INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
Capitol Area Re-Entry Program, Inc
Baton Rouge, Louisiana

We have reviewed the accompanying financial statements of Capitol Area Re-Entry Program, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America. We believe the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The schedule of compensation, benefits, and other payments to agency head reported on page 18 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. We have not audited or reviewed such information and, accordingly, we do not express an opinion, a conclusion, nor provide any assurance on it.

NOTES TO THE FINANCIAL STATEMENTS

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies for Capitol Area Re-Entry Program, Inc. (the Organization) is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Organization's management, which is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and have been consistently applied in the preparation of the financial statements.

Nature of operations

Capitol Area Re-Entry Program, Inc., was organized and incorporated in 2006 to address the health of the Baton Rouge community, by redefining re-entry in Baton Rouge through a holistic approach to routine screening, compassionate engagement, and harm reductive services aimed to reduce health disparities among people who inject drugs and LGBTQ+ individuals.

Method of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Fair value of financial instruments

The carrying value of cash and cash equivalents reported in the accompanying statement of financial position approximate fair value due to the short maturities and liquidity of those instruments.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The Organization regularly assesses these estimates and, while actual results could differ, management believes that the estimates are reasonable.

Significant estimates included in or affecting the presentation of the accompanying financial statements include provisions for doubtful accounts receivable and estimated useful lives of property and equipment.

CAPITOL AREA RE-ENTRY PROGRAM, INC.
Baton Rouge, Louisiana

NOTES TO THE FINANCIAL STATEMENTS

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of presentation

Net assets of the Organization and changes therein are classified and reported as follows:

Without donor restrictions – Net assets that are not subject to donor-imposed stipulations. This also includes previously restricted gifts and grants for buildings and equipment that have been placed into service.

With donor restrictions – Net assets subject to donor-imposed stipulations that will be met either by actions of the Organization and/or the passage of time. Items that affect this net asset category are gifts for which donor-imposed restrictions have not been met in the year of receipt, including gifts and pledges for buildings and equipment not yet placed in service. Also included in this net asset category are net assets subject to donor-imposed restrictions to be maintained permanently by the Organization, including gifts and pledges wherein donors stipulate that the corpus of the gift be held in perpetuity and that only income be made available for program operations.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed stipulations. Expenses are recorded as decreases in net assets without donor restrictions. Gains and losses on assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated passage of time has elapsed) are reported as net assets released from restrictions.

For the year ended December 31, 2023, the Organization received no revenues subject to donor restrictions and no net assets subject to donor restrictions are reported in the accompanying financial statements.

Cash and cash equivalents

For the purpose of the statement of cash flows, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Accounts and other receivables

Accounts receivable in the accompanying financial statements represent revenues under billings that have been earned but not yet collected. Provision for doubtful accounts is made to maintain adequate reserves to cover anticipated losses based upon management's evaluation of the collectability of accounts receivable. As of December 31, 2023, management believes that all receivables would be fully collectible. Therefore, no allowance for doubtful accounts is included in the accompanying financial statements.

Baton Rouge, Louisiana

NOTES TO THE FINANCIAL STATEMENTS

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and equipment

All purchased property and equipment is stated at cost. Expenditures for maintenance, repairs, and minor renewals are expensed as incurred. Major expenditures for renewals and betterments are capitalized.

As a general rule, when items are retired or otherwise disposed, accumulated depreciation is reduced by the accumulated amount of depreciation applicable thereto. Any gain or loss from such retirement or disposal is credited or charged to income in the year of disposal.

Depreciation and amortization

Depreciation is computed on the straight-line method over the estimated useful lives of the various classes of depreciable assets, ranging from five to seven years.

The useful lives are estimated based on historical experience with similar assets, taking into account anticipated technological or other changes. The Organization periodically reviews these lives relative to physical factors, economic factors, and industry trends. If there are changes in the planned use of property and equipment or if technological changes occur more rapidly than anticipated, the useful lives assigned to those assets may be shortened, resulting in the recognition of increased depreciation expense in future periods.

Revenue recognition

The Organization reports contributions as support with donor restrictions if they are received with donor or grantor restrictions that limit the use of the contributions. When a restriction expires (i.e., when a stipulated time restriction ends or a purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions are considered to be available for unrestricted use and recorded as such, unless specifically restricted by the donor.

Revenues from government agency contracts and fees are recognized in the period in which the Organization provides the service.

Income taxes

The Organization is a not-for-profit organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision or liability for federal income taxes has been included in the accompanying financial statements.

CAPITOL AREA RE-ENTRY PROGRAM, INC.
Baton Rouge, Louisiana

NOTES TO THE FINANCIAL STATEMENTS

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Advertising

The Organization expenses the production costs of advertising when funds are expended for those costs. For the year ended December 31, 2023, the Organization recognized no advertising costs.

Functional allocation of expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Expenses that are allocated include: payroll and related expenses, which are allocated based on estimates of time and effort; contract services, which are allocated based on the various functions provided; and occupancy costs, which are allocated based on facility usage.

Management of liquid resources

The Organization is primarily funded by contracts with local school boards. The Organization also receives contributions and grants that may contain restrictions. Those restrictions require that resources be used in a certain manner or in a future period. Therefore, the Organization must maintain adequate resources to meet those responsibilities to its donors and certain financial assets may not be available for general expenditure within one year. As part of its liquidity management, the Organization has a goal to structure its financial assets to be available as general expenditures, liabilities, and other obligations become due.

Subsequent events

In preparing the accompanying financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through September 19, 2024, the date the financial statements were available to be issued.

NOTE B – CASH AND CASH EQUIVALENTS

Cash and cash equivalents as of December 31, 2023, were as follows.

This lease expired in October 2021, and the Organization continues to use the facilities under a month-to-month lease.

Available borrowing under this line of credit totaled \$336 as of December 31, 2023.

The Organization had no other long-term liabilities outstanding as of December 31, 2023.

NOTE E – SIGNIFICANT CONCENTRATIONS OF RISK

INDEPENDENT ACCOUNTANT'S REPORT ON
APPLYING AGREED-UPON PROCEDURES

To the Board of Trustees of Capitol Area Re-Entry Program, Inc.
and the Legislative Auditor, State of Louisiana

We have performed the procedures enumerated below on Capitol Area Re-Entry Program, Inc.'s compliance with certain laws and regulations contained in the accompanying Louisiana Attestation Questionnaire during the fiscal year ended December 31, 2023, as required by Louisiana Revised Statute 24:513 and the *Louisiana Governmental Audit Guide*. The Organization's management is responsible for the procedures listed below and is responsible for its financial records and compliance with applicable laws and regulations.

The Organization has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the Organization's compliance with the laws and regulations contained in the accompanying Louisiana Attestation Questionnaire during the fiscal year ended December 31, 2023. Additionally, the Louisiana Legislative Auditor has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

Federal, State, and Local Awards

1. Obtain the list of federal, state, and local government grant award expenditures for the fiscal year, by grant and grant year, from the Agency's management

For the year under examination, the Organization received funds under one state contract.

2. For each federal, state, and local grant award, randomly select six disbursements from each grant administered during the fiscal year, provided that no more than 30 disbursements are selected.

Six random disbursements were selected without exception.

3. Obtain documentation for the disbursements selected in Procedure 2. Compare the selected disbursements to supporting documentation, and report whether the disbursements agree to the amount and payee in the supporting documentation

Documentation for the selected disbursements was obtained and examined. Supporting documentation for all transactions agreed with the amount and payee noted in the disbursements.

4. Report whether the selected disbursements were coded to the correct fund and general ledger account.

No exceptions were noted

5. Report whether the selected disbursements were approved in accordance with the Agency's policies and procedures.

None of the selected disbursement indicated review or approval by Organization officials, other than signatures on check disbursements as applicable.

6. For each selected disbursement made for federal grant awards, obtain the *Compliance Supplement* for the applicable federal program. For each disbursement made for a state or local grant award, or for a federal program not included in the *Compliance Supplement*, obtain the grant agreement. Compare the documentation for each disbursement to the program compliance requirements or the requirements of the grant agreement relating to activities allowed or unallowed, eligibility, and reporting, and report whether the disbursements comply with those requirements.

Funds received during the fiscal year were for contract services, and no federal or state grant funds were received.

7. Obtain the close-out reports, if required, for any program selected in Procedure 2 that was closed out during the fiscal year. Compare the close-out reports, if applicable, with the Agency's financial records, and report whether the amounts in the close-out reports agree with the Agency's financial records.

No close-out reports were required.

Open Meetings

8. Obtain evidence from management that agendas for meetings recorded in the minute book were posted as required by Louisiana Revised Statute 42:11 through 42:28 (the open meetings law), and report whether there were any exceptions.

Management of the Organization does not believe it is subject to the open meetings law, in accordance with Attorney General Opinion No. 13-0043.

Budget

9. For each grant exceeding five thousand dollars, obtain the comprehensive grant budgets that the agency provided to the applicable federal, state, or local grantor agency. Report whether the budgets for federal, state, and local grants included the purpose and duration of the grants, and whether budgets for state grants also included specific goals, objective, and measures of performance.

Funds received during the fiscal year were for contract services, and no grant budgets were required.

State Audit Law

10. Report whether the agency provided for a timely report in accordance with R.S. 24:513

The Organization did not timely submit its report for the year ended December 31, 2023.

11. Inquire of management and report whether the agency entered into any contracts that utilized state funds as defined in R.S. 39:72.1.A (2) and that were subject to the public bid law (R.S. 38:2211, et seq.) while the agency was not in compliance with R.S. 24:513 (the audit law).

Per our inquiries of management, no contracts that utilize state funds and that were subject to the public bid law were entered into while the Organization was not in compliance with the audit law.

Prior Year Comments

12. Obtain and report management's representation as to whether any prior year suggestions, recommendations, and/or comments have been resolved

No findings, suggestions, recommendations, or comments were noted in the accountant's compilation report for the prior year.

We were engaged by the Organization to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standard*, issued by the United States Comptroller General. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Organization's compliance with the foregoing matters. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of Capitol Area Re-Entry Program, Inc., and to meet our ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on the Organization's compliance with certain laws and regulations contained in the accompanying Louisiana Attestation Questionnaire, as required by Louisiana Revised Statute 24:513 and the *Louisiana Governmental Audit Guide*, and the result of that testing, and not to provide an opinion on control or compliance.
