## INDEPENDENT AUDITOR'S REPORT

The Honorable Brent Rutherford, CLA  
Beauregard Parish Assessor  
DeRidder, Louisiana

### **Report on the Audit of the Financial Statements**

#### *Opinions*

We have audited the accompanying financial statements of the governmental activities and the major fund of the Beauregard Parish Assessor, a component unit of the Beauregard Parish Police Jury, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Beauregard Parish Assessor's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Beauregard Parish Assessor, as of December 31, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinions*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Beauregard Parish Assessor and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Beauregard Parish Assessor's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Beauregard Parish Assessor's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Beauregard Parish Assessor's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, schedule of the assessor's proportionate share of the net pension liability, schedule of the assessor's pension contribution, and schedule of changes in net OPEB liability and related ratios on pages 29 through 34 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Beauregard Parish Assessor's basic financial statements. The accompanying schedule of compensation, benefits and other payments to agency head is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of compensation, benefits and other payments to agency head is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### **Other Information**

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated May 18, 2023, on our consideration of the Beauregard Parish Assessor's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Beauregard Parish Assessor's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Beauregard Parish Assessor's internal control over financial reporting and compliance.

DeRidder, Louisiana

Reconciliation of the Governmental Funds Balance Sheet  
to Statement of Net Position  
For the Year Ending December 31, 2022

Total fund balance - total governmental funds		\$	6,165,051
Amounts reported for governmental activities in the Statement of Net Position are different because:			
Capital assets used in governmental activities are not financial resources and therefore are not reported in the governmental funds balance sheets			568,241
Pension-related changes in net pension liability that are only reported in the Statement of Net Position as deferred outflows			782,239
Pension-related changes in net pension liability that are only reported in the Statement of Net Position as deferred inflows			(75,204)
Other post-employment benefit related changes in other post-employment benefit liability that are only reported in the statement of net position as deferred outflows.			986,202
Other post-employment benefit related changes in other post-employment benefit liability that are only reported in the statement of net position as deferred inflows.			(943,281)
Other postemployment benefits (OPEB) obligations and net pension liability are reported as long-term liabilities in the government wide financial statements but are not reported in the governmental fund financial statements.			
Net pension liability	\$	(693,786)	
Net OPEB liability		<u>(2,396,811)</u>	<u>(3,090,597)</u>
Net position of governmental activities		\$	<u><u>4,392,651</u></u>

The accompanying notes are an integral part of this statement.

Statement of Revenues, Expenditures and Changes in Fund Balances  
Governmental Funds  
For the Year Ending December 31, 2022

	<u>Major Fund</u>
	<u>General Fund</u>
Revenues	
Taxes:	
Ad valorem	\$ 1,569,307
Intergovernmental:	
State revenue sharing	58,212
Local grant	103,700
Charges for services	11,058
Investment income	47,143
Miscellaneous	95
Total revenues	<u>\$ 1,789,515</u>
Expenditures	
General government - taxation	
Salaries and related benefits	\$ 812,200
Conferences and travel	33,795
Office supplies	28,406
Contracted services	121,411
Capital outlay	68,663
Total expenditures	<u>\$ 1,064,475</u>
Net change in fund balance	\$ 725,040
Fund balances at beginning of year	<u>5,440,011</u>
Fund balances at end of year	<u><u>\$ 6,165,051</u></u>

The accompanying notes are an integral part of this statement.

Reconciliation of the Statement of Revenues, Expenditures  
and Changes in Fund Balances of Governmental  
Funds to the Statement of Activities  
For the Year Ending December 31, 2022

Net change in fund balances - total governmental funds	\$	725,040
Amounts reported for governmental activities in the Statement of Activities are different because:		
Governmental funds report capital outlays as expenditures. However, in the government-wide statement of activities and changes in net position, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount of capital assets recorded in the current period.		68,663
Depreciation expense on capital assets is reported in the government- wide statement of activities and changes in net position, but they do not require the use of current financial resources. Therefore, depreciation expense is not reported as an expenditure in governmental funds.		(50,020)
Pension expense is based on employer contributions in the governmental funds, but is an actuarially calculated expense on the Statement of Activities.		(84,630)
Governmental funds do not report net change in other postemployment benefits (OPEB) obligations. However this obligation does appear in the Statement of Activities since the payable is reported on the Statement of Net Position.		<u>(136,180)</u>
Change in net position of governmental activities	\$	<u><u>522,873</u></u>

The accompanying notes are an integral part of this statement.

NOTES TO THE FINANCIAL STATEMENTS

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to the Financial Statements  
As of and for the Year Ending December 31, 2022

**INTRODUCTION**

As provided by Article VII, Section 24 of the Louisiana Constitution of 1974, the assessor is elected by the voters of the parish and serves a four-year term. The assessor assesses all real and movable property in the parish, subject to ad valorem taxation. The assessor is authorized to appoint as many deputies as may be necessary for the efficient operation of the office and provides assistance to the taxpayers of the parish. The deputies are authorized to perform all functions of the office, but the assessor is officially and peculiarly responsible for the actions of the deputies.

The assessor's office is located in the Beauregard Parish Police Jury's building in DeRidder, Louisiana. The assessor employs seven employees, including six deputies. In accordance with Louisiana law, the assessor bases real property, movable property, and public service property assessments on conditions existing on January 1 of the tax year. The assessor completes an assessment listing by May 1 of the tax year and submits the list to the parish governing authority and the Louisiana Tax Commission as prescribed by law. Once the assessment listing is approved, the assessor submits the assessment roll to the parish tax collector who is responsible for collecting and distributing taxes to the various taxing bodies.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. BASIS OF PRESENTATION**

The accompanying basic financial statements of the Beauregard Parish Assessor have been prepared in conformity with governmental accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The accompanying basic financial statements have been prepared in conformity with GASB Statement 34, *Basic Financial Statements-and Management's Discussion and Analysis—for State and Local Governments*, issued in June 1999.

**B. REPORTING ENTITY**

The assessor is an independently elected official; however, the assessor is fiscally dependent on the Beauregard Parish Police Jury. The police jury maintains and operates the parish building in which the assessor's office is located and provides funds for equipment and furniture of the assessor's office. In addition, the police jury's general purpose financial statements would be incomplete or misleading without inclusion of the assessor. For these reasons, the assessor was determined to be a component unit of the Beauregard Parish Police Jury, the financial reporting entity.

The accompanying financial statements present information only on the funds maintained by the assessor and do not present information on the police jury, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

**C. FUND ACCOUNTING**

The assessor uses funds to maintain its financial records during the year. Fund accounting is designed to demonstrate legal compliance and to aid management by segregating transactions related to certain tax assessment functions and activities. A fund is defined as a separate fiscal and accounting entity with a self-balancing set of accounts.

Notes to Financial Statements (Continued)

**Governmental Funds**

Governmental funds account for all or most of the assessor's general activities. These funds focus on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may be used. Current liabilities are assigned to the fund from which they will be paid. The difference between a governmental fund's assets and liabilities is reported as fund balance. In general, fund balance represents the accumulated expendable resources which may be used to finance future period programs or operations of the assessor. The following is the assessor's governmental fund:

**General Fund** - the primary operating fund of the assessor and it accounts for all financial resources, except for those in another fund. The General Fund is available for any purpose provided it is expended or transferred in accordance with state and federal laws and according to the assessor's policy.

**D. MEASUREMENT FOCUS/BASIS OF ACCOUNTING**

**Fund Financial Statements (FFS)**

The amounts reflected in the General Fund of Statements C and E are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. The statement of revenues, expenditures, and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach is then reconciled to a government-wide view of the assessor's operations.

The amounts reflected in the General Fund of Statements C and E use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The assessor considers all revenues available if they are collected within 60 days after the fiscal year end. Expenditures are recorded when the related fund liability is incurred, except for interest and principal payments on general long-term debt which is recognized when due, and certain compensated absences and claims and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources. The governmental funds use the following practices in recording revenues and expenditures:

**Revenues**

Ad valorem taxes and the related state revenue sharing are recorded in the year the taxes are due and payable. Ad valorem taxes are assessed on a calendar year basis, attach as an enforceable lien, and become due and payable on the date the tax rolls are filed with the recorder of mortgages. Louisiana Revised Statute 47:1993 requires that the tax roll be filed on or before November 15 of each year. Ad valorem taxes become delinquent if not paid by December 31. The taxes are normally collected in December of the current year and January and February of the ensuing year.

Fees for preparing tax rolls are recorded in the year prepared. Interest income on time deposits is recorded when the time deposits have matured. Interest income on demand deposits is recorded monthly when the interest is earned and credited to the account.

Based on the above criteria, ad valorem taxes, state revenue sharing, and fees for preparing tax rolls have been treated as susceptible to accrual.

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

**Expenditures**

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

**Government-Wide Financial Statements (GWFS)**

The Statement of Net Position (Statement A) and the Statement of Activities (Statement B) display information on all the nonfiduciary activities about the assessor as a whole. These statements include all the financial activities of the assessor. Information contained in these columns reflect the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange or exchange-like transactions are recognized when the exchange occurs (regardless of when cash is received or disbursed). Revenues, expenses, gains, losses, assets and liabilities resulting from nonexchange transactions are recognized in accordance with the requirements of GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions*.

**Program Revenues** - Program revenues included in the column labeled Statement of Activities (Statement B) are derived directly from users as a fee for services; program revenues reduce the cost of the function to be financed from the assessor's general revenues.

When both restricted and unrestricted resources are available for use, it is the entity's policy to use restricted resources first, and then unrestricted resources, as they are needed.

The assessor has not established a policy for use of the unrestricted fund balance, therefore it considers committed fund balances to be used first, then assigned fund balances to be used next and finally the unassigned fund balance will be used.

**E. BUDGETS**

The assessor uses the following budget practices:

1. The assessor prepares a proposed operating budget no later than fifteen days prior to the beginning of each fiscal year. The operating budget includes proposed expenditures and the means of financing them. For the fiscal year beginning January 1, 2022 and ending December 31, 2022 the budget was prepared on December 10, 2021 and the public hearing was called for. After the public hearing was held, the budget was adopted by the assessor.
2. Budgetary appropriations lapse at the end of each fiscal year.
3. The budget for the general fund is adopted on a basis consistent with generally accepted accounting principles (GAAP). Budgeted amounts are as originally adopted, or as amended by the assessor.
4. Amendments to the budget are approved by the assessor. The original budget is amended as necessary and all amendments are reflected in the budget comparisons in the financial statements.
5. Formal budgetary integration is employed as a management control device during the year for the General Fund.

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

**F. CASH AND CASH EQUIVALENTS**

Cash includes amounts in demand deposits, interest-bearing demand deposits, and time deposits. Cash equivalents include amounts in time deposits and those investments with original maturities of 90 days or less. Under state law, the assessor may deposit funds in demand deposits, interest-bearing demand deposits, or time deposits with state banks organized under Louisiana law or any other state of the United States, or under the laws of the United States.

Investments for the assessor are reported at fair value on quoted market prices. The state investment pool (LAMP) operates in accordance with state laws and regulations. The reported value of the pool is the same as the fair value of the pool shares. The investments at December 31, 2022 were primarily U.S. government instrumentalities and corporate bonds. (See note 4 for the Assessor's investment policy.)

**G. PREPAID ITEMS**

Prepayments for maintenance, insurance and dues applicable to future accounting periods are recorded as prepaid items in both government-wide and fund financial statements

**H. CAPITAL ASSETS**

Capital assets are capitalized at historical cost or estimated cost if historical cost is not available. Donated assets are recorded as capital assets at their estimated fair market value at the date of donation. The assessor maintains a threshold level of \$5,000 or more for capitalizing capital assets.

Capital assets are recorded in the Statement of Net Position and Statement of Activities. Since surplus assets are sold for an immaterial amount when declared as no longer needed for public purposes, no salvage value is taken into consideration for depreciation purposes. All capital assets, other than land, are depreciated using the straight-line method over the following useful lives:

<u>Description</u>	<u>Estimated Lives</u>
Improvements	5-20 years
Machinery and equipment	3-20 years
Furniture and fixtures	5-10 years
Vehicles	5 years

**I. COMPENSATED ABSENCES**

The Tax Assessor has the following policy relating to vacation and sick leave:

Employees of the Tax Assessor earn vacation leave at varying rates, depending on length of service, which does not accumulate. Upon resignation, unused vacation leave for the current year is paid to the employee at his/her current rate of pay.

Employees earn sick leave at the rate of one day a month. Five sick days per year, not to exceed five days, may be accumulated. Unused sick leave lapses upon termination of employment.

**J. FUND BALANCES**

Nonspendable    The nonspendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b)

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

legally or contractually required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash, for example, inventories and prepaid amounts. As for the Beauregard Parish Assessor the nonspendable fund balance consists of prepaid amounts of maintenance, insurance contracts and dues.

Unassigned Unassigned fund balance is the residual classification for the general fund. This classification represents fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the general fund.

**K. EXTRAORDINARY AND SPECIAL ITEMS**

Extraordinary items are transactions or events that are both unusual in nature and infrequent in occurrence. Special items are transactions or events within the control of the assessor, which are either unusual in nature or infrequent in occurrence.

**L. ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, and expenses during the reporting period. Actual results could differ from those estimates.

**M. PENSIONS**

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Louisiana Assessors' Retirement Fund and Subsidiary (the Fund) and additions to/deductions from the Fund's fiduciary net positions have been determined on the same basis as they are reported by the Fund. The financial statements were prepared using the accrual basis of accounting. Member and employer contributions are recognized when due, pursuant to formal commitments and statutory requirements. Benefits and refunds of employee contributions are recognized when due and payable in accordance with the statutes governing the Fund. Expenses are recognized when the liability is incurred, regardless of when payment is made. Investments are reported at fair value on a trade date basis. The fiduciary net position is reflected in the measurement of the Assessor's proportionate share of the plans net pension liability, deferred outflows and inflows of resources related to pensions, and pension expense.

**N. DEFERRED OUTFLOWS/INFLOWS OF RESOURCES**

The Statement of Net Position reports a separate section for deferred outflows and (or) deferred inflows of financial resources. Deferred outflows of resources represent a consumption of net position that applies to future periods and will not be recognized as an outflow of resources (expense/expenditure) until the applicable period. Deferred inflows of resources represent an acquisition of net position that applies to future periods and will not be recognized as an inflow of resources until that time.

**2. LEVIED TAXES**

The Assessor levies taxes on real and business personal property located within the boundaries of the assessment district. Property taxes are levied by the Assessor on property values assessed by the Beauregard Parish Tax Assessor and approved by the State of Louisiana Tax Commission.

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

The Beauregard Parish Sheriff and Ex-Officio Tax Collector bills and collects property taxes for the Assessor. Collections are remitted to the Assessor monthly. The Assessor recognizes property tax revenues when levied.

Property Tax Calendar	
Assessment date	January 1, 2022
Levy date	June 30, 2022
Tax bills mailed	October 15, 2022
Total taxes are due	December 31, 2022
Penalties & interest due	January 31, 2023
Lien date	January 31, 2023
Tax sale	May 31, 2023

For the year ended December 31, 2022, taxes of 4.64 mills were levied on property with an assessed valuation totaling \$337,800,497, and were dedicated as follows:

Taxes due for:	Authorized Millage	Levied Millage	Expiration Date Renewed
General Operations	4.64	4.64	Annually

All trade and property tax receivables are shown net of an allowance for uncollectibles. Property taxes are collected and remitted by the local sheriff, if taxes are not paid, a sheriff's sale is held and the property is sold to satisfy the taxes due on the property. Due to this, the majority, if not all property taxes are collected, therefore no allowance account for uncollectibles has been established.

The following are the principal taxpayers and related property tax revenue for the assessor:

Taxpayer	Type of Business	Assessed Valuation	% of Total Assessed Valuation	Ad Valorem Tax Revenue for the Assessor
Packaging Corporation of America	Manufacturer	\$ 38,853,076	11.50%	\$ 180,278
Cheniére Creole Trail Pipeline	Oil and gas	22,101,210	6.54%	102,550
DTE Leap Gas Gathering	Oil and gas	19,900,157	5.89%	92,357
Total		\$ 80,854,443	23.93%	\$ 375,185

**3. CASH AND CASH EQUIVALENTS**

At December 31, 2022, the assessor has cash and cash equivalents (book balances) totaling \$2,577,897 as follows:

NOW accounts	\$ 656,071
Time deposits	1,921,826
Total	\$ 2,577,897

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

The cash and cash equivalents of the Beauregard Parish Assessor are subject to the following risk:

*Custodial Credit Risk:* Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the government will not be able to recover its deposits. Under state law, the deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal or exceed the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Assessor that the fiscal agent bank has failed to pay deposited funds upon demand. Further, Louisiana Revised Statute 39:1224 states that securities held by a third party shall be deemed to be held in the Assessor's name.

At December 31, 2022, the Assessor has \$2,535,938 in deposits (collected bank balances). These deposits are secured from risk by \$750,000 of federal deposit insurance and \$1,785,938 of pledged securities held by an unaffiliated bank of the pledgor bank. These deposited pledged securities are deemed by law to be under the control and possession and in the name of the Assessor and are therefore properly collateralized.

#### 4. INVESTMENTS

The Assessor's investments are made in accordance with Louisiana Revised Statute (LSA R.S.) 33:2955. The state-authorized investments are as follows:

U.S. Treasury obligations

U.S. government agencies

U.S. government instrumentalities

Collateralized repurchase agreements

Collateralized certificates of deposit with Louisiana-domiciled institutions

Collateralized interest-bearing bank accounts

Mutual or trust funds that are registered with the Securities and Exchange Commission, which have underlying investments consisting of and limited to securities of the U.S. government or its agencies

Guaranteed investment contracts having one of the two highest short-term rating categories of either Standard and Poor's Corporation (S&P) or Moody's Investors Service (Moody's)

Investment-grade (A-1/P-1) commercial paper of domestic U.S. corporations

Louisiana Asset Management Pool (LAMP)

Obligations of state agencies, counties, cities, and other political subdivisions of any state rated as to investment quality not less than A or its equivalent

Any other investments allowed by state statute for local governments

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

The Assessor had invested \$2,065,848 in the Louisiana Asset Management Pool (LAMP), a local government investment pool. In accordance with GASB Codification Section I50.126, the investment in LAMP as of December 31, 2022 is not categorized in the three risk categories provided by GASB Codification Section I50.125 because the investment is in the pool of funds and therefore not evidenced by securities that exist in physical or book entry form.

LAMP is administered by LAMP, Inc., a non-profit corporation organized under the laws of the State of Louisiana. Only local government entities having contracted to participate in LAMP have an investment interest in its pool of assets. The primary objective of LAMP is to provide a safe environment for the placement of public funds in short-term, high quality investments. The LAMP portfolio includes only securities and other obligations which local governments in Louisiana are authorized to invest in accordance with LSA - R.S. 33:2955.

GASB Statement No. 40 Deposit and Investment Risk Disclosure, requires disclosure of credit risk, custodial credit risk, concentration of credit risk interest rate risk, and foreign currency risk for all public entity investments.

LAMP is a 2a7-like investment pool. The following facts are relevant for 2a7-like investment pools:

- Credit risk: LAMP is rated AAAM by Standard & Poor's.
- Custodial credit risk: LAMP participants' investments in the pool are evidenced by shares of the pool. Investments in pools should be disclosed, but not categorized because they are not evidenced by securities that exist in physical or book-entry form. The public entity's investment is with the pool, not the securities that make up the pool; therefore, no disclosure is required.
- Concentration of credit risk: Pooled investments are excluded from the 5 percent disclosure requirement.
- Interest rate risk: LAMP is designed to be highly liquid to give its participants immediate access to their account balances. LAMP prepares its own interest rate risk disclosure using the weighted average maturity (WAM) method. The WAM of LAMP assets is restricted to not more than 90 days, and consists of no securities with a maturity in excess of 397 days or 762 days for U.S. Government floating/variable rate investments. The WAM for LAMP's total investments is 52 days as of December 31, 2022.
- Foreign currency risk: Not applicable to 2a7-like pools.

The investments in LAMP are stated at fair value based on quoted market rates. The fair value is determined on a weekly basis by LAMP and the value of the position in the external investment pool is the same as the net asset value of the pool shares.

LAMP, Inc. is subject to the regulatory oversight of the state treasurer and the board of directors. LAMP is not registered with the SEC as an investment company.

**5. RECEIVABLES**

The receivables of \$1,529,050 at December 31, 2022, are as follows:

<u>Class of Receivable</u>	
Taxes:	
Ad valorem	<u>\$ 1,529,050</u>

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

**6. CAPITAL ASSETS**

Capital assets and depreciation activity as of and for the year ended December 31, 2021, is as follows:

Governmental Activities	Balance January 1, 2022	Additions	Deletions	Balance December 31, 2022
Capital assets not being depreciated				
Work in progress	\$ -	\$ 60,918	\$ -	\$ 60,918
Capital assets being depreciated				
Machinery and equipment	\$ 231,901	\$ -	\$ -	\$ 231,901
Improvements other than buildings	546,844	7,745	-	554,589
Furniture and fixtures	48,772	-	-	48,772
Total	<u>\$ 827,517</u>	<u>\$ 7,745</u>	<u>\$ -</u>	<u>\$ 835,262</u>
Less accumulated depreciation				
Machinery and equipment	\$ 99,221	\$ 16,499	\$ -	\$ 115,720
Improvements other than buildings	153,095	28,961	-	182,056
Furniture and fixtures	25,603	4,560	-	30,163
Total	<u>\$ 277,919</u>	<u>\$ 50,020</u>	<u>\$ -</u>	<u>\$ 327,939</u>
Capital assets, net	<u>\$ 549,598</u>	<u>\$ (42,275)</u>	<u>\$ -</u>	<u>\$ 507,323</u>

Depreciation expense of \$50,020 for the year ended December 31, 2022 was charged to the following governmental functions:

Taxation	<u>\$ 50,020</u>
----------	------------------

**7. PENSION PLAN**

*Plan Description.* Substantially all employees of the Beauregard Parish Assessor's office are members of the Louisiana Assessors' Retirement System (System), a cost-sharing, multiple-employer defined benefit pension plan administered by a separate board of trustees.

All full-time employees who are under the age of 60 at the time of original employment and are not drawing retirement benefits from any other public retirement system in Louisiana are required to participate in the System. Employees who retire at or after age 55 with at least 12 years of credited service or at or after age 50 with at least 30 years of credited service are entitled to a retirement benefit, payable monthly for life, equal to 3.34% of their final-average salary for each year of credited service, not to exceed 100% of their final-average salary. Final-average salary is the employee's average salary over the 36 consecutive or joined months that produce the highest average. Employees who terminate with at least 12 years of service and do not withdraw their employee contributions may retire at or after age 55 and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established or amended by state statute.

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Louisiana Assessors' Retirement System, Post Office Box 1786, Shreveport, Louisiana 71166-1786, or by calling (318) 425-4446.

*Funding Policy.* Plan members are required by state statute to contribute 8.00% of their annual covered salary and the Beauregard Parish Assessor is required to contribute at an actuarially determined rate. The current rate is 3.50% of annual covered payroll. Contributions to the System also include one-fourth of 1.00% (1.00% for Orleans Parish) of the taxes shown to be collectible by the tax rolls of each parish, plus revenue sharing funds appropriated by the legislature. The contribution requirements of plan members and the Beauregard Parish Assessor are established and may be amended by state statute. As provided by R.S. 11:103, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The Beauregard Parish Assessor's contributions to the System for the years ending December 31, 2022, 2021, and 2020, were \$23,009, \$35,535, and \$37,413, respectively, equal to the required contributions for each year.

*Pension Liabilities, Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions*

At December 31, 2022, the Assessor reported a liability of \$693,786 for his proportionate share of net pension liability. The net pension liability was measured as of September 30, 2022 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The Assessor's proportion of the net pension liability was based on a projection of the Assessor's long-term share of contributions to the pension plan relative to the projected contributions of all participating assessors, actuarially determined. At September 30, 2022 the Assessor's proportion was 1.047331%, which was an increase of .000661% from its proportion measured as of September 30, 2021.

For the year ended December 31, 2022, the Assessor recognized pension expense of \$263,850 plus employer's amortization of change in proportionate share and differences between employer contributions and proportionate share of contributions of \$934. At December 31, 2022, the Assessor recognized deferred outflows of resources and deferred inflows of resources related to pension from the following:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 22,034	\$ 74,439
Changes of assumptions	237,868	-
Net difference between projected and actual earnings on pension plan investments	515,832	-
Changes in proportion and differences between Assessor contributions and proportionate share of contributions	-	133
Difference between employer and proportionate share of contributions	2,372	632
Assessor contributions subsequent to the measurement date	4,133	-
Total	\$ 782,239	\$ 75,204

The \$4,133 reported as deferred outflows of resources related to pensions resulting from the Assessor's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2022. Other amounts reported as deferred outflows and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

Year ended December 31:	
2023	\$ 171,536
2024	128,124
2025	154,248
2026	252,849
2027	(3,855)
Total	<u>\$ 702,902</u>

*Actuarial Methods and Assumptions*

*Net Pension Liability*

The net pension liability was measured as the portion of the present value of projected benefit payments to be provided through the pension plan to current active and inactive employees that is attributed to those employees' past periods of service, less the amount of the pension plan's fiduciary net position.

The components of the net pension liability of the Assessor are as follows:

Total pension liability	\$ 5,442,451
Plan fiduciary net position	<u>(4,748,665)</u>
Net pension liability	<u>\$ 693,786</u>

Plan fiduciary net position as a percentage of the total pension liability	87.25%
---	--------

The current year actuarial assumptions utilized for this report are based on the assumptions used in the September 30, 2022 actuarial funding valuation, which (with exception of mortality) were based on results of an actuarial experience study for the period October 1, 2014 – September 30, 2019. All assumptions selected were determined to be reasonable and represent expectations of future experience for the Fund.

Additional information on the actuarial methods and assumptions used as of September 30, 2022 actuarial valuation follows:

Actuarial Cost Method	Entry age normal
Investment Rate of Return (discount rate)	5.50%. net of pension plan investment expense, including inflation.
Inflation Rate	2.10%
Salary Increases	5.25%
Annuitant and Beneficiary Mortality	Pub-2010 Public Retirement Plans Mortality Table for General Healthy Retirees multiplied by 120% with full generational projection using the appropriate MP-2019 improvement scale.
Active Members Mortality	Pub-2010 Public Retirement Plans Mortality Table for General Employees multiplied by 120% with full generational projection using the appropriate MP-2019 improvement scale.

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

Disabled Lives Mortality

Pub-2010 Public Retirement Plans Mortality Table for General Disabled Retirees multiplied by 120% with full generational projection using the appropriate MP-2019 improvement scale.

*Discount Rate*

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation of 2.50% and an adjustment for the effect of rebalancing/diversification. The resulting long-term arithmetic nominal return was 8.37% as of September 30, 2022.

Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of September 30, 2022, are summarized in the following table:

<u>Asset Class</u>	<u>Long-Term Expected Real Rate of Return</u>
Domestic equity	7.50%
International equity	8.50%
Domestic bonds	2.50%
International bonds	3.50%
Real estate	4.50%
Alternative assets	5.87%

The projection of cash flows used to determine the discount rate assumes that contributions from plan members will be made at the current contribution rates and that contributions from the participating employers will be made at actuarially determined contribution rates, which are calculated in accordance with relevant statutes and approved by the Board of Trustees and the Public Retirement Systems' Actuarial Committee. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

The effects of certain other changes in the net pension liability are required to be included in pension expense over the current and future periods. The effects on the total pension liability of (1) changes of economic and demographic assumptions or of other inputs and (2) differences between expected and actual experience are required to be included in pension expense in a systematic and rational manner over a closed period equal to the average of the expected remaining service lives of all employees that are provided with benefits through the pension plan (active employees and inactive employees), determined as of the beginning of the measurement period. The effect on net pension liability of differences between the projected earnings on pension plan investments and actual experience with regard to those earnings is required to be included in pension expense in a systematic and rational manner over a closed period of five years, beginning with the current period. The expected remaining service lives for 2022 is 6 years.

*Sensitivity to Changes in Discount Rate*

The following presents the net pension liability of the Assessor calculated using the discount rate of 5.50%, as well as what the Fund's net pension liability would be if it were calculated using a discount rate that is one percentage point lower 4.50%, or one percentage point higher 6.50% than the current discount rate (assuming all other assumptions remain unchanged):

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

	Changes in Discount Rate:		
	1.00% Decrease	Current Discount Rate 5.50%	1.00% Increase
Net Pension Liability	\$ 1,314,161	\$ 693,786	\$ 166,807

**8. OTHER POSTEMPLOYMENT BENEFITS**

*General Information about the OPEB Plan*

*Plan description* – The Beauregard Parish Assessor (the Assessor) provides certain continuing health care and life insurance benefits for its retired employees. The Beauregard Parish Assessor’s OPEB Plan (the OPEB Plan) is a single-employer defined benefit OPEB plan administered by the Assessor. The authority to establish and/or amend the obligation of the employer, employees and retirees rests with the Assessor.

No assets are accumulated in a trust that meets the criteria in Governmental Accounting Standards Board (GASB) Codification Section P52 *Postemployment Benefits Other Than Pensions – Reporting For Benefits Not Provided Through Trusts That Meet Specified Criteria – Defined Benefit*.

*Benefits Provided* – Medical, dental, and life benefits are provided through comprehensive plans and are made available to employees upon actual retirement. Employees are covered by the Louisiana Assessors’ Retirement Fund, whose retirement eligibility (D.R.O.P. entry) provisions are as follows: Attainment of age 55 and 12 years of service; or, any age and 30 years of service; employees hired on and after October 1, 2013 are not able to retire or enter DROP until age 60 with 12 years of service; or, age 55 with 30 years of service. The retiree must also have 20 years of service for the retiree to receive employer contributions.

Life insurance coverage is provided to retirees and 100% of the blended rate (active and retired) is paid by the employer. The amount of insurance coverage while active is continued after retirement, but insurance coverage amounts are reduced to 50% of the original amount at age 70 or at retirement.

*Employees covered by benefit terms* – At December 31, 2022, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefit payments	5
Inactive employees entitled to but not yet receiving benefit payments	-
Active employees	7
	12

*Total OPEB Liability*

The Assessor’s total OPEB liability is \$2,396,811 as of the measurement date of December 31, 2022, the end of the fiscal year.

*Actuarial Assumptions and other inputs* – The total OPEB liability in the December 31, 2022 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Inflation	3.00%
Salary increases	3.00%, including inflation
Discount Rate	2.12% annually (Beginning of Year to Determine ADC)
	2.06% annually (As of End of Year Measurement Date)

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

Healthcare cost trend rates	Medical: 5.50% annually for 5 years decreasing to 4.14% after 52 years; Administrative: 3.00%; Dental: 4.00%
Mortality	Pub2010/2022

The discount rate was based on the Bond Buyers' 20 Year General Obligation municipal bond index as of December 31, 2022, the end of the applicable measurement period.

The actuarial assumptions used in the December 31, 2022 valuation were based on the results of ongoing evaluations of the assumptions from January 1, 2009 to December 31, 2022.

*Changes in the Total OPEB Liability*

Balance at December 31, 2021	\$ 2,899,376
Changes for the year:	
Service cost	\$ 73,176
Interest	60,481
Differences between expected and actual experience	362,749
Changes in assumptions	(953,525)
Benefit payments and net transfers	(45,446)
Net changes	<u>\$ (502,565)</u>
 Balance at December 31, 2022	 <u><u>\$ 2,396,811</u></u>

*Sensitivity of the total OPEB liability to changes in the discount rate* – The following presents the total OPEB liability of the Assessor, as well as what the Assessor's total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (1.06%) or 1-percentage-point higher (3.06%) than the current discount rate:

	1.00% Decrease (1.06%)	Current Discount Rate (2.06%)	1.00% Increase (3.06%)
Total OPEB liability	<u>\$ 2,807,602</u>	<u>\$ 2,396,811</u>	<u>\$ 2,064,602</u>

*Sensitivity of the total OPEB liability to changes in the healthcare cost trend rates* – The following presents the total OPEB liability of the Assessor, as well as what the Assessor's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1-percentage-point lower (4.50%) or 1-percentage-point higher (6.50%) than the current healthcare trend rates:

	1.00% Decrease (4.50%)	Current Trend (5.50%)	1.00% Increase (6.50%)
Total OPEB liability	<u>\$ 2,071,528</u>	<u>\$ 2,396,811</u>	<u>\$ 2,816,111</u>

*OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB*

For the year ended December 31, 2022, the Assessor recognized OPEB expense of \$181,626. At December 31, 2022, the Assessor reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Continued)

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 606,846	\$ 15,850
Changes in assumptions	379,356	927,431
Total	\$ 986,202	\$ 943,281

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year ended December 31:	
2023	\$ 47,969
2024	47,969
2025	47,969
2026	47,969
2027	47,969
Thereafter	(196,924)
Total	\$ 42,921

**9. ACCOUNTS AND OTHER PAYABLES**

The payables of \$7,744 at December 31, 2022, are as follows:

	General Fund
Accounts	\$ 7,433
Payroll withholdings payable	311
Total	\$ 7,744

**10. DEFERRED COMPENSATION PLAN**

The Beauregard Parish Assessor offers its employees participation in the State of Louisiana Public Employees Deferred Compensation Plan adopted by the Louisiana Deferred Compensation Commission and established in accordance with Internal Revenue Code Section 457. The plan, available to all Assessor employees, permits the employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or proof of hardship.

The assets of the plan are held in trust as described in the IRC section 457(g) for the exclusive benefit of the participants and their beneficiaries. The custodian thereof for the exclusive benefit of the participants holds the custodial account for the beneficiaries of this plan, and the assets may not be diverted to any other use. The administrators are agents of the employer for the purposes of providing direction to the custodian of the custodial account from time to time for the investment of the funds held in the account, and all other matters.

Complete disclosures relating to the plan are included in the separately issued audit report for the plan, available from the Louisiana Legislative Auditor, Post Office Box 94397, Baton Rouge, Louisiana, 70804-9397.

**11. EXPENDITURES OF THE ASSESSOR'S OFFICE PAID BY THE POLICE JURY**

The Assessor's office was located in the parish courthouse until July 1, 2008. The assessor's office is now located in the Beauregard Parish owned building located at 214 West 2<sup>nd</sup> Street, DeRidder, LA 70634. The cost of operating that building is paid by the Beauregard Parish Police Jury.

Beauregard Parish Assessor  
DeRidder, Louisiana

Notes to Financial Statements (Concluded)

**12. LONG –TERM OBLIGATIONS**

The following is a summary of the long-term obligation transactions for the ended December 31, 2022:

	Other Postemployment Benefits	Net Pension Liability (Asset)	Total
	<u>                    </u>	<u>                    </u>	<u>                    </u>
Long-term obligations at beginning of year	\$ 2,899,376	\$ (344,104)	\$ 2,555,272
Additions and other adjustments	(457,119)	1,060,899	603,780
Principal, other payments and adjustments	<u>(45,446)</u>	<u>(23,009)</u>	<u>(68,455)</u>
Long-term obligations at end of year	<u>\$ 2,396,811</u>	<u>\$ 693,786</u>	<u>\$ 3,090,597</u>

The following is a summary of the current (due in one year or less) and the long-term (due in more than one year) portions of long-term obligations as of December 31, 2022:

	Other Postemployment Benefits	Net Pension Liability (Asset)	Total
	<u>                    </u>	<u>                    </u>	<u>                    </u>
Current portion	\$ -	\$ -	\$ -
Long-term portion	2,396,811	693,786	3,090,597
Total	<u>\$ 2,396,811</u>	<u>\$ 693,786</u>	<u>\$ 3,090,597</u>

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
*GOVERNMENT AUDITING STANDARDS*

The Honorable Brent Rutherford, CLA  
Beauregard Parish Assessor  
DeRidder, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund of the Beauregard Parish Assessor, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Beauregard Parish Assessor's basic financial statements, and have issued our report thereon dated May 18, 2023.

### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Beauregard Parish Assessor's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Beauregard Parish Assessor's internal control. Accordingly, we do not express an opinion on the effectiveness of the Beauregard Parish Assessor's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Beauregard Parish Assessor's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Honorable Brent Rutherford, CLA  
Beauregard Parish Assessor  
DeRidder, Louisiana  
Page 2

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "J. M. Windham, CPA". The signature is written in a cursive style.

## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

The Honorable Brent Rutherford, CLA  
Beauregard Parish Assessor  
DeRidder, Louisiana

To the Beauregard Parish Assessor and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below on the control and compliance (C/C) areas identified in the Louisiana Legislative Auditor's (LLA's) Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period January 1, 2022 through December 31, 2022. Beauregard Parish Assessor's management is responsible for those C/C areas identified in the SAUPs.

Beauregard Parish Assessor has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPs for the fiscal period January 1, 2022 through December 31, 2022. Additionally, LLA has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

### *Written Policies and Procedures*

---

1. Obtain and inspect the entity's written policies and procedures and observe whether they address each of the following categories and subcategories if applicable to public funds and the entity's operations:
  - a) **Budgeting**, including preparing, adopting, monitoring, and amending the budget.
  - b) **Purchasing**, including (1) how purchases are initiated; (2) how vendors are added to the vendor list; (3) the preparation and approval process of purchase requisitions and purchase orders; (4) controls to ensure compliance with the Public Bid Law; and (5) documentation required to be maintained for all bids and price quotes.
  - c) **Disbursements**, including processing, reviewing, and approving.
  - d) **Receipts/Collections**, including receiving, recording, and preparing deposits. Also, policies and procedures should include management's actions to determine the completeness of all collections for each type of revenue or agency fund additions (e.g., periodic confirmation with outside parties, reconciliation to utility billing after cutoff procedures, reconciliation of traffic ticket number sequences, agency fund forfeiture monies confirmation).
  - e) **Payroll/Personnel**, including (1) payroll processing, (2) reviewing and approving time and attendance records, including leave and overtime worked, and (3) approval process for employee rates of pay or approval and maintenance of pay rate schedules.
  - f) **Contracting**, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process.

- g) **Travel and Expense Reimbursement**, including (1) allowable expenses, (2) dollar thresholds by category of expense, (3) documentation requirements, and (4) required approvers.
- h) **Credit Cards (and debit cards, fuel cards, purchase cards, if applicable)**, including (1) how cards are to be controlled, (2) allowable business uses, (3) documentation requirements, (4) required approvers of statements, and (5) monitoring card usage (e.g., determining the reasonableness of fuel card purchases).
- i) **Ethics**, including (1) the prohibitions as defined in Louisiana Revised Statute (R.S.) 42:1111-1121, (2) actions to be taken if an ethics violation takes place, (3) system to monitor possible ethics violations, and (4) a requirement that documentation is maintained to demonstrate that all employees and officials were notified of any changes to the entity's ethics policy.
- j) **Debt Service**, including (1) debt issuance approval, (2) continuing disclosure/EMMA reporting requirements, (3) debt reserve requirements, and (4) debt service requirements.
- k) **Information Technology Disaster Recovery/Business Continuity**, including (1) identification of critical data and frequency of data backups, (2) storage of backups in a separate physical location isolated from the network, (3) periodic testing/verification that backups can be restored, (4) use of antivirus software on all systems, (5) timely application of all available system and software patches/updates, and (6) identification of personnel, processes, and tools needed to recover operations after a critical event.
- l) **Prevention of Sexual Harassment**, including R.S. 42:342-344 requirements for (1) agency responsibilities and prohibitions, (2) annual employee training, and (3) annual reporting.

*Written policies and procedures obtained and address the functions listed.*

#### ***Board or Finance Committee – Not Applicable***

---

- 2. Obtain and inspect the board/finance committee minutes for the fiscal period, as well as the board's enabling legislation, charter, bylaws, or equivalent document in effect during the fiscal period, and:
  - a) Observe that the board/finance committee met with a quorum at least monthly, or on a frequency in accordance with the board's enabling legislation, charter, bylaws, or other equivalent document.
  - b) For those entities reporting on the governmental accounting model, observe whether the minutes referenced or included monthly budget-to-actual comparisons on the general fund, quarterly budget-to-actual, at a minimum, on proprietary funds, and semi-annual budget- to-actual, at a minimum, on all special revenue funds.  
*Alternately, for those entities reporting on the nonprofit accounting model, observe that the minutes referenced or included financial activity relating to public funds if those public funds comprised more than 10% of the entity's collections during the fiscal period.*
  - c) For governmental entities, obtain the prior year audit report and observe the unassigned fund balance in the general fund. If the general fund had a negative ending unassigned fund balance in the prior year audit report, observe that the minutes for at least one meeting during the fiscal period referenced or included a formal plan to eliminate the negative unassigned fund balance in the general fund.
  - d) Observe whether the board/finance committee received written updates of the progress of resolving audit finding(s), according to management's corrective action plan at each meeting until the findings are considered fully resolved.

#### ***Bank Reconciliations***

---

- 3. Obtain a listing of entity bank accounts for the fiscal period from management and management's representation that the listing is complete. Ask management to identify the entity's main operating account. Select the entity's main operating account and randomly select 4 additional accounts (or all accounts if less than 5). Randomly select one month from the fiscal period, obtain and inspect the corresponding bank statement and reconciliation for each selected account, and observe that:

- a) Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated or electronically logged);

*No exceptions noted.*

- b) Bank reconciliations include written evidence that a member of management or a board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation (e.g., initialed and dated, electronically logged); and

*No exceptions noted.*

- c) Management has documentation reflecting it has researched reconciling items that have been outstanding for more than 12 months from the statement closing date, if applicable.

*No exceptions noted.*

***Collections (excluding electronic funds transfers)***

---

4. Obtain a listing of deposit sites for the fiscal period where deposits for cash/checks/money orders (cash) are prepared and management's representation that the listing is complete. Randomly select 5 deposit sites (or all deposit sites if less than 5).
5. For each deposit site selected, obtain a listing of collection locations and management's representation that the listing is complete. Randomly select one collection location for each deposit site (i.e., 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if no written policies or procedures, then inquire of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that:
- a) Employees responsible for cash collections do not share cash drawers/registers;
- b) Each employee responsible for collecting cash is not also responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g., pre-numbered receipts) to the deposit;
- c) Each employee responsible for collecting cash is not also responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit; and
- d) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or agency fund additions, is (are) not responsible for collecting cash, unless another employee/official verifies the reconciliation.

*No cash collected at the Assessor's office.*

6. Obtain from management a copy of the bond or insurance policy for theft covering all employees who have access to cash. Observe that the bond or insurance policy for theft was in force during the fiscal period.

*No cash collected at the Assessor's office.*

7. Randomly select two deposit dates for each of the 5 bank accounts selected for Bank Reconciliations procedure #3 (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). *Alternately, the practitioner may use a source document other than bank statements when selecting the deposit dates for testing, such as a cash collection log, daily revenue report, receipt book, etc.* Obtain supporting documentation for each of the 10 deposits and:

- a) Observe that receipts are sequentially pre-numbered.

*No sequentially pre-numbered receipts.*

- b) Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.

*No exceptions noted.*

- c) Trace the deposit slip total to the actual deposit per the bank statement.

*No exceptions noted.*

- d) Observe the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100 and the cash is stored securely in a locked safe or drawer).

*No exceptions noted.*

- e) Trace the actual deposit per the bank statement to the general ledger.

*No exceptions noted.*

***Non-Payroll Disbursements (excluding card purchases, travel reimbursements, and petty cash purchases)***

---

8. Obtain a listing of locations that process payments for the fiscal period and management's representation that the listing is complete. Randomly select 5 locations (or all locations if less than 5).

9. For each location selected under procedure #8 above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, then inquire of employees about their job duties), and observe that job duties are properly segregated such that:

- a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order or making the purchase;

*The Assessor initiates the purchase request, approves the purchase and places the order.*

- b) At least two employees are involved in processing and approving payments to vendors;

*The Assessor approves all payments to vendors.*

- c) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files;

*The Assessor processes payments and can add or modify vendor files.*

- d) Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments; and

*No exceptions noted.*

- e) Only employees/officials authorized to sign checks approve the electronic disbursement (release) of funds, whether through automated clearinghouse (ACH), electronic funds transfer (EFT), wire transfer, or some other electronic means.

*Not applicable.*

*[Note: Findings related to controls that constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality) should not be reported.]*

10. For each location selected under #8 above, obtain the entity's non-payroll disbursement transaction population (excluding cards and travel reimbursements) and obtain management's representation that the population is complete. Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction, and:

- a) Observe whether the disbursement, whether by paper or electronic means, matched the related original itemized invoice and supporting documentation indicates that deliverables included on the invoice were received by the entity, and

*No exceptions noted.*

- b) Observe whether the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under #9, as applicable.

*No exceptions noted.*

- 11. Using the entity's main operating account and the month selected in Bank Reconciliations procedure #3, randomly select 5 non-payroll-related electronic disbursements (or all electronic disbursements if less than 5) and observe that each electronic disbursement was (a) approved by only those persons authorized to disburse funds (e.g., sign checks) per the entity's policy, and (b) approved by the required number of authorized signers per the entity's policy. Note: If no electronic payments were made from the main operating account during the month selected the practitioner should select an alternative month and/or account for testing that does include electronic disbursements.

*No exceptions noted.*

***Credit Cards/Debit Cards/Fuel Cards/P-Cards***

---

- 12. Obtain from management a listing of all active credit cards, bank debit cards, fuel cards, and purchase cards (cards) for the fiscal period, including the card numbers and the names of the persons who maintained possession of the cards. Obtain management's representation that the listing is complete.
- 13. Using the listing prepared by management, randomly select 5 cards (or all cards if less than 5) that were used during the fiscal period. Randomly select one monthly statement or combined statement for each card (for a debit card, randomly select one monthly bank statement). Obtain supporting documentation, and:
  - a) Observe whether there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) were reviewed and approved, in writing (or electronically approved), by someone other than the authorized card holder (those instances requiring such approval that may constrain the legal authority of certain public officials, such as the mayor of a Lawrason Act municipality, should not be reported); and:

*The cardholder, the Assessor, reviews and approves all card transactions.*

- b) Observe that finance charges and late fees were not assessed on the selected statements.

*No exceptions noted.*

- 14. Using the monthly statements or combined statements selected under #13 above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (e.g., each card should have 10 transactions subject to testing). For each transaction, observe it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and observe whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

*No exceptions noted.*

***Travel and Travel-Related Expense Reimbursements (excluding card transactions)***

---

- 15. Obtain from management a listing of all travel and travel-related expense reimbursements during the fiscal period and management's representation that the listing or general ledger is complete. Randomly select 5 reimbursements and obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation. For each of the 5 reimbursements selected:
  - a) If reimbursed using a per diem, observe that the approved reimbursement rate is no more than those rates established either by the State of Louisiana or the U.S. General Services Administration ([www.gsa.gov](http://www.gsa.gov));

- b) If reimbursed using actual costs, observe that the reimbursement is supported by an original itemized receipt that identifies precisely what was purchased;
- c) Observe that each reimbursement is supported by documentation of the business/public purpose (for meal charges, observe that the documentation includes the names of those individuals participating) and other documentation required by Written Policies and Procedures procedure #1h; and
- d) Observe that each reimbursement was reviewed and approved, in writing, by someone other than the person receiving reimbursement.

*No exceptions noted.*

### ***Contracts***

---

16. Obtain from management a listing of all agreements/contracts for professional services, materials and supplies, leases, and construction activities that were initiated or renewed during the fiscal period. *Alternately, the practitioner may use an equivalent selection source, such as an active vendor list.* Obtain management's representation that the listing is complete. Randomly select 5 contracts (or all contracts if less than 5) from the listing, excluding the practitioner's contract, and:
- a) Observe whether the contract was bid in accordance with the Louisiana Public Bid Law (e.g., solicited quotes or bids, advertised), if required by law;
  - b) Observe whether the contract was approved by the governing body/board, if required by policy or law (e.g., Lawrason Act, Home Rule Charter);
  - c) If the contract was amended (e.g., change order), observe the original contract terms provided for such an amendment and that amendments were made in compliance with the contract terms (e.g., if approval is required for any amendment, the documented approval); and
  - d) Randomly select one payment from the fiscal period for each of the 5 contracts, obtain the supporting invoice, agree the invoice to the contract terms, and observe that the invoice and related payment agreed to the terms and conditions of the contract.

*No exceptions noted.*

### ***Payroll and Personnel***

---

17. Obtain a listing of employees and officials employed during the fiscal period and management's representation that the listing is complete. Randomly select 5 employees or officials, obtain related paid salaries and personnel files, and agree paid salaries to authorized salaries/pay rates in the personnel files.
- No exceptions noted.*
18. Randomly select one pay period during the fiscal period. For the 5 employees or officials selected under #17 above, obtain attendance records and leave documentation for the pay period, and:
- a) Observe that all selected employees or officials documented their daily attendance and leave (e.g., vacation, sick, compensatory);
  - b) Observe whether supervisors approved the attendance and leave of the selected employees or officials;
  - c) Observe that any leave accrued or taken during the pay period is reflected in the entity's cumulative leave records; and
  - d) Observe the rate paid to the employees or officials agrees to the authorized salary/pay rate found within the personnel file.

*No exceptions noted.*

19. Obtain a listing of those employees or officials that received termination payments during the fiscal period and management's representation that the list is complete. Randomly select two employees or officials and obtain related documentation of the hours and pay rates used in management's termination payment calculations and the entity's policy on termination payments. Agree the hours to the employee's or officials' cumulative leave records, agree the pay rates to the employee's or officials' authorized pay rates in the employee's or officials' personnel files, and agree the termination payment to entity policy.

*No exceptions noted.*

20. Obtain management's representation that employer and employee portions of third-party payroll related amounts (e.g., payroll taxes, retirement contributions, health insurance premiums, garnishments, workers' compensation premiums, etc.) have been paid, and any associated forms have been filed, by required deadlines.

*No exceptions noted.*

### ***Ethics***

---

21. Using the 5 randomly selected employees/officials from Payroll and Personnel procedure #17 obtain ethics documentation from management, and:

- a) Observe whether the documentation demonstrates that each employee/official completed one hour of ethics training during the calendar year as required by R.S. 42:1170; and

*No exceptions noted.*

- b) Observe whether the entity maintains documentation which demonstrates that each employee and official was notified of any changes to the entity's ethics policy during the fiscal period, as applicable.

*Not applicable.*

22. Inquire and/or observe whether the agency has appointed an ethics designee as required by R.S. 42:1170.

*No exceptions noted.*

### ***Debt Service – Not Applicable***

---

23. Obtain a listing of bonds/notes and other debt instruments issued during the fiscal period and management's representation that the listing is complete. Select all debt instruments on the listing, obtain supporting documentation, and observe that State Bond Commission approval was obtained for each debt instrument issued as required by Article VII, Section 8 of the Louisiana Constitution.

24. Obtain a listing of bonds/notes outstanding at the end of the fiscal period and management's representation that the listing is complete. Randomly select one bond/note, inspect debt covenants, obtain supporting documentation for the reserve balance and payments, and agree actual reserve balances and payments to those required by debt covenants (including contingency funds, short-lived asset funds, or other funds required by the debt covenants).

### ***Fraud Notice***

---

25. Obtain a listing of misappropriations of public funds and assets during the fiscal period and management's representation that the listing is complete. Select all misappropriations on the listing, obtain supporting documentation, and observe that the entity reported the misappropriation(s) to the legislative auditor and the district attorney of the parish in which the entity is domiciled as required by R.S. 24:523.

*Not applicable.*

26. Observe the entity has posted, on its premises and website, the notice required by R.S. 24:523.1 concerning the reporting of misappropriation, fraud, waste, or abuse of public funds.

*No exceptions noted.*

***Information Technology Disaster Recovery/Business Continuity***

---

27. Perform the following procedures, **verbally discuss the results with management, and report “We performed the procedure and discussed the results with management.”**
- a) Obtain and inspect the entity’s most recent documentation that it has backed up its critical data (if there is no written documentation, then inquire of personnel responsible for backing up critical data) and observe evidence that such backup (a) occurred within the past week, (b) was not stored on the government’s local server or network, and (c) was encrypted.
  - b) Obtain and inspect the entity’s most recent documentation that it has tested/verified that its backups can be restored (if there is no written documentation, then inquire of personnel responsible for testing/verifying backup restoration) and observe evidence that the test/verification was successfully performed within the past 3 months.
  - c) Obtain a listing of the entity’s computers currently in use and their related locations, and management’s representation that the listing is complete. Randomly select 5 computers and observe while management demonstrates that the selected computers have current and active antivirus software and that the operating system and accounting system software in use are currently supported by the vendor.

*No exceptions noted. We performed the procedures and discussed the results with management.*

28. Randomly select 5 terminated employees (or all terminated employees if less than 5) using the list of terminated employees obtained in procedure #19. Observe evidence that the selected terminated employees have been removed or disabled from the network.

*Not applicable.*

***Prevention of Sexual Harassment***

---

29. Using the 5 randomly selected employees/officials from Payroll and Personnel procedure #17, obtain sexual harassment training documentation from management, and observe that the documentation demonstrates each employee/official completed at least one hour of sexual harassment training during the calendar year as required by R.S. 42:343.

*No exceptions noted.*

30. Observe that the entity has posted its sexual harassment policy and complaint procedure on its website (or in a conspicuous location on the entity’s premises if the entity does not have a website).

*No exceptions noted.*

31. Obtain the entity’s annual sexual harassment report for the current fiscal period, observe that the report was dated on or before February 1, and observe that the report includes the applicable requirements of R.S. 42:344:

- a) Number and percentage of public servants in the agency who have completed the training requirements;

*No exceptions noted.*

- b) Number of sexual harassment complaints received by the agency;

*Not applicable.*

- c) Number of complaints which resulted in a finding that sexual harassment occurred;

*Not applicable.*

- d) Number of complaints in which the finding of sexual harassment resulted in discipline or corrective action; and

*Not applicable.*

- e) Amount of time it took to resolve each complaint.

*Not applicable.*

The Honorable Brent Rutherford, CLA  
Beauregard Parish Assessor  
DeRidder, Louisiana

We were engaged by the Beauregard Parish Assessor to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Beauregard Parish Assessor and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.

Windham & Reed CPA, L.L.C.  
DeRidder, Louisiana
