ON APPLYING AGREED-UPON PROCEDURES

Members of the Board
LaSalle Parish Communications District
PO Box 57
Jena, Louisiana 71342

I have performed the procedures included in the *Louisiana Government Audit Guide* and enumerated below, which were agreed to by the management of LaSalle Parish Communication District and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about LaSalle Parish Communication District's compliance with certain laws and regulations during the two years ended June 30, 1998 and June 30, 1997 included in the accompanying *Louisiana Attestation Questionnaire*. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. * I found no such expenditures.

2. Obtain from management a list of the immediate family members of each board member as defined by ISA-RS 42:1101-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

* Management provided me with the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

* Management provided me with the required list.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

* None of the employees included on the list of employees provided by management [agreed-upon procedure (3)] appeared on the list provided by management in agreed-upon procedure (2).

Accounting and Reporting

8. Randomly select 6 disbursements made during the period under examination and:
(a) trace payments to supporting documentation as to proper amount and payee;

* I examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

(b) determine if payments were properly coded to the correct fund and general ledger account; and

* All of the payments were properly coded to the correct fund and general ledger account.

(c) determine whether payments received approval from proper authorities.

* Inspection of documentation supporting each of the six selected disbursements indicated approvals from the executive director and the chairman of the Board of Commissioners.

Meetings

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by ISA-RS 42:1 through 42:12 (the open meetings law).

* The District holds its regularly scheduled meeting on the third Thursday of each month pursuant to the provision of a written notice given to each and every member, thereof, and duly posted in the manner required by law.

Debt

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of banks loans, bonds, or like indebtedness.

* I inspected all bank deposit entries in the books for the period under examination and noted no deposits which appeared to be proceeds of bank loans, bonds, or like indebtedness.

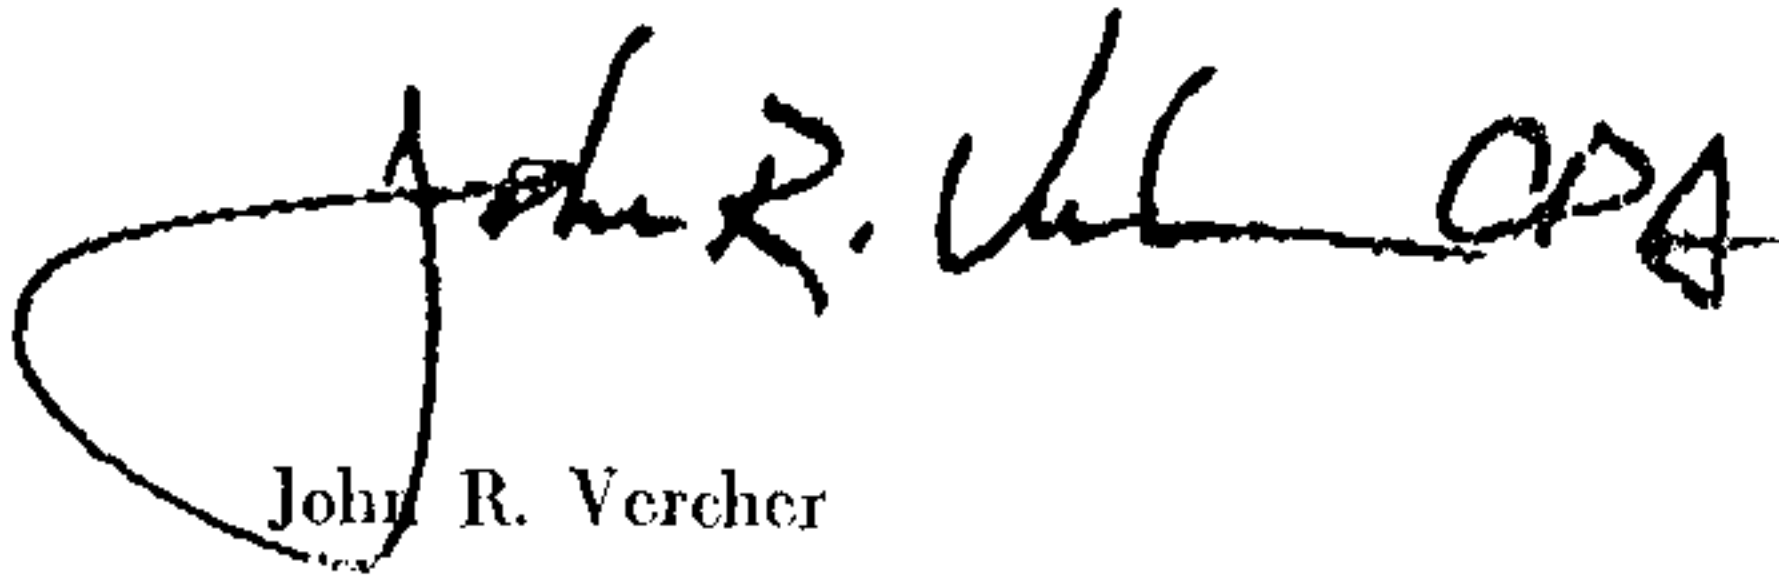

Advances and Bonuses

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advance, or gifts.

* A reading of the minutes of the District for the year indicated no approval for the payments noted. I also inspected payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

I was not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I did not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of the LaSalle Parish Communication District and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. NOTES TO
THE
FINANCIAL STATEMENTS

LASALLE PARISH COMMUNICATIONS DISTRICT
LASALLE PARISH POLICE JURY
JENA, LOUISIANA

Notes to the Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

LaSalle Parish Communications District was created by the LaSalle Parish Police Jury, as authorized by Louisiana Revised Statute 33:4562. The Communications District is administered by a board of six commissioners and are collectively referred to as the board of commissioners and are appointed by the LaSalle Parish Police Jury. The board is governed by Chapter 31 Title 33 of the Louisiana Revised Statutes of 1950, as amended (R.S. 33:9101-9106) and other constitutional or statutory authority as provided by the legislature. The District was formed to plan, develop, test and implement "E-911" (Enhanced) communications system.

In April of 1984, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental entities. In June of 1987, the GASB issued a codification of governmental accounting and financial reporting standards. This codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for state and local government.

In conformance with GASB Codification Section 2100, the LaSalle Parish Communication District is a component unit of the LaSalle Parish Police Jury, the governing body of the parish and the governmental body with oversight responsibility. The accompanying financial statements present information only on the funds maintained by the LaSalle Communication District and do not present information on the LaSalle Parish Police Jury, the general government services provided by that governmental unit, or the other governmental units that comprise the governmental reporting entity.

A. FUND ACCOUNTING

LaSalle Parish Communications District is organized and operated on a fund and account group basis whereby a separate set of self-balancing accounts (General Fund) is maintained that comprises its assets, liabilities, fund equity, revenues and expenditures. The General Fund is the operating fund of the district, accounting for all sources of revenues and all expenditures.

B. FIXED ASSETS AND LONG TERM LIABILITIES

Fixed assets are accounted for in the general fixed assets account group, rather than in the General Fund. No depreciation has been provided on general fixed assets. Fixed assets are valued at actual historical cost. The account group is not a fund. It is concerned only with the measurement of financial position, not with measurements of results of operations.

There are no long-term liabilities at June 30, 1998.

Notes to the Financial Statements

C. BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting related to the timing of the measurements made, regardless of the measurement focus applied. The district's accounts are reported on the modified accrual basis of accounting using the following practices in recording revenues and expenditures:

Revenues

A special emergency telephone surcharge not to exceed 5% of the tariff rate for local telephone service supplied within the district is levied for the purpose of establishing, maintaining and operating the 911 emergency telephone system; provided that the surcharge shall be imposed only upon the amount of the tariff rate for exchanges access lines or their equivalent, that charges for telephone equipment and long distance services shall be exempt from the 5% surcharge imposed herein, that no such service shall be imposed upon more than 100 exchange access facilities per person per location; said 5% surcharge to be levied from January 1, 1997 until such time as the surcharge is reduced or suspended by the board of commissioners or an increase is authorized by the electorate of the District. Revenues are recognized when collected by the telephone company.

Interest income is recorded when deposits have matured and the interest is available.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

D. BUDGETARY PRACTICES

The District had no budget.

E. INVESTMENTS AND CASH

Cash and cash equivalents include cash, demand deposits and certificates of deposit. Under state law, the district may deposit funds within a fiscal agent bank organized under the laws of the State of Louisiana, the laws of any other state in the Union, or the laws of the United States that is located within the parish or congressional district. Further, the district may invest in time deposits or certificated of deposit of state banks organized under Louisiana law and national banks having principal offices in Louisiana.

Notes to the Financial Statements

As reflected on page 5, LaSalle Parish Communication District has cash and cash equivalents totaling \$50,549 at June 30, 1998. Cash and cash equivalents are stated at cost which approximates market. Under state law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the bank. At June 30, 1998 all deposits are fully secured by federal deposit insurance.

F. VACATION, SICK LEAVE AND COMPENSATED ABSENCES

The Communication District has no leave policies.

MANAGEMENT LETTER COMMENTS
JUNE 30, 1998

During the course of the my compilation I observed conditions and circumstances that may be improved. Below are situations that may be improved (if any), recommendation for improvement and the District's response. I have also included prior year management letter comments (if any) and the District's action taken on those comments.

A) Prior Year Management Letter Comments

1) There were no prior year management letter comments.

B) Current Year Management Letter Comments

1998 - 1) Budgets

Situation: The District has not prepared budgets for its general fund operation in any year since existence. The local government budget law (LSA-RS 39:1301-14) requires all government units to prepare budgets for all government funds operated during the year.

RECOMMENDATION: The District should prepare an annual budget for its general fund and have said budget amended when revenues fail to meet budgeted revenues and expenditures exceed budgeted expenditures by more than 5%.

DISTRICT'S RESPONSE: The District will begin preparing budgets for its general fund.

1998 - 2) Annual Financial Statements

Situation: The District has not filed annual financial statements with the Legislative Auditors Office in accordance with LSA-RS 24:514, 33:463, and/or 39:32.

RECOMMENDATION: The District should have its CPA prepare an annual Compilation/Attestation Report of its financial statements and file them with the Legislative Auditor's Office.

DISTRICT'S RESPONSE: The District will have its CPA prepare an annual Compilation/Attestation Report of its financial statements and file them with the Legislative Auditors Office.
