To the Board of Directors of Grambling University National Alumni Association, Incorporated Grambling, Louisiana

I have audited the accompanying statement of financial position of Grambling University National Alumni Association, Incorporated (a nonprofit organization) as of December 31, 2002, and the related statements of activities, cash flows, and functional expenses for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.
