Louisiana Council for Economic Education (LCEE) is a not-for-profit organization located in Baton Rouge, LA. LCEE's mission is to provide teachers with easily understandable instruction in useful economic concepts and analytical tools, and improve teacher and school access to Economics America's economic education instructional materials. Results of these activities will help prepare K-12 students to meet the benchmarks in the Louisiana Social Studies Content Standards and to become productive members of the workforce, responsible citizens, knowledgeable consumers, prudent savers and investors, effective participants in the global economy and competent decision makers throughout their lives.

Basis of Accounting- The accompanying financial statements are presented using the accrual basis of accounting.

Basis of Presentation- Financial statement presentation follows the recommendation of the FASB Accounting Standards Codification regarding Financial Statements of Not-for-Profit Organizations. Under the standard, LCEE reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents- For purposes of the Statement of Cash Flows, LCEE considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable- Accounts receivable are recorded at cost, net of an allowance for doubtful accounts. Management believes all accounts are collectible; therefore no such allowance has been recorded at June 30, 2020.

Donated Property and Equipment- Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unresricted net assets unless the donor has restricted the donated asset to a specific purpose. The assets donated to LCEE were donated without restriction.
