#### SCHEDULE OF FINDINGS

Year Ended December 31, 2021

#### FINDING NO 2021 – 001 – REPORT SUBMISSION

Condition: The Organization did not submit compiled financial statements to the Louisiana Legislative Auditor within the period prescribed by applicable regulations. The submission of this report will meet the applicable requirements. No similar finding was noted in the prior report (see Schedule of Prior Year Findings).

Criteria: Financial statements should be submitted to the Louisiana Legislative Auditor within six months of the end of the organization's fiscal year (Louisiana R.S. 24:514).

Cause: The Organization's outside accountant experienced delays in completing its required peer review, which delayed the acceptance of the current year engagement with the Louisiana Legislative Auditor's office. The Organization requested an extension of time to complete the engagement, which was initially approved, but subsequently denied by the Louisiana Legislative Auditor after the submission deadline had passed.

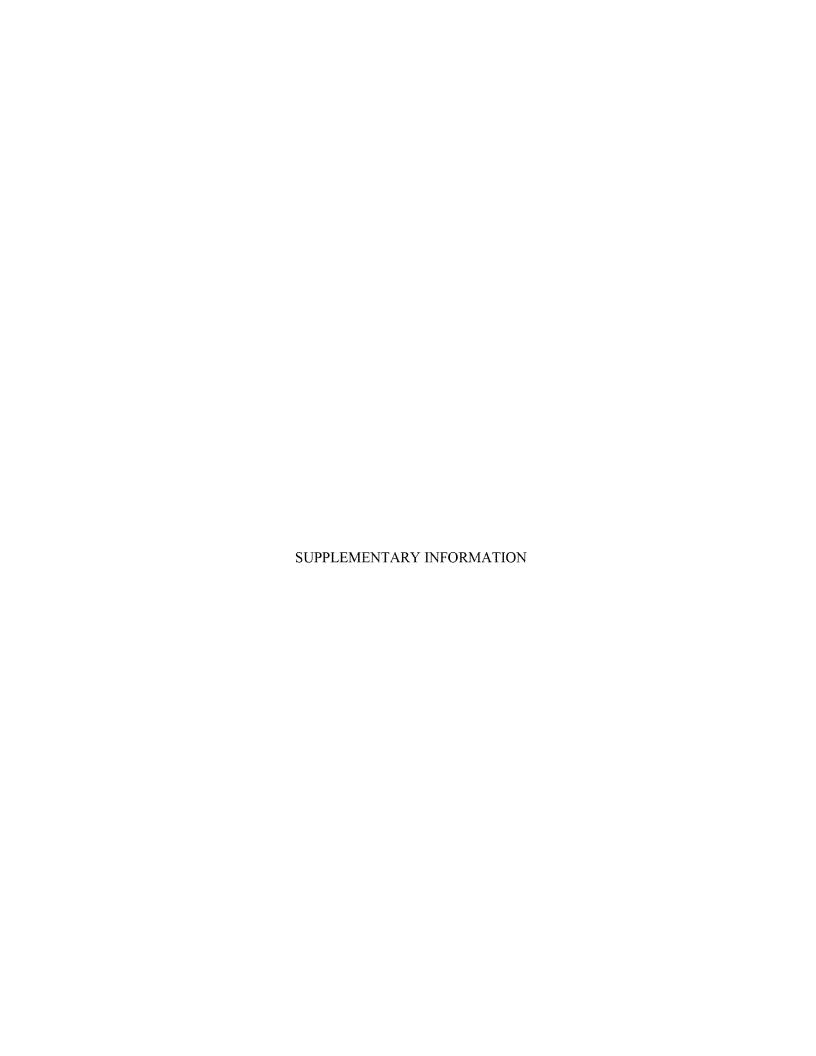

Effect: The Organization is responsible for compliance with financial statement reporting requirements and is not in compliance with those requirements.

Recommendation: The submission of these financial statements will satisfy the reporting requirements for the year ended December 31, 2021. As discussed above, the delay in submitting the required financial statements was beyond the control of the Organization's management, and no future issues are anticipated related to this matter. Therefore, no further recommendations are considered necessary.

#### SCHEDULE OF PRIOR YEAR FINDINGS

Year Ended December 31, 2021

There were no findings disclosed in the prior year accountant's report dated October 14, 2021, for the year ended December 31, 2020.
