Independent Accountant's Review Report

To the Board of Directors of
Central Louisiana Coalition to Prevent Homelessness, Inc.
Alexandria, Louisiana

We have reviewed the accompanying financial statements of Central Louisiana Coalition to Prevent Homelessness, Inc. (a nonprofit organization), which comprise the statement of financial position as of May 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA, and the standards applicable to review engagements contained in *Government Auditing Standards*, issued by the United States Comptroller General. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The accompanying schedule of compensation, benefits, and other payments to agency head or chief executive officer is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. We have reviewed the information, and based on our review, we are not aware of any material modifications that should be made to the information in order for it to be in accordance with accounting principles generally accepted in the United States of America. We have not audited the supplementary information and, accordingly, do not express an opinion on such information.

1. Nature of Activities and Significant Accounting Policies

Nature of Activities

The Central Louisiana Coalition to Prevent Homelessness, Inc. (the Coalition) is a nonprofit corporation located in Alexandria, Louisiana that was formed to end homelessness in the Central Louisiana area by providing sustainable housing to homeless individuals. The mission of the Coalition is to identify, advocate, and mobilize community resources to ensure all people in Central Louisiana have access to stable homes. Program activities conducted in pursuit of this mission are described as follows:

- *LITS Housing – Louisiana Integrated Treatment Services (LITS)* is a permanent supportive housing program that provides housing and supportive services for individuals who are considered chronically homeless with a co-occurring disability (diagnosis of a mental illness and a history of, or current, substance abuse disorder.) The goal is to assist chronically homeless individuals and families with maintaining permanent housing.
- *HMIS – The Homeless Management Information System (HMIS)* is a web-based database used to track and report homelessness services and shelter stays in an effort to reduce service duplications within the community and to understand local trends in homelessness.
- *Outreach – The Outreach* program conducts street outreach activities to locate and identify individuals who regularly sleep unsheltered or in places not meant for human habitation. The program provides case management and support to assist individuals with locating appropriate housing and/or shelter and accessing services. The *Outreach* program also provides a one-stop homelessness resource center organized for the purpose of assisting homeless persons and families with obtaining an income, providing a hygiene center for people experiencing homelessness, and meeting some basic needs of homeless individuals to assist them with securing income and housing.
- *CoC – The Continuum of Care (CoC)* is a federally-recognized designation for a collective impact collaboration within a community. The Coalition serves as the CoC collaborative applicant for the Central Louisiana region, a designation by the U.S. Department of Housing and Urban Development (HUD). In this role, the Coalition is responsible for submitting the community’s grant applications and homelessness reports to HUD on behalf of its members for CoC and Emergency Solutions Grant Program (ESGP) funds. Direct housing and service programs under CoC include the Planning and Homeless Prevention programs.
- *Coordinated Entry – Coordinated Entry* is an effort among CoC providers to assess each homeless individual and family using a uniform and standardized process. The Coalition uses this process to ensure that all people experiencing a housing crisis have fair and equal access and are quickly identified, assessed for, referred, and connected to housing and assistance based on their severity of needs, rather than first come/first served.
- *CARES – CARES* is a special allocation program funding amounts to prevent, prepare for, and respond to the coronavirus pandemic (COVID-19) among individuals and families who are homeless or receiving homeless assistance; and to support additional homeless assistance and homelessness prevention activities to mitigate the impacts of COVID-19.

New Pronouncements

In January 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-01, *Financial Instruments-Overall: Recognition and Measurement of Financial Assets and Financial Liabilities (Subtopic 825-10)*. The amendments in this update address certain aspects of recognition, measurement, presentation, and disclosure of financial instruments. The Coalition implemented this standard effective June 1, 2019, and this accounting change has been retrospectively applied to the prior periods presented, if any, as if this policy had always been used. The adoption of this guidance did not have a material impact on the Coalition's financial statements.

In June 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-08, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958)*. The amendments in the update assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. This standard was implemented effective June 1, 2019. The adoption of this guidance did not have a material impact on the Coalition's financial statements.

On May 28, 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2019-04, *Revenue from Contracts with Customers (Topic 606)*. The standard proscribes a single model for revenue recognition, with a set of principles to be used for determining when revenue should be recognized. It also requires expanded disclosures about the nature, amount, and timing of revenue and cash flows. The Coalition implemented this standard effective June 1, 2019, and this accounting change has been retrospectively applied to the prior periods presented, if any, as if this policy had always been used. The adoption of this guidance did not have a material impact on the Coalition's financial statements.

Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis in accordance with accounting principles generally accepted in the United States of America (GAAP). Under this method, revenues are recognized when earned, and expenses are recorded at the time liabilities are incurred.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets Without Donor Restrictions

Net assets without donor restrictions generally result from revenues generated by receiving contributions that have no donor-imposed restrictions, and from receiving interest from operating investments, less expenses incurred in providing program-related services, raising contributions, and performing administrative functions. Net assets without donor restrictions are available for use at the discretion of the Board of the Coalition and management for general operating purposes. The Board may designate a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion.

Central Louisiana Coalition to Prevent Homelessness, Inc.
May 31, 2020
Notes to Financial Statements

Net Assets with Donor Restrictions

Net assets with donor restrictions result from restrictions imposed by grant agreements and gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends or the purpose of the restriction is accomplished, the net assets are restricted. The Coalition reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets.

Some net assets with donor restrictions may include a stipulation that assets provided be maintained permanently (perpetual in nature) while permitting the Coalition to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a Board-approved spending policy. The Coalition does not have any net assets with donor restrictions that are perpetual in nature.

There were no net assets with donor restrictions at year-end.

Promises to Give

As required by GAAP, unconditional promises to give are reported as revenue when the promise is made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

Grants Receivable

The Coalition uses the allowance method to determine uncollectible grants receivable. In the opinion of management, grants receivable are considered entirely collectible; therefore, no allowance for uncollectibles at May 31, 2020, has been included in the statement of financial position. Furthermore, management considers the entire balance to be collectible within one year.

Investments

Central Louisiana Coalition to Prevent Homelessness, Inc. reports all investments in marketable securities with readily determinable values and all investments in debt securities at their fair value in the statement of financial position. Investments in cash management funds are stated at cost, which approximates fair value. Net realized and unrealized gains and losses on investments are reported in the statement of activities as increases or decreases in the respective net asset classes.

Property and Equipment

Property and equipment are stated at cost or, if donated, at the approximate fair market value, if material and reasonably determinable, at the time of donation. The Coalition capitalizes property and equipment if its value is \$500 or more and its useful life is more than one year. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Those lives range from 3 to 40 years. The cost of maintenance and repairs is charged to expense as incurred; however, significant maintenance and repairs that improve or extend the useful lives of the respective assets are capitalized at cost.

Central Louisiana Coalition to Prevent Homelessness, Inc.
May 31, 2020
Notes to Financial Statements

Accrued Vacation

Vacation is earned at varying rates by qualifying full-time and part-time employees depending on length of service. Employees are allowed to carry forward a maximum of 5 to 20 days of unused vacation from the previous year, depending on their employment status (i.e., full-time or part-time). The liability at year-end is shown as a current liability in the statement of financial position. Qualifying full-time and part-time employees may also accrue up to 30 days of sick leave, but they are not paid for unused sick leave upon termination of employment. Therefore, no liability for accrued sick leave is reflected in the accompanying financial statements.

Deferred Revenue

Payments for membership dues received on or before the financial statement date for subsequent membership periods are reported as deferred revenue in the statement of financial position. Payments received in advance for Homeless Management Information System (HMIS) access fees are also reported as deferred revenue in the statement of financial position. Such membership dues and HMIS access fees are recognized as revenue in the applicable membership or access period.

Revenue Recognition

The Coalition reports contributions and grants as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

The Coalition reports gifts of land, buildings, and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Coalition reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Funds with donor restrictions are used to differentiate the resources whose use is restricted by donors or grantors from the resources on which donors or grantors have placed no restriction or the resources that arise as a result of the operations of the Coalition for its stated purpose.

Donated Services

Volunteers are utilized extensively for both program and supporting services. Contributed services are recognized if the services require specialized skills and the Coalition would be required to purchase these services if donated services were not available. Contributed services received and recognized as revenue during the year ended May 31, 2020, in the amount of \$232 were related to labor for the Outreach program.

Central Louisiana Coalition to Prevent Homelessness, Inc.
May 31, 2020
Notes to Financial Statements

Donated Materials and Supplies

The Coalition receives various materials and supplies which are distributed to homeless individuals. Most of the items distributed by the Coalition have little or no fair market value; however, large quantities of food and hygiene products are collected, stored, and distributed. The distribution of food and hygiene products is an important component of the Coalition's program activities. Donated materials and supplies are recorded at cost or estimated fair value determined at the date of donation.

Functional Allocation of Expenses

Costs incurred by the Coalition from providing various program and supporting services have been presented on a functional basis in the statement of functional expenses. Accordingly, costs have been allocated on a reasonable and consistent basis among the functional areas benefited. Most expenses are charged directly to program or supporting services based on specific identification. Certain categories of expenses attributable to administrative support include salaries and benefits, payroll taxes, office expenses, and occupancy. These expenses are allocated based on estimates of time and effort. Expenses related to more than one function are charged to programs and supporting services using management's estimate of the activities benefitted.

Advertising Costs

Advertising costs are expensed when incurred.

Tax-Exempt Status and Tax Positions

The Coalition qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and comparable Louisiana law. The Coalition is not classified as a private foundation. Since the Coalition is exempt from federal and state income tax liability, no provision is made for current or deferred income tax expense. For the year ended May 31, 2020, management of the Coalition believes it has adequate support for all material tax positions, and that it is more likely than not, based on the technical merits, that the positions will be sustained upon examination.

All tax-exempt entities are subject to review and audit by federal, state, and other applicable agencies. Such agencies may review the taxability of unrelated business income or the qualification of the tax-exempt entity under the Internal Revenue Code and applicable state statutes. With few exceptions, the Coalition is no longer subject to U.S. federal tax examinations for the years ending before May 31, 2017.

State Tax Credit for Qualified Rehabilitation of Historic Structure

In February 2018, the Louisiana Division of Historic Preservation certified \$383,474 of rehabilitation expenditures incurred by the Coalition for the Homeless Resource Center (HRC) building. Under R.S. 47:6019, the Coalition is eligible to receive twenty-five percent (25%) of total eligible renovations through the Louisiana Department of Revenue (LDR), upon confirmation of the certified amount of the tax credit by the LDR.

Central Louisiana Coalition to Prevent Homelessness, Inc.
May 31, 2020
Notes to Financial Statements

Final certifications were submitted to the LDR in February 2018 for confirmation of the amount of tax credit earned. During the year ended May 31, 2019, the LDR granted the Coalition tax incentives related to the credit in the amount of \$92,537. The Coalition signed a sales agreement in May of 2019 to transfer the credit to CLECO for a price of \$74,000. Acknowledgment for the transfer was received from the LDR in July of 2019. The \$74,000 received reduces the costs capitalized in the building.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through November 13, 2020, the date which the financial statements were available for issue. Management's evaluation revealed no subsequent events that require disclosure.

4. Donated Materials and Supplies

Donated materials and supplies received and recognized as revenue for the year ended May 31, 2020, have been included in the statement of activities as contributions in the amount of \$22,912 and fundraising income in the amount of \$1,060. Since the materials and supplies inventory on hand at year-end was not material to the financial statements taken as a whole, no amount has been reflected in the accompanying statement of financial position for the value of materials and supplies inventory at May 31, 2020.

5. Investments – Central Louisiana Community Foundation

On December 31, 2001, the Coalition established a non-endowed agency fund at the Central Louisiana Community Foundation (the Foundation), by transferring \$1,000 into this fund. The fund is held by the Foundation for the purpose of administering funds for various charitable, cultural, educational, and scientific purposes and organizations primarily in the Central Louisiana community. These funds are not subjected to restrictions whether by donor or otherwise, nor are they required to be held permanently or for any designated purposes other than charitable purposes within the corporate powers of the Coalition. The principal and earnings may be expended in whole or in part as stated in the agreement.

The Coalition may request distribution of all or part of the principal it contributes to the fund as well as any income from the fund. The Board of the Foundation will grant such a request if it concludes that such a distribution is consistent with the charitable purposes of the fund. If the Foundation ceases to be a qualified charitable organization or if the Foundation proposes to dissolve, the assets of the fund shall be distributed to the Coalition. At that time, if the Coalition is not then a qualified charitable organization, the Foundation shall distribute the assets of the fund in a manner and to any organization serving the Central Louisiana community that satisfies the requirements of a qualified charitable organization and serves purposes similar to those of the Coalition. The investments are presented in the financial statements at fair value of \$3,863 at May 31, 2020, as reported by the Central Louisiana Community Foundation.

The Coalition discloses estimated fair value for all financial instruments and non-financial instruments measured at fair value on a recurring basis. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Coalition uses Level 2 as their valuation approach when applicable. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels as follows:

- Level 1 – Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Central Louisiana Coalition to Prevent Homelessness, Inc.
May 31, 2020
Notes to Financial Statements

The Coalition uses the appropriate valuation technique based on the available inputs to measure the fair value of its investments.

7. Note Payable

On February 21, 2018, the Coalition entered into an installment note in the amount of \$170,131 with First Federal Bank of Louisiana with the following terms: payments of \$991, including interest at three and one-half percent (3.5%), shall be made monthly through January 21, 2023; the loan is secured by the real estate shown in Note 6; the loan matures on February 21, 2023, and a single balloon payment of \$139,149 will be due on that date.

8. Liquidity and Availability of Financial Assets

The following reflects Central Louisiana Coalition to Prevent Homelessness, Inc.'s financial assets as of May 31, 2020, reduced by amounts not available for general use within one year from the date of the statement of financial position because of contractual or donor-imposed restrictions or internal designations.

Financial assets:	
Cash and cash equivalents	\$ 89,630
Grants receivable, net, collected in less than one year	87,322
Investments – Central Louisiana Community Foundation	<u>3,863</u>
Financial assets at year-end	180,815
Less: those unavailable for general expenditure within one year, due to:	
Restricted by donors with purpose restrictions	<u>-</u>
Total financial assets available to meet cash needs for general expenditures within one year	\$ 180,815

The Coalition must maintain sufficient resources to meet responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Coalition's liquidity management, it structures its financial assets to be available as general expenditures, liabilities, and other obligations come due. The Coalition also invests cash in excess of daily requirements in short term investments such as money market accounts. In addition, the Coalition operates with a balanced budget and anticipates covering its general expenditures by collecting sufficient revenues, and by utilizing donor-restricted resources from current year contributions and grant funds.

9. Conditional Promises to Give

The Coalition is the recipient of U.S. Department of Housing and Urban Development (HUD) and Louisiana Housing Corporation (LHC) funds, both of which are available on a cost reimbursement basis. Based on the terms of the grant agreements, the HUD and LHC awards are not considered revenue until expenses qualifying for reimbursement are incurred. Accordingly, the unexpended portions of HUD and ESG awards are considered to be conditional promises to give. At May 31, 2020, conditional promises to give from HUD and ESG awards were \$34,168 and \$220,925, respectively.

10. Contingent Liabilities

Under the terms of federal and state grants, periodic audits are required, and certain costs may be questioned as not being appropriate expenditures under the terms of the grants. Any disallowed claims, including amounts already collected, could become a liability of the Coalition. The Coalition's management believes disallowances, if any, will not be material.

11. Significant Concentrations

Credit Risk

The Coalition maintains its cash balances with financial institutions in the Central Louisiana area. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC). As provided under the FDIC, interest-bearing and non-interest-bearing deposit accounts and money market accounts are insured up to \$250,000. There were no uninsured cash balances at May 31, 2020.

The Coalition's investment in the Central Louisiana Community Foundation of \$3,863 is uninsured.

Funding Sources

The U.S. Department of Housing and Urban Development (HUD) provided \$311,239 in grants during the year ended May 31, 2020, which is approximately sixty-one percent (61%) of total revenue and support. Without these grants, programs would be significantly affected.

c) The Organization represented that they received no local government grant awards during the fiscal year ended May 31, 2020.

2. **Procedure:** For each federal, state, and local government grant award, randomly select six disbursements from each grant administered during the fiscal year, provided that no more than thirty disbursements are selected.

Results: No exceptions were noted as a result of performing this procedure.

PAYNE, MOORE & HERRINGTON, LLP

To the Board of Directors of
Central Louisiana Coalition to Prevent Homelessness, Inc.
and the Louisiana Legislative Auditor

- Procedure:** Obtain documentation for the disbursements selected in Procedure 2. Compare the selected disbursements to supporting documentation, and report whether the disbursements agree to the amount and payee in the supporting documentation.

Results: No exceptions were noted as a result of performing this procedure.

- Procedure:** Report whether the selected disbursements were coded to the correct fund and general ledger account.

Results: No exceptions were noted as a result of performing this procedure.

- Procedure:** Report whether the selected disbursements were approved in accordance with the Organization's policies and procedures.

Results: No exceptions were noted as a result of performing this procedure.

- Procedure:** For each selected disbursement made for federal grant awards, obtain the *Compliance Supplement* for the applicable federal program. For each disbursement made for a state or local grant award, or for a federal program not included in the *Compliance Supplement*, obtain the grant agreement. Compare the documentation for each disbursement to the program compliance requirements or the requirements of the grant agreement relating to activities allowed or unallowed, eligibility, and reporting; and report whether the disbursements comply with these requirements.

Activities allowed or unallowed

Results: No exceptions were noted for activities allowed or unallowed.

Eligibility

Results: No exceptions were noted for eligibility.

Reporting

Results: No exceptions were noted for reporting.

PAYNE, MOORE & HERRINGTON, LLP

To the Board of Directors of
Central Louisiana Coalition to Prevent Homelessness, Inc.
and the Louisiana Legislative Auditor

- Procedure:** Obtain the close-out reports, if required, for any program selected in Procedure 2 that was closed out during the fiscal year. Compare the close-out reports, if applicable, with the Organization's financial records; and report whether the amounts in the close-out reports agree with the Organization's financial records.

Results: No exceptions were noted as a result of performing this procedure.

Open Meetings

- Procedure:** Obtain evidence from management that agendas for meetings recorded in the minute book were posted as required by Louisiana Revised Statute 42:11 through 42:28 (the open meetings law), and report whether there are any exceptions.

Results: Not applicable.

Budget

- Procedure:** For each grant exceeding five thousand dollars, obtain the comprehensive grant budgets that the Organization provided to the applicable federal, state or local grantor agency. Report whether the budgets for federal, state, and local grants included the purpose and duration of the grants; and whether budgets for state grants also included specific goals, objectives, and measures of performance.

Results: No exceptions were noted as a result of performing this procedure.

State Audit Law

- Procedure:** Report whether the Organization provided for a timely report in accordance with R.S. 24:513.

Results: No exceptions were noted as a result of performing this procedure.

PAYNE, MOORE & HERRINGTON, LLP

To the Board of Directors of
Central Louisiana Coalition to Prevent Homelessness, Inc.
and the Louisiana Legislative Auditor

11. **Procedure:** Inquire of management and report whether the Organization entered into any contracts that utilized state funds as defined in R.S. 37:72.1 A. (2); and that were subject to the public bid law (R.S.38:2211, et seq.), while the Organization was not in compliance with R.S. 24:513 (the audit law).

Results: Not applicable. No state funds were received.

Prior Year Comments

12. **Procedure:** Obtain and report management's representation as to whether any prior year suggestions, recommendations, and/or comments have been resolved.

Results: Not applicable. There were no prior year suggestions, recommendations, or comments.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, and the standards applicable to attestation engagements contained in *Government Auditing Standards*, issued by the United States Comptroller General. We were not engaged to and did not conduct an audit, the objective of which would be the expression of an opinion on the Organization's compliance with the foregoing matters. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is solely to describe the scope of testing performed on the Central Louisiana Coalition to Prevent Homelessness, Inc.'s compliance with certain laws and regulations contained in the accompanying Louisiana Attestation Questionnaire, as required by Louisiana Revised Statute 24:513 and the *Louisiana Governmental Audit Guide*, and the results of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document.
