### CERTIFIED PUBLIC ACCOUNTANT

Independent Accountant's Report on Applying Agreed-Upon Procedures

The Honorable Bobbie Powell, Mayor Members of the Board of Aldermen Village of Athens, Louisiana

I have performed the procedures included in the Louisiana Government Audit Guide and enumerated below, which were agreed to by the management of the Village of Athens and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating managements' assertions about the Village of Athens' compliance with certain laws and regulations during the year ended December 31, 1999, included in the accompanying Louisiana Attestation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

#### Public Bid Law

1. Select all expenditures made during the year for material and supplies exceeding \$5,000, or public works exceeding \$50,000 and determine whether such purchases were made in accordance with LSA-RS 38:221-2251.

No expenditure was made during the year for materials and supplies exceeding \$5,000 nor any expenditure was made for public works exceeding \$50,000.

Code of Ethics for Public Officials and Public Employees

2. Obtain from management a list of the immediate family members of each board member as defined by LSA-RS 42:1101-1124, and a list of outside business interests of all board members and employees, as well as their immediate families.

Management provided the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

Management provided the required list including the noted information.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

None of the employees included on the list of employees provided by management for procedure (3) appeared on the list provided by management for procedure (2).

Budgeting

5. Obtain a copy of the legally adopted budget and all amendments.

Management provided a copy of the original budget and the amended budget.

6. Trace the budget adoption and amendments to the minute book.

I traced the adoption of the original budget to the minutes of a meeting held on December 16, 1998, which indicated that the budget had been approved by all of the aldermen. I traced the adoption of the amended budget to the minutes of a meeting held on July 8, 1999, which indicated that the budget had been approved by all of the aldermen.

7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues failed to meet budgeted revenues by 5% or more or if actual expenditures exceed budgeted amounts by 5% or more.

I compared the revenues and expenditures of the budget to the actual revenues and expenditures. Actual expenditures did not exceed budgeted amounts by 5% or more.

Accounting and Reporting

- 8. Randomly select 6 disbursements made during the period under examination and:
  - (a) trace payments to supporting documentation as to proper amount and payee;

I examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

(b) determine if payments were properly coded to the correct fund and general ledger account; and

The six selected disbursements were properly coded to the correct fund and general ledger account.

(c) determine whether payments received approval from proper authorities.

The six selected disbursements were traced to the Village's minute book where they were approved by the aldermen.

9. Determine that financial statements were audited or compiled in accordance with LSA-RS 24:513.

The financial statements of the Village were compiled in accordance with LSA-RS 24:513.

### Meetings

10. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12.

The Village of Athens is only required to post a notice of each meeting and the accompanying agenda on the door of the Village's office building. Management has informed me that these documents were properly posted.

#### Debt

11. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds, or like indebtedness.

I examined bank deposits for the period under examination. No deposits appeared to be proceeds of bank loans, bond, or like indebtedness.

#### Advances and Bonuses

12. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advances, or gifts.

A reading of the minutes of the Village for the year indicated no approval for the payments noted. I also inspected payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

I was not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on managements's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of the Village of Athens and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, this report is a matter of public record and its distribution is not limited.
