Independent Auditor's Report

HONORABLE FAYE ELKIN FRANKLIN PARISH CLERK OF COURT Winnsboro, Louisiana

I have audited the general purpose financial statements of the Franklin Parish Clerk of Court, a component unit of the Franklin Parish Police Jury, as of June 30, 1999, and for the year then ended, as listed in the table of contents. These general purpose financial statements are the responsibility of the Franklin Parish Clerk of Court's management. My responsibility is to express an opinion on these general purpose financial statements haved on my audit

GOVERNMENTAL ACCOUNTING, AUDITING

AND FINANCIAL REPORTING

financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Franklin Parish Clerk of Court as of June 30, 1999, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

My audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental information schedules listed in the table of contents are presented for the purpose of additional analysis and are not a required part of the general purpose financial statements of the Franklin Parish Clerk of Court. Such information, except for the schedule on the year 2000 issue which is marked unaudited, has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in my opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

HONORABLE FAYE ELKIN FRANKLIN PARISH CLERK OF COURT Winnsboro, Louisiana Independent Auditor's Report, June 30, 1999

The year 2000 supplementary information on page 20 is supplementary information required by the Governmental Accounting Standards Board. I have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the Year 2000 supplementary information. However, I did not audit the information and do not express an opinion on it. In addition, I do not provide assurance that the Franklin Parish Clerk of Court is or will be year 2000 compliant, that the Franklin Parish Clerk of Court's remediation efforts will be successful in whole or in part, or that parties with which the Franklin Parish Clerk of Court does business are or will become year 2000 compliant.

In accordance with *Government Auditing Standards*, I have also issued report a dated December 28, 1999, on the Franklin Parish Clerk of Court's compliance with laws, regulations, and contracts, and my consideration of the agency's internal control.

FRANKLIN PARISH CLERK OF COURT Winnsboro, Louisiana

Notes to the Financial Statements As of and For the Year Ended June 30, 1999

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES 1.

As provided by Article V, Section 28 of the Louisiana Constitution of 1974, the clerk of court serves as the ex-officio notary public, the recorder of conveyances, mortgages and other acts, and shall have other duties and powers provided by law. The clerk of court is elected for a term of four years.

REPORTING ENTITY Α.

As the governing authority of the parish, for reporting purposes, the Franklin Parish Police Jury is the financial reporting entity for Franklin Parish. The financial reporting entity consists of (a) the primary government (police jury), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Governmental Accounting Standards Board (GASB) Statement No. 14 established criteria determining which component units should be considered part of the Franklin Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial responsibility. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

- Appointing a voting majority of an organization's governing 1. body, and
 - The ability of the police jury to impose its a. will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the police jury.
- Organizations for which the police jury does not appoint a 2. voting majority but are fiscally dependent on the police jury.

-7-

FRANKLIN PARISH CLERK OF COURT Winnsboro, Louisiana

Notes to the Financial Statements (Continued)

3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Because the police jury maintains and operates the parish courthouse in which the clerk of court's office is located and provides funds for equipment and furniture of the clerk of court's office, the clerk of court was determined to be a component unit of the Franklin Parish Police Jury, the financial reporting entity. The accompanying financial statements present information only on the funds maintained by the clerk of court and do not present information on the police jury, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

B. FUND ACCOUNTING

The clerk of court uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts that comprises its assets, liabilities, fund equity, revenues, and expenditures. An account group, on the other hand, is a financial reporting device designed to provide accountability for certain assets and liabilities (general fixed assets and general long-term obligations) that are not recorded in the "funds" because they do not directly affect net expendable available financial resources. They are concerned only with the measurement of financial position, not with the measurement of results of operations.

Funds are classified into three categories; governmental, proprietary, and fiduciary. Each category, in turn, is divided into separate "fund types". Governmental funds are used to account for a government's general activities, where the focus of attention is on the providing of services to the public as opposed to proprietary funds where the focus of attention is on recovering the cost of providing services to the public or other agencies through service charges or user fees. Fiduciary funds are used to account for assets held for others. The clerk of court's current operations require the use of only governmental and fiduciary funds. The governmental and fiduciary fund types used by the clerk are described as follows:

-8-

FRANKLIN PARISH CLERK OF COURT Winnsboro, Louisiana Notes to the Financial Statements (Continued)

Governmental Fund - General Fund

The General Fund, as provided by Louisiana Revised Statute 13:781, is the principal fund of the clerk of court and is used to account for the operations of the clerk's office. The various fees and charges due to the clerk's office are accounted for in this fund. General operating expenditures are paid from this fund.

Fiduciary Funds - Agency Funds

The Advance Deposit and Registry of Court agency funds are used to account for assets held as an agent for others. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

C. FIXED ASSETS AND LONG-TERM DEBT

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the general fixed assets account group, rather than in the General Fund. General fixed assets provided by the parish police jury are not recorded in the general fixed assets account group. Approximately 61 per cent of fixed assets are valued at estimated historical costs based on the actual costs of like items while the remaining 39 per cent are based on actual historical costs. No depreciation has been provided on general fixed assets. At June 30, 1999, the clerk had no long-term debt.

D. BASIS OF ACCOUNTING

The financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements for these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The modified accrual basis of accounting is used for reporting all governmental and fiduciary fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and

-9-

FRANKLIN PARISH CLERK OF COURT

Winnsboro, Louisiana Notes to the Financial Statements (Continued)

"available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The clerk of court uses the following practices in recognizing and reporting revenues and expenditures:

Revenues

Recordings, cancellations, court attendance, criminal costs, and other fees, charges, and commissions for services are recorded in the year in which they are earned.

Interest income on time deposits is recorded when the time deposits have matured and the income is available.

Substantially all other revenues are recognized when received by the clerk of court

Based on the above criteria, fees, charges, and commissions for services are treated as susceptible to accrual.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

BUDGET PRACTICES Е.

A proposed budget prepared on the modified accrual basis of accounting, is published in the official journal at least ten days prior to a public hearing. The public hearing is held at the clerk's office during the month of June for comments from taxpayers. The proposed budget is then legally adopted by the clerk and amended during the year, as necessary. Budgets are established and controlled by the clerk at the object level of expenditure. Appropriations lapse at year-end and must be reappropriated for the following year to be expended.

Formal budgetary integration is employed as a management control device during the year. Budgeted amounts included in the accompanying financial statements include the original adopted budget amounts and all subsequent amendments.

F. CASH AND CASH EQUIVALENTS

Under state law, the clerk of court may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having principal offices in Louisiana. At June 30, 1999, the clerk of court has cash and cash equivalents (book balances) totaling \$647,206, as follows:

Demand deposits	\$221,812
Time deposits	425,394
Total	<u>\$647,206</u>

These deposits are stated at cost, which approximates market. Under state law, these deposits, or the resulting bank balances, must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Cash and cash equivalents (bank balances) at June 30, 1999, are secured as follows:

Bank Balances	\$678,468
Federal deposit insurance Pledged securities (uncollateralized)	\$413,076 737,309
Total	\$1,150,385

Because the pledged securities are held by a custodial bank in the name of the fiscal agent bank rather than in the name of the clerk of court, they are considered uncollateralized (Category 3) under the provisions of GASB Codification C20.106; however, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the clerk of court that the fiscal agent has failed to pay deposited funds upon demand. Further, LRS 39:1224 states that securities held by a third party shall be deemed to be held in the clerk's name.

G. VACATION AND SICK LEAVE

All full-time employees of the clerk of court's office receive 5 to 15 days of noncumulative vacation leave each year, depending on length of service, and one day of sick

-11-

FRANKLIN PARISH CLERK OF COURT

Winnsboro, Louisiana Notes to the Financial Statements (Continued)

leave per month, not to exceed 10 days accumulation at any time. Accumulated sick leave does not carry forward to succeeding years.

H. RISK MANAGEMENT

The clerk of court is exposed to various risk of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and injuries to employees. To handle such risk of loss, the clerk maintains commercial insurance policies covering; automobile liability, medical payments, uninsured motorist, and collision; workers compensation; and surety bond coverage for all employees. No claims were paid on any of the policies during the past three years which exceeded the policies' coverage amounts. In addition to the above policies, the clerk also maintains an errors and omissions claims paid policy with the Louisiana Clerks of Court Risk Management Agency. No claims have been filed on the policy during the past three years nor is

the clerk aware of any unfiled claims.

I. TOTAL COLUMN ON BALANCE SHEET

The total column on the balance sheet is captioned "Memorandum Only" to indicate that it is presented only to facilitate financial analysis (overview). Data in this column does not present financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

3. CHANGES IN GENERAL FIXED ASSETS

A summary of changes in office furnishings and equipment for the year ended June 30, 1999 follows:

Balance at July 1, 1998	\$103,978
Additions	4,112
Deletions	(4,354)
Balance at June 30, 1999	<u>\$103,736</u>

Additions to general fixed assets for the year ended June 30, 1999 include donation from the police jury for office equipment totaling \$3,785.

4. PENSION PLAN

Substantially all employees of the Franklin Parish Clerk of Court are members of the Louisiana Clerks of Court Retirement and Relief Fund (System), a cost-sharing, multiple-employer defined benefit pension plan administered by a separate board of trustees.

All regular employees who are under the age of 60 at the time of original employment are required to participate in the System. Employees who retire at or after age 55 with at least 12 years of credited service are entitled to a retirement benefit, payable monthly for life, equal to 3 percent of their final-average salary for each year of credited service, not to exceed 100 percent of their final-average salary. Final-average salary is the employee's average salary over the 36 consecutive or joined months that produce the highest average. Employees who terminate with at least 12 years of service and do not withdraw their employee contributions may retire at or after age 55 and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established or amended by state statute.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Louisiana Clerks of Court Retirement and Relief Fund, 11745 Bricksome Avenue, Suite B1, Baton Rouge, Louisiana 70816, or by calling (504) 293-1162.

Plan members are required by state statute to contribute 8.25 percent of their annual covered salary and the Franklin Parish Clerk of Court is required to contribute at an actuarially determined rate. The

current rate is 10 percent of annual covered payroll. Contributions to the System also include one-fourth of one percent (one-half of one percent for Orleans Parish) of the taxes shown to be collectible by the tax rolls of each parish. The contribution requirements of plan members and the Franklin Parish Clerk of

Court are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The Franklin Parish Clerk of Court's contributions to the System for the years ending June 30, 1999, 1998, and 1997, were \$23,946, \$21,817 and \$21,598, respectively, equal to the required contributions for each year.

5. POST RETIREMENT BENEFITS

The Franklin Parish Clerk of Court provides certain health care and life insurance benefits for retired employees. Substantially all of the clerk's employees become eligible for these benefits if they reach normal retirement age while working for the clerk of court. These benefits for retirees and similar benefits for active employees are provided through an insurance company whose monthly premiums are paid jointly by the employee and the clerk of court. The clerk of court recognizes the cost of providing these benefits (the clerk's cost of premiums) as an expenditure when the monthly premiums are duc, which was \$26,215 for the year ended June 30, 1999. Of that amount, \$2,686 was for retiree benefits.

6. CHANGES IN AGENCY FUND BALANCES

A summary of changes in agency fund balances due to others follows:

FRANKLIN PARISH CLERK OF COURT Winnsboro, Louisiana SUPPLEMENTAL INFORMATION SCHEDULE As of and For the Year Ended June 30, 1999

YEAR 2000 ISSUE (Unaudited)

The year 2000 issue is the result of shortcomings in many electronic data processing systems and other electronic equipment that may adversely affect the government's operations as early as fiscal year 1999. The Franklin Parish Clerk of Court has completed an inventory of computer systems that may be affected by the year 2000 issue and that are critical to conducting operations of the clerk's office. The clerk has identified the following system requiring 2000 remediation; a financial reporting system. All testing and validation of this system has been performed.

Because of the unprecedented nature of the Year 2000 issue, its effects and the success of related remediation efforts will not be fully determinable until the year 2000 and thereafter. Management cannot assure that the clerk is or will be Year 2000 ready, that the clerk's remediation efforts will be successful in whole or part, or that parties with whom the clerk does business will be year 2000 ready.

Independent Auditor's Reports Required by *Government Auditing Standards*

The following independent auditor's report on compliance and internal control over financial reporting is presented in compliance with the requirements of *Government Auditing Standards* issued by the Comptroller General of the United States and the *Louisiana Governmental Audit Guide*, issued by the Society of Louisiana Certified Public Accountants and the Louisiana Legislative Auditor.

Independent Auditor's Report on Compliance and **Internal Control Over Financial Reporting**

FRANKLIN PARISH CLERK OF COURT Winnsboro, Louisiana

I have audited the general purpose financial statements of the Franklin Parish Clerk of Court, a component unit of the Franklin Parish Police Jury, as of and for the year ended June 30, 1999 and have issued my report thereon dated December 28, 1999. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

GOVERNMENTAL

ACCOUNTING, AUDITING

AND FINANCIAL REPORTING

Compliance

As part of obtaining reasonable assurance about whether the Franklin Parish Clerk of Court's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations and contracts, noncompliance with which could have a direct and material effect on the determination of financial amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Franklin Parish Clerk of Court's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.
