INDEPENDENT AUDITOR'S REPORT

To the Chief Defender
Eleventh and Forty-Second Judicial Districts
Indigent Defender Fund
State of Louisiana

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinions

We have audited the accompanying financial statements of the governmental activities and the major fund of the Indigent Defender Fund for the Eleventh and Forty-Second Judicial Districts (the Public Defender), a component unit of the Louisiana Public Defender Board, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Public Defender's basic financial statements as listed in the table of contents.

In our *opinion*, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Public Defender, as of June 30, 2024, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Public Defender and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Public Defender's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not

a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Public Defender's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Public Defender's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require the information listed below to supplement the basic financial statements.

- Management's discussion and analysis
- Budgetary Comparison Information

Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplemental Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Public Defender's basic financial statements. The supplemental information listed below is

***Indigent Defender Fund

- Governmental Fund Revenues, Expenditures, and Changes in Fund Balance by District
- The Schedule of Compensation, Benefits and Other Payments to Agency Head or Chief Executive Officer
- Justice System Funding Schedules – Receiving Entity

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other supplemental information are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standard

In accordance with *Government Auditing Standards*, we have also issued our report dated December 04, 2024, on our consideration of the Public Defender's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Court's internal control over financial reporting and compliance.

Management's Discussion and Analysis
For the Year Ending June 30, 2024

This section of the Eleventh and Forty-second Judicial Districts Indigent Defender Fund's (Indigent Defender Fund) annual financial report presents our discussion and analysis of the Indigent Defender Fund's financial performance during the year ending June 30, 2024. We encourage readers to consider the information presented here in conjunction with the Indigent Defender Fund's basic financial statements and supplementary information in assessing the efficiency and effectiveness of our stewardship of public resources.

As noted in previous years' Management and Discussion, pursuant to Act No. 416 of the 2007 Regular Session of the Louisiana Legislature, the former 11th Judicial District, which was comprised of Sabine and DeSoto Parishes, was split along parish boundaries as of January 1, 2009. Sabine Parish became the "new" 11th Judicial District; and DeSoto Parish became the newly created 42nd Judicial District. One chief defender operates the two districts under a cooperative endeavor agreement as a single entity.

FINANCIAL HIGHLIGHTS

The Eleventh and Forty-second Judicial Districts Indigent Defender Fund experienced an increase in its net position of \$35,738 (18.20%) during the year ended June 30, 2024. At June 30, 2024, the assets of the Fund exceeded its liabilities by \$232,072.

The Fund's total general and program revenues were \$893,389 during the year ended June 30, 2024, compared to \$731,102 during year ended June 30, 2023.

The Fund's governmental fund reported a total ending fund balance this year of \$203,609. This compares to the prior year ending fund balance of \$183,033, showing an increase of \$20,576 (11.24%) for the current year.

OVERVIEW OF FINANCIAL STATEMENTS

This Management Discussion and Analysis document introduces the basic financial statements which include 1) governmental fund financial statements, 2) government-wide financial statements and 3) notes to the financial statements. The two types of financial statements present the Fund's financial position and results of operations from differing perspectives. A reconciliation is provided to facilitate the comparison between the governmental fund statements and the government-wide statements. The components of the financial statements are described below:

Fund Financial Statements

Fund financial statements provide detailed information regarding the Indigent Defender Fund's most significant activities and are not intended to provide information for the Indigent Defender Fund as a whole. Funds are accounting devices that are used to account for specific sources of revenues. All of the Indigent Defender Fund's funds are limited to its *general fund*, which is classified as a Governmental Fund. The *general fund* uses a modified accrual basis of accounting that focuses on near-term inflows, outflows, and balances of spendable resources. Assets reported by the *general fund* are limited to amounts that are available for current needs. In addition, liabilities are limited to amounts that are expected to be paid from currently available assets. Unassigned fund balance may serve as a useful measure of a government's net resources at the end of the fiscal year.

Government-Wide Financial Statements

The *government-wide financial statements* report information about the Indigent Defender Fund as a whole using accounting methods similar to those used by private-sector companies. These report all revenues and expenses regardless of when cash is received or paid. The *statement of net position* presents information on all the Indigent Defender Fund's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Indigent Defender Fund is improving or deteriorating. The *statement of activities* presents information showing how the net position changed during the most recent period. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of timing of related cash flows.

Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Required Supplementary Information

In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information*. The Indigent Defender Fund adopts an annual budget for the general fund. A budgetary comparison statement is provided to demonstrate budgetary compliance.

Other Supplementary Information

A statement of activities by district is included for additional analysis purposes only and is not required for fair presentation in accordance with generally accepted accounting principles. The schedule of compensation, benefits and other payments to agency head or chief executive officer is presented to fulfill the requirements of Louisiana Revised Statute 24:513(A)(3). The justice system funding reporting schedules are presented to fulfill the requirements of Louisiana Revised Statute 24:515.2.

At June 30, 2024, \$1,950 (0.84%) of the Indigent Defender Fund's net position reflects its investment in capital assets such as equipment and right-of-use assets less \$48,537 in outstanding debt (lease obligations) related to these assets. These assets are not available for future spending.

An analysis of the government-wide Statement of Activities is presented as follows:

	Year Ended June 30, 2024	Year Ended June 30, 2023

As the accompanying presentation demonstrates, the Indigent Defender Fund has increased its reserves by \$35,738 at June 30, 2024. Approximately 48.01% (\$428,840) of the Fund's total revenues were derived through charges for services (court, bond and other related fees) compared to 44.98% (\$328,840) for the year ended June 30, 2023.

The Indigent Defender Fund received \$464,270 (51.97%) and \$401,814 (54.96%) of its total revenues from Louisiana state appropriations during the years ended June 30, 2024, and June 30, 2023, respectively. State Defender Assistance to the 11th District increased \$26,727 or 7.86% from \$339,847 in the year ending June 30, 2023 to \$366,574 in the year ending June 30, 2024. State Defender Assistance to the 42nd District increased \$35,728 or 57.66% from \$61,967 in the year ending June 30, 2023 to \$97,695 in the year ending June 30, 2024.

FINANCIAL ANALYSIS OF THE FUND'S FUND

For the year ended June 30, 2024, differences between the government-wide presentation and the fund financial statements were due to prepaid insurance, depreciation changes associated with capital assets, and amortization charges and principal payments on a lease of a right-of-use asset.

BUDGETARY HIGHLIGHTS

Formal budgetary integration is employed as a management control device during the fiscal year. The budget policy of the Indigent Defender Fund complies with state law, as amended, and as set forth in Louisiana Revised Statutes Title 39, Chapter 9, Louisiana Local Government Budget Act (LSA-RS 39:1301 et seq.). NOTES TO THE FINANCIAL STATEMENTS
As of and for the Year Ended June 30, 2024

INTRODUCTION

The Eleventh and Forty-second Judicial Districts Indigent Defender Fund (Indigent Defender Fund) was established to provide and compensate counsel appointed to represent indigents in criminal and quasi-criminal cases on the district court level. The district fund is regulated by the Louisiana Public Defender Board established by Louisiana Revised Statute 15:141-184 to provide effective legal representation to criminal defendants who are unable to afford an attorney, consistent with the right to counsel in criminal courts, mindful of the need for law and order and an appreciation of victim's rights. The Indigent Defender Fund is administered by district public defenders who are contracted with the Louisiana Public Defender Board to provide for the delivery and management of public defender services within the judicial district. Offices for the Eleventh and Forty- Second Indigent Defender Fund are maintained in Mansfield, Louisiana.

Pursuant to Act No. 416 of the 2007 Regular Session of the Louisiana Legislature, the former 11th Judicial District, which was comprised of Sabine and DeSoto Parishes, was split along parish boundaries as of January 1, 2009. Sabine Parish became the "new" Eleventh Judicial District; and DeSoto Parish became the newly created Forty-second Judicial District. Whereas Act No. 416 made provisions for judges, law clerks, court reporters, and the district attorney and assistants, it made no provisions for public defender services of the districts after the split. One Chief Defender operates the two districts under a cooperative endeavor agreement as one entity. The agreement expires June 30, 2027. The Louisiana State Attorney General issued an opinion (Opinion 09-0212) on December 22, 2009, concluding that the cooperative endeavor agreement is permissible under the Louisiana Constitution Article VII, Section 14(A) and (C).

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying basic financial statements of the Eleventh and Forty-second Judicial Districts Indigent Defender Fund have been prepared in conformity with governmental accounting principles generally accepted (GAAP) in the United States of America. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The accompanying basic financial statements have been prepared in conformity with GASB Statement 34, *Basic Financial Statements-and Management's Discussion and Analysis—for State and Local Governments*, issued in June 1999. Such accounting and reporting policies also conform to the requirements of Louisiana Revised Statutes 24:517 and to the guides set forth in the Louisiana Governmental Audit Guide.

The more significant accounting policies established in GAAP and used by the Eleventh and Forty-second Judicial Districts Indigent Defender Fund are discussed below.

A. REPORTING ENTITY

For financial reporting purposes, in conformity with Governmental Accounting Standards Board (GASB) Statement No. 14, the Eleventh and Forty-second Judicial Districts Indigent Defender Fund is a part of the operations of the district court system. However, the state statutes that create the indigent defender funds also gives the funds control over their operations including hiring and retention of employees, authority over budgeting, responsibility for deficits, and the receipt and disbursement of monies. The Eleventh and Forty-second Judicial Districts Indigent Defender Fund is financially independent and operated autonomously from the State of Louisiana and independently from the district court system. Therefore, the Indigent Defender Fund reports as an independent reporting entity and the financial statements include only the transactions of the Eleventh and Forty-second Judicial Districts Indigent Defender Fund.

NOTES TO THE FINANCIAL STATEMENTS
As of and for the Year Ended June 30, 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. BASIS OF PRESENTATION – BASIC FINANCIAL STATEMENTS

The Indigent Defender Fund's basic financial statements include both government-wide (reporting the Fund as a whole) and fund financial statements (reporting the Fund's major fund).

Governmental Fund Statements

The accounts of the Indigent Defender Fund are organized on the basis of funds. A fund is an independent fiscal and accounting entity with a separate set of self-balancing accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds maintained is consistent with legal and managerial requirements.

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income.

A fund is considered major if it is the primary operating fund of the entity. The Indigent Defender Fund maintains only one governmental fund.

General Fund. The General Fund is the primary operating fund of the Indigent Defender Fund. It is used to account for and report all financial resources except those required to be accounted for in another fund.

Government-Wide Statements

In the government-wide Statement of Net Position, the governmental activities column is presented on a consolidated basis, and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations, if appropriate.

The government-wide Statement of Activities reports both the gross and net cost of the Indigent Defender Fund's judicial function. This function is also supported by general government revenues (in this case interest revenue.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, operating and capital grants. Program revenues must be directly associated with the judicial function. Operating grants include operating-specific and discretionary grants.

This government-wide focus is more on the sustainability of the Indigent Defender Fund as an entity and the change in the Indigent Defender Fund's net position resulting from the current year's activities.

C. MEASUREMENT FOCUS / BASIS OF ACCOUNTING

Measurement focus is a term used to describe "which" transactions are recorded within the various financial statements. Basis of accounting refers to "when" revenues or expenditures, expenses, and transfers—and assets, deferred outflows of resources, liabilities, and deferred inflows of resources—are recognized in the accounts and reported in the financial statements.

C. MEASUREMENT FOCUS / BASIS OF ACCOUNTING (continued)

Accrual Basis—Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities have been prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange or exchange-like transactions are recognized when the exchange occurs (regardless of when cash is received or disbursed).

Modified Accrual Basis—Governmental Fund Financial Statements

The governmental fund financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Intergovernmental revenues and grants are recognized when all eligibility requirements are met and the revenues are available. State government appropriations and revenue collected on the Fund's behalf by other local governments are recorded in the year the Fund is entitled to the funds. Fees collected by the Fund are recognized in the period in which they are received. Interest income on demand deposits is recorded monthly when the interest is earned and credited to the Fund's account. Interest income on time deposits is accrued at year end. Salaries and related benefits are recorded when employee services are provided. Purchases of various operating supplies are recorded as expenditures in the accounting period in which they are purchased. Substantially all other expenditures are recognized when the related fund liability is incurred.

D. ASSETS, LIABILITIES, AND EQUITY

Cash and Interest-bearing deposits

Cash includes amounts in interest-bearing demand deposits and certificates of deposit. Under state law, the Fund may deposit funds with a fiscal agent organized under the laws of Louisiana, the laws of any other state in the union, or the laws of the United States. The Fund may invest in United States bonds, treasury notes and bills, government-backed agency securities, or certificates and time deposits of state banks organized under Louisiana law and national banks having principal offices in Louisiana.

Accounts Receivable

Substantially all receivables are considered to be fully collectible, and no allowance for uncollectibles is used.

Prepaid Expenses

Payments made to vendors for insurance that will benefit periods beyond June 30, 2024 are recorded as prepaid expenses.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. ASSETS, LIABILITIES, AND EQUITY (continued)

Capital Assets

Capital assets which include property, plant, equipment, and right-of-use leased assets, are reported in the governmental activities column in the government-wide financial statements. Under GASB 87, the Indigent Defender Fund recognizes all leases over one year in term, with a present value of future lease payments exceeding \$7,500 as right-of-use assets. For recognized right-of-use asset leases, the present value of the future lease payments are amortized over the term of the leases. All other Capital assets are capitalized at historical cost. The Indigent Defender Fund maintains a threshold level of \$1,000 or more for capitalizing capital assets other than right-of-use assets. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Capital assets are recorded in the Statement of Net Position and Statement of Activities. Since surplus assets are sold for an immaterial amount when declared as no longer needed for public purposes, no salvage value is taken into consideration for depreciation purposes.

All capital assets, other than land and right-of-use assets, are depreciated using the straight-line method generally over five years. Depreciation and amortization is reported as an expense in the statement of activities, with accumulated depreciation and amortization reflected in the statement of net position. Assets reported in the fund financial statements for governmental funds exclude capital assets. The governmental funds financial statements report the acquisition of capital assets as expenditures.

Equity Classifications

Net Position

The Fund classifies net position in the government-wide financial statements, as follows:

- Net investment in capital assets – consists of net capital assets reduced by outstanding balances of any related debt obligations and deferred inflows of resources attributable to the acquisition, construction, or improvement of those assets and increase by balances of deferred outflows of resources related to those assets.
- Restricted net position – net position is considered restricted if their use is constrained to a particular purpose. Restrictions are imposed by external organizations such as federal or state laws or buyers of the Fund's bonds. Restricted net position is reduced by liabilities and deferred inflows of resources related to the restricted assets.
- Unrestricted net position – consists of all other net resources that do not meet the definition of the above two components and is available for general use by the Fund.

When an expense is incurred for the purposes for which both restricted and unrestricted net position is available, management applies unrestricted net position first, unless a determination is made to use restricted net position. The policy concerning which to apply first varies with the intended use and legal requirements. This decision is typically made by management at incurrence of the expense.

Fund Balances

In the governmental fund statements, fund equity is classified as fund balance and displayed in five components. The following classifications describe the relative strength of the spending constraints placed on the purposes for which resources can be used. In accordance with GASB 54, the Fund classifies fund balances in governmental funds as follows:

- **Nonspendable**--Amounts that are not in spendable form (such as prepaid expenses) or because they are legally or contractually required to be maintained intact.
- **Restricted**--Amounts constrained to specific purposes by their providers (such as grantors or higher levels of government), through constitutional provisions, or by enabling legislation.
- **Committed**--Amounts constrained by the Fund itself. To be reported as committed, amounts cannot be used for any other purpose unless the Fund takes the action to remove or change the constraint.
- **Assigned**--Amounts the Fund intends to use for a specific purpose.
- **Unassigned**--All amounts not included in other spendable classifications.

The Fund would typically apply an expenditure toward restricted fund balance and then to the other, less restrictive classifications – committed and then assigned fund balances before using unassigned fund balances.

E. COMPENSATED ABSENCES

The Indigent Defender Fund has the following policy relating to vacation and sick leave:

Employees of the Indigent Defender Fund, at the beginning of each calendar year, are allowed twenty days of non-cumulative paid time off, which encompasses both vacation and sick leave. There is no accumulation of vested benefits relating to any paid time off.

The cost of leave privileges, computed in accordance with GASB Codification Section C60, is recognized as current-year expenditures when leave is actually taken.

F. ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, and expenses during the reporting period. Actual results could differ from those estimates.

Custodial Credit Risk: Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the government will not be able to recover its deposits. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Louisiana

Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Indigent Defender Fund that the fiscal agent bank has failed to pay deposited funds upon demand. Further, Louisiana Revised Statute 39:1224 states that securities held by a third party shall be deemed to be held in the Indigent Defender Fund's name.

**NOTES TO BUDGETARY COMPARISON SCHEDULE
As of and for the Year ended June 30, 2024**

Budgetary Information

The District's Chief Public Defender directs the preparation of a proposed budget and submits it to the Louisiana Public Defender Board for approval by a specified date. The budget is then legally adopted by the Fund and amended during the year, as necessary. The budget is established and controlled by the Chief Defender at the objective level of expenditure. Amounts are available for expenditure only to the extent included within the budget. All appropriations lapse at year-end. The budget comparison schedule presents the original adopted budget and the final amended budget.

Formal budgetary integration is employed as a management control device during the year, and encumbrance accounting is not used by the Fund. Budgeted amounts included in the accompanying financial statements include the original adopted budget amounts. The Indigent Defender Fund amended the budget twice during the year.

The Eleventh and Forty-second Judicial District Indigent Defender Fund's budget is prepared in accordance with accounting principles accepted in the United States of America. The Eleventh and Forty-second Judicial District Indigent Defender Fund's budget is adopted annually on the modified accrual basis of accounting.

The Louisiana Local Government Budget Act provides that "the total proposed expenditures shall not exceed the total of estimated funds available for the ensuing year." The "total estimated funds available" is the sum of the respective estimated fund balances at the beginning of the year and the anticipated revenues for the current year. Amendments to the adopted budget are required if total revenues fail to meet budgeted revenues by 5% or more, and/or total actual expenditures exceed total budgeted expenditures by 5% or more. Total revenues were more than budgeted revenues. Actual expenditures were more than budgeted amounts by 2.72%.

The Eleventh and Forty-Second Judicial Districts Indigent Defender Fund is in compliance with the Louisiana Local Budget Act.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Chief Defender
Eleventh and Forty-Second Judicial Districts
Indigent Defender Fund
State of Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, and the major fund of the Indigent Defender Fund for the Eleventh and Forty-Second Judicial Districts, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise Fund's basic financial statements, and have issued our report thereon dated December 04, 2024.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the Public Defender's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Fund's internal control. Accordingly, we do not express an opinion on the effectiveness of Fund's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

REPORT ON COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether Office's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The Entity's management is responsible for those C/C areas identified in the SAUPs.

The entity has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPs for the fiscal period described above. Additionally, LLA has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

We were engaged to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the entity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.
