

LIVINGSTON PARISH SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
As of and For the Year Ended June 30, 1997

GASB Statement No. 14 established criteria for determining which component units should be considered part of the Livingston Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

1. Appointing a voting majority of an organization's governing body, and (a) The ability of the police jury to impose its will on that organization and/or (b) The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the police jury.
2. Organizations for which the police jury does not appoint a voting majority but are fiscally dependent on the police jury.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Because the police jury has authority over the Sheriff's capital budget, the Sheriff was considered to be fiscally dependent on the police jury. For this reason the Sheriff was determined to be a component unit of the Livingston Police Parish Jury, the reporting entity. The accompanying financial statements present information only on the funds maintained by the Sheriff, and do not present information on the police jury, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

FUND ACCOUNTING

The accounts of the Sheriff are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprises its assets, liabilities, fund equity, revenues, and expenditures. Revenues are accounted for in these individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The funds presented in the financial statements are described as follows:

LIVINGSTON PARISH SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
As of and For the Year Ended June 30, 1997

General Fund

The General Fund, as provided by Louisiana Revised Statute 33:1422, is the principal fund of the Sheriff's office and accounts for the operations of the Sheriff's office. The Sheriff's primary source of revenue is an ad valorem tax levied by the law enforcement district. Other sources of revenue include commissions on state revenue sharing, state supplemental pay for deputies, civil and criminal fees, fees for court attendance and maintenance of prisoners, et cetera. General operating expenditures are paid from this fund.

Agency Funds

The agency funds are used as depositories for civil suits, cash bonds, taxes, fees, et cetera. Disbursements from these funds are made to various parish agencies, litigants in suits, et cetera, in the manner prescribed by law. The agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations. The Tax Collector Agency Fund, included in the accompanying general purpose financial statements, is reported for the period from August 1, 1996 to July 31, 1997.

GENERAL FIXED ASSETS

Fixed assets used in governmental fund operations (general fixed assets) are accounted for in the general fixed assets account group, rather than in the General Fund. General fixed assets provided by the parish police jury are not recorded within the general fixed assets account group. Fixed assets are valued at historical cost. No depreciation has been provided on general fixed assets.

The general fixed assets account group is not a fund. It is concerned only with the measurement of financial position and does not involve measurement of results of operations.

LONG-TERM OBLIGATIONS

Long-term obligations expected to be financed from the General Fund are reported in the general long-term obligations account group. Expenditures for principal and interest payments for long-term obligations are recognized in the general Fund when due.

NOTES TO THE FINANCIAL STATEMENTS
As of and For the Year Ended June 30, 1993

BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The General Fund is accounted for using a flow of current financial resources measurement focus. The accompanying component unit financial statements have been prepared on the modified accrual basis of accounting for all funds except the Agency funds which are prepared on the cash basis of accounting which approximates the modified accrual basis of accounting. The General Fund uses the following practices in recording revenues and expenditures:

REVENUES

Ad valorem taxes and the related state revenue sharing (which is based on population and households in the parish) are recorded in the year the taxes are assessed. Ad valorem taxes are assessed and become due on November 15 of each year and become delinquent on December 31. The taxes are generally collected in December of the current year and January and February of the ensuing year.

Federal and State grants are recorded when the law enforcement district is entitled to the funds.

Sales and use tax revenues are collected by the Livingston Parish School Board and are recognized by the law enforcement district as revenue in the month the tax is collected.

Interest on investments and all other revenues are recorded when the income is measurable and available.

Expenditures

Expenditures are generally recognized under the accrual basis of accounting when the related fund liability is incurred.

NOTES TO THE FINANCIAL STATEMENTS
As of and For the Year Ended June 30, 1997

BUDGET PRACTICES

The proposed budget for 1997 was made available for public inspection on August 15, 1996. The proposed budget, prepared on the same basis of accounting as the financial statements, was published in the official journal fifteen days prior to the public hearing, which was held at the Livingston Parish Sheriff's office on August 26, 1996 for comments from taxpayers. The budget is legally adopted and amended, as necessary, by the Sheriff.

All expenditure appropriations lapse at year end. Unexpended appropriations and any excess of revenues over expenditures are carried forward to the subsequent year as beginning fund balance.

Neither encumbrance accounting nor formal integration of the budget into the accounting records is employed as a management device. However, periodic comparisons of budget and actual amounts are made. Budget amounts included in the accompanying financial statements include the original adopted budget and all subsequent amendments.

CASH AND CASH EQUIVALENTS

Cash equivalents are considered to be all highly liquid investments with maturities of three months or less when purchased.

Under state law, the Sheriff may deposit funds in interest bearing demand deposits, money market accounts, or time deposits with state banks organized under the Louisiana law or national banks having their principal offices in Louisiana. Tax collections must be deposited in a bank domiciled in the parish where the funds are collected.

VACATION AND SICK LEAVE

Each year all permanent full-time employees of the Sheriff's office earn seven to twenty-one days of vacation leave depending on the number of years employed and ten days of sick leave. At the end of each year, all unused sick leave and vacation leave is forfeited. The cost of leave privileges, computed in accordance with GASB codification Section 610, is recognized as a current year expenditure in the general fund when leave is actually taken.

TOTAL COLUMN OR BALANCE SHEET

The total column on the balance sheet is captioned Memorandum Only (overview) to indicate that it is presented only to facilitate financial analysis. Data in this column does not present financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

C. CASH AND CASH EQUIVALENTS

At June 30, 1997, the Sheriff has cash and cash equivalents (book balances) totaling \$3,395,399, as follows:

Party cash	\$	800
Interest bearing Demand Deposits		3,573,316
Demand Deposits		<u>222,883</u>
Total	\$	<u>3,395,399</u>

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by Federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the Federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties (GAAP Category 3).

Deposit balances (book balances) at June 30, 1997 are secured as follows:

Bank Balances	\$	<u>4,439,832</u>
Federal Deposit Insurance Pledged Securities (Category 3)	\$	300,000
		<u>4,339,832</u>
Total	\$	<u>4,439,832</u>

Even though the pledged securities are considered uncollateralized under the provisions of GASB Statement 3, Louisiana Revised Statute 19:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 30 days of being notified by the Sheriff that the fiscal agent has failed to pay deposited funds upon demand.

D. CHANGES IN GENERAL FIXED ASSETS

A summary of changes in general fixed assets for the year ended June 30, 1997 follows:

	Balance July 1, 1996	Additions	Deletions	Balance June 30, 1997
Equipment	\$ 2,828,718	\$ 382,884	\$ 128,952	\$ 2,882,650
Total	\$ 2,828,718	\$ 382,884	\$ 128,952	\$ 2,882,650

E. PENSION PLAN

Substantially all employees of the Livingston Parish Sheriff's office are members of the Louisiana Sheriffs Pension and Relief Fund (System), a cost-sharing, multiple-employer defined benefit pension plan administered by a separate board of trustees.

All sheriffs and all deputies who are found to be physically fit, who earn at least \$480 per month, and who were between the ages of 18 and 58 at the time of original employment are required to participate in the System. Employees are eligible to retire at or after age 58 with at least 15 years of credited service and receive a benefit, payable monthly for life equal to a percentage of their final-average salary for each year of credited service. The percentage factor to be used for each year of service is 2.5 percent for each year if total service is at least 15 but less than 25 years, 2.75 percent for each year if total service is at least 25 but less than 30 years, 3 percent for each year if total service is at least 30 years. In any case, the retirement benefit cannot exceed 180 percent of the final-average salary. Final-average salary is the employee's average salary over the 30 consecutive or joined months that produce the highest average. Employees who terminate with at least 15 years of service, and who do not withdraw their employee contributions, may retire at or after age 55 and receive the benefit accrued to their date of termination as indicated previously. Employees who terminate with at least 20 years of credited service are also eligible to elect early benefits between ages 50 and 55 with reduced benefits equal to the actuarial equivalent of the benefit to which they would otherwise be entitled to at age 55. The System also provides death and disability benefits. Benefits are established by state statute.

LIVINGSTON PARISH SHERIFF
NOTES TO THE FINANCIAL STATEMENTS
As of and For the Year Ended June 30, 1997

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Louisiana Sheriffs Pension and Relief Fund, Post Office Box 3303, Monroe, Louisiana 71220, or by calling (504) 362-3191.

Plan members are required by state statute to contribute 8.7 percent of their salary and the Livingston Parish Sheriff is required to contribute at an actuarially determined rate. The current rate is 4.0 percent of annual covered payroll. Contributions to the System also include one-half of one percent of the taxes shown to be collectible by the tax rolls of each parish and funds as required and available from insurance premium taxes. The contribution requirements of plan members and the Livingston Parish Sheriff are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:183, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The Livingston Parish Sheriff's contributions for the years ending June 30, 1997, 1996, and 1995, were \$181,008, \$136,300, and \$100,988, respectively, equal to the required contributions for each year.

F. POST RETIREMENT BENEFITS

The Livingston Parish Sheriff provides certain continuing health care and life insurance benefits for retired employees. Substantially all of the Sheriff's employees become eligible for these benefits if they reach normal retirement age while working for the Sheriff's office. These benefits for retirees are provided through an insurance company whose monthly premiums are paid 100% by the employee.

NOTES TO THE FINANCIAL STATEMENTS
As of and For the Year Ended June 30, 1997

G. CAPITAL LEASES

The sheriff records assets acquired through capital leases as an asset and an obligation in the accompanying financial statements. During the year ended June 30, 1998, the sheriff entered into a capital lease to acquire radio equipment totalling \$224,000. The lease calls for 60 monthly payments of \$4,378 and at the end of the lease, the sheriff will own the equipment. Future minimum lease payments under this capital lease are as follows:

Year ending June 30:	
1998	\$2,531
1999	\$2,531
2000	\$2,531
2001	<u>12,508</u>

Total minimum lease payments	178,127
Less amount representing interest	<u>17,612</u>

Present value of net minimum
lease payments \$ 153,515

H. CHANGES IN AGENCY FUND BALANCES

I. CHANGES IN GENERAL LONG-TERM OBLIGATIONS

The following is a summary of long-term obligation transactions during the year:

	Capital <u>Leases</u>
Long-term obligations payable at July 3, 1996	\$ 157,510
additions	-0-
deductions	<u>12,025</u>
Long-term obligations payable at June 30, 1997	<u>\$ 145,485</u>

J. TAXES PAID UNDER PROTEST

The unaccrued balances due to taxing bodies and others in the agency funds at June 30, 1997, as reflected on Statement 2, include \$1,100 of taxes paid under protest plus interest earned to date on the investment of these funds totaling \$1,310. These funds are held pending resolution of the protest and are accounted for in the Tax Collector Agency Fund.

K. NONCOMPLIANCE WITH LAWS AND REGULATIONS

The fiscal budget for the Sheriff's office should be adopted before the fiscal year begins on July 1 of each year. For the year ended June 30, 1997, the Sheriff's budget was not formally adopted until August 16, 1996.

Independent Auditors' Report on Additional Information

December 19, 1997

Honorable Willie Graves
Livingston Parish Sheriff

We have audited the financial statements of the Livingston Parish Sheriff as of and for the year ended June 30, 1997, and have issued our report thereon dated December 19, 1997. These financial statements are the responsibility of the Livingston Parish Sheriff's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, Government Auditing Standards, issued by the Comptroller General of the United States. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was made for the purpose of forming an opinion on the component unit financial statements taken as a whole. The accompanying schedules of Agency Funds - Combining Balance Sheet and Agency Funds - Schedule of Changes in Balance Due to Tending Bodies and Others are not a required part of the financial statements. The supplemental information has been subjected to tests and other auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Respectfully submitted,

Dean and Dean, CPA's

**Independent Auditor's Report on Internal Control Structure
Based Solely on an Audit of the Financial Statements**

December 29, 1997

Honorable Willie Graves
Livingston Parish Sheriff

We have audited the accompanying component unit financial statements of the Livingston Parish Sheriff for the year ended June 30, 1997, and have issued our report thereon dated December 29, 1997. We conducted our audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

The management of the Sheriff is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with a reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of component unit financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors and irregularities may, nevertheless, occur and not be detected. Also, projection of any evaluation of the control structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

In planning and performing our audit, we obtained an understanding of the internal control structure of the Sheriff. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the component unit financial statements as not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Honorable Millie Graves
December 10, 1997

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements, including those relating to compliance with laws and regulations, does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned duties. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

Our comments on internal control structure are intended for the information and use of the Sheriff's management. By provisions of state law, this report is a public document, and it has been distributed to appropriate public officials.

**Independent Auditor's Report on Compliance with Laws and
Regulations Material to the Financial Statements**

December 29, 1997

Honorable Millie Graves
Livingston Parish Sheriff

We have audited the accompanying component unit financial statements of the Livingston Parish Sheriff for the year ended June 30, 1997, and have issued our report thereon dated December 29, 1997. We conducted our audit in accordance with generally accepted auditing standards and government auditing standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

Compliance with laws and regulations applicable to the Sheriff is the responsibility of the Sheriff's management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we performed tests of the Sheriff's compliance with certain provisions of laws and regulations. However, our objective was not to provide an opinion on overall compliance with such provisions. Accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards except as discussed in Note E.

Our comments on compliance with laws and regulations are intended for and use of the Sheriff's management. By provisions of state law, this report is a public document, and it has been distributed to appropriate public officials.

INDEPENDENT AUDITORS' REPORT

December 29, 1997

Honorable Willie Graves
Livingston Parish Sheriff

We have audited the component unit financial statements of the Livingston Parish Sheriff, as of and for the year ended June 30, 1997. These financial statements are the responsibility of the Livingston Parish Sheriff's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the component unit financial statements referred to above present fairly, in all material respects, the financial position of the Livingston Parish Sheriff at June 30, 1997, and the results of operations for the year then ended in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued a report dated December 29, 1997, on our consideration of the Sheriff's internal control structure and a report dated December 29, 1997, on its compliance with laws and regulations.

Respectfully submitted,

Dean and Dean, CPAs

LIVINGSTON PARISH SHERIFF
NOORS TO THE FINANCIAL STATEMENTS
As of and For the Year Ended June 30, 1987

A. THE REPORTING ENTITY

As provided by Article V, Section 27 of the Louisiana Constitution of 1974, the Sheriff serves a four year term as the chief executive officer of the law enforcement district and ex-officio tax collector of the parish. The Sheriff administers the parish jail system and exercises duties required by the parish court system, such as providing bailiffs, executing orders of the Court, and serving subpoenas.

As the chief law enforcement officer of the parish, the Sheriff has the responsibility for enforcing state and local laws and ordinances within the territorial boundaries of the parish. The Sheriff provides protection to the residents of the parish through on-site patrols and investigations and serves the residents of the parish through the establishment of neighborhood watch programs, anti-drug abuse programs, et cetera. Additionally, the Sheriff, when requested, provides assistance to other law enforcement agencies within the parish.

As the ex-officio tax collector of the parish, the Sheriff is responsible for collecting and distributing ad valorem property taxes, parish occupational licenses, state revenue sharing funds, sportsmen's licenses, and fines, costs, and bond forfeitures imposed by the district court.

In April of 1982, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards for state and local governmental entities. The GASB has issued a codification of governmental accounting and financial reporting standards [1987]. This codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for state and local government. The accompanying financial statements have been prepared in accordance with such principles.

As the governing authority for the parish, for reporting purposes, the Livingston Parish Police Jury is the financial reporting entity for Livingston Parish. The financial reporting entity consists of (a) the primary government, (b) organizations for which the primary government is financially accountable, and (c) other organizations for which nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.
