NOTES TO FINANCIAL STATEMENTS

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Activities

The Washington Economic Development Foundation, Inc. (the Foundation) was organized as a nonprofit corporation on May 6, 1981, under the laws of the State of Louisiana. The Foundation's purpose is to promote economic development in Washington Parish through an intensive program to relocate or establish manufacturing and service firms in the parish in order to create a significant number of new job opportunities. The Foundation's primary support is derived from a "cooperative endeavor agreement" with the City of Bogalusa (note 4), and dues paid by individuals and members of the business community.

The Foundation is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

Public Support and Revenue

Annual membership dues are generally available for unrestricted use during the current year. Dues are recorded as revenue in the membership year pledged and any unpaid dues at year-end are recorded as receivables, at their net realizable value. There is no allowance for bad debts due to a history of having all dues paid on a current basis.

Grants are recorded as revenue when the corresponding reimbursable expenditures have been incurred.

Contributions of donated non-cash assets and services are recorded at their fair values in the period received.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under this basis, revenues and related assets are recognized when earned, and expenses are recognized when the obligation is incurred.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

FINANCIAL STATEMENT PRESENTATION

The Foundation adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. In addition, the Foundation is required to present a statement of cash flows. As of December 31, 2003, the Foundation has not received any permanently restricted contributions. The Foundation has discontinued its use of fund accounting and, accordingly, has reclassified its financial statements to present the two classes of net assets contained in their financial records.

Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates that affect certain reported amounts and disclosures. Therefore; actual results could differ from those estimates.

Property and Equipment

The Foundation capitalizes all expenditures for equipment with a useful life in excess of one year regardless of value. Property and equipment are recorded at cost or at estimated fair value at date of gift, if donated. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

Buildings	31.5 yrs
Improvements	10-30 yrs
Furniture & Fixtures	7-10 yrs
Office Equipment	4-5yrs

Cash and Cash Equivalents

The Foundation considers all highly liquid investments, with a maturity of three months are less, when purchased, to be cash equivalents.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments

Investments, are stated at fair value, and consist solely of Certificates of Deposit at local (Washington Parish) financial institutions. The Certificates have varying dates of maturity from 6 to 12 months

NOTE 2: CASH AND CASH EQUIVALENTS

At December 31, 2003, the Foundation has unrestricted cash and cash equivalents (book balances) totaling \$44,035 in demand deposits, and cash on hand. Additional bank balances are certificates of deposit reported as investments. These certificates of deposits total \$130,000 giving the Foundation total funds deposited in banks of \$174,035.

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are to be held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

At December 31, 2003, the Foundation deposits (collected bank balances) in Hibernia National Bank totaled \$172,000. These deposits were secured from risk by \$100,000 of federal deposit insurance, and pledged securities in the amount of \$254,000. The pledged securities are registered in the name of the fiscal agent bank and are held by the Federal Reserve Bank of New Orleans, Louisiana. Because the pledged security is not registered in the District's name, the deposits are considered un-collateralized (category 3) under the provisions of GASB Statement Number 3.

NOTE 3: PROPERTY, EQUIPMENT, AND IMPROVEMENTS

Property, equipment, and improvements consist of the following:

		Acc	umulated	
	 Cost	oreciation	 Net	
Buildings	\$ 58,500	\$	25,661	\$ 32,839
Bldg. Improvements	44,494		19,778	24,716

Land	32,500		-	 32,500
Totals	\$ 169,628	\$	75,667	\$ 93,961

All fixed assets are stated at historical cost. Depreciation is computed on a straight-line basis for financial statement purposes. Total depreciation for 2003 totaled \$5,010

NOTE 4: DEFERRED INCOME

Total funds of \$15,000 were received from the State Act 14 Appropriation in November 2003. The appropriation was for the year July 1, 2003-June 30, 2004. Salary expenses for six and one half weeks (\$3,750) were recorded as expenditures from the date of receipt of the funds through December 31, 2003. The balance of the appropriation (\$11,250) is set up as deferred income in order to match the expenditures as they occur. Expenditures are projected to end May 7, 2004.

NOTE 5: TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets are available for the following purposes or periods:

Restricted for periods after December 31, 2001: Industrial Park Road construction

\$30,000.

NOTE 6: BUSINESS/ECONOMIC DEVELOPMENT FEE

The Foundation entered into a "cooperative endeavor agreement" with the City of Bogalusa, under the Louisiana Constitution of 1974 Section 14©. The Foundation proposed to perform certain functions to the benefit of the City, its residents, and residents surrounding Bogalusa. These functions, which have a governmental purpose would ordinarily be performed by the City. They include:

- A. Business/Economic Development
- B. Assisting the City in administering the Bogalusa Industrial Park
- C. Advising the City on uses of the Industrial Park
- D. Arranging for presentations and meetings with Industrial Park Prospects and advising the City on said prospects.

The City reduced the payment to the Foundation by \$3,800, due to economic restraints on the City. The total annual payment went from \$38,000 to \$34,200. The contract became effective on January 1, 1997. It automatically renews each year unless a notice of termination is presented by either party 10 days prior to the beginning of each calendar year. Both parties agreed to the reduction in the annual fee.

NOTE 7: DONATED SERVICES

The Foundation receives donated services from a variety of unpaid volunteers assisting the Foundation in the pursuit of economic development programs. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort under SAFS No. 116 have not been satisfied.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Management of Washington Economic Development Foundation, Inc.:

I have performed the procedures, included in the Louisiana Governmental Audit Guide for Quasi-Public Entities and enumerated below, which were agreed to by the management of Washington Economic Development Foundation, Inc., the Legislative Auditor, and the State of Louisiana, solely to assist the users in evaluating management's assertions about Washington Economic Development Foundation, Inc.'s compliance with certain laws and regulations during the year ended December 31, 2003, included in the accompanying Louisiana Attestation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Federal, State, and Local Awards

- 1. Louisiana Decentralized Arts Funding Program:
 - a. I examined the "Final Report Receipt Schedule" prepared by the Foundation, for the Funding Program. Contained in the report were all the supporting documents for expenditures for the art show.
 - b. I traced all of the disbursements to the supporting documents and to the "Receipt Schedule". The amounts and payee were proper.
 - c. I traced the disbursements to the expense classifications on the "Receipt Schedule". They were all properly coded.
 - d. All disbursements examined did have proper approval.

The "Final Report Receipt Schedule" for the Art Council grant is the only report required to be filed by the Foundation and the amounts on the report agree with the records of the Foundation.

2. State Act 14 Appropriation:

- a. I examined the "Comprehensive Budget and Expenditure Reporting Form" for Act 14 for 2003. The Foundation used these funds for reimbursement of salaries, based on a calculation of a weekly amount, for a 24 week period. Payroll records supported the above calculation.
- b. The reporting period for the above form is from July 1, 2003 through June 30, 2004. The report is to be filed bi-annually in January and July of each year. The foundation was delinquent in filing of the January report. The report was filed March 2004. The final report for the year ended June 2004 will be filed July 2004.

Meetings

I inquired of management concerning the notices of meetings and posting of of agenda as required by LSA-RS 42:1 through 42:12. The Director stated that notices of the meetings and their respective agendas were posted in accordance with the instructions listed below.

The Washington Economic Development Foundation, Inc. is only required to post notices of each meeting and the accompanying agenda on building where the meetings are held. During the period under examination the Foundation posted the notices & agendas for each meeting on the Foundation office door and on the door where the meeting was to be held. A board member initialed the agenda for verification of proper posting. The Foundation does appear to be in compliance with the public notification of it's meetings.

Comprehensive Budget

The Foundation signed a cooperative endeavor agreement with the City of Bogalusa (Note 5) to perform certain functions concerning economic development for the benefit of the City, its residents, and residents surrounding Bogalusa. The Foundation adopts a comprehensive budget for the expenditure of these funds, which are paid in advance by the City at the beginning of each year. The budget for the year 2003 was approved by the Board, at the December 10, 2002 meeting. The amended 2003 budget was presented at the December 2003 meeting and approved at the February 2004 meeting. It would appear that the requirements for a comprehensive budget have been met by the Foundation, for the period under examination.

Prior Comments and Recommendations

Findings noted in the prior year were:

Agendas of meetings not posted for public notification-The Foundation posted the notice of the meetings on the door of the building where the meeting was to be held. However; the Foundation did not post the agenda for the meeting. The Notices and agendas were posted for all meetings for 2003.

I was not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended for the use of management of the Washington Economic Development Foundation, Inc., the Legislative Auditor (State of Louisiana), and the applicable state and or local grantor agencies and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
