To the Board of Directors of  
Crescent City Family Services, Inc.  
Gretna, Louisiana

### **Report on the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of Crescent City Family Services, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Crescent City Family Services, Inc. as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America, the Louisiana Governmental Audit Guide, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Crescent City Family Services, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Crescent City Family Services, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

To the Board of Directors of  
Crescent City Family Services, Inc.  
Gretna, Louisiana

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, the Louisiana Governmental Audit Guide, and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Crescent City Family Services, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Crescent City Family Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

To the Board of Directors of  
Crescent City Family Services, Inc.  
Gretna, Louisiana

***Supplementary Information***

Our audits were conducted for the purpose of forming an opinion on the financial statements of Crescent City Family Services, Inc. as a whole. The supplementary information contained in Schedules “1” and “2” is presented for the purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of compensation, benefits, and other payments to agency head, as required by Louisiana Revised Statute 24:513 A.(3), is also presented for the purposes of additional analysis and is also not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is also presented for the purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 27, 2024, on our consideration of Crescent City Family Services, Inc.’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Crescent City Family Services, Inc.’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Crescent City Family Services, Inc.’s internal control over financial reporting and compliance.

**CRESCENT CITY FAMILY SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Crescent City Family Services, Inc. (the Organization) is a nonprofit organization that provides services for the Special Supplemental Nutrition Program for Women, Infants and Children (WIC Program). The WIC program receives Federal funding to provide supplemental food, health care referrals, and nutritional education for low-income pregnant, breastfeeding, and postpartum women and their children. The Organization also provides services for the Healthy Start Program; an initiative to improve perinatal health outcomes and to reduce racial and ethnic disparities in high-risk communities.

**Basis of Accounting and Financial Reporting Framework**

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities in accordance with accounting principles generally accepted in the United States of America promulgated by the Financial Accounting Standards Board (FASB).

The financial statement presentation follows the recommendations of the FASB in its Accounting Standards Codification (ASC) 958-210-50-3, *Financial Statements of Not-for-Profit Organizations*. Under FASB ASC 958-210-50-3, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors. The revenues received in conducting the mission of the Organization are included in this category.

Net assets with donor restrictions - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby, the donor has stipulated the funds be maintained in perpetuity.

**Use of Estimates**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

**CRESCENT CITY FAMILY SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2023 AND 2022**

**(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Cash and Cash Equivalents**

For the purpose of the statement of cash flows, the Organization considers all investments with original maturities of three months or less to be cash equivalents.

**Accounts, Grants, and Other Receivables**

The Organization receives funding from federal and state agencies for administering various grants and contracts as well as fees charged for the performance of consulting services to other not-for-profit agencies. Management monitors the receivables and assesses the collectability of accounts on a monthly basis. The Organization records an allowance for uncollectible accounts based on an assessment of the receivables, taking into consideration the nature of the account and aging of the balance. For the years ended December 31, 2023 and 2022, management has determined that all amounts were collectible and no allowance was necessary.

**Compensated Absences**

The Organization has written policies for the compensation of personal leave. Employees receive leave in accordance with the following schedule:

<u>Years of Service</u>	<u>Monthly Leave Earned</u>
0 – 5 years	3.5 days
5+ years	4.6 days

Employees can carry hours of accrued personal leave over into a new year, and employees are paid out for unused PTO at termination. The maximum accrual for each employee is 120 hours. At December 31, 2023 and 2022, the Organization recognized an accrued leave liability of \$28,745 and \$31,553, respectively.

**Leases**

The Organization applies judgment in determining whether a contract contains a lease and whether a lease is classified as an operating lease or a finance lease. The Organization determines the lease term as the non-cancellable term of the lease, which may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. The lease term is used in determining classification between operating lease and finance lease, calculating the lease liability and determining the incremental borrowing rate.

**CRESCENT CITY FAMILY SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2023 AND 2022**

**(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Leases (Continued)**

The Organization has several lease contracts that include extension and termination options. The Organization applies judgment in evaluating whether it is reasonably certain to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date of the lease, the Organization reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate.

The Organization is required to discount lease payments using the rate implicit in the lease if that rate is readily available. If that rate cannot be readily determined, the lessee is required to use its incremental borrowing rate or the risk-free rate. Information from the lessor regarding the fair value of underlying assets and initial direct costs incurred by the lessor related to the leased assets is not available, and, therefore, the Organization generally uses the risk-free rate when initially recording real estate leases. The risk-free rate applied is based on the yield on U.S. treasury bonds with similar terms to each individual lease's expected term on the recognition date.

Leases with an initial term of 12 months or less are not recorded on the balance sheet. Lease expense is recognized for these leases on a straight-line basis over the lease term.

**Functional Allocation of Expenses**

The costs of providing the various programs and other activities of the Organization have been summarized on a functional basis in the statements of activities. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

**Revenue Recognition**

*Grants and Contributions*

The Organization's revenue is principally from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. The services received by the public are not equivalent to commensurate value received by the government agencies and are therefore not considered exchange transactions. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with the contract or grant provisions.

**CRESCENT CITY FAMILY SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2023 AND 2022**

**(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Revenue Recognition (continued)**

*Grants and Contributions (continued)*

Contributions are recognized as income in the period received and is reported as unrestricted or restricted depending on the existence of donor stipulations that limit the use of the support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified to net assets without donor restrictions and reported in the statement of activity as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions.

*Contract Fees*

The Organization provides consulting services to other not-for-profit agencies to assist in administering their own Healthy Start and WIC programs. The Organization determines the transaction price based on established billing rates reduced by contractual adjustments provided to third-party payers, discounts provided to uninsured patients and implicit price concessions. Contractual adjustments and discounts are based on contractual agreements, discount policies and historical experience. Implicit price concessions are based on historical collection experience.

**Advertising**

All non-direct response advertising costs, other than marketing materials inventory, are expensed as incurred. Advertising expense amounted to \$7,052 and \$8,598 for the years ended December 31, 2023 and 2022, respectively.

**Property and Equipment**

The Organization records property and equipment at cost. It is the policy of the Organization to capitalize all property and equipment with an acquisition cost in excess of \$10,000. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Leasehold improvements	Life of the lease
Transportation equipment	5 years
Furniture and fixtures	5 years

**CRESCENT CITY FAMILY SERVICES, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2023 AND 2022**

**(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Income Taxes**

The Organization operates as a non-profit corporation pursuant to Section 501(c)(3) of the Internal Revenue Code. As such, the Organization is subject to income tax only on unrelated business taxable income.

Accounting standards provide detailed guidance for financial statement recognition, measurement, and disclosure of uncertain tax positions recognized in an entity's financial statements. It requires an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will not be sustained on examination. As of December 31, 2023 and 2022, management of the Organization believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

**New Accounting Standards - Adopted**

The Organization has adopted the Current Expected Credit Losses (CECL) accounting standard, as per Accounting Standards Update (ASU) No. 2016-13, "*Financial Instruments – Credit Losses (Topic 326)*." The standard introduces a new model for estimating credit losses on financial instruments. After a thorough evaluation, management has determined that the impact of adopting the CECL standard on the financial statements is immaterial. The Organization has considered factors such as historical loss experience, current economic conditions, and other relevant factors in its credit loss estimation process. As a result, the adoption of the CECL standard has not had a material impact on the Organization's financial position, results of operations, or cash flows.

**Date of Management's Review**

Subsequent events have been evaluated through June 27, 2024, which is the date the financial statements were available to be issued.

**(2) LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

The Organization has \$1,090,353 and \$484,583 available within one year of the balance sheet date to meet cash needs for general expenditure at December 31, 2023 and 2022, respectively. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

**(7) CONCENTRATION OF CREDIT RISK**

The Organization maintains its cash balances in one financial institution. The cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Uninsured portions of bank balances were \$544,707 and \$125,037 at December 31, 2023 and 2022, respectively.

The Organization receives the majority of its funding through grants administered by the federal government and the State of Louisiana. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal or state level, the amount of the funds the Organization receives could be reduced significantly and have an adverse impact on its operations. Approximately 96% and 96% of the Organization's support for the years ended December 31, 2023 and 2022, respectively came from government grants and contracts.

Subsequent to year-end in May 2024, the Organization was informed that its Healthy Start Initiative funding could be cut up to 65% moving forward due to budgetary constraints and the success of the program.

**(8) RECLASSIFICATION OF PRIOR YEAR PRESENTATION**

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of operations.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of  
Crescent City Family Services, Inc.  
Gretna, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Crescent City Family Services, Inc. (a nonprofit corporation), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 27, 2024.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Crescent City Family Services, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Crescent City Family Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Crescent City Family Services, Inc.'s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Crescent City Family Services, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Crescent City Family Services, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Crescent City Family Services, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Governing Board of  
Crescent City Family Services, Inc.

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited Crescent City Family Services, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Crescent City Family Services, Inc.'s major federal programs for the year ended December 31, 2023. Crescent City Family Services, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Crescent City Family Services, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2023.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Crescent City Family Services, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Crescent City Family Services, Inc.'s compliance with the compliance requirements referred to above.

To the Board of Directors of  
Crescent City Family Services, Inc.  
Gretna, Louisiana

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Crescent City Family Services, Inc.'s federal programs.

***Auditors' Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Crescent City Family Services, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Crescent City Family Services, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Crescent City Family Services, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Crescent City Family Services, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Crescent City Family Services, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

To the Board of Directors of  
Crescent City Family Services, Inc.  
Gretna, Louisiana

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
