To The Governing Board of  
Very Special Arts/Louisiana, Inc  
Baton Rouge, Louisiana

I have compiled the accompanying Statement of Cash Receipts and Disbursements of Very Special Arts/Louisiana, Inc program grant from the Louisiana Department of Education for the fiscal year ended June 30, 1998, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the entity's financial position, results of operations and changes in cash flow. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Respectfully submitted;

**Independent Accountant's Report  
on Applying Agreed-Upon Procedures**

To the Governing Board of  
Very Special Arts / Louisiana Inc.

We have performed the procedures included in the Louisiana Government Audit Guide and enumerated below, which were agreed to by the Governing Board of Very Special Arts/Louisiana Inc. and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating the Governing Board assertions about Very Special Arts/Louisiana Inc.'s compliance with certain laws and regulations during the year ended June 30, 1997 included in the accompanying Louisiana Attestation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

**Public Bid Law**

**Budgeting**

- (5) Obtained a copy of the legally adopted budget and all amendments.

Management provided us with a copy of the original budget and all amendments.

  - (b) We determined that payments and disbursements were properly coded to the correct fund and general ledger account.
  - (c) Inspection of documentation supporting each of the twenty selected disbursements indicated proper approval from the appropriate authorities.

### Debt

- (10) We inspected all bank deposits for the period under examination and noted no deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

### Advances and Bonuses

- (11) A reading of the minutes for the year indicated no approval for the payments noted. We also examined the payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances or gifts.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on the Governing Board's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

**MANAGEMENT LETTER**

To The Governing Board of  
Very Special Arts/Louisiana, Inc  
Baton Rouge, Louisiana

This letter is issued to inform management of compliance issues that arise during our engagement to compile your statements for the fiscal year ending June 30, 1998. As you know, the report has been issued after the statutory date of December 31, 1998. The reason for this non-compliance was due to fact that the Questionnaire to be completed by officers of the entity was delayed in being returned to us. Although most of our fieldwork was completed in October 1998, we requested additional documents and a Questionnaire was given to your staff to be completed. We did not receive additional documents requested until early December 1998. At that time another copy of the Questionnaire was given to staff member in charge. This completed Questionnaire was delivered to my office January 22, 1999.

During the time period above we did make several requests for the additional documents needed. However, due to the scheduling of our staff to current engagements, we were delayed on occasion in obtaining the documents and completing the report once all the documents were available.

It is the responsibility of the client to provide any documents needed in a timely fashion and we advise you to notify your staff of the importance of providing necessary documents timely. For our part, in the future we will make a more aggressive effort to pursue any documents that may be needed and assure that it is timely received.

A copy of this letter is being forwarded with the report to the Legislative Auditor as required by law. If you have any questions, please do not hesitate to contact us to discuss.

Sincerely,

Kevin F. Caire, CPA
