INDEPENDENT AUDITOR'S REPORT

Housing Authority of the Town of Logansport
Logansport, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities of the Housing Authority of the Town of Logansport, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Housing Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Housing Authority of the Town of Logansport, as of June 30, 2020, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the Town of Logansport's basic financial statements. The accompanying Financial Data Schedule, required by HUD, and supplementary schedules and statements are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Financial Data Schedule and supplementary schedules and statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Financial Data Schedule and supplementary schedules and statements are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 15, 2021, on our consideration of the Housing Authority of the Town of Logansport's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of

our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority of the Town of Logansport's internal control over financial reporting and compliance.

Management's Discussion and Analysis
June 30, 2020**

As management of the Housing Authority of the Town of Logansport, we offer readers of the Authority's basic financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended June 30, 2020. We encourage readers to consider the information presented here in conjunction with the Authority's basic financial statements, which are attached.

Financial Highlights

- The assets of the Authority exceeded its liabilities at the close of the most recent fiscal year by \$285,161 (net position).
- As of the close of the current fiscal year, the Authority's ending unrestricted net position was \$63,627.
- The Authority's cash balance at June 30, 2020, was \$58,166. This amount includes restricted cash for tenant security deposits in the amount of \$3,025.
- The Authority had total revenues of \$130,754, while expenses totaled \$146,415.

Overview of the Basic Financial Statements

The discussion and analysis is intended to serve as an introduction to the Authority's basic financial statements. The Authority's basic financial statements consist of the Statement of Net Position, Statement of Revenue, Expenses and Changes in Net Position, Statement of Cash Flows, and the notes to the basic financial statements. This report also contains the schedule of expenditures of federal award as supplementary information in addition to the basic financial statements themselves.

The Authority has only one fund type, namely a proprietary fund. The Statement of Net Position includes all of the Authority's assets and liabilities. This fund type is unused for activities which are financed and operated in a manner similar to those in the private sector.

The Authority has two main funding sources in its financial operation. These are the Low Rent Public Housing and the Capital Fund programs. Funding is provided based on dwelling rents paid by the tenants and operating fund payments received by the Department of Housing & Urban Development based on a formula. The purpose of this program is to provide funding for low rent housing programs to allow them to make purchases and capital improvements for the current dwelling structures and assist in their operations.

JUNE 30, 2020**

INTRODUCTION

The Housing Authority of the Town of Logansport is a 26 unit apartment complex for persons of low income located in Logansport, Louisiana. The Authority is chartered as a public corporation for the purpose of administering decent, safe, and sanitary dwelling for persons of low-income.

Legal title to the Authority is held by the Housing Authority of the Town of Logansport, Louisiana, a non-profit corporation. The Authority is engaged in the acquisition, modernization, and administration of low-rent housing. The Authority is administered by a governing Board of Commissioners (the Board), whose members are appointed by the Mayor of Logansport, Louisiana. Each member serves a four-year term and receives no compensation for their services. Substantially all of the Authority's revenue is derived from subsidy contracts with the U. S. Department of Housing and Urban Development (HUD). The annual contributions contracts entered into by the Authority and HUD provide operating subsidies for Authority-owned public housing facilities for eligible individuals.

Under the United States Housing Act of 1937, as amended, the U.S. Department of Housing and Urban Development (HUD) has direct responsibility for administering low-income housing programs in the United States. Accordingly, HUD has entered into a contract with the entity to make annual contributions (subsidies) for the purpose of funding its programs for low-income families.

GASB Statement No. 14 established criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Because the Housing Authority is legally separated and fiscally independent, the Housing Authority is a separate governmental reporting entity. The Housing Authority includes all funds, account groups, activities, etc., that are within the oversight responsibility of the Housing Authority.

The Housing Authority is a related organization of the Town of Logansport because the Town of Logansport appoints a voting majority of the Housing Authority's governing board. The Town of Logansport is not financially responsible for the Housing Authority, as it cannot impose its will on the Housing Authority and there is no possibility for the Housing Authority to provide financial benefit to, or impose financial burdens on, the Town of Logansport. Accordingly, the Housing Authority is not a component unit of the financial reporting entity of the Town of Logansport.

BASIS OF PRESENTATION

As required by Louisiana State Reporting Law (LSA-R.S. 24:514) and HUD regulations, financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

The accounts of the PHA are accounted for under the proprietary fund. Accordingly, the accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America applied to governmental units.

**Housing Authority of the Town of Logansport
Logansport, Louisiana**

**NOTES TO THE BASIC FINANCIAL STATEMENTS - (CONTINUED)
JUNE 30, 2020**

Proprietary Fund Type – Proprietary fund is accounted for on the flow of economic resources measurements focus and uses the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. The PHA applies all applicable FASB pronouncements in accounting and reporting for its proprietary operations. The PHA’s funds include the following type:

- **Enterprise Fund** – Enterprise fund is used to account for those operations that are financed and operated in a manner similar to private business or where the board has decided that the determination of revenues earned, costs incurred and/or net income is necessary for management accountability.

1. SUMMARY OF ORGANIZATION & SIGNIFICANT ACCOUNTING POLICIES

A. BASIC FINANCIAL STATEMENTS

The basic financial statements (i.e., the Statement of Net Position and the Statement of Changes in Net Position) report information on all of the activities of the primary government and its component units. For the most part, the effect of the Interfund activity has been removed from these statements. The Housing Authority uses enterprise funds to account for its activities.

B. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, & FINANCIAL STATEMENT PRESENTATION

The basic financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

As a general rule, the effect of Interfund activity has been eliminated from the basic financial statements. Exceptions to this general rule are payments-in-lieu of taxes and other charges between the government’s enterprise operations. Elimination of these charges would distort the direct cost and program revenues reported for the various functions concerned.

Operating revenues and expenses have been reported separately from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund’s principal ongoing operations. The primary operating revenue of the housing authority is derived from tenant revenue. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the housing authority’s policy to use restricted resources first, then unrestricted resources as they are needed.

**Housing Authority of the Town of Logansport
Logansport, Louisiana**

**NOTES TO THE BASIC FINANCIAL STATEMENTS - (CONTINUED)
JUNE 30, 2020**

GASB Statement No. 65 establishes accounting and financial reporting standards that reclassify, as deferred outflows or deferred inflows of resources, certain items that were previously reported as assets and liabilities and recognizes, as outflows of resources or inflows of resources, certain items that were previously reported as assets and liabilities.

C. EQUITY CLASSIFICATIONS

In the government-wide financial statements, equity is classified as Net Position and displayed in three components as applicable. The components are as follows:

Net Investment in Capital Assets - Capital assets including restricted capital assets, when applicable, net of accumulated depreciation.

Restricted Net Position - Net position with constraints placed on their use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments or (2) law through constitutional provisions or enabling legislation.

Unrestricted Net Position - All other net position that does not meet the definition of “restricted” or “net investment in capital assets”.

When an expense is incurred for the purposes for which both restricted and unrestricted net position is available, management applies restricted resources first. The policy concerning which to apply first varies with the intended use and legal requirements. The decision is typically made by management at the incurrence of the expense.

D. DEPOSITS & INVESTMENTS

The Housing Authority’s cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. State law and the Housing Authority’s investment policy allow the Housing Authority to invest in collateralized certificates of deposits, government backed securities, commercial paper, the state sponsored investment pool, and mutual funds consisting solely of government backed securities.

Investments (bank certificate of deposits in excess of 90 days) for the housing authority are reported at fair value.

E. RECEIVABLES & PAYABLES

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year referred to as either “due to/from other funds” (i.e., the current portion of Interfund loans) or “advances to/from other funds” (i.e., the non-current portion of Interfund loans). All other outstanding balances between funds are reported as “due to/from other funds.”

**Housing Authority of the Town of Logansport
Logansport, Louisiana**

**NOTES TO THE BASIC FINANCIAL STATEMENTS - (CONTINUED)
JUNE 30, 2020**

Advances between funds, as reported in the accompanying basic financial statements, are offset by a restriction on net position. All trade and other receivables are shown net of an allowance for uncollectives.

F. INVENTORIES & PREPAID ITEMS

All inventories are valued at cost using the first-in/first out method. Inventories are recorded as expenditures when consumed rather than when purchased. Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in the basic financial statements.

G. CAPITAL ASSETS

Capital assets, which include property, plant, equipment, and infrastructure assets are reported in the applicable columns in the basic financial statements. Capital assets are capitalized at historical cost. The housing maintains a threshold level of \$500 or more for capitalizing capital assets.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed. The total interest expense included during the current fiscal year was \$-0-. Of this amount, \$-0- was included as part of the cost of capital assets under construction in connection with construction projects.

All capital assets, other than land, are depreciated using the straight-line method over the following useful lives:

<u>Description</u>	<u>Estimated Lives</u>
Land Improvements	20 years
Buildings	20 years
Building Improvements	10 years
Furniture & Fixtures	5 years
Vehicles	5 years
Equipment	5 years

H. LONG-TERM OBLIGATIONS

In the basic financial statements, long-term debt and other long-term obligations are reported as liabilities. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as deferred charges and amortized over the term of the related debt.

Logansport, Louisiana**

**NOTES TO THE BASIC FINANCIAL STATEMENTS - (CONTINUED)

I. EXTRAORDINARY & SPECIAL ITEMS

Extraordinary items are transactions or events that are both unusual in nature and infrequent in occurrence. Special items are transactions or events within the control of the housing authority, which are either unusual in nature or infrequent in occurrence.

J. ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, and expenses during the reporting period. Actual results could differ from those estimates.

K. COMPENSATED ABSENCES

The Housing Authority follows Louisiana Civil Service regulations for accumulated annual and sick leave. Employees may accumulate up to three hundred hours of annual leave which may be received upon termination or retirement. Sick leave hours accumulate, but the employee is not paid for them if not used by his/her retirement or termination date.

2. CASH & INVESTMENTS (CD'S IN EXCESS OF 90 DAYS)

At June 30, 2020, the housing authority has cash and investments (bank balances) totaling \$52,527 as follows:

Demand Deposits	\$ 52,527
Total	<u>\$ 52,527</u>

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, and quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Entity operates. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration. Therefore, while the Entity anticipates this could negatively affects its operating results, the related financial impact and duration cannot be reasonably estimated at this time

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Housing Authority of the Town of Logansport
Logansport, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Housing Authority of the Town of Logansport, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Housing Authority of the Town of Logansport's basic financial statements, and have issued our report thereon dated January 15, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the Town of Logansport's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the Town of Logansport's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the Town of Logansport's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any

deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the Town of Logansport's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matter that is required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of the audit committee, management, federal awarding agencies and Legislative Auditor's Office and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a public document and its distribution is not limited.
