INDEPENDENT AUDITOR'S REPORT

May 7, 1999

To the Board of Directors  
Eighteenth Judicial District Indigent Defender Board  
Port Allen, Louisiana

I have audited the accompanying general purpose financial statements of the Eighteenth Judicial District Indigent Defender Board as of December 31, 1998, and December 31, 1997, and for the years then ended. These general purpose financial statements are the responsibility of the Eighteenth Judicial District Indigent Defender Board's management. My responsibility is to express an opinion of these general purpose financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards and the standards for financial audits contained in the Government Auditing Standards issued by the United States General Accounting Office. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provided a reasonable basis for my opinion.

In my opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Eighteenth Judicial District Indigent Defender Board as of December 31, 1998, and December 31, 1997, and the results of its operations for the years then ended in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, I have also issued a report dated May 7, 1999, on Eighteenth Judicial District Indigent Defender Board's internal control over financial reporting and my test of its compliance with laws and regulations.

Respectfully submitted

Certified Public Accountant

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 1998 AND DECEMBER 31, 1997**

**INTRODUCTION**

The Eighteenth Judicial District Court Indigent Defender Board (Board) was established by the provisions of Louisiana Revised Statutes 15:144-149, to provide counsel to represent indigent (needy individuals) in criminal and quasi-criminal cases at the District Court level. The Judicial District encompasses the parishes of Iberville, Pointe Coupee and West Baton Rouge, Louisiana. The Board is composed of six members who are appointed by the district Court. Board members serve without compensation. The Board is funded by deductions from fines and forfeitures to administer the indigent defender system of the district court. Expenditures are governed by Act 653 of 1976 and actions of the Board.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. BASIS OF PRESENTATION**

The accompanying financial statements of the Eighteen Judicial District Indigent Defender Board have been prepared in conformity with generally accepted accounting principles (GAAP) as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

**B. PRINCIPLES DETERMINING SCOPE OF REPORTING ENTITY**

The Indigent Defender Board is a part of the operations of the District Court system. However, the district court system is fiscally dependent on the Iberville, Pointe Coupee and West Baton Rouge Parish Police Juries/Parish Councils for office space and courtrooms. In addition, the police jury's/parish council's general purpose financial statements would be incomplete or misleading without inclusion of the indigent defender board. For these reasons, the indigent defender board was determined to be a component unit of the above police juries/parish council, the financial reporting entity. The accompanying financial statements present information only the transactions of the Eighteenth Judicial District Indigent Defender Board and do not present information on the police juries/parish council, the general government services provided by that government unit, or the other governmental units that comprise the financial reporting entity.

**C. FUND ACCOUNTING**

The Indigent Defender Board uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

Funds of the Indigent Defender Board are classified as governmental funds and account groups

Governmental funds are used to account for all or most of the Indigent Defender Board's general activities, including the collection and disbursement of specific or legally restricted monies, the acquisition or construction of general fixed assets and the servicing of general long-term debt. Governmental funds include:

**General Fund** - the general operating fund of the Indigent Defender Board accounts for all financial resources, except those required to be accounted for in other funds.

An account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources. The following two account groups are not "funds".

**GENERAL FIXED ASSETS** - The fixed assets (capital outlays) used in governmental fund type operations of the Council are accounted for (capitalized) in the General Fixed Assets Account Group and are recorded as expenditures in the government fund types when purchased.

Depreciation has not been provided on general fixed assets. All fixed assets are valued at historical cost. Donated fixed assets are stated at their estimated fair market value on the date donated.

**D. BASIS OF ACCOUNTING**

The accounting and reporting treatment applied to the fixed assets associated with a fund are determined by its measurement focus. All governmental funds are accounted for on a spending or "financial flow" measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheets. Operating statements of these funds represent increases and decreases in net current assets. The modified accrual basis of accounting is used by all governmental funds and agency funds. The governmental funds use the following practices in recording revenues and expenditures:

Revenues

Revenues are recognized when they become measurable and available as net current assets.

Court fees are considered "measurable" when received by the collecting governments and are recognized as revenue at that time.

Under the modified accrual basis of accounting, some revenues are susceptible to accrual while others are not. Major revenues treated as susceptible to accrual are court fees.

Expenditures

Expenditures are recognized under the modified accrual basis of accounting when the related fund liability is incurred.

**E. BUDGETS**

The Indigent Defender Board uses the following budget practices:

1. Annually, the accountant submits a proposed operating budget for the general fund, prepared on the modified accrual basis, to the Board for adoption.
2. Budget amendments involving the transfer of funds from one department, program or function to another or involving increases in expenditures resulting from revenues exceeding amounts estimated require the approval of the respective Board.
3. All unencumbered budget appropriations, lapse at the end of each fiscal year.

**F. ENCUMBRANCES**

The Indigent Defender Board does not follow the encumbrance method of accounting.

**G. CASH AND CASH EQUIVALENTS**

Cash includes amounts in demand deposits, interest bearing demand deposits and money market accounts. Under state law, the Indigent Defender Board may deposit funds in demand deposits, interest bearing demand deposits, money market accounts or time deposits with state banks organized under Louisiana law and national banks having principal offices in Louisiana.

**H. INVENTORIES**

Inventories in governmental funds are considered immaterial and are recorded as expenditures when purchased.

**I. PREPAID ITEMS**

Insurance and similar services which extend over more than one accounting period have been recognized as expenditures when paid.

**J. COMPENSATED ABSENCES**

The Indigent Defender Board does not have a formal policy for vacation and sick leave.

**K. LONG-TERM OBLIGATIONS**

There are no long-term obligations.

**L. TOTAL COLUMN ON COMBINED STATEMENTS**

Total Column on the Combined Statements is captioned "Memorandum Only" to indicate that it is presented only to facilitate financial analysis. Data in this column does not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles, nor is such data comparable to consolidation. **NOTE 3 - CASH AND CASH EQUIVALENTS**

At December 31, 1998, and December 31, 1997, the Indigent Defender Board had cash and cash equivalent (book balances) totaling \$14,484, and \$13,971, respectively, as follows:

	<u>1998</u>	<u>1997</u>
Interest Bearing Demand Account	\$14,481	\$13,971

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. At December 31, 1998, the Indigent Defender Board had \$16,137, and \$18,558 in December 31, 1997, in deposits (collected bank balances). These deposits are secured from risk by federal deposit insurance.

### REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

May 12, 1999

Members of the Board of Directors  
18th Judicial District Indigent Defender Board  
Parishes of Iberville, Pointe Coupee and West Baton Rouge, Louisiana

I have audited the financial statements of the 18th Judicial District Indigent Defender Board as of and for the year ended December 31, 1998, and December 31, 1997, and have issued my report thereon dated May 12, 1999. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

#### COMPLIANCE

As part of obtaining reasonable assurance about whether Louis Jetson Foundation's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed instances of noncompliance that are required to be reported under Government Auditing Standards described in the accompanying Corrective Action Plan for Current Years Findings.

#### INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing my audit, I considered 18th Judicial District Indigent Defender Board's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. This report is intended for the information of the management, and federal awarding agencies and pass-through entities. However, this report is a matter of public record and distribution is not limited.
