**ATTESTATION REPORT  
(Quasi-Public Entity)**

**Independent Accountant's Report  
on Applying Agreed-Upon Procedures**

To the Management of Louisiana Community Economic Resource Network, Inc.

I have performed the procedures included in the *Louisiana Governmental Audit Guide* and enumerated below, which were agreed to by the management of Louisiana Community Economic Resource Network, Inc. (LCERN), the Legislative Auditor, State of Louisiana, and applicable state grantor agency/agencies solely to assist the users in evaluating management's assertions about LCERN's compliance with certain laws and regulations during the period ended December 31, 2002 included in the accompanying *Louisiana Attestation Questionnaire*. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, I make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose.

***Federal, State, and Local Awards***

1. Determine the amount of Federal, state and local award expenditures for the fiscal year, by grant and grant year.

LCERN's accounting reporting period is on a calendar year basis. The following is a schedule by grant and grant period of the expenditures reported for January 1, 2002 through December 31, 2002.

Grant Name	Grant Period	State Award Expenditures	Federal Award Expenditures
Urban	July1, 2002-June30, 2003	3,438	
TANF	Sept 15, 2002-Aug 31, 2003		56,466
Total		3,438	56,466

2. For each Federal, state, and local award, I randomly selected 6 disbursements from the award administered during the period under examination.

There are two separate funding sources, from which six disbursements were randomly selected during the period of January 1, 2002 through December 31, 2002.

3. For the items selected in procedure 2, I attempted to trace the twelve disbursements to supporting documentation as to proper amount and payee.

There were no exceptions noted in performing this procedure. Twelve randomly selected disbursements were traced to proper amount and payee through review of invoices and canceled checks.

4. For the items selected in procedure 2, I attempted to determine if the twelve disbursements were properly coded to the correct fund and general ledger account.

The twelve disbursements were properly coded to the correct fund and general ledger accounts through review of LCERN's general ledger and financial statements.

5. For the items selected in procedure 2, I attempted to determine whether the twelve disbursements received approval from proper authorities.

The twelve disbursements tested appeared to have approval from the proper authorities through review of supporting documentation which included check requests, "OK to pay" signatures on invoices.

6. For the items selected in procedure 2: For federal, state and local awards, I determined whether the disbursements complied with the grant agreement, relating to:

Activities allowed or unallowed:

I reviewed the previously listed disbursements for types of services allowed or not allowed. The allowability requirements appeared to be met for twelve disbursements, because expenditures were included in the approved budget and appeared to coincide with the goals of the program. Also, expenditures were reviewed in comparison to non-allowable expenditures under state and federal guidelines and no items were noted.

Eligibility

I reviewed the previously listed disbursements for eligibility requirements. Disbursements were in accordance with the approved budget for twelve disbursements reviewed.

## **Reporting**

I reviewed the previously listed disbursements for reporting requirements. Six disbursements were reported properly on Governor's Office of Urban Affairs Monthly cost sheets and financial statements, while six federal disbursements were reported properly in monthly cost reports and financial statements, also.

7. For the programs selected for testing in item (2), I planned to compare the close-out report, when required, with the entity's financial records to determine whether the amounts agree.

There were no required close-out reports provided for the programs and period under examination.

## ***Meetings***

8. I examined evidence indicating that agendas for meetings recorded in the minute book were posted as an open meeting as required by LSA-RS 42:1 through 42:12 (the open meetings law).

Management has asserted that "open meetings" documents were properly posted on the door of board meetings, and complete agendas were made available, as required. I was provided a copy of the documents that were posted which appeared to have met the open meetings LSA-RS 42:1 through 42-12 requirements.

## ***Comprehensive Budget***

9. For all grants exceeding five thousand dollars, we determined that each applicable federal, state, or local grantor agency/agency was provided with a comprehensive budget of those grants that included the purpose and duration, and for state grants included specific goals and objectives and measures of performance.

LCERN, Inc. provided comprehensive budgets to the applicable local, state, and federal grantors for the programs mentioned previously. These budgets specified the anticipated uses of the funds, estimates of the duration of the project, and plans showing specific goals and objectives that included measures of performance.

## ***Prior Comments and Recommendations***

10. I reviewed the prior year audit report for any prior-year suggestions, recommendations, and/or comments to determine the extent to which such matters have been resolved.

This was the first fiscal year reported by LCERN and the first compilation/attestation report prepared. Consequently, there were no prior period findings.

However, it was determined that the current year compilation/attestation was not engaged timely. Additionally, the Federal tax form 990 has not been submitted for the current reporting period.

I was not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of the management of LCERN, Inc., the Legislative Auditor (State of Louisiana), and the applicable state grantor agency/agencies and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
