Board of Commissioners
St. Tammany Parish Fire
Protection District No. 5
St. Tammany Parish Police Jury
Folsom, Louisiana

I have compiled the accompanying financial statements of St. Tammany Parish Fire Protection District No. 5, a component unit of the St. Tammany Parish Police Jury, as of and for the year ended December 31, 1998, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, these financial statements are not designed for those who are not informed about such matters.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

Board of Commissioners
St. Tammany Parish Fire
Protection District No. 5
St. Tammany Parish Police Jury
Folsom, Louisiana

I have performed the procedures included in the Louisiana Governmental Audit Guide and enumerated below, which were agreed to by the management of St. Tammany Parish Fire Protection District No. 5, a component unit of the St. Tammany Parish Police Jury, and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about St. Tammany Parish Fire Protection District No. 5's compliance with certain laws and regulations during the year ended December 31, 1998, included in the accompanying Louisiana Attestation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Public Bid Law

 Select all expenditures made during the year for material and supplies exceeding \$15,000 or public works exceeding \$100,000 and determine whether such purchases were made in accordance with LSA-RS 38:2211-2251 (the public bid law).

The District spent a total of \$23,011 in 1998 for various fire equipment. I examined documentation which indicated that the District properly advertised and accepted bids for this equipment in accordance with the provisions of LSA-RS 38:2211-2251.

The St. Tammany Parish Police Jury has adopted purchasing procedures which require basically all funded parish Boards and Commissions to follow more restrictive competitive bidding procedures.

However, my agreed-upon procedures included testing for the District's compliance with the Louisiana public bid law only.

Code of Ethics for Public Officials and Public Employees

Obtain from management a list of the immediate family members of each board member as defined by LSA-RS
42:1101-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as
well as their immediate families.

Management provided me with the required list, including the noted information, for each board member. The District had no employees during the year ended December 31, 1998.

St. Tammany Parish Fire Protection District No. 5 Independent Accountant's Report on Applying Agreed-Upon Procedures - (continued)

Obtain from management a listing of all employees paid during the period under examination.

The District had no paid employees during the year ended December 31, 1998.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (2) as immediate family members.

Since there were no paid employees during 1998, this procedure was not necessary.

Budgeting

Obtained a copy of the legally adopted budget and all amendments.

Management provided me with a copy of the budget. There were no amendments.

Trace the budget adoption and amendments to the minute book.

I traced the adoption of the original budget to the minutes of a meeting held November 25, 1997.

7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues or expenditures exceed budgeted amounts by more than 5%.

I compared the revenues and expenditures of the budget to actual revenues and expenditures. Actual revenues for the year were less than budgeted amounts by 8%. Actual expenditures for the year did not exceed budgeted amounts.

Accounting and Reporting

- 8. Randomly select 6 disbursements made during the period under examination and:
 - (a) trace payments to supporting documentation as to proper amount and payee;

I examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

(b) determine if payments were properly coded to the correct fund and general ledger account; and

All of the payments were properly coded to the correct fund and general ledger account.

(c) determine whether payments received approval from proper authorities.

All of the payments were approved by the Board of Commissioners.

St. Tammany Parish Fire Protection District No. 5 Independent Accountant's Report on Applying Agreed-Upon Procedures - (continued)

Meetings

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law).

The Fire District is required to post a notice of each meeting and the accompanying agenda on the door of the fire station. I examined documentation that such notices were posted.

However, a more detailed agenda should be prepared in advance of the meeting and posted. Currently the agenda each month reads "The minutes, Treasurer's report, old business and new business will be discussed." The agenda should state specific items which will be addressed by the Commissioners.

Debt

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds, or like indebtedness.

I noted no deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

Advances and Bonuses

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advances, or gifts.

A reading of the minutes of the District for the year indicated no approval for payments which may constitute bonuses, advances, or gifts. Also, there were no employees during the year ended December 31, 1998.

Asset Management

12. The prior year finding regarding maintenance of the District's equipment ledger is repeated this year. The District does not have a complete listing of its equipment inventory.

The District maintains a card file and an equipment ledger, but neither is totaled and reconciled to the General Fixed Assets in the financial statements.

Recommendation

I continue to recommend that a total page be maintained in the equipment ledger. Any equipment purchases exceeding \$200 (District policy) should be entered into the ledger and the total page updated accordingly. (Perhaps a copy of each equipment invoice could be made and initialed when posted into the ledger.) At the end of each year, the ledger pages should be added and reconciled to the total page and to the financial statements.

The equipment invoices should be retained in a permanent file.

An alternate solution would be for the District to begin using the computer software it purchased for maintaining equipment inventory. Under this alternative, a procedure must be established for entering new purchases into the system.

St. Tammany Parish Fire Protection District No. 5
Independent Accountant's Report
on Applying Agreed-Upon Procedures - (continued)

Other Matters

13. No per diem was paid to board members during the year ended December 31, 1998.

I was not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of St. Tammany Parish Fire Protection District No. 5, and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, this report is a matter of public record and its distribution is not limited.
