Management is responsible for the accompanying financial statements of the governmental activities and each major fund of Ward 2 Fire Protection District No. 1 of Morehouse Parish, Louisiana (the "District") (a component unit of Morehouse Parish), as of and for the year ended December 31, 2020, which collectively comprise the District's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The District's management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Accounting principles generally accepted in the United States of America require that the budgetary comparison information be presented to supplement the basic financial statements. Such information is presented for purposes of additional analysis and, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board (GASB) who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. This information is the responsibility of management. This information was subject to our compilation engagement. We have not audited or reviewed the required supplementary information and do not express an opinion, a conclusion, nor provide any form of assurance on such information.

Management of the District has omitted the management's discussion and analysis information that GASB requires to be presented to supplement the basic financial statements. Such missing information, although not a required part of the basic financial statements, is required by GASB who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context.

We are not independent with respect to the District.
