BACKGROUND INFORMATION

Basis for Reporting

Louisiana Revised Statute (R.S.) 24:513.5.A states, "The legislature hereby recognizes that judgments against political subdivisions established by statute should be timely paid; that delays in payment of judgments create burdens to taxpayers through the accrual of judicial or legal interest and potential decreases in bonding capacity; and that simple, regular, and full reporting of judgments against political subdivisions established by statute will promote transparency and accountability and inform this legislature in allocating state funds to political subdivisions by creating a measure of financial health and financial need. Therefore, it is the intent of the legislature, in the interest of the public, to require political subdivisions to report their unpaid judgments on a regular basis."

R.S. 24:513.5.B requires all political subdivisions established by statute, except those created by a home rule charter or governed by a police jury (R.S. 24:513.5.F), that at any point in the current or immediately prior year had total outstanding judgments, whether by a court of law or consent of the parties, in excess of \$7,500,000, excluding accrued interest, to include in their annual report submitted to the Legislative Auditor a complete list of all outstanding (unpaid) judgments, including consent judgments, settlement agreements, and compromise agreements.

R.S. 24:513.5.C requires the Legislative Auditor to "develop, supervise, and require the use of uniform, standardized, and consistent forms and terminology for use in reporting pursuant to this Section in order to provide for clarity and uniformity." To comply with that directive, the Legislative Auditor's staff developed a standardized reporting format called the Schedule of Outstanding Judgments and Agreements (see *submitted schedule data* beginning on page 4).

List of Agencies Contained in This Report

Only one schedule was received that included a list of outstanding judgments and agreements meeting the criteria for inclusion in this report.
