Independent Auditors' Report

To the Board of Directors
FDDOC Winners' Circle, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of FDDOC Winners' Circle, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FDDOC Winners' Circle, Inc., as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information schedule of compensation, benefits, and other payments to agency head shown on page 15 is presented for the purpose of additional analysis and is not a required part of financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 30, 2020, on our consideration of FDDOC Winners' Circle, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of FDDOC Winners' Circle, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering FDDOC Winners' Circle, Inc.'s internal control over financial reporting and compliance.

FDDOC Winners' Circle, Inc.
Notes to Financial Statements
June 30, 2020 and 2019

(1) Summary of Significant Accounting Policies

A. Nature of Activities

FDDOC Winners' Circle, Inc. (FDDOC) is a nonprofit corporation organized under the laws of the State of Louisiana. The organization was established to educate at-risk children in inner-city neighborhoods.

The support for FDDOC comes primarily from federal funds passed through a contract-grant from the State of Louisiana, Department of Education and private donations.

B. Basis of Accounting

The financial statements of FDDOC have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

C. Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards. Under those standards, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the organization. These net assets may be used at the discretion of FDDOC's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of FDDOC or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. FDDOC has adopted a policy to classify donor restricted contributions as without donor restrictions to the extent that donor restrictions were met in the year the contribution was received.

D. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

(Continued)

E. Cash and Cash Equivalents

Cash equivalents, as stated for cash flow purposes, consist of non-interest bearing bank accounts and short term highly liquid investments which are readily convertible into cash within ninety (90) days of purchase.

F. Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Property and equipment acquisitions are capitalized if they are in excess of \$1,000. Depreciation is computed using the straight-line method over the estimated useful life of each asset. The funding sources and the federal government may have a reversionary interest in certain property purchased with those funds. Its disposition as well as the ownership of any proceeds therefrom is subject to certain funding source regulations.

G. Revenue and Support

Donations and contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions.

Contractual grant revenue is reported as without donor restrictions due to the restrictions placed on those funds by the funding sources being met in the same reporting period as the revenue is earned.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires (that is, when a stipulated time restriction ends or purpose of restriction is accomplished) in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction.

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

H. Income Tax Status

FDDOC is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the organization's tax-exempt purpose is subject to taxation as unrelated business income. FDDOC had no such income during this audit period. The Forms 990, "Return of Organization Exempt from Income Taxes", for FDDOC for the years ended June 30, 2017, 2018, 2019, and 2020 are subject to examination by the IRS, generally for three years after they were filed.

I. Donated Assets

Non-cash donations are recorded as contributions at their estimated fair value at the date of donation.

(Continued)

FDDOC Winners' Circle, Inc.
Notes to Financial Statements
June 30, 2020 and 2019
(Continued)

J. Donated Property and Equipment

Donations of property and equipment are recorded as contributions at their estimated fair market value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions.

K. Functional Expense

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

L. Note Receivable

Note receivable at June 30, 2020 and 2019 represents an amount loaned from the sale of real estate and building previously owned by FDDOC. The note is collateralized by a mortgage on the land and buildings.

Management has reviewed the outstanding note for collectability. No reserve was considered necessary for estimated losses on the note.

(2) Concentrations of Credit Risk

Financial instruments that potentially subject FDDOC to concentrations of credit risk consist principally of temporary cash investments and contract receivables.

Concentrations of credit risk with respect to contract receivables are limited due to these amounts being due from a governmental agency under contractual terms. As of June 30, 2020 and 2019, FDDOC had no significant concentrations of credit risk in relation to contract receivables.

FDDOC maintains cash balances at local financial institutions. Accounts at those institutions are insured by the Federal Deposit Insurance Corporation (FDIC) and Securities Investor Protection Corporation (SIPC) up to certain limits. At June 30, 2020 and 2019 there were no uninsured balances at those institutions.

(3) Contract Receivable

A funding source provides reimbursement of allowable costs under a contract or agreement. This balance represents an amount due from the funding source at June 30, 2020 and 2019 but not received until after those dates.

Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With *Government Auditing Standards*

Independent Auditors' Report

To the Board of Directors
FDDOC Winners' Circle, Inc.
Shreveport, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of FDDOC Winners' Circle, Inc., (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 30, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered FDDOC Winners' Circle, Inc.'s, internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of FDDOC Winners' Circle, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of FDDOC Winners' Circle, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether FDDOC Winners' Circle, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
