INDEPENDENT AUDITOR'S REPORT

October 31, 1997

Honorable Jack A. Stephens
St. Bernard Parish Sheriff and
Ex-Officio Tax Collector
Chalmette, Louisiana

We have audited the statement of collections, distributions, and unsettled balances for the Tax Collector Agency Fund of the St. Bernard Parish Sheriff for the period from July 1, 1996 through June 30, 1997. This financial statement is the responsibility of the St. Bernard Parish Sheriff's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in note 1, the St. Bernard Parish Sheriff is the ex-officio tax collector for the various taxing bodies within St. Bernard Parish, and the accompanying statement presents a summarization of transactions as parish tax collector. It does not include the cash receipts and disbursements of the St. Bernard Parish Sheriff's Office general fund. Furthermore, the accompanying statement of collections, distributions, and unsettled balances has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the statement of collections, distributions and unsettled balances referred to in the first paragraph presents fairly, in all material respects, the tax collections, distributions, and unsettled balances of the Tax Collector Agency Fund of the St. Bernard Parish Sheriff, for the period from July 1, 1996 through June 30, 1997, on the basis of accounting described in note 1.

In accordance with Government Auditing Standards, we have also issued our report dated October 31, 1997 on our consideration of the Tax Collector Agency Fund of the St. Bernard Parish Sheriff's internal control structure and on its compliance with laws and regulations.

ST. BERNARD PARISH SHERIFF
TAX COLLECTOR AGENCY FUND
NOTES TO FINANCIAL STATEMENT
JUNE 30, 1997

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

As provided by Article 8, Section 27 of the Louisiana Constitution of 1974, the Sheriff is the ex-officio tax collector of the parish and is responsible for the collection and distribution of ad valorem property taxes, sales and use taxes, parish occupational licenses, state revenue sharing funds, angling, hunting, and trapping licenses, and funds, costs, and bond forfeitures imposed by the district court.

Louisiana Revised Statute 24:527(B) requires that the accounts of each tax collector be audited annually. Accordingly, the accompanying statement reflects financial activity of the Sheriff related only to his responsibility as ex-officio tax collector. Amounts included in this report are also included as agency funds in the Sheriff's annual general purpose financial statements.

The accounts of the tax collector are established to reflect the collections imposed by law, distributions pursuant to each law, and unsettled balances due various taxing bodies and others.

State law authorizes the Sheriff to deposit tax collections in a bank domiciled in the parish where the funds are collected.

Basis of Accounting:

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The accompanying financial statement has been prepared on the cash basis of accounting, with collections recognized when received and distributions reflected when paid.

[AS EX-OFFICIO PARISH TAX COLLECTOR]
INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL STRUCTURE
BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS
FOR THE FISCAL YEAR ENDED JUNE 30, 1990

October 31, 1990

Honorable Jack A. Stephens
St. Bernard Parish Sheriff
and Ex-Officio Tax Collector
Chalmette, Louisiana

We have audited the statement of collections, distributions, and unsettled balances of the St. Bernard Parish Sheriff - Tax Collector Agency Fund as of and for the year ended June 30, 1990, and have issued our report thereon dated October 31, 1990.

We conducted our audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

The management of the St. Bernard Parish Sheriff - Tax Collector Agency Fund is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of the financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the financial statement of the St. Bernard Parish Sheriff - Tax Collector Agency Fund, for the year ended June 30, 1990, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

ST. BERNARD PARISH SHERIFF
(AS EX-OFFICIO PARISH TAX COLLECTOR)
INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL STRUCTURE
BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS
FOR THE FISCAL YEAR ENDED JUNE 30, 1992

(Continued)

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of the management of the St. Bernard Parish Sheriff and the Legislative Auditor. However, this report is a matter of public record and its distribution is not limited.
