#### INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

Fire Protection District No. 5 of Catahoula Parish Jonesville, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities of the Fire Protection District No. 5 of Catahoula Parish (a component unit of the Catahoula Parish Police Jury, Louisiana), as of and for the year ended December 31, 2021, which collectively comprise the Fire Protection District No. 5 of Catahoula Parish's basic financial statements, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has omitted management's discussion & analysis and budgetary comparison schedule that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Fire Protection District No. 5 of Catahoula Parish's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information and accordingly, we do not express an opinion or provide any assurance on such supplementary information.

# Reconciliation of the Statement of Revenues, Expenditures, & Changes in Fund Balances of Government Funds to the Statement of Activities Year Ended December 31, 2021

Net change in fund balance – total governmental funds	\$ 24,086
Amounts reported for governmental activities in the Statement of Activities are different because:	
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount which capital outlays exceeded depreciation in the current period.	
Capital Outlay Depreciation	-0- (26.303)
Depreciation	(20,303)
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net assets.
