INDEPENDENT AUDITORS' REPORT

Board of Directors Northeast Louisiana Economic Alliance, Inc. Monroe, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of the Northeast Louisiana Economic Alliance, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Northeast Louisiana Economic Alliance as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under standards are further described in the Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Northeast Economic Alliance and to meet our other responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Louisiana Economic Alliance's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a quarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, override internal misrepresentations, or the of Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion

on the effectiveness of the Northeast Louisiana Economic Alliance's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Louisiana Economic Alliance's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. Schedule I on page 16 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 24, 2025 on our consideration of the Northeast Louisiana Economic Alliance's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed

in accordance with Government Auditing Standards in considering the Northeast Louisiana Economic Alliance's internal control over financial reporting and compliance.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Louisiana Legislative Auditor, we have issued a report, dated October 24, 2025 on the results of our statewide agreed-upon procedures performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards*. The purpose of that report is solely to describe the scope of testing performed on those control and compliance areas identified in the Louisiana Legislative Auditor's statewide agreed-upon procedures, and the results of that testing, and not to provide an opinion on control or compliance.

NORTHEAST LOUISIANA ECONOMIC ALLIANCE, INC. NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Nature of Activities

Northeast Louisiana Economic Alliance (the Alliance) is a non-profit organization whose membership consists of municipalities and economic development organizations located in Northeast Louisiana. The Alliance's mission is economic development, industrial recruitment and readiness and job creation. The Alliance is recognized as a tax-exempt (non-profit) organization under section 501(c)(3) of the Internal Revenue Service Code and is exempt from federal and state income taxes. A Board of Directors governs the Alliance. The Board Members receive no compensation. The Alliance ceased operations on December 31, 2024 and donated all its remaining assets to another economic development nonprofit corporation in northeast Louisiana.

Method of Accounting

The financial statements have been prepared on the accrual method of accounting and in conformity with the standards promulgated by the American Institute of Certified Public Accountants in its Audit and Accounting Guide for Not-for-Profit Organizations.

Basis of Presentation

The financial statements have been prepared in accordance with U.S generally accepted accounting principles ("US GAAP"), which require the Alliance to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Alliance. These net assets may be used at the discretion of the Alliance and the board of directors.

NORTHEAST LOUISIANA ECONOMIC ALLIANCE, INC. NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2025

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Basis of Presentation (Continued)

Net Assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Alliance or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Grants Receivable

Grant receivables represent amounts that have been expensed for grant purposes and are to be reimbursed in full by the grantor and have been promised over the next twelve months.

Revenue Recognition

A portion of the Alliance's revenue is derived from costreimbursable state contracts, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Alliance has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position.

Membership dues which are nonrefundable, are comprised of an exchange element between the total dues paid and the exchange element. The Alliance recognizes the exchange portion of member dues over the membership period, and the contribution portion immediately.

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United Stated of America requires the use of management's estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

Northeast Louisiana Economic Alliance, Inc. is a nonprofit corporation exempted from federal income taxes under Section 501 (c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made; however, should the organization engage in activities unrelated to its exempt purpose, taxable income could result. The organization had no material unrelated business income for the year ended June 30, 2025. The earliest income tax year that is subject to examination is 2021.

Advertising

The Alliance expenses advertising costs as they are incurred. For the year ended June 30, 2025, advertising expense was immaterial.

Reserve for Bad Debts

Accounts receivable are reviewed by management for bad debts monthly and it has been determined that there is no requirement for an allowance for credit loss as of June 30, 2025.

Donated Services - Volunteers

No amounts have been reported in the financial statements for donated goods and services because no objective basis is available to measure the value of such services. Board members receive no compensation for services provided.

NORTHEAST LOUISIANA ECONOMIC ALLIANCE NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2025

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Alliance considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash equivalents. Fair value approximates carrying amounts.

Property and Equipment

Property and equipment having estimated useful lives greater than one year are recorded as cost of, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the property and equipment.

Maintenance and repairs are charged to operations; significant improvements are capitalized. The cost and related accumulated depreciation of assets retired or otherwise disposed are eliminated from the accounts and the resulting gain or loss is included in income.

Certain property and equipment are restricted as to use and disposition by grant agreement and by contractual agreements.

Equipment 5-7 Years Furniture and Fixtures 5-7 Years

Fair Value of Financial Instruments

The carrying amounts of cash, cash equivalents, investments, and notes payable are reported in the statement of financial position at approximate fair values because of the short maturity of those instruments.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses.

NORTHEAST LOUISIANA ECONOMIC ALLIANCE NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2025

NOTE 1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 5 - RISK MANAGEMENT:

The Alliance is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets, and injuries to employees. NOTE 6 - ECONOMIC DEPENDENCY:

The Alliance receives a substantial amount of its revenues from funds provided through grants or programs administered by the State of Louisiana. A significant reduction in the level of this support, if this were to occur, would affect the organization's programs and activities.

NOTE 7 - SUBSEQUENT EVENTS:

Subsequent events have been evaluated through October 24, 2025, which is the day the financial statements were available to be issued.

NOTE 8 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS:

NOTE 9 - CEASED OPERATIONS:

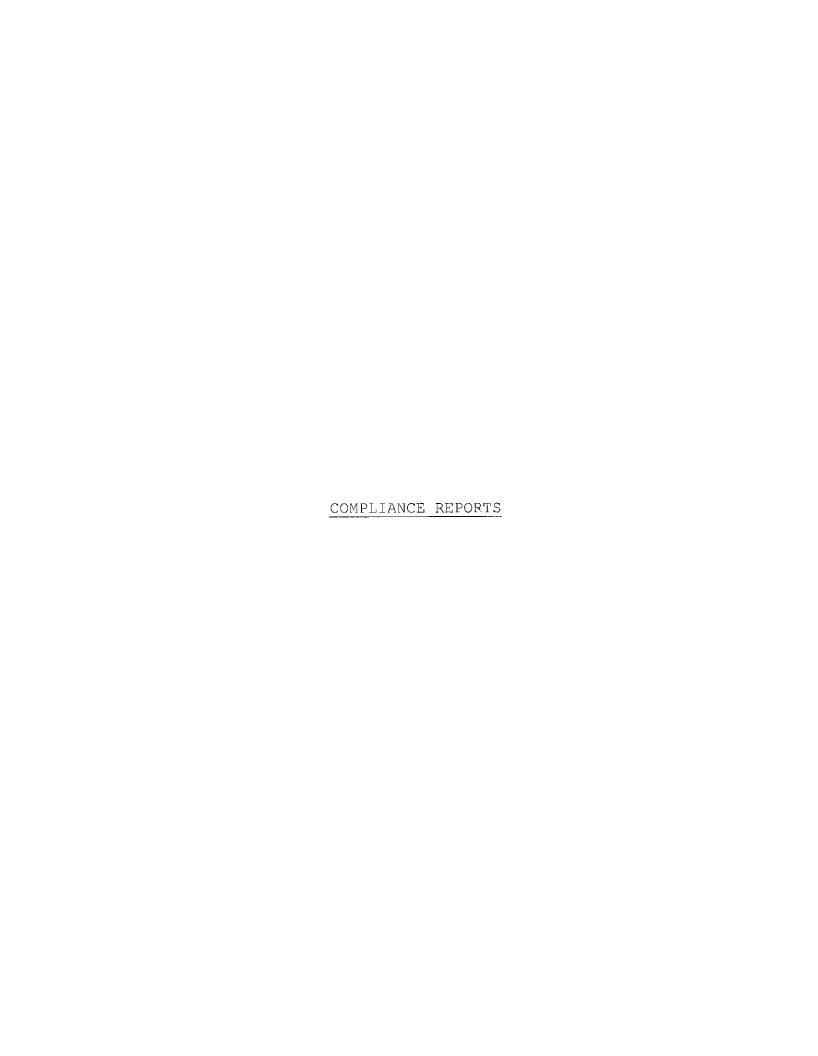

On December 16, 2024 the board of directors voted to cease all operations of the Alliance on December 31, 2024. INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Northeast Louisiana Economic Alliance Monroe, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Northeast Louisiana Economic Alliance (a nonprofit organization) which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 24, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Northeast Louisiana Economic Alliance's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Northeast Louisiana Economic Alliance's internal control. Accordingly, we do not express an opinion on the effectiveness of the Northeast Louisiana Economic Alliance's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Northeast Louisiana Economic Alliance's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organizations internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Randomly select one month from the fiscal period, obtain and inspect the corresponding bank statement and reconciliation for selected each account, and observe that:
- I) Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated, electronically logged);
- II) Bank reconciliations include evidence that a member of management/board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation within one month of the date the reconciliation was prepared (e.g., initialed and dated, electronically logged); and
- III) Management has documentation reflecting that it has researched reconciling items that have been outstanding for more than 12 months at the end of the statement closing date.

Findings: There is no evidence of a review by management of the Bank Reconciliation.

Except as otherwise stated, no other exceptions were identified in the performance of the procedures listed above.

4. Collections

A. Obtain a listing of deposit sites for the fiscal period where deposits for cash/checks/money orders (cash) are prepared and management's representation that the listing is complete. Randomly select 5 deposit sites (or all deposit sites if less than 5).

Findings: We obtained the listing and management's representation.

B. For each deposit site selected, obtain a listing of collection locations and management's representation that the listing is complete. Randomly select one collection location for each deposit site (i.e. 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if no written policies or procedures, inquire of employees about their job duties) at each collection

location, and observe that job duties are properly segregated at each collection location such that:

- I) Employees that are responsible for cash collections do not share cash drawers/registers.
- II) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g. pre-numbered receipts) to the deposit.
- III) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit:
- IV) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or agency fund additions are not responsible for collecting cash, unless another employee verifies the reconciliation.

Findings: No exceptions noted.

C. Obtain from management a copy of the bond or insurance policy for theft covering all employees who have access to cash. Observe that the bond or insurance policy for theft was enforced during the fiscal period.

Findings: The Alliance did not have a fidelity bond or other policy covering employee theft.

Except as otherwise stated, no other exceptions were identified in the performance of the procedures listed above.

- D. Randomly select two deposit dates for each of the 5 bank accounts selected for procedure #3 under "Bank Reconciliations" above (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). Obtain supporting documentation for each of the 10 deposits and:
- I) Observe that receipts are sequentially pre-numbered.
- II) Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.
- III) Trace the deposit slip total to the actual deposit per the bank statement.

- IV) Observe that the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100).
 - V) Trace the actual deposit per the bank statement to the general ledger.

Findings: No exceptions noted.

5. Non-Payroll Disbursements (excluding card purchases/payments, travel reimbursements, and petty cash purchases)

A. Obtain a listing of locations that process payments for the fiscal period and management's representation that the listing is complete. Randomly select 5 locations (or all locations if less than 5).

Findings: We obtained the listing of locations that process payments and management's representation.

- B. For each location selected under #5A above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:
- I) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.
- II) At least two employees are involved in processing and approving payments to vendors.
- III) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.
- IV) Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments.
 - V) Only employees/officials authorized to sign checks approve the electronic disbursement (release) of funds, whether through automated clearinghouse (ACH), electronic funds transfer (EFT), wire transfer, or some other electronic means.

Findings: The person responsible for processing payments also adds vendors.

Except as otherwise stated, no other exceptions were identified in the performance of the procedures listed above.

- C. For each location selected under #5A above, obtain the Organization's non-payroll disbursement transaction population (excluding cards and travel reimbursements) and obtain management's representation that the population is complete. Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction and:
- I) Observe that the disbursement matched the related original itemized invoice and that supporting documentation indicates that deliverables included on the invoice were received by the entity.
- II) Observe that the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under #5B, as applicable.

Findings: No exceptions noted.

D. Using the entity's main operating account and the month selected in Bank Reconciliations procedure #3A, randomly select 5 non-payroll related electronic disbursements (or all electronic disbursements if less than 5) and observe that each electronic disbursement was (a) approved by only those persons authorized to disburse funds (e.g., sign checks) per the entity's policy, and (b) approved by the required number of authorized signers per the entity's policy. Note: If no electronic payments were made from the main operating account during the month selected the practitioner should select an alternative month and/or account for testing that does include electronic disbursements.

- I) Observe that there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) was reviewed and approved, in writing, by someone other than the authorized card holder. [Note: Requiring such approval may constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality); these instances should not be reported.)]
- II) Observe that finance charges and late fees were not assessed on the selected statements.

Findings: No exceptions noted.

C. Using the monthly statements or combined statements selected under #6B above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (i.e. each card should have 10 transactions subject to testing). For each transaction, observe that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and note whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

Findings: No exceptions noted.

7. Travel and Travel-Related Expense Reimbursements (excluding card transactions)

- A. Obtain from management a listing of all travel and travel-related expense reimbursements during the fiscal period and management's representation that the listing or general ledger is complete. - A. Obtain from management a listing of all agreements/contracts for professional services, materials and supplies, leases, and construction activities that were initiated or renewed during the fiscal period. Alternately, the practitioner may use an equivalent selection source, such as an active vendor list. Obtain management's representation that the listing is complete. Randomly select 5 contracts (or all contracts if less than 5) from the listing, excluding the practitioner's contract, and:
 - I) Observe that the contract was bid in accordance with the Louisiana Public Bid Law (e.g., solicited quotes or bids, advertised), if required by law.
 - II) Observe that the contract was approved by the governing body/board, if required by policy or law (e.g., Lawrason Act, Home Rule Charter).

 - IV) Observe that the rate paid to the employees or officials agree to the authorized salary/pay rate found within the personnel file.

Findings: No exceptions noted.

C. Obtain a listing of those employees that received termination payments during the fiscal period and management's representation that the list is complete. Randomly select two employees, obtain related documentation of the hours and pay rates used in management's termination payment calculations and the entity policy on termination payments, agree the hours to the employees' cumulate leave records, and agree the pay rates to the employees' authorized pay rates in the employees' personnel files, and agree the termination payment to entity policy.

Findings: We obtained a listing of terminated employees and management's representation.

No exceptions noted.

D. Obtain management's representation that employer and employee portions of payroll taxes, retirement contributions, health

insurance premiums, and workers' compensation premiums have been paid, and associated forms have been filed, by required deadlines.

Findings: No exceptions noted.

12. Fraud Notice

A. Obtain a listing of misappropriations of public funds and assets during the fiscal period and management's representation that the listing is complete.
