I have audited the accompanying general purpose financial statements of the Twenty-Fourth Judicial District Indigent Defender Board as of and for the year ended December 31, 2003, as listed in the table of contents. These general purpose financial statements are the responsibility of the management of Twenty-Fourth Judicial District Indigent Defender Board. My responsibility is to express an opinion on these general purpose financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial

position of the Twenty-Fourth Judicial District Indigent Defender Board as of December 31, 2003, and the results of operations for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with <u>Government Auditing Standards</u>, I have also issued a report dated May 13, 2004, on my consideration of the Twenty-Fourth Judicial District Indigent Defender Board's

internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations and contracts. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of my audit.

NOTES TO THE FINANCIAL STATEMENTS

.

#### INTRODUCTION

The Twenty-Fourth Judicial District Indigent Defender Board, established in compliance with Louisiana Revised Statute 15:144-149, provides counsel to represent indigents (needy individuals) in criminal cases at the district court level. The judicial district encompasses Jefferson Parish, Louisiana. The board is composed of seven members who are appointed by the district court. Revenues to finance the board's operations are provided primarily from court costs on fines imposed by the various courts within the district. The board also receives monies from a grant-in-aid program intended to supplement financial assistance in felony cases to district indigent defender boards that have a need for this type of funding.

Board members serve without compensation.

### NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. <u>Basis of Presentation</u>

The accompanying general purpose financial statements of the Twenty-Fourth Judicial District Indigent Defender Board have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

2. <u>Reporting Entity</u>

For financial reporting purposes, in conformance with GASB Codification Section 2100, the indigent defender board is a part of the district court system of the State of Louisiana. However, the state statutes that create the boards also give each of the boards control over all of their operations. This includes the hiring and retention of employees, authority over budgeting, responsibility for funding deficits and operating deficiencies, and fiscal management for controlling the collection and disbursement of funds. Therefore, the board reports as an independent reporting entity and the financial statements include only the transactions of the Twenty-Fourth Judicial District Indigent Defender Board. Furthermore, the Jefferson Parish Council does not include the Indigent Defender Board as a component unit in its comprehensive annual financial report.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. <u>Fund Accounting</u>

The board uses the General Fund and Account Groups (General Fixed Assets Account Group and General Long-Term Debt Account Group) to report on its financial position and the results of its operations.

Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions and activities.

A fund is a separate accounting entity with a selfbalancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources and general operating expenditures.

The General Fund of the indigent defender board is classified as a governmental fund. A governmental fund accounts for the board's general activities, including the collection and disbursement of specific or legally restricted monies and the acquisition or construction of general fixed assets. The General Fund is the general operating fund of the board, and it accounts for all of the financial resources of the indigent defender board.

### 4. <u>Basis of Accounting</u>

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The governmental fund is accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and liabilities generally are included on the balance sheet. Operating statements of this fund present increases and decreases in net current assets. The modified accrual basis of accounting is used by the governmental fund. The governmental fund (General Fund) uses the following practices in recording revenues and expenditures:

Revenues (General Fund): Court costs and bail bond forfeiture and license fees are recorded in the year they are collected by the appropriate courts. Interest revenue earned on all funds is recorded in the year in which it is earned.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenditures (General Fund): Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

5. <u>Budgets</u>

The indigent defender board prepared and subsequently adopted an annual budget for the General Fund for the year ended December 31, 2003. The budget was made available for public inspection at the Gretna office of the indigent defender board. The budget was prepared on the modified accrual basis of accounting, and was approved by the board on December 4, 2002.

- 6. <u>Encumbrances</u> The board does not use encumbrance accounting.
- 7. <u>Cash</u>

Cash includes amounts in an interest bearing demand deposit account. Under state law, the board may deposit funds in demand deposit accounts, interest bearing demand deposit accounts, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

8. <u>Fixed Assets</u>

Fixed assets are recorded as expenditures at the time purchased, and the related assets are capitalized and reported in the general fixed assets account group. No depreciation has been provided on general fixed assets. All fixed assets are valued at historical cost.

9. <u>Compensated Absences (Vacation and Sick Leave)</u> Full-time employees of the board earn and accumulate vacation and sick leave at various rates, depending on their length of service. All full-time employees may

carry a maximum of 90 days of unused vacation leave from one calendar year to another. Upon separation from employment, and provided that certain conditions have been met as set forth in the policy adopted by the board, employees are paid for all unused vacation leave at the hourly rates of each applicable employee.

#### NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

All full-time employees earn one-half day of sick leave each biweekly pay period worked. There is no limit on the amount of sick leave that may be accumulated and carried forward from one year to the next. Upon separation from employment, employees who were hired before April 26, 1986, receive compensation for one-half of all unused sick leave remaining at the time of separation. Employees hired on or after April 26, 1986, receive compensation for no more than 40 days of unused sick leave.

The liability that the board has to its employees for accumulated vacation and sick leave is calculated by multiplying the applicable pay rate for each employee by the number of hours of leave time eligible for compensation at December 31, 2003. The cost of current leave privileges, computed in accordance with GASB Codification Section C60, is recognized as a current-year expenditure in the General Fund when leave is actually taken. The cost of leave privileges not requiring current resources is recorded in the general long-term obligations account group.

10. Total Column on Balance Sheet

.

The total column on the balance sheet is captioned "Memorandum Only" to indicate that it is presented only to facilitate financial analysis. Data in this column does not present financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

NOTE B - CASH

At December 31, 2003, the carrying amounts (book balances) of cash of the board is listed as follows:

Cash in an interest	bearing	demand	,
deposit account	-		\$ <u>1,565,273</u>
		-	

#### Total

\$1,565,273

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

At December 31, 2003, the board had \$1,638,521 in bank balances. These deposits were secured from risk by \$100,000 of federal deposit insurance and \$1,538,521 of pledged securities held by the custodial bank in the name of the fiscal agent bank (GASB Category 3).

Even though the pledged securities are considered uncollateralized (Category 3) under the provisions of GASB Statement 3, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the board that the fiscal agent has failed to pay deposited funds upon demand.

#### NOTE D - PENSION PLAN

All full-time employees of the indigent defender board are members of the Parochial Employees Retirement System of Louisiana (System), a multiple-employer (cost-sharing), public employee retirement system. The plan is controlled and administered by a separate board of trustees. The System is composed of two distinct plans, Plan A and Plan B, with separate assets and benefit provisions. All employees are members of Plan A.

All permanent employees working at least 28 hours per week who are paid wholly or in part from parish funds and all elected parish officials are eligible to participate in the System. Under Plan A, employees who retire at or after age 60 with at least 10 years of creditable service, at or after age 55 with at least 25 years of credited service, or at any age with at least 30 years of credited service are entitled to a retirement benefit, payable monthly for life, equal to 3 per cent of the member's final-average salary for each year of creditable service. However, for those employees who were members of the supplemental plan only, prior to January 1, 1980, the benefit is equal to one per cent of the final-average salary plus \$24 for each year of supplemental plan only service earned prior to January 1, 1980. Final-average salary is the employee's average salary over the 36 consecutive or joined months that produce the highest average. Employees who terminate with at least the amount of creditable service stated above and do not withdraw their employee contributions may retire at the ages specified above and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established by state statute.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. The report may be obtained by writing to the Parochial Employees' Retirement System, Post Office Box 14619, Baton Rouge, Louisiana

### 70898-4619, or by calling (504) 928-1361.

### Funding Policy

Under Plan A, members of the System are required to contribute 9.50% of their annual covered salary and the district is required to make employer contributions at an actuarially determined rate. The employer's contribution rate for the

#### NOTE D - PENSION PLAN (CONTINUED)

year ended December 31, 2003 is 7.75% of annual covered payroll. Contributions to the System also include one-fourth of one percent of the taxes shown to be collectible by the tax rolls of each parish, except Orleans and East Baton Rouge Parishes. These tax dollars are divided between Plan A and Plan B based proportionately on the salaries of the active members of each plan. The contribution requirements of plan members and the district are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year.

The board's employer contributions to the System under Plan A for the years ended December 31, 2003, 2002 and 2001, were \$11,002, \$10,090 and \$9,616, respectively, and these amounts equaled the required contributions for each year.

#### NOTE E - LEASES

Operating leases are all leases that do not meet the criteria of capital leases. The indigent defender board is leasing office space under a formal lease agreement for a period of 5 years at rental rate of \$2,750 per month.

On July 1, 2002, the board entered into a noncancellable lease for copier equipment. Monthly lease payments are \$413 per month for 36 months.

The minimum annual commitments under all noncancelable operating leases are as follows:

<u>Year Ended</u>		<u>Amount</u>

December 31, 2006 December 31, 2007 December 31, 2008 33,000 33,000 <u>8,250</u>

#### NOTE F - COMPENSATED ABSENCES AND LONG-TERM OBLIGATIONS

At December 31, 2003, employees of the board had accumulated and vested vacation and sick leave benefits, which were computed in accordance with GASB Codification Section C60. This amount is recorded within the general long-term obligations account group and is summarized as follows:

Balance, December 31, 2002	\$40,820
Additions	16,567
	/43 040

Deletions

<u>(13,840</u>)

Balance, December 31, 2003 \$<u>43,547</u>

There were no other long-term obligations during the year.

#### NOTE G - LITIGATION AND CLAIMS

As of December 31, 2003, no liability is required to be accrued in the general purpose financial statements of the indigent defender board under the provisions of GASB Codification Section C50.

NOTE H - BOARD COSTS NOT INCLUDED IN THE FINANCIAL STATEMENTS

The accompanying financial statements do not include costs for office space and utilities for the office on the eastbank of the Mississippi River in Jefferson Parish's First Parish Court, nor for the office on the westbank in the Parish's Juvenile Court.

Twenty-Fourth Judicial District Indigent Defender Board Jefferson Parish, Louisiana

I have audited the general purpose financial statements of the Twenty-Fourth Judicial District Indigent Defender Board, as of and for the year ended December 31, 2003, and have issued my report thereon dated May 13, 2004. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing</u> <u>Standards</u>, issued by the Comptroller General of the United States.

#### Compliance

As a part of obtaining reasonable assurance about whether the Twenty-Fourth Judicial District Indigent Defender Board's general purpose financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations and contracts, noncompliance with which could have a direct and material effect on the determination of the financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under <u>Government Auditing Standards</u>.

### Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Twenty-Fourth Judicial District Indigent Defender Board's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the general purpose financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operations that I consider to be material weaknesses.

This report is intended solely for the use of management and the State of Louisiana Legislative Auditor and should not be used for any other purpose. This restriction is not intended to limit the distribution of this report which, upon acceptance by the State of Louisiana Legislative Auditor, is a matter of public record.
