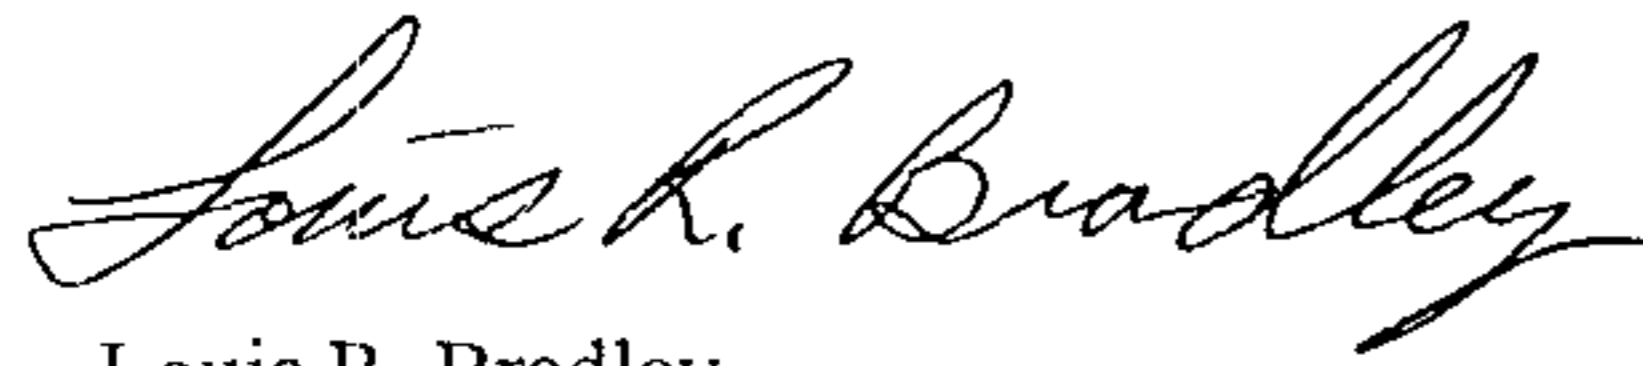

I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Save Our Sons, Incorporated as of June 30, 1998, and the changes in its net assets and its cash flows for the year then ended in conformity with generally accepted accounting principles.

My audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental information and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To Save Our Sons, Incorporated
Monroe, Louisiana

I have audited the statement of financial position of Save Our Sons , Incorporated and the related statements of activities, cash flows, and functional expenses as of and for the year ended June 30, 1998, and have issued my report thereon dated December 11, 1998. I conducted My audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Save Our Sons, Incorporated's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

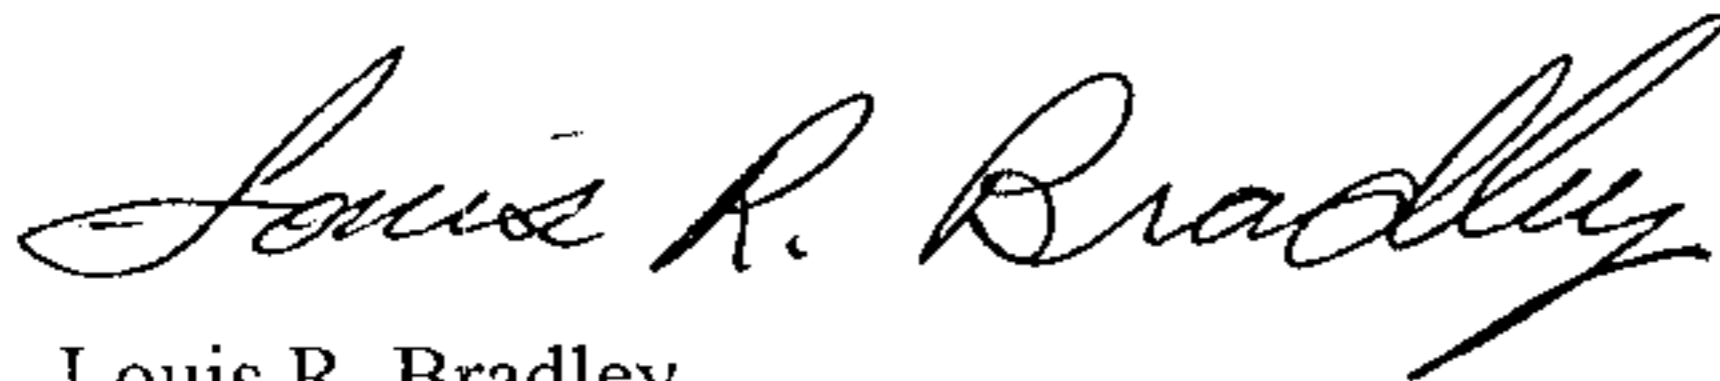

In planning and performing my audit, I considered Save Our Sons, Incorporated's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, I noted no matters involving the internal control over financial reporting and its operation that I consider to be reportable conditions. Reportable conditions involve matters coming to my attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in my judgment, could adversely affect Save Our Sons, Incorporated's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements.

REPORT ON COMPLIANCE AND ON
INTERNAL CONTROL OVER FINANCIAL
REPORTING BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT
AUDITING STANDARDS*

Page 2

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses.

This report is intended for the information of the Legislative auditor, the Louisiana Department of Urban and Development. However, this report is a matter of public record and its distribution is not limited.
