The Board of Commissioners
Fourth Ward Drainage District No. 1
of Acadia Parish
Crowley, Louisiana

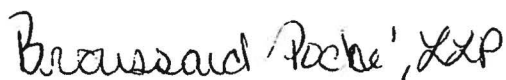

Management is responsible for the accompanying financial statements of Fourth Ward Drainage District No. 1 of Acadia Parish, a component unit of the Acadia Parish Police Jury, which comprise the combined balance sheet as of December 31, 2022, and the related combined statement of revenues, expenditures, and changes in fund balances for the year then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on these financial statements.

Management has elected to omit substantially all the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Fourth Ward Drainage District No. 1 of Acadia Parish did not adopt the provisions of Governmental Accounting Standards Board Statements No. 34 for the year ended December 31, 2022. The effects of this departure from generally accepted accounting principles has not been determined.
