To the Board of Commissioners
Rocky Branch/Crossroads Fire District
Farmerville, LA 71241

Management is responsible for the accompanying cash basis financial statements as listed in the table of contents of the Rocky Branch/Crossroads Fire District as of and for the year ended December 31, 2021, which collectively comprise the District's basic financial statements in accordance with the cash basis of accounting and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected not to implement the financial reporting requirements of GASB Statement 34, *Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments*. The effects of this departure from professional standards have not been determined.

Management has elected to omit substantially all of the disclosures required by the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, budget vs. actual. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Supplementary Information

The accompanying schedule of Compensation of Chief Executive Officer is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Louisiana Revised Statutes. This information is the representation of management. This information was subject to our compilation engagement; however, we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such information.

We are not independent with respect to the Rocky Branch/Crossroads Fire District.
