INDEPENDENT AUDITOR'S REPORT

Honorable Walter Naquin, Jr. District Attorney of the Seventeenth Judicial District Lafourche Parish, Louisiana

We have audited the accompanying general-purpose financial statements of the District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana, as of and for the year ended December 31, 1998, as listed in the table of contents. These general purpose financial statements are the responsibility of the District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana's management. Our responsibility is to express an opinion on these generalpurpose financial statements based on our audit.

Except as discussed in the following paragraph, we conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Governmental Accounting Standards Board Technical Bulletin 98-1, *Disclosures about Year* 2000 Issues, requires disclosure of certain matters regarding the year 2000 issue. The District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana has included such disclosures in Note 14. Because of the unprecedented nature of the year 2000 issue, its effects and the success of related remediation efforts will not be fully determinable until the year 2000 and thereafter. Accordingly, insufficient audit evidence exists to support the District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana's disclosures with respect to the year 2000 issue made in Note 14. Further, we do not provide assurance that the District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana is or will be year 2000 ready, that the District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the

will be year 2000 ready.

In our opinion, except for the effects of such adjustment, if any, as might have been determined to be necessary had we been able to examine evidence regarding year 2000 disclosures, the generalpurpose financial statements referred to above present fairly, in all material respects, the financial position of the District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana as of December 31, 1998, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles In accordance with *Government Auditing Standards*, we have also issued our report dated February 12, 1999 on our consideration of the District Attorney of the Seventeenth Parish, Louisiana's internal control over financial

reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

Notes to the Financial Statements

Note 1 <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

As provided by Article V. Section 26 of the Louisiana Constitution of 1974, the District Attorney has charge of every criminal prosecution by the state in his district, is the representative of the state before the grand jury in his district, and is the legal advisor to the grand jury. He performs other duties as provided by law. The District Attorney is elected by the qualified electors of the judicial district for a term of six years. The judicial district encompasses Lafourche Parish, Louisiana.

The financial statements of the District Attorney of the Seventeenth Judicial

District (District Attorney), Lafourche Parish, Louisiana have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant accounting policies of the District Attorney are described below:

A. <u>Reporting Entity</u>

For financial reporting purposes, in conformance with GASB Codification Section 2100, the District Attorney is a part of the district court system of the State of Louisiana. The GASB has established several criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Since, The District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana is an independently elected official, is legally separate and fiscally independent, the District Attorney of the Seventeenth Judicial District is a separate governmental reporting entity. There are unrecorded financial transactions between the Lafourche Parish Council (the Council) and the District Attorney where the Council provides office space and certain other operating expenditures for the District Attorney.

Notes to the Financial Statements (Continued)

Note 1 <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>, (Continued)

A. <u>Reporting Entity</u>, (Continued)

Financial accountability is determined by applying criteria established by the GASB as listed below:

- Financial benefit or burden
- Appointment of a voting majority
- Imposition of will
- Fiscally dependent

The above identified transactions between the District Attorney and the Parish Council are mandated by state statue and do not reflect fiscal dependency; thereby, they do not reflect financial accountability. The other three criteria of financial accountability do not pertain to the District Attorney of the Seventeenth Judicial District when applying them as a means of identifying potential component units of the Lafourche Parish Council.

The District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana, includes all funds, account groups and activities, et cetera, that are within the oversight responsibility of the District Attorney. Other local governmental units over which the District Attorney exercises no oversight responsibility are excluded from the accompanying financial statements. These units are considered separate reporting entities and issue financial statements separate from those of the parish District Attorney.

Notes to the Financial Statements (Continued)

Note 1 <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)</u>

B. <u>Fund Accounting</u>

The District Attorney uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. An account group, on the other hand, is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

Funds are classified into three categories: governmental, proprietary, and fiduciary. Furthermore, each category is divided into separate "fund types." The funds which the District Attorney use are governmental funds. Governmental funds account for the District Attorney's general activities, including the collection and disbursement of specific or legally restricted monies, and the acquisition of general fixed assets. The District Attorney's governmental funds include:

<u>General Fund</u> - The General Fund was established in compliance with Louisiana Revised Statute 15:571.11, which provides that 12 per cent of the fines collected and bonds forfeited be transmitted to the District Attorney to defray the necessary expenses of his office.

Notes to the Financial Statements (Continued)

Note 1 <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> (Continued)

B. Fund Accounting (Continued)

Special Revenue Funds:

<u>Assessment Fund</u> - The Assessment Fund is used to account for all fees collected in accordance with Louisiana Revised Statute 16:16, which authorizes the collection of an amount not to exceed \$20.00 from every defendant who is convicted after trial or other plea of guilty or who forfeits his bond. These costs are to be in addition to

all other fines, costs, or forfeitures imposed by law.

<u>Worthless Checks Fund</u> - The Worthless Check Collection Fee Special Revenue Fund consists of fees collected in accordance with Louisiana Revised Statute 16:15, which provides for a specific fee whenever the District Attorney's office collects and processes a worthless check. Expenditures from this fund are at the sole discretion of the District Attorney and may be used to defray the salaries and the expenses of the office of the District Attorney, but may not be used to supplement the salary of the District Attorney.

<u>Child Support Incentive Fund</u> - The Child Support Incentive Fund is used to account for payments received from the Louisiana Department of Social Services which consist of 15 per cent of all amounts collected and required to be distributed, as provided in Section 456 of the Social Security Act, to reduce or repay assistance payments.

<u>Asset Forfeiture Fund</u> – The Asset Forfeiture Fund is used to account for the District Attorney's portion of monics and proceeds from the sale of property seized or obtained by judgment or settlement as a result of drug-related activities.

Notes to the Financial Statements (Continued)

B. Fund Accounting (Continued)

Special Revenue Funds: (Continued)

<u>Bond Forfeiture Fund</u> – The Bond Forfeiture Fund is used to account for the collection and disbursement of proceeds from the forfeiture of District, Parish, and City Court bail and surety bonds for failure by a defendant to appear in court. The district attorney distributes the proceeds of the bond forfeitures in accordance with Louisiana Revised Statue 15:571.11 (L) and (M). The District Attorney of the Seventeenth Judicial District's portion of these proceeds are left in this fund until such time these funds are needed in his general operating fund.

<u>FINS Fund</u> – The FINS Fund consists of grant payments received from the Louisiana Department of Social Services to allow the District Attorney of the Seventeenth Judicial District to administer and implement Families in Need of Services Program provided by Title VII of the Louisiana's Children's Code. This program provides a comprehensive family-systems approach to addressing the social needs of juvenile offenders and their families.

<u>Title IV-D Office Fund</u> - The Title IV-D Office Fund consists of reimbursement grant payments from the Louisiana Department of Social Services, authorized by Act 117 of 1975, to establish family and child support programs compatible with Title IV-D of the Social Security Act. The purpose of the fund is to enforce the support obligation owed by absent parents to their families and children, to locate absent parents, to establish paternity, and to obtain family and child support.

Notes to the Financial Statements (Continued)

Note 1 <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> (Continued)

B. Fund Accounting (Continued)

Special Revenue Funds: (Continued)

Intervention Fund - The Intervention Fund accounts for a program that handles cases that the District Attorney's Office feels would be better served out of the court system. These cases consist of people charged with misdemeanors, traffic tickets, or minor felonies. The offenders agree to serve a probation period rather than entering the court system and having a criminal conviction on their record. The revenues are generated through fees paid by the offenders placed in this program. The expenditures will consist of salaries of investigators assigned to this program and various office expenditures.

<u>Victims Assistance Fund</u> – The Victims Assistance Fund accounts for amounts received from the State in accordance with Louisiana Revised Statue16:17 to create in each judicial district a victims assistance program. The purpose of this program is to assist victims and their families through the entire criminal justice process and to facilitate the delivery of victims' services and rights as provided by law. The expenditures of this fund consist of salary and related benefits for a full-time victims assistance coordinator.

The account groups presented in the accompanying financial statements are the General Fixed Asset Account Group and the General Long-Term Debt Account Group. The general fixed asset account group is established to account for all fixed assets of the District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana. The general long-term debt account group is established to account for all unmatured general longterm liabilities of the District Attorney of the Seventeenth Judicial District, Lafourche Parish, Louisiana.

Notes to the Financial Statements (Continued)

Note 1 <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)</u>

C. Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e. revenues and other financing uses) and decreases (i.e. expenditures and other financing uses) in net current assets.

All governmental fund types use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e. when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means the amount is collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recorded when the related fund liability is incurred.

Those revenues susceptible to accrual include: grant revenues and fincs and assessments that are collected by another governmental body on the District Attorney's behalf. Interest earned is recorded when credited to the District Attorney's account. Fees for collecting worthless checks and for pre-trial intervention are recorded when collected by the District Attorney's office. Bond forfeitures and Asset forfeitures are also recorded when collected by the District Attorney's office.

Notes to the Financial Statements (Continued)

Note 1 <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)</u>

D. <u>Budgets</u>

Budgets are adopted on a cash basis which is not consistent with generally accepted accounting principles. Annual appropriated budgets are adopted for the general fund and special revenue funds. All annual appropriations lapse at fiscal year end. Formal budgetary integration is employed as part of the accounting system, and the budget is amended by supplemental appropriations as needed to comply with state law.

Encumbrances represent commitments related to unperformed contracts for goods or services. The District Attorney's office does not use an encumbrance system.

E. <u>Cash and Cash Equivalents</u>

Cash and cash equivalents include demand deposits of the District Attorney of the Seventcenth Judicial District.

F. <u>Receivables</u>

The receivable amounts are made up of fines and fees collected by other governments to be remitted to the District Attorney's Office and amounts due on reimbursement grants. No reserve for uncollectables is considered necessary for these receivables.

G. <u>Fixed Assets</u>

General fixed assets are not capitalized in the governmental funds used to acquire them. Instead, capital acquisition is reflected as an expenditure in the governmental funds, and the related assets are reported in the general fixed asset account group. All purchased fixed assets by the District Attorney are valued at acquisition cost. All other fixed assets used in the District Attorney's office are provided by the Lafourche Parish Council

Notes to the Financial Statements (Continued)

G. <u>Fixed Assets (Continued)</u>

and are accounted for in the general fixed asset account group of the Council.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Assets in the general fixed asset account group are not depreciated.

H. Long-Term Debt

Long-term obligations expected to be financed from the General Fund are reported in the general long-term debt account group. Expenditures for principal and interest payments for long-term obligations are recognized in the General Fund when due.

I. <u>Compensated Absences</u>

The District Attorney has an informal policy for vacation and sick leave. Present clerical employees are allowed 10 days of vacation each year and 10 days of sick leave each year. Vacation and sick leave do not accumulate or vest; therefore, no liability for compensated absences is recorded.

Notes to the Financial Statements (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued) Note 1

Interfund Transactions J.

> Quasi-external transactions are accounted for as revenues or expenditures. Interfund transactions on the other hand are reported as transfers. Nonrecurring or non-routine permanent transfers of equity are reported as residual equity transfers. All other interfund transfers are reported as operating transfers.

- Κ. Fund Equity
 - Reserves

Reserves represented those portions of fund equity not appropriable for expenditure or legally segregated for a specific future use.

Designated Fund Balances

Designated fund balances represent tentative plans for future use of financial resources.

Memorandum Only - Total Columns L.

The total column on the component unit financial statements is captioned Memorandum Only (overview) to indicate that it is presented only to facilitate financial analysis. Data in this column does not present financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund climinations have not been made in the aggregation of this data.

Notes to the Financial Statements (Continued)

Note 2 <u>DEPOSITS</u>

Under state law, the District Attorney may deposit funds within a fiscal agent bank organized under the laws of the State of Louisiana, the laws of any other state in the Union, or the laws of the United States. Furthermore, the District Attorney may invest in certificates and time deposits of state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

State law also requires that deposits be fully collateralized at all times. Acceptable collateralization includes the \$100,000 FDIC/FSLIC insurance and the market value of securities purchased and pledged. Obligations of the United States, the State of Louisiana and certain political subdivisions are allowed as security for deposits. Obligations furnished as security must be held by the District Attorney or with an unaffiliated bank or trust company for the account of the District Attorney Attorney of the Seventeenth Judicial District.

Under the provision of GASB, pledged securities, which are not in the name of the governmental unit, are considered uncollateralized.

A summary of cash and cash equivalents and the security pledged to them are listed as follows:

Notes to the Financial Statements (Continued)

Note 6 <u>PENSION PLANS</u>

All individuals who work at the District Attorney's offices are paid by the Lafourche Parish Council and are consequently members of the Lafourche Parish Employees Retirement System. The District Attorney and assistant District Attorneys are members of the Louisiana District Attorneys Retirement System. GASB requires certain disclosure for employees who maintain retirement plans for their employees. All individuals at the District Attorney's office are compensated by others who disclose the required retirement plan information in their separately issued financial statements. Both retirement plans mentioned above are administered and controlled by separate boards of trustees.

Note 7 <u>EXPENDITURES OF THE DISTRICT ATTORNEY</u> <u>NOT INCLUDED IN THE FINANCIAL STATEMENTS</u>

The accompanying financial statements do not include certain expenditures of the District Attorney paid out of the funds from the Lafourche Parish Criminal Court Fund, the Lafourche Parish Council or directly by the state. In 1993, employees of the District Attorney's Office, through the Parish, began to participate in a deferred compensation program. The District Attorney's office contributed to this deferred compensation plan in 1995 on behalf of their employees, regardless of whether the employee participated in the program.

The practice of the District Attorney's office contributing to the deferred compensation plan was discontinued during the 1995 fiscal year; however, employees are still able to continue through payroll deductions through their parish payroll.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Walter Naquin, Jr. District Attorney of the Seventeenth Judicial District Lafourche Parish, Louisiana

We have audited the financial statements of the District Attorney of the Seventeenth Judicial District, Lafourche Parish Louisiana as of and for the year ended December 31, 1998, and have issued our report thereon dated February 12, 1999, which was qualified because insufficient audit evidence exists to support the District Attorney of the Seventeenth Judicial District, Lafourche Parish Louisiana's disclosures with respect to the year 2000 issue. Except as discussed in the preceding sentence, we conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the District Attorney of the Seventeenth Judicial District, Lafourche Parish Louisiana's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District Attorney of the Seventeenth Judicial District, Lafourche Parish Louisiana's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our

opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be a material weakness. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.
