INDEPENDENT AUDITOR'S REPORT

March 25, 2004

Board of Directors Plaquemines' YMCA, Inc. P.O. Box 841 Buras, Louisiana 70041

We have audited the accompanying statements of financial position of the Plaquemines' YMCA, Inc. (a nonprofit organization) as of December 31, 2003 and 2002, and the related statements of activities, functional expenses and cash flows for the years then ended. The financial statements are the responsibility of the YMCA's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Plaquemines' YMCA, Inc. as of December 31, 2003 and 2002 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated March 25, 2004, on our consideration of Plaquemines' YMCA, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

ORGANIZATION:

The principal service of the Plaquemines' YMCA, Inc. (YMCA) is to provide recreational, informational and fitness activities to the residents of Plaquemines Parish. The primary sources of its revenue are membership dues, program fees, grants and allocations from the United Way.

The YMCA is located in Buras, Louisiana and also leases a facility in Port Sulphur, Louisiana. Substantially all of the members of the YMCA reside in the Buras/Port Sulphur area.

1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>:

Financial Statement Presentation:

The YMCA follows the provisions of Statement of Financial Accounting Standards SFAS No. 116, "Accounting for Contributions Received and Contributions Made," and SFAS No. 117, "Financial Statements of Not-for-Profit Organizations."

SFAS No. 116 requires that unconditional promises to give be recorded as receivables and revenues and requires the organization to distinguish between contributions received for each net asset category in accordance with donor-imposed restrictions. SFAS No. 117 establishes standards for external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into three net asset categories according to externally (donor) imposed restrictions.

A description of the three net asset categories required by SFAS No. 117 follows:

Permanently Restricted Net Assets

These are net assets subject to donor-imposed stipulations that they be maintained permanently by the YMCA. Generally, the donors of these assets permit the YMCA to use all or part of the income earned on related investments for general or specific purposes.

The YMCA has no permanently restricted net assets.

Temporarily Restricted Net Assets

These are net assets subject to donor-imposed stipulations that may or will be met by actions of the YMCA and/or the passage of time.

Contributions received with donor-imposed restrictions that are met in the same year received are reported as revenues of the unrestricted net asset class.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Unrestricted Net Assets

These are net assets not subject to donor-imposed stipulations.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets are reported as reclassifications between the applicable classes of net assets.

The statement of activities presents expenses of the YMCA's operations functionally between program services, fund raising activities and administrative and general. Those expenses which cannot be functionally categorized are allocated between functions based upon management's estimate of usage applicable to conducting those functions.

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents:

For purposes of the statement of cash flows, the YMCA has defined cash and cash equivalents as the following items on the statements of financial position:

•	<u>2003</u>	<u>2002</u>
Cash on hand	\$ 175	\$ 175
Time deposits	15,513	13,372
Savings account	139	139
Money market account	36,8 <u>92</u>	37,325
•	\$ <u>52,719</u>	\$ <u>51,011</u>

Income Taxes:

The YMCA is a nonprofit organization exempt from federal income tax under Internal Revenue Code Section 501(c)(3).

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Property and Equipment:

The YMCA has established a policy of capitalizing expenditures for land, buildings and equipment in excess of \$500. All purchased property and equipment is carried at cost. Donated property and equipment are carried at fair market value as of date of donation. The building and equipment are depreciated using the straight-line method over the estimated lives of the assets. The depreciation expense for the years ended December 31, 2003 and 2002 was \$16,549 and \$17,124, respectively.

The land and building are mortgaged as collateral for a note payable described in Note 2.

The donated land and building recorded on the financial statements is for a property in which the YMCA has approximately 94% ownership, but whose future use has not yet been determined, as described further in Note 8.

Contributed Services:

During the current year, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

2. NOTE PAYABLE:

At December 31, 2001, the YMCA was indebted to a bank in the amount of \$135,712. The note was payable in monthly installments of principal and interest of \$1,181 through October 2002. The note bore interest at 8%, and was collateralized by a mortgage on the YMCA's land and building. In November 2002, the YMCA renewed the note with the bank. The note bears interest at 7.5% with monthly installments of principal and interest of \$1,142. The note matures November 2005. The balance of the note was \$130,049 and \$133,845 at December 31, 2003 and 2002, respectively.

At December 31, 2003, the YMCA was indebted to a finance company in the amount of \$4,252 for the financing of insurance. The note bears interest at 5.250% with eight monthly installments of principal and interest of \$1,115 beginning September 16, 2003.

At December 31, 2002, the YMCA was indebted to the finance company in the amount of \$9,976. The note bore interest at 0.001% and matured in May 2003.

Following are the maturities of long-term debt for each of the next two years:

2. NOTE PAYABLE: (Continued)

Years ending December 31,

2004	\$ 8,34	13
2005	125,95	8
Total	\$ <u>134,30</u>	1

3. LEASES:

The YMCA rents a building in Port Sulphur, Louisiana under a verbal month-to-month lease. Monthly rental is \$150, with total rent expense of \$1,800 for each of the years ended December 31, 2003 and 2002.

The YMCA leased a copier under an operating lease which expired in May 2002. Rental expense for 2003 and 2002 was \$-0- and \$369, respectively

4. RETIREMENT PLAN:

The YMCA is a member of a multi-employer contributory retirement plan. The defined contribution plan covers all employees, age 21 or older, enrolled in the plan the first month after one year of service. Employer and employee contributions are based on a percentage of monthly compensation. The employee and employer contribution percentages are 4.2% and 3.0%, respectively. For the years ended December 31, 2003 and 2002, retirement expense was \$1,768 and \$1,504, respectively.

5. RELATED PARTY:

The YMCA is affiliated with the National Council of Young Men's Christian Associations of the United States of America. Total membership dues expensed during 2003 and 2002 were \$3,800 and \$3,800, respectively.

6. USE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

7. NET ASSETS RELEASED FROM RESTRICTIONS:

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes of the United Way allocations during the years ended December 31, 2003 and December 31, 2002.

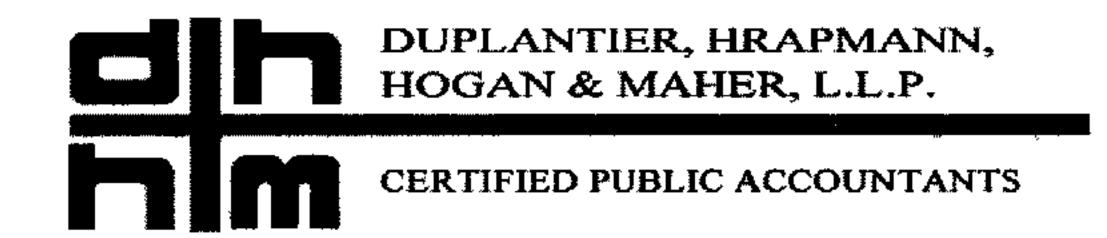

8. **DONATIONS**:

The YMCA has recorded donations in the amounts of \$-0- and \$47,272 for the years ended December 31, 2003 and 2002, respectively, as the result of its receipt of a partial (approximately 94%) interest in certain property in Plaquemines Parish, Louisiana. It is anticipated that the YMCA will obtain complete ownership of the property; however, it is not possible to determine the exact timing of the receipt of such.

The donated assets consist of the amounts received in the following years:

	<u>2003</u>	<u>2002</u>	<u>2001</u>	TOTAL
Land	\$	\$ 13,248	\$ 39,129	\$ 52,377

	\$	\$ <u>47.272</u>	\$ <u>140.030</u>	\$ <u>187,302</u>

The donated assets are included in property and equipment at December 31, 2003 and 2002. No depreciation has been recorded on the building for the years ended December 31, 2003 and 2002 since the future use of the building is not yet known.

We have audited the financial statements of the Plaquemines' YMCA, Inc., as of and for the year ended December 31, 2003, and have issued our report thereon dated March 25, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Plaquemines' YMCA, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Plaquemines' YMCA, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information and use of the Board of Directors, management, and applicable state agencies and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
