FINANCIAL SECTION

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors,
TCOA Elderly Housing, Inc.,
Houma, Louisiana.

Opinion

We have audited the accompanying financial statements of TCOA Elderly Housing, Inc., (a nonprofit organization) HUD Project No. 064-EE205 (the "Project"), a wholly-owned subsidiary of Terrebonne Council on Aging, Inc., which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Project as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Project and to meet out other ethical responsibilities, in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Project's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently know information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Project's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Project's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information shown on pages 18 through 26 is presented for purposes of additional analysis as required by the *Uniform Financial Reporting Standards* issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the financial statements. The accompanying Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer on page 27 is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying Schedule of Expenditures of Federal Awards and Notes to Schedule of Expenditures of Federal Awards, pages 28 and 29, as required by Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 10, 2022 on our consideration of TCOA Elderly Housing, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the TCOA Elderly Housing, Inc.'s internal control over financial reporting and compliance.

**TCOA Elderly Housing, Inc.
HUD Project No. 064-EE205**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Nature of Organization and Operations

TCOA Elderly Housing, Inc. (the "Project") is a non-profit corporation organized under the laws of the State of Louisiana. The Project is a 50-unit apartment project for the elderly located in Houma, Louisiana.

The purpose of the Project is to own, manage, operate, and provide qualified supportive housing for elderly households having at least one person with disabilities, in accordance with Section 202 of the National Housing Act of 1990, as amended. The program makes capital advances to the non-profit corporation in order to fund the construction of such housing. The capital advances bear no interest and need not be repaid so long as the owner continues to make the housing available for the disabled for at least forty years. Under this program, HUD has significant regulatory authority over the Project's rental charges and operating methods and procedures. HUD mandates or acts of Congress may change administrative directive, rules and regulations and impact the Project financially.

The responsibility for management of the affairs of the Project, and the ongoing management of the Project is vested with its officers. Compensation for such services is determined in the management and regulatory agreements.

b) Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

c) Financial Statement Presentation

The Project classifies their net assets, revenues, and expenses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Financial Statement Presentation (Continued)

Net Assets Without Donor Restrictions - Net assets that are not subject to grantor or donor imposed restrictions.

Net Assets With Donor Restrictions - Net assets subject to grantor or donor restrictions to be used for a certain purpose or to benefit a specific accounting period or net assets subject to donor-imposed restrictions and that are held in perpetuity by the Project.

d) Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

e) Cash and Cash Equivalents

For the statement of cash flows, all unrestricted investment instruments with original maturities of one year or less are cash equivalents.

f) Property, Equipment, and Depreciation

Land, land improvements, buildings, and office furniture and equipment are recorded at cost. Only assets costing \$1,200 or more are capitalized and depreciated. Major renewals and betterments are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred.

Property and equipment are depreciated using the straight-line method based on the estimated useful lives of the assets as follows:

Office furniture and equipment	5 years
Land improvements	25 - 40 years
Buildings	10 - 40 years

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

g) Methods Used for Allocation of Expenses

All of the expenses directly relate to the program. As a result all expenses are allocated directly to the program.

Expenditures incurred in connection with project operations and expenditures made for corporate (mortgagor entity) purposes have been summarized on a functional basis in the statement of activities according to the Consolidated Audit Guide for Audits of HUD Programs.

h) Contributions

Contributions received are recorded as increases in net assets with donor restrictions or net assets without donor restrictions, depending on the existence and/or nature of any donor restrictions.

Donor-restricted support whose restrictions are met in the same reporting period as the support recognized is reported as net assets without donor restrictions.

i) Revenue Recognition

Generally, revenue represents rent derived from the rental of apartments in the normal course of business. The performance obligation is to lease apartments to tenants. The transaction price of such leases is established as a fixed monthly rental amount for an agreed upon period. The rent is generally payable monthly. The performance obligations are generally satisfied over time. Revenue from apartment rentals is recognized on a monthly basis, as the apartments are occupied.

j) Distributions

The Project's regulatory agreement with HUD stipulates, among other things, that the Project will not make distributions of assets or income to any of its officers or directors.

k) Income Taxes

The Project is a non-profit organization and exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

k) Income Taxes (Continued)

Accounting standards provide detailed guidance for financial statement recognition, measurement, and disclosures of uncertain tax positions recognized in an entity's financial statements. It requires an entity to recognize financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. Tax years ended December 31, 2018 and later remain subject to examination by the taxing authorities. As of December 31, 2021 management of the Project believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

l) Recently Issued Accounting Standards

Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, "*Leases*" (Topic 842). ASU No. 2016-02 requires that a lease liability and related right-of-use-asset representing the lessee's right to use or control the asset be recorded on the statement of financial position upon the commencement of all leases except for short-term leases. Leases will be classified as either finance leases or operating leases, which are substantially similar to the classification criteria for distinguishing between capital leases and operating in existing lease accounting guidance. As a result, the effect of leases in the statement of activities and the statement of cash flows will be substantially unchanged from the existing lease accounting guidance. The ASU No. 2016-02 is effective for fiscal years beginning after December 15, 2021. Early adoption is permitted. Management is currently evaluating the full effect that the adoption of this standard will have on the financial statements.

In November 2021, the FASB issued ASU 2021-09, "*Leases Discount Rate for Lessees That Are Not Public Business Entities*" (Topic 842). This ASU currently provides lessees that is not a public business entity with a practical expedient that allows them to elect, as an accounting policy, to use a risk-free rate as the discount rate for all leases. The amendments in this update allow those lessees to make the risk-free rate election by class of underlying asset, rather than at the entity-wide level. An entity that makes the risk-free rate election is required to disclose which asset classes it has elected to apply a risk-free rate. The amendments require that when the rate implicit in the lease is readily determinable for any individual lease, the lessee use that rate (rather than a risk-free rate or an incremental borrowing rate), regardless of whether it has made the risk-free rate election. Entities that have not yet adopted Topic 842 as of November 11, 2021, are required to adopt the amendments in this update at the same time that they adopt Topic 842.

Note 2 - CONCENTRATION OF CREDIT RISKS

In addition to the unrestrictive cash accounts, the Project maintains several restricted bank accounts and certificates of deposit at a bank located in South Louisiana. Accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of December 31, 2021, the Project's uninsured deposits totaled \$270,556.

Note 3 - HUD - RESTRICTED DEPOSITS

Under the regulatory agreement, the Project is required to set aside amounts for the replacement of property and other project expenditures approved by HUD. HUD-restricted deposits are held in separate bank accounts and generally are not available for operating purposes. As of December 31, 2021, the Project had \$236,523 deposited in the separate bank accounts.

Note 4 - RESIDUAL RECEIPTS ACCOUNT

Use of the residual receipts account is contingent upon HUD's prior written approval.

Note 5 - PROPERTY AND EQUIPMENT

A summary of property and equipment as of December 31, 2021, is as follows:

	<u>Beginning Balances</u>	<u>Additions/ Deletions</u>	<u>Ending Balances</u>
Land	\$ 1,300,000	\$ -	\$ 1,300,000
Land improvements	934,587	-	934,587
Building	4,391,913	-	4,391,913
Furniture and equipment	<u>22,957</u>	<u>-</u>	<u>22,957</u>
Totals	6,649,457	-	6,649,457
Accumulated depreciation	<u>(1,539,029)</u>	<u>(144,468)</u>	<u>(1,683,497)</u>
Net book value	<u>\$5,110,428</u>	<u>\$(144,468)</u>	<u>\$4,965,960</u>

Depreciation expense for the year ended December 31, 2021 was \$144,468.

Note 6 - NETS ASSETS WITH DONOR RESTRICTIONS

The Project received a \$4,082,400 capital advance from HUD for the construction of a multifamily residual housing facility secured by a mortgage note. The construction of the facility along with the cost of land improvements was capitalized as a fixed asset. The mortgage note shall bear no interest and shall be repayable only if the facility does not remain available for very low-income eligible individuals/families for no less than 40 years. Therefore, the net asset is released from donor restriction as the building and land improvements depreciate over its useful life. As of December 31, 2021, \$1,287,883 of total cost has been depreciated and therefore is included in net assets without donor restrictions.

Note 7 - RENT INCREASES

Under the regulatory agreement, the Project may not increase rents charged to tenants without HUD approval.

Note 8 - MANAGEMENT FEE

The Project pays a management fee equal to 10% of collected revenue and bookkeeping fees equal to five dollars per unit per month to Terrebonne Council on Aging, Inc. During the year ended December 31, 2021, the Project accrued \$36,456 in management and bookkeeping fees. (See Note 9.)

Note 9 - RELATED PARTIES

The Project has an interest free unsecured working capital advance, with uncertain terms for payback from its parent organization, Terrebonne Council On Aging, Inc. (TCOA). The advance, which is reported as of December 31, 2021 as advance from other, is for expenses paid on behalf of the Project by TCOA. During the year ended December 31, 2021, expenses paid by TCOA on behalf of the Project amounted to \$112,031. The Project also accrues management fees, described in Note 8, due to TCOA. As of December 31, 2021, the Project's advance due to TCOA and accrued management fees amounted to \$202,768 and \$333,777, respectively. It is the Project's intention to pay down the advance and accrued management fees as its cash position allows. This continued in the 2021 fiscal year with payments totaling \$145,000.

Note 10 - AVAILABILITY OF FINANCIAL ASSETS

The Project has \$321,184 of cash in bank available within one year of the date of the Statement of Financial Position to meet cash needs for general expenditures. Cash in bank is not subject to donor or other contractual restrictions that make it unavailable for general expenditures within one year of the date of the Statement of Financial Position. The Project has maintained a balance of cash in bank to meet, on average, approximately nine months of normal operating costs, which are, on average, approximately \$234,000. The Project structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, as part of its liquidity management, the Project will pay down obligations to Terrebonne Council on Aging, Inc., reported as accrued management fees and advances from others, with cash in excess of daily requirements.

Note 11 - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The Project's sole revenue producing asset is a 50-unit apartment complex. The Project's operations are concentrated in the multifamily real estate market. In addition, the Project operates in a heavily regulated environment. The operations of the Project are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

Note 12 - HURRICANE IDA

On August 29, 2021, Hurricane Ida struck Louisiana causing widespread damage. The Project suffered damage to their 50-unit apartment building. Water mitigation and various repairs were needed. Insurance funds were used to cover the water mitigation and repairs. For the year ended December 31, 2021, the Project recognized insurance recoveries totaling \$2,213,530 (\$680,419 for repairs and \$1,533,111 for water mitigation) which is recorded as other revenue on the Statement of Activities. Repairs and water mitigation expense for the year ended December 31, 2021 totaling \$2,213,530 are recorded as Operating and Maintenance Repairs on the Statement of Activities.

Note 13 - SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through June 10, 2022, which is the date the financial statements were available to be issued.

**NOTES TO SCHEDULE OF
EXPENDITURES OF FEDERAL AWARDS**

December 31, 2021

Note 1 - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule"), includes the federal award activity of TCOA Elderly Housing, Inc. under programs of the federal government for the year ended December 31, 2021. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Because the Schedule presents only a selected portion of the operations of TCOA Elderly Housing, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of TCOA Elderly Housing, Inc.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the *Uniform Guidance*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3 - INDIRECT COST RATE

TCOA Elderly Housing, Inc. has not elected to use 10% *de minimis* indirect cost rate as allowed under the *Uniform Guidance*.

SPECIAL REPORTS OF CERTIFIED PUBLIC ACCOUNTANTS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors,
TCOA Elderly Housing, Inc.,
Houma, Louisiana.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of TCOA Elderly Housing, Inc., HUD Project No. 064-EE205 (the "Project"), a component unit of Terrebonne Council on Aging, Inc. which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 10, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Project's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Project's internal control. Accordingly, we do not express an opinion on the effectiveness of the Project's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Project's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Project's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Project's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Project's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Certified Public Accountants.

Houma, Louisiana,
June 10, 2022.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL
CONTROL OVER COMPLIANCE REQUIRED BY THE
UNIFORM GUIDANCE**

To the Board of Directors,
TCOA Elderly Housing, Inc.,
Houma, Louisiana.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited TCOA Elderly Housing, Inc.'s HUD Project No. 064-EE205 (the "Project") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Project's major federal programs for the year ended December 31, 2021. The Project's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Project complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U. S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of TCOA Elderly Housing, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of TCOA Elderly Housing, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Project's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Project's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Project's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Project's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Project's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Project's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

AGREED-UPON PROCEDURES

INDEPENDENT ACCOUNTANT'S REPORT ON
APPLYING AGREED-UPON PROCEDURES

To the Board of Directors,
TCOA Elderly Housing, Inc.,
Houma, Louisiana.

We have performed the procedure described in the second paragraph of this report on whether the electronic submission of certain information agrees with the related hard copy documents included within audit reporting package. TCOA Elderly Housing, Inc. is responsible for accuracy and completeness of the electronic submission.

TCOA Elderly Housing, Inc. has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose to determine whether the electronic submission of certain information agrees with the related hard copy documents within the audit reporting package. Additionally, the U.S. Department of Housing and Urban Development Real Estate Assessment Center (REAC) has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

We compared the electronic submission of the items listed in the "UFRS Rule Information" column with the corresponding printed documents listed in the "Hard Copy Documents" column. The associated findings from the performance of our agreed-upon procedure indicate agreement or non-agreement of the electronically submitted information and hard copy documents as shown in the attached chart.

We were engaged by TCOA Elderly Housing, Inc. to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on whether the electronic submission of the items listed in the "UFRS Rule Information" column agrees with the related hard copy documents within the audit reporting package. Accordingly, we do not express such as opinion or conclusion. Has we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of TCOA Elderly Housing, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

We were engaged to perform an audit in accordance with the *OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), by TCOA Elderly Housing, Inc. as of and for the year ended December 31, 2021, and have issued our reports thereon dated June 10, 2022. The information in the "Hard Copy Documents" column was included within the scope, or was a by-product of that audit. Further, our opinion on the fair presentation of the supplementary information dated June 10, 2022, was expressed in relation to the financial statement of TCOA Elderly Housing, Inc. taken as a whole.

A copy of the reporting package required by the Uniform Guidance, which includes the auditor's reports, is available in its entirety from TCOA Elderly Housing, Inc. We have not performed any additional auditing procedures since the date of the aforementioned audit reports. Further, we take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, REAC.

The purpose of this report on applying the agreed-upon procedures is solely to describe the procedure performed on the electronic submission of the items listed in the "UFRS Rule Information" column and the associated findings, and not to provide an opinion or conclusion. Accordingly, this report is not suitable for any other purpose.
