INDEPENDENT AUDITORS' REPORT

April 16, 2022

To the Board of Directors Louisiana Rural Water Association, Inc. Kinder, LA

Report on the Financial Statements

We have audited the accompanying statement of financial position of Louisiana Rural Water Association, Inc. (a nonprofit organization), as of June 30, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

To the Board of Directors

145 East Street • Lake Charles, LA 70601 Mailing Address: P.O. Drawer 1847 • Lake Charles, LA 70602-1847 phone: 337.439 1986 • fax: 337.439.1366 • www.gcgcpa.com Louisiana Rural Water Association, Inc. April 16, 2022 Page Two

The prior year summarized comparative information has been derived from Louisiana Rural Water Association, Inc.'s 2020 financial statements and, in our report dated March 19, 2021; we expressed an unmodified opinion on those financial statements.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Louisiana Rural Water Association, Inc. as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information and other information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 16, 2022 on our consideration of Louisiana Rural Water Association, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Governmental Auditing Standards in considering Louisiana Rural Water Association, Inc.'s internal control over financial reporting and compliance.

Gragoon, Casiday: Shillory

Notes to Financial Statements

June 30, 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Association was formed in 1978 to provide training and technical assistance to rural water and wastewater systems throughout Louisiana.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities.* Louisiana Rural Water Association, Inc. is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions.

Revenues

Revenues are derived primarily from federal and state grants and from membership fees. Grants are summarized as follows:

E.P.A. - To provide training and technical assistance to rural and small public water supply systems. Revenue of \$89,351 was recognized in the current year. Current grant agreement runs through July 31, 2021.

Circuit Rider - National Rural Water Association, Inc. - To provide technical assistance to systems servicing rural areas or cities/towns with a population under 10,000. Revenue of \$479,300 was recognized in the current year. Current grant agreement runs through November 30, 2021.

Wastewater - National Rural Water Association, Inc. - To provide technical assistance to "Rural Development Administration" funded and potentially funded wastewater systems. Revenue of \$126,835 was recognized in the current year. Current grant agreement runs through June 30, 2021.

Energy - "Rural Water Energy Conservation Program". Revenue of \$511,548 was recognized in the current year. Current grant agreement ran through June 30, 2021.

Drinking Water - USDA - To provide training and technical assistance to implement federal drinking water grant. Revenue of \$118,000 was recognized in the current year. Current grant agreement runs through June 30, 2021.

Notes to Financial Statements

June 30, 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Very small water system - To provide training for very small water system's operators. Revenue of \$15,000 was recognized in the current year. Current grant agreement runs through June 30, 2021.

DEQ homeowner sewage maintenance – To educate homeowners on the importance of inspecting and maintaining their own individual sewage treatment system. Revenue of \$95,578 was recognized in the current year. Current grant agreement runs through August 31, 2021.

Capacity Development - To provide on-site technical assistance and training for public water systems. Revenue of \$100,000 was recognized in the current year. Current grant agreement runs through June 30, 2021.

Community Development Block Grant – To conduct and proved rate analysis assistance to public water systems that have been identified by the Louisiana Office of Community Development as a recipient of funding for the program. Revenue of \$44,853 was recognized in the current year. Current gran agreement runs through April 30, 2022.

Energy Efficiency – To provide training and technical assistance on renewable energy systems and energy efficiency improvements. Revenues of \$108,150 was recognized in the current year. Current grant agreement runs through June 30, 2021.

Apprenticeship/Preapprenticeship – To provide training to water utility apprentices in rural water systems. From classroom instruction and onthe-job training, apprentices are provided the tools necessary to be a successful operation specialist in the community. Revenues of \$120,653 was recognized in the current year. Current grant agreement runs through September 30, 2021.

Acquisitions, Mergers and Partnerships – To provide assistance to rural water systems for acquisitions, mergers and partnerships. Revenues of \$26,003 was recognized in the current year. Current grant agreement runs through June 30, 2021.

Notes to Financial Statements

June 30, 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

<u>Estimates</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

Accounts receivable at June 30, 2021 of \$352,682 represents receivables from the federal and state grants, all deemed collectable.

Advertising Costs

The Association expenses advertising costs as incurred. Expenses incurred were \$8,048 for 2021.

Deferred Income

Grant funds received from the grantor for particular operating purposes are deemed to be earned and reported as revenues when the Association has incurred expenditures in compliance with the specific restrictions. Such amounts received but not yet earned are reported as deferred amounts. There are no such deferred amounts at June 30, 2021.

Deferred income of \$298,749 at June 30, 2021 represents July 2021 conference income received prior to June 30, 2021.

<u>Cash</u>

Cash includes amounts in demand deposits. The Association's policy is to secure required collateral to safeguard all of the financial instruments. At June 30, 2021, the Association had \$425,891 in deposits (collected bank balances). These deposits were secured from risk by \$250,000 of federal depository insurance, and \$175,891 of pledged securities held by the custodial bank and government securities.

Prepaid Expenses

Prepaid expenses of \$28,042 at June 30, 2021 represent mostly conference expenses paid at year end.

Vacation and Sick Leave Policies

The Association's vacation policy permits 10 days after one year of service, 15 days after five years of service and 20 days after 20 years of service. Accrued vacation must be taken within one year. Employees are paid for unused vacation days upon termination of employment. Accrued vacation payable is recorded at \$62,432 at June 30, 2021.

Notes to Financial Statements

June 30, 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

The Association's sick leave policy permits the accumulation of one day per month up to a maximum of 120 days. Employees are not paid for unused sick days upon termination of employment. Accrued sick leave is recorded at \$313,544 at June 30, 2021.

The Association has received permission from its federal grantor agency to accrue funded vacation and sick leave benefits. The federal programs fund the accruals to accumulate funds to pay for terminations and long-term illnesses of employees paid from those programs. The accrual cannot be more than the legal liability for those programs.

Statement of Cash Flows

For purposes of the Statement of Cash Flows, the Association considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Classification of Net Assets

Net assets of the Association are classified based on the presence or absence of donorimposed restrictions. Net assets are comprised of two groups as follows:

<u>Net Assets Without Donor Restrictions</u> – Amounts that are not subject to usage restrictions based on donor-imposed requirements. This class also includes assets previously restricted where restrictions have expired or been met.

<u>Net Assets with Donor Restrictions</u> – Assets subject to usage limitations based on donor-imposed or grantor restrictions. These restrictions may be temporary or may be based on a particular use. Restrictions may be met by the passage of time or by actions of the Association. Certain restrictions may need to be maintained in perpetuity.

Earnings related to restricted net assets will be included in net assets without donorrestrictions unless otherwise specifically required to be included in donor-restricted net assets by the donor or by applicable state law.

Notes to Financial Statements

June 30, 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

The Association does not interpret the guidance in the standard to include amounts restricted by awarding agencies as donor-restricted. The Association believes that these amounts do not meet the spirit of the standard for such a classification or is there any industry standard indicating that others will treat these assets as donor-restricted.

All net assets of the Association at June 30, 2021 were considered to be net assets without donor restrictions.

Subsequent Events

Management has evaluated subsequent events through April 16, 2022, the date the financial statements were available to be issued.

NOTE B - INVESTMENTS

Investments are composed of governmental mutual funds investing in debt and equity securities and the Louisiana Asset Management Pool (LAMP) and are carried at net asset value. The net asset value is calculated as the total value of the investment's assets minus the total value of its liabilities and is obtained from monthly investment statements. Investments as of June 30, 2021 are summarized as follows:

						Credit Rating			
Type of Debt Investment	F	air Value	Le	ss than 1 Year		1 to 5 Years	• ••	o 10 ars	(Standards and Poor's)
Investments at fair value	<u> </u>			1001		rouro			
Certificates of deposit	\$	158,188	\$	-	\$	158,188	\$	-	N/A
Subtotal		158,188		-	_	158,188		-	
Investments measured at the net asset value (NAV) Federated U.S. Government									
Securities CI A Mutual Fund		155,359		155,359		-		-	Unrated
Louisiana Asset Management Pool Total investments measured		116,834		116,834					AAAm
at NAV		272,193		272,193				-	
Total Investments	\$	430,381	\$	272,193	\$	158,188		-	

The Association categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the

Notes to Financial Statements

June 30, 2021

NOTE B – INVESTMENTS (CONTINUED)

valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. The Association has the following recurring fair value measurements as of June 30, 2021:

Level 2 inputs – certificate of deposits totaling \$158,188 are valued using a market based approach comprised of a combination of directly observable quoted prices and a matrix pricing technique that relies on the securities' relationship to other benchmark quoted securities.

<u>Interest Rate Risk</u>: The Association's policy on investments states that safety of principal is the foremost objective, followed by liquidity and yield. Each investment transaction shall seek to first insure that capital losses are avoided no matter the sources.

<u>Credit Rate Risk</u>: The Association has investments in LAMP, an external investment pool of \$116,834 that is rated AAAm by Standard & Poor's, Federated U.S. Government Securities Mutual Funds of \$155,359 which are unrated and certificates of deposit of \$158,188 which are unrated. Its policy states that investment decisions should not incur unreasonable risks in order to obtain current investment income and requires the overall quality rating on rated investments to be no lower than AA- as measured by Standard & Poor's or the equivalent rating (Aa3) by Moody's Investor Service.

<u>Concentration of Credit Risk</u>: The Association's investment portfolio had concentration of credit risk on June 30, 2021 due to the holdings of Federated U.S. Government Securities mutual fund at 36%, LAMP at 28% and Certificate of Deposits at 37% all permitted by Statute and by the Association's Investment Policy.

<u>Custodial Credit Risk-Investments</u>: For an investment, this is the risk that, in the event of the failure of the counter party, the Association will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Association's policy addresses custodial credit risk for investments by requiring that they must be held by national banks, state-chartered banks or a national or state trust company in the name of the Association.

The \$116,834 in money market investments is invested in LAMP. LAMP is administered by LAMP, Inc., a non-profit corporation organized under the laws of the State of Louisiana. Only local government entities having contracted to participate in LAMP have an investment interest in its pool of assets. The primary objective of LAMP is to provide a safe environment for the placement of public funds in short term, high quality investments. The LAMP portfolio includes only securities and other obligations in which local governments in

Notes to Financial Statements

June 30, 2021

NOTE B – INVESTMENTS (CONTINUED)

Louisiana are authorized to invest in accordance with LA-R.S. 33.2955. LAMP is a governmental investment pool that reports at fair value. The following facts are relevant for investment pools:

Credit risk: LAMP is rated AAAm by Standard & Poor's.

<u>Custodial credit risk</u>: LAMP participants' investments in the pool are evidenced by shares of the pool. Investments in pools should be disclosed, but not categorized because they are not evidenced by securities that exist in physical or book-entry form. The public entity's investment is with the pool, not the securities that make up the pool; therefore, no disclosure is required.

<u>Concentration of credit risk</u>: Pooled investments are excluded from the 5 percent disclosure requirement.

<u>Interest rate risk</u>: LAMP is designed to be highly liquid to give its participants immediate access to their account balances. LAMP prepares its own interest rate disclosure using the weighted average maturity (WAM) method. The WAM of LAMP assets is restricted to not more than 90 days and consists of no securities with a maturity in excess of 397 days or 762 days for U.S. Government floating/variable rate investments.

The following summarizes the investment return:

Interest earned	\$ 6,411
Unrealized gain (loss)	(4,430)
Net investment return	<u>\$ 1,981</u>

NOTE C - FIXED ASSETS

A summary of fixed assets follows:

Building and land Equipment	\$ 1	709,632 <u>933,664</u> 1,643,296
Less accumulated depreciation	\$,089,734 553,562

Notes to Financial Statements

June 30, 2021

NOTE C - FIXED ASSETS - CONTINUED

Fixed Assets are stated at cost, net of accumulated depreciation. Acquisitions of property and equipment in excess of \$1,000 are capitalized . Depreciation is provided over the estimated useful lives, ranging from 5 to 31 years, of the respective assets calculated on the straight line method. Depreciation expense for the year ended June 30, 2021 was \$54,309.

NOTE D - FUNCTIONAL ALLOCATION OF EXPENSES

The cost of providing the various programs and other activities has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE E - CONTINGENCIES

The Association receives a substantial amount of its support from federal and state government grants. A significant reduction in the level of this support, if this were to occur, may have an effect on the programs and activities.

NOTE F - INCOME TAXES

The Association is exempt from federal income taxes under the provision of Section 501(c)(6) of the Internal Revenue Code.

NOTE G – RETIREMENT PLAN

The Association has a defined contribution salary deferral plan covering substantially all employees. Under the plan, the Association contributes seven percent of each eligible employee's salary. Employees may contribute up to fifteen percent, but must contribute at least three percent, of each eligible employee's salary. Plan expenses incurred by the Association for the year ended June 30, 2021 was \$68,029.

NOTE H – COMPARATIVE INFORMATION

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Association's financial statements for the year ended June 30, 2020, from which the summarized information was derived.

Notes to Financial Statements

June 30, 2021

NOTE I – LIQUIDITY

At June 30, 2021, the Association has \$1,116,375 cash, investments and receivables available to meet needs for general expenditures consisting of cash of \$333,312, accounts receivable of \$352,682 and investments of \$430,381. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the statement of financial position date.

The Association manages its liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures in meeting its liabilities and other obligations as they become due. Cash needs of the Association are expected to be met on a monthly basis from grant income. In general, the Association maintains sufficient financial assets on hand to meet thirty days' worth of normal operating expenses.

NOTE A - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Louisiana Rural Water Association under programs of the federal government for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Louisiana Rural Water Association it is not intended to and does not present the financial position, changes in net position, or cash flows of the Louisiana Rural Water Association.

NOTE B -- SUMMARY OF SIGNIFIACNT ACCOUNTING POLICIES

(1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

April 16, 2022

To the Board of Directors Louisiana Rural Water Association, Inc. Kinder, LA

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Louisiana Rural Water Association, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and cash flows for the year ended, and the related notes to the financial statements, and have issued our report thereon dated April 16, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Louisiana Rural Water Association, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Louisiana Rural Water Association, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Louisiana Rural Water Association, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

This report is intended solely to describe the scope of our testing of internal control and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

April 16, 2022

To the Board of Directors Louisiana Rural Water Association, Inc. Kinder, LA

Report on Compliance for Each Major Federal Program

We have audited Louisiana Rural Water Association, Inc's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Louisiana Rural Water Association, Inc's major federal programs for the year ended June 30, 2021. Louisiana Rural Water Association, Inc's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statues, regulations, and the terms and conditions of its federal awards.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Louisiana Rural Water Association, Inc's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United State of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and The Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Louisiana Rural Water Association, Inc's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Louisiana Rural Water Association, Inc's compliance.

145 East Street • Lake Charles, LA 70601 Mailing Address: P.O. Drawer 1847 • Lake Charles, LA 70602-1847 phone: 337.439 1986 • fax: 337.439.1366 • www.gcgcpa.com To the Board of Directors Louisiana Rural Water Association, Inc. April 16, 2022 Page Two

Opinion on Each Major Federal Program

In our opinion, Louisiana Rural Water Association, Inc, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of Louisiana Rural Water Association, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Louisiana Rural Water Association, Inc's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Louisiana Rural Water Association, Inc's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiencies, in internal control over compliance is a deficiencies, in internal control over compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
