The Honorable Geraldine Fife and The Board of Alderman Village of Baskin Baskin, Louisiana

We have compiled the accompanying general-purpose financial statements of the Village of Baskin, Louisiana, as of and for the year ended June 30, 1999, and the accompanying supplementary information contained in the Schedule of Compensation Paid to Board Members, which is present only for supplementary analysis purposes, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures and the statement of cash flows required by generally accepted accounting principles. If the omitted disclosures and statement of cash flows were included in the financial statements, they might influence the user's conclusions about the Village's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

#### INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

The Honorable Geraldine Fife and The Board of Aldermen Village of Baskin Baskin, Louisiana

We have performed the procedures included in the Louisiana Government Audit Guide and enumerated below, which were agreed to by the management of the Village of Baskin, Louisiana, and the Legislative Auditor, State of Louisiana, solely to assist the users in evaluating management's assertions about the Village of Baskin, Louisiana's compliance with certain laws and regulations during the year ended June 30, 1999 included in the accompanying Louisiana Attestation Questionnaire. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

#### Public Bid Law

1. Select all expenditures made during the year for material and supplies exceeding 5,000, or public works exceeding 50,000, and determine whether such purchases were made in accordance with LSA-RS 38:2211-2251 (the public bid law).

Per examination, all expenditures were made in accordance with the public bid law.

2. Obtain from management a list of the immediate family members of each board member as defined by LSA-RS 42:1101-1124 (the code of ethics), and a list of outside business interest of all board members and employees, as well as their immediate families.

Management provided us with the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

Management provided us with the required list.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

None of the employees included on the list of employees provided by management (agreed-upon procedure (3) appeared on the list provided by management in agreed-upon procedure (2) except for David Fife, employed as police chief, who is listed as husband of Geraldine Fife, Mayor.

#### **Budgeting**

5. Obtained a copy of the legally adopted budget and all amendments.

Management provided us with their adopted budget.

6. Trace the budget adoption and amendments to the minute book.

The budget was legally adopted and in the minute book.

7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues or expenditures exceed budgeted amounts by more than 5%.

Revenues were underestimated by more than 5% and the expenditures were underestimated by approximately the same amount.

#### Accounting and Reporting

- 8. Randomly select 6 disbursements made during the period under examination and:
  - a) trace payments to supporting documentation as to proper amount and payee;

We examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

b) determine if payments were properly coded to the correct fund and general ledger account; and

All payments were properly coded to the correct fund and general ledger account.

c) determine whether payments received approval from proper authorities.

Inspection of documentation supporting each of the six selected disbursements indicated the required approvals were obtained.

#### **Mcctings**

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law).

Per examination, meetings were advertised in the local newspaper, as required.

10. Examine bank deposits for the period under examination and determine whether any such deposits appear to be proceeds of bank loans, bonds, or like indebtedness.

Per examination none of the deposits appear to be proceeds from bank loans or like indebtedness.

#### Advances and Bonuses

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advances, or gifts.

A reading of the minutes of the Village for the year indicated no approval for the payments noted. We also inspected payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of the Village of Baskin, Louisiana and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, this report is a matter of public record and its distribution is not limited.
