INDEPENDENT AUDITOR'S REPORT

March 19, 2004

Members of the Board of Directors The Boys & Girls Clubs of Greater Baton Rouge, Inc. Baton Rouge, Louisiana

I have audited the accompanying statement of financial position of the Boys & Girls Clubs of Greater Baton Rouge, Inc. (a non-profit organization) as of December 31, 2003, and the related statements of activities, cash flows and functional expenses for the year then ended. These financial statements are the responsibility of the Boys & Girls Clubs of Greater Baton Rouge, Inc.'s management. My responsibility is to express an opinion of these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provided a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Boys & Girls Clubs of Greater Baton Rouge, Inc. as of December 31, 2003, and the changes in net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, I have also issued a report dated March 19, 2004, on our consideration of Boys & Girls Clubs of Greater Baton Rouge's internal control over financial reporting and our tests of its compliance with laws and regulations. That report is an integral part of an audit performed in accordance with Governmental Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

NOTE #1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Organization</u>

The Boys & Girls Clubs of Greater Baton Rouge, Inc. (Club) is a Louisiana non-profit corporation, for the purpose of promoting the health, social, educational, vocational and character development of boys and girls.

BASIS OF PRESENTATION

The financial statements are presented in accordance with Statement of Financial Accounting Standards No. 116 (SFAS No. 116), "Accounting for Contributions Received and Contributions Made" and Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. SFAS No. 116 requires contributions to be recognized as revenue when they are received or unconditionally pledged. SFAS No. 117, which eliminates the utilization of fund accounting for financial reporting purposes, requires net assets to be classified as either 1) unrestricted, 2) temporarily restricted, or 3) permanently restricted depending on limitations placed on the net assets.

DONATED SERVICES

Amounts have not been reported in the statements for donated services because they do not meet the criteria for recognition under SFAS No. 116. A substantial number of volunteers have donated significant amounts of their time to the Organization.

Contributions of service shall be recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individual possessing those skills and would typically need to be purchased if not provided by donation.

REVENUE RECOGNITION

Contributions are recognized as revenue when they are received or unconditionally pledged.

Conditions - Contributions are recorded as unrestricted as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized.

<u>REVENUE RECOGNITION:</u> CONTRIBUTIONS - Continued...

All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purposes restriction is accomplished), temporarily restricted net assets are classified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used.

Contributions receivable represent amounts committed by donors that have not been received by the Organization.

INCOME TAXES

The Organization is a not-for-profit organization that is exempt from income taxes under section 501(c)(3) of the Internal Revenue Code.

CASH AND CASH EQUIVALENTS

For the purposes of the statement of cash flows, the organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

INVENTORIES

Inventory is stated at the lower cost or market, determined by the first-in, first-out method.

PREPAID

Insurance and similar services which extend over more than one accounting period have been recorded as prepaid.

ACCOUNTS RECEIVABLE

Accounts receivable are written-off under the direct write-off method whereby bad debts are recorded when a receivable is deemed uncollectible. If they are subsequently collected they are recorded as miscellaneous income. The direct charge-off method is not a material departure from GAAP as it approximates the valuation method.

USE OF ESTIMATES

The preparation of financial statements in-conformity with generally accepted accounting principles require management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

PROPERTY AND EQUIPMENT

The purchase of property and equipment is recorded at cost. It is the Organization's policy to capitalize expenditures for these items in excess of \$1,000. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Property and equipment is depreciated using the straight-line method over the estimated useful lives of 5 to 10 years.

Functional Allocation of Expenses

The cost of providing Club's various programs and supporting services have been summarized on a functional basis in the statement of support, revenue and expenses, and changes in fund balances. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

COMPARATIVE DATA

Comparative data for the prior year have been presented in the accompanying financial statements to provide an understanding of changes in the Clubs' financial position and operations. However, presentation of comparative data by fund type have not been presented in each of the statements since their inclusion would make the statements unduly complex and difficult to read.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

March 19, 2004

Members of the Board of Directors Boys & Girls Club of Greater Baton Rouge, Inc. Baton Rouge, Louisiana

I have audited the financial statements of the Boys & Girls Clubs of Greater Baton Rouge, Inc. as of and for the year ended December 31, 2003, and have issued my report thereon dated March 19, 2004. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States.

COMPLIANCE

As part of obtaining reasonable assurance about whether Boys & Girls Clubs of Greater Baton Rouge, Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under <u>Government Auditing Standards.</u>

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing my audit, I considered Boys & Girls Clubs of Greater Baton Rouge, Inc.'s internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

I noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses. This report is intended for the information of the management, and federal awarding agencies and pass-through entities. However, this report is a matter of public record and distribution is not limited. Under Louisiana Revised Statutes 24:513, this report is distributed by the Legislative Auditor as a public document.
