Independent Auditor's Report

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Louisiana Tech University Foundation, Inc. (a non-profit organization), which comprise the consolidated statements of financial position as of June 30, 2025 and 2024, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Louisiana Tech University Foundation, Inc. as of June 30, 2025 and 2024, and the consolidated changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards (Government Auditing Standards)*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Louisiana Tech University Foundation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Louisiana Tech University Foundation, Inc.'s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Tech University Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluated the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Louisiana Tech University Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The Details of Consolidated Statements of Financial Position and Activities included on pages 20 and 21 are presented for the purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and

reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 19, 2025, on our consideration of the organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Louisiana Tech University Foundation, Inc.'s internal control over financial reporting and compliance.

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

1. Organization and Significant Accounting Policies

Organization

The Louisiana Tech University Foundation, Inc. (the Foundation) was organized to solicit, receive, hold, invest and transfer funds for the benefit of Louisiana Tech University (LTU). Additionally, the Foundation assists Louisiana Tech University in meeting the criteria for accreditation as outlined by the Commission on Colleges for the Southern Association of Colleges and Schools. Louisiana Tech University and the Foundation are also in a management agreement related to endowed chairs and professorships. This agreement is in compliance with Board of Regents policy and allows the Foundation to manage funds on behalf of Louisiana Tech University. The Foundation is a separate legal entity and is not included as part of the reporting entity of Louisiana Tech University.

Consolidation

The consolidated financial statements include the Louisiana Tech Research Corporation and Tech Pointe II, LLC because the Foundation maintains control of the entities. All material intercompany transactions have been eliminated in the consolidated financial statements.

Significant Accounting Policies

Basis of Accounting – The consolidated financial statements of the Foundation have been prepared on the accrual basis of accounting under the financial reporting framework of the Financial Accounting Standards Board (“FASB”) in its Accounting Standards Codification, *Financial Statements of Not-for-Profit Organizations*.

Basis of Presentation – The Foundation’s net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Without Donor Restrictions – Net assets that are not subject to donor-imposed stipulations. This includes funds that are designated for discretionary use by the Foundation and board-designated funds functioning as endowments.

With Donor Restrictions – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time. This includes annuity and life income funds, term endowments, the present value of contributions receivable, and earnings on investments. Some net assets with donor restrictions are required by donors to be held in perpetuity. The donors of substantially all net assets to be held in perpetuity permit the Foundation to use a portion of the income earned on the related investments for specified purposes.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as released

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

between the applicable classes of net assets. Revenues with donor restrictions that are used in the year of receipt are classified as net assets with donor restrictions and released from restriction.

Contributions, including unconditional promises to give, are recognized as revenues in the period received.

Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

Income and realized and unrealized net gains or losses on investments are reported as follows:

Without Donor Restrictions – As increases or decreases in net assets if the terms of the gift are not considered to have donor restrictions.

With Donor Restrictions – As increases or decreases in net assets if the terms of the gift require that they be added to the principal of a permanent endowment fund or if the terms of the gift impose restrictions on the timing or the use of the income or by law.

Release of Restrictions on Net Assets for Acquisition of Land, Building and Equipment - Contributions of land, building and equipment without donor stipulations concerning the use of such long-lived assets are reported as revenues without donor restrictions. Contributions of cash or other assets to be used to acquire land, building and equipment without such donor stipulations concerning the use of such long-lived assets are reported as revenues with donor restrictions; the restrictions are considered to be released at the time of acquisition of such long-lived assets.

Cash and Cash Equivalents

Cash and cash equivalents principally include cash and money market investments not held by trustees. For purposes of the cash flow statement, all highly liquid instruments with original maturities of three months or less are considered cash equivalents.

In-Kind Gifts

Gifts of investments, real estate, and other property contributed to the Foundation are recorded at estimated fair value at date of contribution.

Accounts Receivable

Accounts receivable consists of amounts due from outside parties. Management evaluates the collectability and aging of those accounts receivable in determining the need for an allowance for credit losses.

Investments

Investments in marketable securities with readily determinable fair values are stated at fair value. Realized gains or losses on sales of investment securities are based upon the cost of the specific security sold. Unrealized gains and losses are included in the change in net assets.

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

Investment income, net of external and internal management expenses and fees, and gains and losses arising from the sale or other disposition of investments and other noncash assets are pooled in a separate general ledger account for the payment of scholarships and other purposes in accordance with the intent of the endowment agreement. Scholarships and other payments from the general endowment pool are determined based on four percent of the specific endowment corpus.

Endowment and board-designated funds are invested on the basis of a total return policy to provide income and to realize appreciation in investment values. Under this policy, earnings, not to exceed a specified percentage, could be used to support the intended purposes. An appropriation from the endowment for expenditures that support the intended purpose may be made to the extent it is deemed prudent, unless otherwise restricted by the donor in the gift instrument.

The Foundation's investments include various types of investment securities and investment vehicles. Investment securities are exposed to several risks, such as interest rate, currency, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Foundation's consolidated financial statements.

Fixed Assets

Depreciation is provided on the straight-line method based on the estimated useful lives of the depreciable assets which range from two to ten years. The Foundation capitalizes expenditures in excess of \$2,500 for fixed assets at cost.

Tax Status

The Foundation is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code (IRC) as an organization described in IRC Section 501(c)(3). Therefore, no provision for income taxes has been made in the consolidated financial statements, but the Foundation is required to file an annual information tax return. The Foundation is also required to review various tax positions it has taken with respect to its exempt status and to determine whether in fact it is a tax exempt entity. The Foundation must also consider whether it has nexus in jurisdictions in which it has income and whether a tax return is required in those jurisdictions. In addition, as a tax exempt entity, the Foundation must assess whether it has any tax positions associated with unrelated business income subject to income tax. The Foundation does not expect its positions to change significantly over the next twelve months. Any penalties related to late filing or other requirements would be recognized as penalties expense in the Foundation's accounting records.

The Foundation files U.S. federal Form 990 for informational purposes. The Foundation's federal income tax returns for generally the past three years remain subject to examination by the Internal Revenue Service.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Material estimates that are susceptible to significant change within one year relate to the determination of the fair value of financial instruments.

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

2. Cash and Cash Equivalents

At times throughout the year, the Foundation may maintain certain bank accounts in excess of federally insured limits, which is a concentration of credit risk. The risk is mitigated by maintaining deposits in only well capitalized financial institutions.

Of the bank balances, those funds not covered by federal deposit insurance were covered by collateral held by the pledging banks' trust departments.

3. Investments

Fair values and unrealized appreciation (depreciation) of investments classification at June 30, 2025 and 2024 are summarized as follows:

	2025			2024		
	Cost	Fair Value	Unrealized Appreciation/(Depreciation)	Cost	Fair Value	Unrealized Appreciation/(Depreciation)
Held by investment custodians:						
Cash and cash equivalents	\$ 4,759,297	\$ 4,759,297	\$ -	\$ 5,136,164	\$ 5,139,147	\$ 2,983

	<u>\$ 63,524,392</u>	<u>\$ 88,002,286</u>	<u>\$ 24,477,893</u>	<u>\$ 66,674,661</u>	<u>\$ 88,096,709</u>	<u>\$ 21,422,048</u>
Included on the statement of financial position:						
Investments	\$ 37,387,874	\$ 46,835,983	\$ 9,448,109	\$ 38,120,985	\$ 45,368,072	\$ 7,247,087
Restricted assets-investments	26,136,518	41,166,303	15,029,784	28,553,676	42,728,637	14,174,961
	<u>\$ 63,524,392</u>	<u>\$ 88,002,286</u>	<u>\$ 24,477,893</u>	<u>\$ 66,674,661</u>	<u>\$ 88,096,709</u>	<u>\$ 21,422,048</u>

The following schedule summarizes the investment return and its classification in the statement of activities for the years ended June 30, 2025 and 2024:

	2025			2024		
	Without Donor Restrictions	With Donor Restrictions	Total	Without Donor Restrictions	With Donor Restrictions	Total
Interest and dividends income	\$ 69,109	\$ 1,610,037	\$ 1,679,146	\$ 7,210	\$ 1,614,286	\$ 1,621,496
Net realized and unrealized gains	-	2,506,519	2,506,519	-	3,267,763	3,267,763
Total investment return	<u>\$ 69,109</u>	<u>\$ 4,116,556</u>	<u>\$ 4,185,665</u>	<u>\$ 7,210</u>	<u>\$ 4,882,049</u>	<u>\$ 4,889,259</u>

4. Fair Value of Financial Instruments

The Foundation adopted FASB Accounting Standards Codification Topic 820, "Fair Value Measurements" (Topic 820). Topic 820 requires disclosures that stratify balance sheet amounts measured at fair value based on the inputs used to derive fair value measurements. These strata included:

- Level 1 valuations, where the valuation is based on quoted market prices for identical assets or liabilities traded in active markets (which include exchanges and over-the-counter markets with sufficient volume),

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

- Level 2 valuations, where the valuation is based on quoted market prices for similar instruments traded in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market, and
- Level 3 valuations, where the valuation is generated from model-based techniques that use significant assumptions not observable in the market, but observable based on Foundation-specific data. These unobservable assumptions reflect the Foundation's own estimates for assumptions that market participants would use in pricing the asset or liability. Valuation techniques typically include option pricing models, discounted cash flow models and similar techniques, but may also include the use of market prices of assets or liabilities that are not directly comparable to the subject asset or liability.

Fair values of assets and liabilities measured on a recurring basis at June 30, 2025 and 2024 are as follows:

	<i>Assets at Fair Value as of June 30, 2025</i>			
	Level 1	Level 2	Level 3	Fair Value
Money Markets	\$ 4,759,296	\$ -	\$ -	\$ 4,759,296
Certificates of Deposit	285,000	-	-	285,000

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

There was no activity in 2025 or 2024 indicative of a change in fair value for investments measured at fair value on a recurring basis using significant unobservable inputs (Level 3); therefore, there was no change in the recorded value of the investments.

5. Fixed Assets

A summary of the fixed assets at June 30, 2025 and 2024 follows:

	Depreciable Lives	<u>2025</u>	<u>2024</u>
Automobiles	2-3	\$ 158,810	\$ 81,643
Furniture, fixtures and equipment	3-10	4,511,703	4,509,430
Engineering equipment	3-10	550,000	550,000
Commercial Building	39	16,009,404	16,009,404
Real estate and other		<u>234,539</u>	<u>114,557</u>
		21,464,456	21,265,034
Less-accumulated depreciation		<u>(4,545,430)</u>	<u>(3,953,700)</u>
		<u><u>\$ 16,919,026</u></u>	<u><u>\$ 17,311,334</u></u>

Depreciation of \$591,729 and \$191,057 was recorded for the years ended June 30, 2025 and 2024, respectively.

6. Contributions Receivable

Contributions receivable, net, is summarized as follows as of June 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Unconditional pledges expected to be collected in:		
Less than one year	\$ 2,852,984	\$ 2,464,171
One year to five years	<u>10,653,756</u>	<u>11,867,133</u>
	<u>13,506,740</u>	<u>14,331,304</u>
<u>Less</u> -discount on future contributions receivable (discount rate of 3.83% and 4.60% in 2025 and 2024, respectively)	(2,088,614)	(2,566,639)
<u>Less</u> -allowance for uncollectible contributions receivable	(582,060)	(666,461)
Contributions receivable, net	<u><u>\$ 10,836,066</u></u>	<u><u>\$ 11,098,204</u></u>

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

7. Notes Payable

Notes payable consist of the following at June 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Line of credit to Origin Bank for operating capital up to \$10,000,800 dated February 7, 2025, secured by cross-collateralization of other loans. Interest at banks' prime rate (7.60% at June 30, 2025), maturing February 7, 2026.	<u>\$ 6,609,723</u>	<u>\$ 2,656,283</u>

Interest expense on the above notes for the years ended June 30, 2025 and 2024, was \$649,423 and \$134,852, respectively.

Effective May 23, 2017, the board of directors approved self-financing, through the Foundation, to facilitate the timely completion of an athletics expansion project with the use of endowment funds. The funds were borrowed at an interest rate of four percent, with no formalized repayment schedule. Funds will be paid back as proceeds from charitable gifts along with income generated from above said project are available and are estimated to be approximately \$900,000 annually. The financial statements reflect a note receivable from the Foundation, in the amount of \$6,857,737 and \$7,757,737 as of June 30, 2025 and 2024, respectively, and an unsecured note payable in the same amount to the Louisiana Tech University Foundation endowment investment account. Interest expense for the years ended June 30, 2025 and 2024 was \$310,309 and \$346,309, respectively.

Effective May 1, 2023, the board of directors approved internal financing, through the Foundation endowment investment account, to facilitate cash flow for the construction of Tech Pointe II. Funds of up to \$3,875,000 at an interest rate of 5.50% were accessible, and payment began in May 2024 when construction was completed, as evidenced by the payment of rent by tenants. The financial statements reflect a note receivable in the amount of \$3,813,818 and \$3,866,498 as of June 30, 2025 and 2024, respectively, and an unsecured line of credit in the same amount. Interest expense for the years ended June 30, 2025 and 2024, was \$211,343 and \$175,002, respectively.

Effective January 31, 2024, Tech Pointe II entered into a promissory note with a private lender for one million dollars at an interest rate of 6% maturing in January 2034. Interest only payments are due on a quarterly basis, and principal payments of \$100,000 may be made at Tech Pointe II's discretion.

Effective February 23, 2024, Tech Pointe II entered into a promissory note with a private lender for five hundred thousand dollars at an interest rate of 6% maturing in January 2034. Interest only payments are due on a quarterly basis, and principal payments of \$100,000 may be made at Tech Pointe II's discretion.

8. Transactions with Louisiana Tech University

Louisiana Tech University provides to the Foundation, without cost, services for the administration of the Foundation in the form of personnel. In addition, Louisiana Tech University provides, without cost, certain other operating services associated with the Foundation. These services are valued at their actual cost to Louisiana Tech University. For the year ended June 30, 2025, contributed personnel costs and operating services were determined to be \$1,508,248 and \$2,620, respectively. For the year ended June 30, 2024, contributed personnel costs and operating services were determined to be

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

\$1,118,037 and \$2,961, respectively. The amounts for these services have been reflected as contributed services revenue and corresponding general administrative services and fundraising expenses in the accompanying financial statements.

For the years ended June 30, 2025 and 2024, expenses totaling approximately \$26,042,444 and \$28,775,115, respectively, were paid directly to or for the benefit of Louisiana Tech University.

Funds administered by the Foundation on behalf of Louisiana Tech University are not commingled with funds belonging to the Foundation. Classified as amounts due to Louisiana Tech University at June 30, 2025 and 2024 is \$40,943,866 and \$42,521,558, respectively, related to certain endowed chairs and professorships matched by the State of Louisiana. Initially, the donor portion of these funds is recorded as contributions to the Foundation. Once the state matching is received, the donor portion is deducted from the net assets of the Foundation and reflected as due to Louisiana Tech University.

Various other services and facilities are contributed to the Foundation, the values of which are not readily determinable and, therefore, are not reflected as contributions or expenses in the accompanying financial statements.

9. Commitments

As of June 30, 2025 and 2024, there was approximately \$1,452,119 and \$1,392,832, respectively, in awarded but unpaid scholarships, which were funded subsequent to year-end.

10. Annuities Liability

The Foundation receives donations through split-interest agreements with contributors. These split-interest agreements specify that the donation is made in return for an individual or joint annuity for the remaining lives of the contributors. The difference between the fair market value of the assets received and liability under the annuity is recognized as revenue in the year received. Upon the death of the contributor, the remaining liability, if any, is recognized as revenue. The Foundation has received four donations under such agreements that result in an annuities liability totaling \$7,124 and \$37,330 at June 30, 2025 and 2024, respectively. The liabilities were calculated using discount rates of 3.25%, 4.90%, 5.00%, and 7.50%.

11. Multimedia Sponsorship Rights

On August 28, 2008, the Foundation entered into an agreement with Louisiana Tech University (“University”) for the exclusive promotion and management of multimedia sponsorships rights for Louisiana Tech University Athletics. The term of the agreement is July 1, 2009 through June 30, 2019, extended through June 2033. The agreement indicates that the Foundation will contract with a third party company to sell multimedia sponsorship rights on behalf of Louisiana Tech University Athletics. As payment for rights granted under this agreement, the Foundation is required to pay the University an annual minimum fee of \$200,000, throughout the agreement.

On November 25, 2008, the Foundation entered into an agreement with LA Tech Sports Properties, LLC (“Learfield”), a Missouri limited liability company owned by Learfield Communications, Inc. with respect to the licensing rights related to the promotion of Louisiana Tech University Athletics. The term of the agreement is July 1, 2009 through June 30, 2019, extended through June 2033. Effective July 16, 2020, the agreement was amended from a guaranteed payment to a revenue-sharing agreement. As payment for the rights granted under this agreement, Learfield will pay the Foundation 50 percent of the first \$1,850,000 in AGR in each athletic year, and 55 percent of AGR in excess of

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

\$1,850,000 in each athletic year. Notwithstanding the foregoing, for the fiscal year ended June 30, 2021, and each year thereafter, the amount will not be less than 90 percent of the amount paid in the immediately preceding athletic year.

Payments of \$1,230,000 and \$514,809 were received under this agreement for the fiscal years ended June 30, 2025 and 2024, respectively, and recorded as contributions and receipts. A receivable of \$47,356 and \$264,518 was recorded at June 30, 2025 and 2024, respectively.

Effective July 1, 2023, the agreement was amended to state that Learfield will pay the Foundation the greater of (i) the Guaranteed Royalty Fee or (ii) fifty-one percent of the revenue share payment. In addition to the Guaranteed Payment, Learfield shall pay the Foundation a Capital Subsidy Payment of \$250,000 each year through fiscal year 2027-2028 for a total of one million dollars with such payments being paid in two installments each year.

The Foundation has a partnership with Learfield Amplify, and the Learfield Guaranteed Payments are received net of Amplify management fees. Payments and amounts due from Learfield are recorded as revenue at the gross amount according to the terms of the agreement. Amplify management fees are recorded as expenses at the time payment is received from Learfield.

12. Endowed Net Assets

The Foundation has established prudent investment and spending policies with the objective of maintaining the purchasing power of its endowed assets in perpetuity and to provide a stable level of support to the beneficiaries. To achieve this objective, the Foundation's asset allocation strategy is reviewed periodically and adjusted to target a total return that covers inflation, administrative expenses, and spending allocations, while minimizing volatility.

Private endowed contributions received for professorships and chairs are included in endowed net assets. Certain endowed funds are provided by the State of Louisiana as a match to these qualifying private endowed contributions. Once the match is received, the private endowed funds along with the matching endowed funds are transferred to the Due to Louisiana Tech University liability account. These endowed assets are further subject to the investment and spending policies established by the Louisiana Board of Regents, which has statutory authority to administer the matching funds program.

A spending rate is determined by the Foundation's Board of Directors, with consideration given to market conditions, the spending levels of peer institutions, and historical returns. The objective is to provide relatively stable spending allocations. The spending rate approved by the Board for the fiscal years ended June 30, 2024 and 2025 is 4%. Prior state law dictated that no portion of the corpus (original amount of donation) of the endowed assets shall be allocated for spending. However, in June 2010, the state legislature passed the Uniform Prudential Management of Institutional Funds Act (UPMIFA). This act changed the law regarding spending in endowments, to allow for a portion of the corpus to be spent.

The Foundation classifies as donor restricted endowed net assets the original value of gifts donated for endowment, any subsequent gifts to such endowments, and accumulations subsequently made at the direction of the applicable donor instrument.

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

Endowment fund net asset composition as of June 30, 2025:

14. Functional Expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include support on behalf of the College, personnel costs, and donor cultivation and stewardship, which are allocated on the basis of estimates of time and effort.

Expense allocation for the year ended June 30, 2025, is as follows:

	Program	General & Administrative	Fundraising	Total
Support on behalf of the College	\$ 10,957,811	\$ 1,495,052	\$ 66,027	\$ 12,518,890
Scholarships and awards for the College	1,947,051	-	-	1,947,051

Athletics	12,468,291	-	-	12,468,291
Administration	-	1,412,698	286,301	1,698,999
Depreciation	191,057	-	-	191,057
Donor cultivation/stewardship	-	-	293,876	293,876
	<hr/> <u>\$ 28,777,115</u>	<hr/> <u>\$ 4,101,238</u>	<hr/> <u>\$ 1,486,142</u>	<hr/> <u>\$ 34,364,495</u>

15. Liquidity and Availability

Financial assets, consisting of cash, investments, and accounts receivable, that are available for general expenditure, that is, without donor or other restrictions limiting their use, amounted to approximately \$500,066 and \$32,048 at June 30, 2025 and 2024, respectively. Management has a general goal of maintaining sufficient financial resources on hand to meet two to three months of operating expenses.

The investment portfolio is subject to annual board-established spending rate. At times it may be necessary to liquidate certain investments, which can be accomplished in two to three days, for operating needs.

LOUISIANA TECH UNIVERSITY FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

16. Subsequent Events

The Foundation evaluated events and transactions that occurred after the statement of financial position date but before the financial statements were made available for issuance for potential recognition or disclosure in the financial statements. The Foundation evaluated such events through November 19, 2025, and noted one such subsequent event.

On October 15, 2025, Bulldog Microchips, LLC, a newly established subsidiary of the Louisiana Tech University Foundation, received \$4.25 million in funding from Louisiana Economic Development.

**Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Louisiana Tech University Foundation, Inc. and Subsidiaries, which comprise the statement of consolidated financial position as of June 30, 2025, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 19, 2025.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Louisiana Tech University Foundation, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Tech University Foundation, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Louisiana Tech University Foundation, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Louisiana Tech University Foundation, Inc.'s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
