INDEPENDENT AUDITORS' REPORT

The Honorable Michael Harson
District Attorney of the Fifteenth
Judicial District
Parishes of Acadia, Lafayette, and
Vermilion, Louisiana

We have audited the accompanying component unit financial statements and the combining and individual fund and account group financial statements of the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana, a component unit of the Lafayette Parish Government, as of December 31, 1998, and for the year then ended. These financial statements are the responsibility of the District Attorney. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as discussed in the following paragraph, we conducted our audit in accordance with generally accepted auditing standards, Government Auditing Standards, issued by the Comptroller General of the United States and the provisions of Louisiana Revised Statutes 24:513 and the Louisiana Governmental Audit Guide. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Governmental Accounting Standards Board Technical Bulletin 98-1, Disclosures about Year 2000 Issues, requires disclosure of certain matters regarding the year 2000 issue. The District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana has included such disclosures in Note 7. Because of the unprecedented nature of the year 2000 issue, its effects and the success of related remediation efforts will not be fully determinable until the year 2000 and thereafter. Accordingly, insufficient audit evidence exists to support the District Attorney's

WMDDH

disclosures with respect to the year 2000 issue made in Note 7. Further, we do not provide assurance that the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana is or will be year 2000 ready, that the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana does business will be year 2000 ready.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we been able to examine evidence regarding year 2000 disclosures, the component unit financial statements referred to above present fairly, in all material respects, the financial position of the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana, as of December 31, 1998, and the results of its operations and the cash flows of its proprietary fund types for the year then ended in conformity with generally accepted accounting principles.

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated April 7, 1999, on our consideration of the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

### Notes to Financial Statements

#### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

As provided by Article V, Section 26 of the Louisiana Constitution of 1974, the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana (District Attorney) has charge of every criminal prosecution by the State in his district, is the representative of the State before the grand jury in his district, and is the legal advisor to the grand jury. He performs other duties as provided by law. The District Attorney is elected by the qualified electors of the judicial district for a term of six years. The Fifteenth Judicial District encompasses the parishes of Acadia, Lafayette, and Vermilion, Louisiana.

The accounting and reporting policies of the District Attorney conform to generally accepted accounting principles (GAAP) as applicable to governments. Such accounting and reporting procedures also conform to the requirements of Louisiana Revised Statutes 24:517 and to the industry audit guide, Audits of State and Local Governmental Units.

The following is a summary of certain significant accounting policies:

### Financial Reporting Entity

These component unit financial statements only include funds, account groups, activities, et cetera, that are controlled by the District Attorney as an independently elected parish official. Based on the criteria established by Government Accounting Standards Board (GASB) Statement No. 14, the District Attorney is a component unit of one of the Parish Governments located within the Fifteenth Judicial District. The District Attorney is fiscally dependent on the Parish Government since the District Attorney's offices are located in the Parish Court House, the upkeep and maintenance of the courthouse is paid by the Parish Governments and in addition, the Parish Governments also pay salaries and certain operating expenditures of the District Attorney.

The District Attorney of the Fifteenth Judicial District is a part of the district court system of the State of Louisiana. However, the State statutes that created the District Attorneys also give the District Attorneys control over all their operations. This includes the hiring and retention of employees, authority over budgeting, responsibility for deficits, and the receipt and disbursement of funds. Other than salaries and certain operating expenditures of the District Attorney's office that are paid by the Parish Governments as required by Louisiana law, the District Attorney is financially independent and operates autonomously from the State of Louisiana and independently from the district court system.

### Fund Accounting

The accounts of the District Attorney are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprises its assets, liabilities, fund equity, revenues, and expenditures. Revenues are accounted for in these individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The funds presented in the financial statements are described as follows:

Fund Accounting - continued

#### General Fund

The General Fund was established in compliance with Louisiana Revised Statute 15:571.11, which provides that a percentage of the fines collected and bonds forfeited within the judicial district be transmitted to the District Attorney to defray the necessary expenditures of his office.

### Special Revenue Funds -

### Pre-Trial Diversion Fund

The Pre-Trial Diversion Fund consists of enrollment fees collected from participants in the Pre-Trial Diversion program, authorized by Act 1170 of 1995.

### Title IV-D Fund

The Title IV-D Special Revenue Fund consists of incentive payments and reimbursement grants from the Louisiana Department of Social Services, authorized by Act 117 of 1975, to establish family and child support programs compatible with Title IV-D of the Social Security Act. The purpose of the fund is to enforce the support obligation owed by absent parents to their families and children, to locate absent parents, to establish paternity, and to obtain family and child support.

### Worthless Check Collection Fee Fund

The Worthless Check Collection Fee Fund consists of fees collected in accordance with Louisiana Revised Statute 16:15, which provides for a specific fee whenever the District Attorney's office collects and processes a worthless check. Expenditures from this fund are at the sole discretion of the District Attorney and may be used to defray the salaries and expenditures of the office of the District Attorney, but may not be used to supplement the salary of the District Attorney.

### Fiduciary Funds -

### Asset Forfeiture Agency Fund

The Asset Forfeiture Fund consists of monies collected in accordance with Louisiana Revised Statute 40:2616. Disbursements from this fund are made to various agencies as prescribed by law. The agency fund is custodial in nature (assets equal liabilities) and does not involve the measurement of results of operations.

### Bond Forfeiture Agency Fund

The Bond Forfeiture Fund consists of monies collected in accordance with the Bail Reform Act of 1993 and Louisiana Revised Statute 15:57.11(L). The fund is custodial in nature and does not involve the measurement of results of operations.

### Notes to Financial Statements (Continued)

### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

#### General Fixed Assets

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the general fixed assets account group, rather than in the governmental funds. No depreciation has been provided on general fixed assets. All fixed assets are valued at historical cost.

All other fixed assets used in the District Attorney's office are provided by the parish governing bodies comprising the Fifteenth Judicial District and are accounted for in their general fixed assets account groups.

The account group is not a fund. It is concerned only with the measurement of financial position, not with measurement of results of operations.

### Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. The accompanying financial statements have been prepared on the modified accrual basis of accounting, except for the agency fund which has been prepared on the cash basis of accounting, which approximates the modified accrual basis of accounting. The governmental funds use the following practices in recording revenues and expenditures:

### Revenues

Commissions on fines and bond forfeitures are recorded in the year earned. Fees from the collection of worthless checks are recorded in the year collected. Grants are recorded when the District Attorney is entitled to the funds. Interest earned on investments is recorded or accrued as revenues when earned. Substantially all other revenues are recorded when received.

### Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Purchases of various operating supplies are regarded as expenditures at the time purchased.

### Budget and Budgetary Accounting

The District Attorney follows these procedures in establishing the budgetary data reflected in the financial statements:

i. The administrative assistant prepares a proposed budget and submits it to the District Attorney for the fiscal year no later than fifteen days prior to the beginning of each fiscal year.

### Notes to Financial Statements (Continued)

### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

### Budget and Budgetary Accounting - continued

- ii. A summary of the proposed budget is published and the public is notified that the proposed budget is available for public inspection. At the same time, a public hearing is called.
- iii. A public hearing is held on the proposed budget at least ten days after publication of the call for a hearing.
- iv. After the holding of the public hearing and completion of all action necessary to finalize and implement the budget, the budget is legally adopted prior to the commencement of the fiscal year for which the budget is being adopted.
- v. All budgetary appropriations lapse at the end of each fiscal year.
- vi. The budget is adopted on a basis consistent with generally accepted accounting principles (GAAP). Budgeted amounts included in the accompanying financial statements are as originally adopted or as finally amended by the District Attorney.

### Interest-Bearing Deposits

Interest-bearing deposits are stated at cost, which approximates market.

### Transfers and Interfund Loans

Advances between funds which are not expected to be repaid are accounted for as transfers. In those cases where repayment is expected, the advances are classified as due from other funds or due to other funds on the balance sheet. Short-term interfund loans are classified as interfund receivables/payables.

### Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is not employed by the District Attorney as an extension of formal budgetary integration in the funds.

### Vacation and Sick Leave

The District Attorney has not established a formal policy relating to the vesting and accrual of vacation and sick leave. At December 31, 1998 the District Attorney has no accumulated leave benefits required to be reported in accordance with GASB Statement No. 16 "Accounting for Compensated Absences."

### Notes to Financial Statements (Continued)

#### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

#### Total Columns on Combined Statements - Overview

Total columns on the Combined Statements - Overview are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

#### Comparative Data

Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the District Attorney's financial position and results of operations. However, comparative (i.e., presentation of prior year totals by fund type) data have not been presented in each of the statements since their inclusion would make the statements unduly complex and difficult to read.

### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### (2) CASH AND INTEREST-BEARING DEPOSITS

Under State law, the District Attorney may deposit funds within a fiscal agent bank organized under the laws of the State of Louisiana, the laws of any other state in the Union, or the laws of the United States. The District Attorney may invest in certificates and time deposits of State banks organized under Louisiana law and national banks having principal offices in Louisiana. At December 31, 1998, the District Attorney has cash and interest-bearing deposits (book balances) totaling as follows:

Cash	\$ 792,329
Money Market Accounts	341,886
Time Deposits	<u>563,754</u>

Total \$1,697,969

These deposits are stated at cost, which approximates market. Under State law, these deposits, (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities

### Notes to Financial Statements (Continued)

#### (2) CASH AND INTEREST-BEARING DEPOSITS - continued

plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Deposit balances (bank balances) were completely insured at December 31, 1998, as follows:

Bank balances		\$1,827,205
Federal Deposit Insurance	\$ 700,000	
Pledged Securities (Category 3)	1,816,810	
Total Insurance and Securities		2,516,810
Excess Insurance and Securities		\$ <u>689,605</u>

Pledged securities in Category 3 includes uninsured or unregistered investments for which the securities are held by the broker or dealer, or by its trust department or agent, but not in the District Attorney's name. Even though the pledged securities are considered uncollateralized (Category 3) Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the District Attorney that the fiscal agent has failed to pay deposited funds upon demand.

### (3) CHANGES IN GENERAL FIXED ASSETS

A summary of changes in general fixed assets (office furnishing and equipment) follows:

### (4) PENSION PLANS

The District Attorney and assistant district attorneys are members of the Louisiana District Attorney's Retirement System. Other employees of the District Attorney's office are members of the Louisiana Parochial Employees Retirement System (Plan A). The two retirement systems are multiple-employer, Statewide, defined benefit retirement systems that are administered and controlled by separate boards of trustees. Contributions of participating agencies are pooled within each system to fund accrued benefits, with contribution rates approved by the Louisiana Legislature. With the exception of the contributions made on behalf of the Title IV-D Fund, contributions to the Louisiana District Attorney's Retirement System and the Louisiana Parochial Employees Retirement System (Plan A) are reported by the three governing authorities (parish

governments of Acadia, Lafayette and Vermilion Parishes) that comprise the district, and are not included in the accompanying financial statements. Contributions on behalf of the Title IV-D Fund were \$694 to the Louisiana District Attorney's Retirement System and \$10,350 to the Louisiana Parochial Employees Retirement System (Plan A) for the year ended December 31, 1998. The District Attorney's office does not guarantee any of the benefits granted by the retirement systems. The Parochial Employees Retirement System of Louisiana and the District Attorney's Retirement System both issued a publicly available financial report that included financial statements and required supplementary information. That report may be obtained by writing the Louisiana Legislative Auditor, P.O. Box 94397, Baton Rouge, Louisiana 70804 or by calling (225)339-3800.

### (5) CHANGES IN AGENCY FUND BALANCES

A summary of changes in agency fund balances due to governmental agencies and others follows:

Balance, December 31, 1997	\$ 391,939
Additions	1,075,074
Reductions	_(944,724

Balance, December 31, 1998 \$\_\_522,289

### (6) EXPENDITURES OF THE DISTRICT ATTORNEY NOT INCLUDED IN THE ACCOMPANYING FINANCIAL STATEMENTS

The accompanying financial statements do not include certain expenditures of the District Attorney paid out of the funds of the criminal court, the parish governing bodies, or directly by the State.

### (7) YEAR 2000 ISSUE

The year 2000 issue is the result of shortcomings in many electronic data processing systems and other electronic equipment that may adversely affect the District Attorney's operations as early as fiscal year 1999.

The District Attorney has completed an inventory of computer systems and other electronic equipment that may be affected by the year 2000 issue and that are necessary to conducting daily operations. Based on this inventory, the District Attorney is in the remediation stage for the financial reporting systems as of December 31, 1998. Testing and validation of the systems will need to be completed to determine the compliance of the hardware and software currently in use.

Because of the unprecedented nature of the year 2000 issue, its effects and the success of related remediation efforts will not be fully determinable until the year 2000 and thereafter. Management cannot assure that the District Attorney is or will be year 2000 ready, that the District Attorney's remediation efforts will be successful in whole or in part, or that parties with whom the District Attorney does business will be year 2000 ready.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Michael Harson
District Attorney of the Fifteenth
Judicial District
Parishes of Acadia, Lafayette, and
Vermilion, Louisiana

We have audited the general purpose financial statements and the individual fund financial statements of the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana, as of and for the year ended December 31, 1998, and have issued our report thereon dated April 7, 1999. We conducted our audit in accordance with generally accepted auditing standards, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the provisions of Louisiana Revised Statutes 24:513 and the Louisiana Governmental Audit Guide.

### <u>Compliance</u>

As part of obtaining reasonable assurance about whether the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana's general purpose financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed the following instances of noncompliance that are required to be reported under Government Auditing Standards:

### Budgets and Budget Amendments

Louisiana Revised Statute 39:1310 requires that notice of public meetings concerning the adoption of budgets or amendments to previously adopted budgets be published along with a copy of the proposed budget or amendment in the local newspaper. The District Attorney failed to publish notice of its public meeting concerning the adoption of its budget and failed to publish a copy of the proposed budget. The District Attorney also failed to publish notice of its public meeting concerning the amendment of its budget and failed to publish a copy of the proposed amended budget.

We recommend the District Attorney provide published notice of its meetings concerning adoption of its annual budgets and subsequent amendments to these budgets. They should also publish copies of the proposed budgets and amended budgets in the local newspapers together with the announcement.

We also noted certain immaterial instances of noncompliance that we have reported to the District Attorney in a separate letter dated April 7, 1999.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. However, we noted other matters involving the internal control over financial reporting that we have reported to the District Attorney in a separate letter dated April 7, 1999.

This report is intended for the information of management, the District Attorney of the Fifteenth Judicial District, Parishes of Acadia, Lafayette, and Vermilion, Louisiana, and the Legislative Auditor of the State of Louisiana. However, this report is a matter of public record and its distribution is not limited.

1998-1

Budgets and Budget Amendments - Louisiana Revised Statute 39:1310 requires that notice of public meetings concerning the adoption of budgets or amendments to previously adopted budgets be published along with a copy of the proposed budget or amendment in the local newspaper. The District Attorney failed to publish notice of its public meeting concerning the adoption of its budget and failed to publish a copy of the proposed budget. The District Attorney also failed to publish notice of its public meeting concerning the amendment of its budget and failed to publish a copy of the proposed amended budget.

We recommend the District Attorney provide published notice of its meetings concerning adoption of its annual budgets and subsequent amendments to these budgets. They should also publish copies of the proposed budgets and amended budgets in the local newspapers together with the announcement.

We also noted certain immaterial instances of noncompliance that we have reported to the District Attorney in a separate letter dated April 7, 1999.
