**KAREN M. HOLLIS, CPA**  
(A PROFESSIONAL ACCOUNTING CORPORATION)

To the Board of Commissioners  
Hospital Service District No. 1C  
Mangham, Louisiana

Management is responsible for the accompanying financial statements of the business-type activities of Hospital Service District No. 1C, a component unit of the Richland Parish Police Jury, as of and for the year ended December 31, 2020 in accordance with accounting principles generally accepted in the United States of America. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The accompanying Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. The information was subject to my compilation engagement; but I have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any assurance on such information.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Management has omitted the Management Discussion and Analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. The Management Discussion and Analysis, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical content.
