Independent Auditors' Report

To the Board of Directors Union Community Action Association, Inc. Farmerville, Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Union Community Action Association, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Union Community Action Association, Inc. (a nonprofit organization) as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Union Community Action Association, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Union Community Action Association, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion of the
 effectiveness of Union Community Action Association, Inc.'s internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the financial
 statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about Union Community Action Association, Inc.'s ability to continue as a going
 concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, on pages 17 - 18, as required by Title 2 U.S. *Code of Federal Regulations* part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,* is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying other supplementary information listed in the table of contents as Schedule of Compensation, Benefits, and Other Payments to Agency Head and shown on page 16 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the schedule of expenditures of federal awards and the other supplementary information are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 21, 2023, on our consideration of Union Community Action Association, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Union Community Action Association, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Union Community Action Association, Inc.'s internal control over financial reporting and compliance.

(1) Summary of Significant Accounting Policies

A. Nature of Activities

Union Community Action Association, Inc. (Union) is a private non-profit corporation incorporated under the laws of the State of Louisiana. Union is governed by a Board of Directors composed of 15 members. These board members receive no compensation for their services.

Union operates as a community action agency administering various federal and state funded programs designed to provide assistance to the poor and disadvantaged in Union parish in Louisiana. The following significant programs, shown with their approximate percentage of total revenues, are administered by Union:

Community Services Block Grant (7%) – Administers programs designed to provide services and activities that will have a measurable impact on causes of poverty in the community. Funding is provided by federal funds passed through the Louisiana Workforce Commission.

Low-Income Home Energy Assistance (90%) — Assists low income households to offset the burden of high energy costs. Funding is provided by federal funds passed through the Louisiana Housing Corporation.

FEMA (3%) – Provides funding to purchase food and shelter for people in emergency situations. Funding is provided by federal funds from the U.S. Department of Homeland Security.

B. Basis of Accounting

The financial statements of Union have been prepared on the accrual basis of accounting.

C. Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards. Under those standards, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the organization. These net assets may be used at the discretion of Union's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Union or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. Union has adopted a policy to classify donor restricted contributions as without donor restrictions to the extent that donor restrictions were met in the year the contribution was received.

(Continued)

D. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

E. Income Tax Status

Union is a non-profit corporation and is exempt from state and federal income taxes under Section 501 (c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to Union's tax–exempt purpose is subject to taxation as unrelated business income. Union had no such income for this audit period. The Organization's Form 990, Return of Organization Exempt from Income Tax, for the years ended June 30, 2023, 2022, 2021, and 2020 are subject to examination by the IRS, generally three years after they were filed.

F. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, Union considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents, when there is no significant penalty for early withdrawal.

G. Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight–line method over the estimated useful life of each asset. The Federal Government has a reversionary interest in property purchased with federal funds. Its disposition as well as the ownership of any proceeds there from is subject to federal regulations. Union has adopted a policy to capitalize all items with a unit cost of \$1,000 or greater.

H. Contributions

Contributions received are recorded as increase in net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature or any donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. In the absence of donor restrictions to the contrary, restrictions on contributions of property or equipment or on assets restricted to acquiring property or equipment expire when the property or equipment is placed in service.

I. Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities and the statement of functional expense. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Costs are directly charged to the function they benefit. Facility related expenses are allocated to each function based upon square footage utilized by the function.

(2) Concentrations of Credit Risk

Financial instruments that potentially subject Union to concentrations of credit risk consist principally of temporary cash investments and grant receivables.

Concentrations of credit risk with respect to grant receivables are limited due to these amounts being due from governmental agencies under contractual terms. As of June 30, 2023 and 2022, Union had no significant concentrations of credit risk in relation to grant receivables.

Union maintains cash balances at several financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain amounts. At June 30, 2023 and 2022, total cash balances held at financial institutions were \$228,840 and \$215,226, respectively, all of which was secured by FDIC.

(3) Grant Receivables

Various funding sources provide reimbursement of allowable costs under contracts or agreements. These balances represent amounts due from funding sources at June 30, 2023 and 2022, but received after those dates.

(4) Property and Equipment

Property and equipment consisted of the following at June 30, 2023:

	Estimated Depreciable Life	Wit	urchased h Federal Funds	۱ Non	chased Vith Federal -unds		Total

(Continued)

(5) Refundable Advances

Union records federal funds received in excess of expenditures as a refundable advance until they are expended for the purpose of the contract or until the funds are returned to the appropriate funding source.

(6) Contractual Revenue - Grants

During the years ended June 30, 2023 and 2022, Union received contractual revenue from federal and state grants in the amount of \$1,275,850 and \$1,302,252, respectively. The continued existence of these funds is based on annual contract renewals with various funding sources.

(7) Accrued Liabilities

Accrued liabilities at June 30, 2023 and 2022 consisted of the following:

	- 10	2023	11-1 -	2022		
Accrued annual leave	\$	11,112	\$	11,112

(8) Net Assets

Net assets at June 30, 2023 and 2022, consisted of the following: Net Assets Without Donor Restrictions: Undesignated	<u>2023</u> \$ 242,183	<u>2022</u> \$ 247,670
Total net assets without donor restrictions	242,183	247,670

Total net assets with donor restrictions	7,926	<u> </u>
Total Net Assets	<u>\$ 250,109</u>	<u>\$_260,992</u>

(9) Contingencies

Employees of Union are entitled to paid sick days, earned at the rate of twelve hours per month of full time employment. It is reasonably possible but not certain that sick leave will be paid in the future; accordingly, no liability has been recorded in the accompanying financial statements. Union's policy is to recognize the costs of sick leave benefits when actually paid to employees. Upon an employee's resignation, lay-off, or death, no pay will be granted for any earned sick leave. Union estimates the liability for sick leave earned by employees but not yet taken as of June 30, 2023, to be approximately \$27,981.

Grants and contracts awarded to Union are subject to funding agencies' criteria, contract terms, and regulations under which expenditures may be charged and are subject to audit under those terms, regulations, and criteria. Occasionally, such audits may determine that certain costs incurred under the grants and contracts do not comply with the established criteria that govern them. In such cases, Union could be held responsible for repayments to the funding agency for the costs. Management does not anticipate any material questioned costs at this time for grants and contracts administered through the year June 30, 2023.

(10) Liquidity and Availability of Financial Assets

Union monitors its liquidity so that it is able to meet its operating needs and other contractual commitments while maximizing the investment of its excess operating cash. Union has the following financial assets that could readily be made available within one year of the balance sheet to fund expenses without limitations:

Financial assets at year-end:		2023		2022
Cash and cash equivalents	\$	227,930	\$	214,021
Grant receivables		36,336		55,857

Total financial assets		265,016		270,628

Financial assets available to meet cash needs for general expenditures within one year	<u>\$</u>	257.090	<u>\$</u>	257,306

In addition to financial assets available to meet general expenditures over the year, Union anticipates covering its general expenditures using the income generated from contractual agreements with governmental agencies. The Statement of Cash Flows identifies the sources and uses of Union's cash and shows cash provided by (used in) operations of \$13,909 and \$(27,008) for fiscal years ending June 30, 2023 and June 30, 2022, respectively.

(11) Subsequent events

Subsequent events have been evaluated through December 21, 2023, the date the financial statements were available to be issued.

(12) Right-of-Use Operating Leases

Union leases certain equipment under long-term, non-cancellable operating leases. The leases expire at various dates through 2027. The risk-free discount rate with a period comparable with that of the individual lease term used was between .79% and 1.92%.

The right-of-use operating assets and operating lease liabilities at June 30, 2023 and 2022, are as follows:

2023	2022	
<u>\$ 6,642</u>	<u>\$ 8,617</u>

(13) Adoption of New Accounting Pronouncement

Effective January 1, 2021, Union adopted FASB ASC 842, *Leases*. Union determines if an arrangement contains a lease at inception based on whether the Organization has the right to control the asset during the contract period and other facts and circumstances. The Organization elected the package of practical expedients permitted under the transition guidance within the new standard, which among other things, allowed it to carry forward the historical lease classification.

The adoption of FASB ASC 842 resulted in the recognition of operating right-of-use-assets and operating lease liabilities. Results for periods beginning prior to July 1, 2021 continue to be reported in accordance with our historical accounting treatment. The adoption of FASB ASC 842 did not have a material impact on the Organization's statement of activities, cash flows or debt covenants.

Report on Internal Control Over Financial Reporting and on Compliance And Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Independent Auditors' Report

To the Board of Directors Union Community Action Association, Inc. Farmerville, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of Union Community Action Association, Inc., (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 21, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Union Community Action Association Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Union Community Action Association, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Union Community Action Association, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Union Community Action Association, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

STUART L. REEKS, CPA J. PRESTON DELAUNE, CPA

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Union Community Action Association, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

To the Board of Directors Union Community Action Association, Inc.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Union Community Action Association, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Union Community Action Association, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about Union Community Action Association, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- · exercise professional judgement and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on
 a test basis, evidence regarding Union Community Action Association, Inc.'s compliance with the
 compliance requirements referred to above and performing such other procedures as we
 considered necessary in the circumstances.
- obtain an understanding of Union Community Action Association, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Union Community Action Agency, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. - B. For each location selected under procedure #5A above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, then inquire of employees about their job duties), and observe that job duties are properly segregated such that
 - i. At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order or making the purchase;

Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction, and
 - i. Observe whether the disbursement, whether by paper or electronic means, matched the related original itemized invoice and supporting documentation indicates that deliverables included on the invoice were received by the entity, and
 - ii. Observe whether the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under procedure #5B above, as applicable.
- D. Using the entity's main operating account and the month selected in Bank Reconciliations procedure #3A, randomly select 5 non-payroll-related electronic disbursements (or all electronic disbursements if less than 5) and observe that each electronic disbursement was (a) approved by only those persons authorized to disburse funds (e.g., sign checks) per the entity's policy, and (b) approved by the required number of authorized signers per the entity's policy. Obtain from management a listing of all active credit cards, bank debit cards, fuel cards, and purchase cards (cards) for the fiscal period, including the card numbers and the names of the persons who maintained possession of the cards. Obtain management's representation that the listing is complete.
- B. Using the listing prepared by management, randomly select 5 cards (or all cards if less than 5) that were used during the fiscal period. Randomly select one monthly statement or combined statement for each card (for a debit card, randomly select one monthly bank statement). Obtain supporting documentation, and
 - i. Observe whether there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) were reviewed and approved, in writing (or electronically approved) by someone other than the authorized card holder (those instances requiring such approval that may constrain the legal authority of certain public officials, such as the mayor of a Lawrason Act municipality, should not be reported); and
 - ii. Observe that finance charges and late fees were not assessed on the selected statements.
- C. Using the monthly statements or combined statements selected under procedure #7B above, <u>excluding fuel cards</u>, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (e.g., each card should have 10 transactions subject to inspection). For each transaction, observe that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction

and observe whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

Procedures performed. No exceptions noted.

7) Travel and Travel-Related Expense Reimbursements (excluding card transactions)

- A. Obtain from management a listing of all travel and travel-related expense reimbursements during the fiscal period and management's representation that the listing or general ledger is complete. Randomly select 5 reimbursements and obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation. For each of the 5 reimbursements selected
 - If reimbursed using a per diem, observe that the approved reimbursement rate is no more than those rates established either by the State of Louisiana or the U.S. General Services Administration (www.gsa.gov);
 - ii. If reimbursed using actual costs, observe that the reimbursement is supported by an original itemized receipt that identifies precisely what was purchased;
 - Observe that each reimbursement is supported by documentation of the business/public purpose (for meal charges, observe that the documentation includes the names of those individuals participating) and other documentation required by Written Policies and Procedures procedure #1A(vii); and
 - Observe that each reimbursement was reviewed and approved, in writing, by someone other than the person receiving reimbursement.

Procedures performed. No exceptions noted.

8) Contracts

- A. Obtain from management a listing of all agreements/contracts for professional services, materials and supplies, leases, and construction activities that were initiated or renewed during the fiscal period. Alternatively, the practitioner may use an equivalent selection source, such as an active vendor list. Obtain management's representation that the listing is complete. Randomly select 5 contracts (or all contracts if less than 5) from the listing, <u>excluding the practitioner's contract</u>, and
 - i. Observe whether the contract was bid in accordance with the Louisiana Public Bid Law (e.g., solicited quotes or bids, advertised), if required by law;
 - ii. Observe whether the contract was approved by the governing body/board, if required by policy or law (e.g., Lawrason Act, Home Rule Charter);
