Independent Auditor's Report

To the Board of Directors St. Vincent de Paul Baton Rouge Council Particular Council of St. Vincent de Paul of Baton Rouge, Louisiana St. Vincent de Paul Community Pharmacy, Inc. St. Vincent de Paul Properties The Society of St. Vincent de Paul Foundation Baton Rouge, Louisiana

### **Report on the Audit of Financial Statements**

We have audited the accompanying consolidated financial statements of the St. Vincent de Paul Baton Rouge Council, Particular Council of St. Vincent de Paul of Baton Rouge, Louisiana, St. Vincent de Paul Community Pharmacy, Inc., St. Vincent de Paul Properties, and The Society of St. Vincent de Paul Foundation (the Organizations), which comprise the consolidated statements of financial position as of September 30, 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organizations as of September 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organizations and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# **Other Matters**

## Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. In addition, the accompanying Consolidating Statement of Financial Position, Consolidating Statement of Activities, and Schedule of Compensation, Benefits and Other Payments to the President and CEO is presented for the purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 21, 2023, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Respectfully submitted,

Hannies T. Bourgeois, LLP

The Organization is exempt under Section 501(c)(3) of the Internal Revenue Code.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Organizations may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended September 30, 2022.

The Organizations file income tax returns in the U.S. federal tax jurisdiction. With few exceptions, the Organizations are no longer subject to federal income tax examinations by tax authorities for years before 2018. Any interest and penalties assessed by income taxing authorities are not significant and are included in general and administrative expenses in these financial statements.

### **Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting. Accordingly, revenues are recognized when earned and expenses are recognized when incurred.

#### **Basis of Presentation**

The Organizations are required to report information regarding their financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions. Net assets with donor restrictions can be restricted for purpose, restricted for time, or restricted in perpetuity. These net assets classifications are described as follows:

Net Assets Without Donor Restrictions - not subject to donor-imposed restrictions. Net assets may be designated for specific purposes by action of the Board of Directors.

Net Assets With Donor Restrictions - subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resource be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Net assets restricted in perpetuity include endowment funds on these financials.

### **Revenue Recognition**

The significant revenues of the Organizations are contributions, conference income, grant income, sale of merchandise, promises to give, and donated assets, goods and services. Contributions, promises to give, and donated assets, goods and services are discussed in detail below. A significant portion of the Organization's grants and contracts are from government agencies. These benefits received by the public as a result of the assets transferred is not equivalent to commensurate value received by the government agencies and are therefore not considered exchange transactions. Grants and contracts are analyzed for measurable performance-related barriers or other barriers. Revenue is recognized as

barriers are met. Funds received from non-exchange transactions in advance of barriers being met are recorded as refundable advances. Sale of merchandise revenue is recognized when the sale takes place as the goods are delivered to the buyer. Refunds and non-collection of revenue sources have historically been insignificant. Conference income is recognized upon receipt of donations from members and church box collections.

### **Contributions**

All contributions are considered available for use without donor restrictions unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as donor restricted support, either for time or purpose or in perpetuity, that increases net assets with donor restrictions. When a restriction expires, that is, when a stipulated time restriction ends, or purpose of restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated Statement of Activities as net assets released from restrictions.

It is the Organizations' policy to report contributions of long-lived assets without donor restrictions on the use of the long-lived assets as revenue without donor restriction. Contributions of cash or other assets restricted to acquisition or construction of long-lived assets are recorded as contributions with donor imposed restrictions for purpose. Once the long-lived assets are acquired or placed into service and if there are no donor restrictions on the long-lived asset's use, the donor restrictions are considered met and are released and reclassified to the net assets without donor-imposed restrictions.

### Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

### Adoption of New Accounting Standard

During the year ended September 30, 2022, the Organizations adopted Accounting Standards Update (ASU) 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The new guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of this standard did not have a significant impact on the consolidated financial statements, with the exception of increased disclosure.

### Donated Assets, Goods and Services

Land, buildings and equipment received as donations are recognized in the accompanying consolidated financial statements at their estimated fair market value at the date they are received.

The value of donated items received for resale in the salvage store is recognized in the accompanying consolidated financial statements at their estimated fair value only to the extent that the items were resold. Any items not resold are not recorded as donations in the consolidated financial statements because there is no objective basis available to value such items.

The Organizations recognize contribution revenue for certain services received at the fair value of those services provided those services create or enhance nonfinancial assets or require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. During the year ended September 30, 2022, donated services of the pharmacist and accounting services were recorded as the services were performed. The value of other contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. Nevertheless, a number of volunteers donate a significant amount of time in the operations of the stores and dining hall.

The value of donated food received at the dining hall is recognized in the accompanying consolidated financial statements based on the number of meals served. Donated pharmaceuticals are reflected as contributions at the time used.

St. Vincent de Paul donates space to two dentists to provide dental services for shelter residents. The dentists provide all of their own supplies. The Organizations do not record donated revenue for these services because they merely provide the space.

### **Estimates**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### Cash and Cash Equivalents

For purposes of the consolidated Statement of Cash Flows, the Organizations consider all highly liquid investments without donor restrictions with an initial maturity of three months or less to be cash equivalents.

### Receivables

Receivable balances are examined periodically to determine whether they are reasonably collectable based on current information. If there is a significant risk that a particular receivable or a portion thereof may not be collected, an allowance for the amount deemed uncollectable is established. Management believes that all receivables at year-end are collectable, and therefore no allowance has been provided in the consolidated financial statements.

In accordance with ASC Topic 606, Revenue from Contracts with Customers, as of September 30, 2021, Grants Receivable totaled \$490,957, Estate Receivable totaled \$4,000,000, and Other Receivable totaled \$33,907.

### Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the Consolidated Statement of Financial Position. Unrealized gains and losses are included in the Consolidated Statement of Activities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities accounts will occur in the near term and that such changes could materially affect the amounts reported in the Consolidated Statement of Activities.

### Inventory

Inventory is valued at the lower of cost or market. Cost is determined using the first-in, first-out method. Inventory is primarily purchased uniforms.

### Property and Equipment

Expenditures for the acquisition of property and equipment are capitalized at cost. The fair value of donated property and equipment is similarly capitalized. Depreciation is provided over the estimated useful lives of the assets, which range from 5 to 39 years, using the straight-line and various accelerated methods.

### **Contributed Facilities**

The Organizations operate, without charge, certain premises upon which their salvage store and shelters are located. The estimated fair rental value of the premises is reported as support and expense in the year in which the premises are used.

### Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the Consolidated Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's estimation of the time spent on each program. All expenses of the Particular Council have been allocated based on time spent on each program or supporting service. Expenses for other entities within the Organization are recorded directly in the program service or supporting service classification in which they were incurred.

### Recent Accounting Pronouncement

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases (Topic 842)*, which will require leases to be recorded as an asset on the balance sheet for the right to use the leased asset and liability for the corresponding lease obligation for leases with terms of more than twelve months. In November 2019, the FASB issued ASU 2019-10 delaying the effective date for non-public companies to fiscal years beginning after December 15, 2020. In response to the COVID-19 pandemic, ASU 2020-05 was issued in June 2020 delaying the effective date for Topic 842 to fiscal years beginning after December 15, 2021. The Organizations are evaluating the impact the pronouncement may have on the financial statements.

### Subsequent Events

The management of the Organizations evaluated subsequent events and transactions for possible recognition or disclosure in the financial statements through February 21, 2023, the date which the financial statements were available to be issued.

Depreciation expense for the year ended September 30, 2022 was \$374,038.

#### Note 4 - Concentrations -

Concentrations of credit risk and revenue sources are limited due to the large number of contributions comprising the Organizations' contributor base.

The Organizations maintain cash accounts with commercial banks, which are insured by the Federal Deposit Insurance Corporation up to the maximum allowed. Periodically, cash may exceed the federally insured amount. In addition, cash is on deposit with the Diocese of Baton Rouge and funds are secured by the investment in the Deposit and Loan Fund and by the guaranty of the Diocese.

### Note 5 - 403(b) Program -

The Particular Council and the Pharmacy each have a 403(b) program for its employees. Under the programs, qualified employees are able to make elective deferrals and the Organizations contribute up to a maximum of 6% of qualified wages. The total contribution for the year ended September 30, 2022 for the Particular Council and the Pharmacy was \$84,910 and \$5,938, respectively.

### Note 6 - Endowment Funds -

The Particular Council has adopted the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). This law provides standards to establish investment policies in a prudent manner by establishing a duty to minimize cost, diversify the investments, investigate facts relevant to the investment of the fund, consider tax consequences of investment decisions and to ensure that investment decisions are made in light of the fund's entire portfolio as a part of an investment strategy having risk and return objectives reasonably suited to the fund and to the organization. UPMIFA also permits the Particular Council to accumulate for expenditure so much of an endowment fund as the Particular Council determines to be prudent for the uses, benefits, purposes and duration for which the endowment fund is established, thereby eliminating the restriction that a fund could not be spent below its historical dollar value. Seven criteria are to be used to guide the Particular Council in its yearly expenditure decisions:

- (1) duration and preservation of the endowment funds,
- (2) the purposes of the Particular Council and the endowment funds,
- (3) general economic conditions,
- (4) effect of inflation or deflation,
- (5) the expected total return from income and the appreciation of investments,
- (6) other resources of the Particular Council, and
- (7) the investment policy of the Particular Council.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organizations' to retain as a fund of perpetual duration. There are no donor-restricted endowment funds (underwater endowments) with fair value below a minimum required amount as of September 30, 2022.

The Organizations' have a policy that permits spending from underwater endowments depending on the degree to which the fund is underwater, unless otherwise precluded by donor intent or relevant laws and regulations. There was no expenditures from underwater endowment funds during the year.

The Particular Council has followed the policy of investing its endowment funds in its savings account. As required by generally accepted accounting principles, and in accordance with the terms of the fund agreements, these endowment funds and the net appreciation (depreciation) of these funds are recorded as net assets with donor-imposed restrictions in these financial statements. The historical cost of the net assets associated with the endowment funds will be preserved, and any remaining net appreciation (depreciation) that is not classified in net assets with donor restrictions in perpetuity is classified as net assets with donor imposed restrictions for purpose.

Endowment net asset composition by type of fund as of September 30, 2022 is as follows:

## Note 7 - Investments -

### Note 8 - Fair Value Measurements -

The fair value measurement accounting literature provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels. Level 1 inputs to the valuation methodology are based on unadjusted quoted prices for identical assets in active markets that the Foundation and Council have the ability to access. Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets and/or based on inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 inputs are unobservable and are based on assumptions market participants would utilize in pricing the asset.

The Foundation and Council use appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis at September 30, 2022:

Level 1 - Mutual Funds and Common Equity - Valued at fair value based on quoted market price of the shares held by the Foundation and Council at year end.

Level 2 - U.S. Government Agencies and U.S. Corporation Bonds - Valued at the closing price reported on the active or observable market on which the individual securities are traded.

The Foundation and Council's investments are reported at fair value in the accompanying consolidated statement of financial position. The methods used to measure fair value may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Foundation and Council believe its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Foundation and Council's investments at fair value on a recurring basis as of September 30, 2022:

	Fair Value as of September 30, 2022

This lease has a rental term of 50 years with a renewal option for an additional 25 years, and may be terminated by the Landlord after 15 years with 30 days written notice. If the termination option is exercised more than 15 years but less than 30 years after inception of the lease, the Landlord would assume the notes, mortgages, and regulatory agreements of the Tenant related to the construction of the leased facility and improvements, and would be required to continue to operate the leased facilities. If the termination option is exercised more than 30 years after inception of the lease, the Landlord would not assume any notes, mortgages, or regulatory agreements, but would be required to continue to operate the leased facilities. Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors Particular Council of St. Vincent de Paul of Baton Rouge, Louisiana St. Vincent de Paul Community Pharmacy, Inc. Baton Rouge, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of the Particular Council of St. Vincent de Paul of Baton Rouge, Louisiana and St. Vincent de Paul Community Pharmacy, Inc., (the Organizations), which comprise the consolidated statement of financial position as of September 30, 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated February 21, 2023.

### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organizations' internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Organizations' internal control. Accordingly, we do not express an opinion on the effectiveness of the Organizations' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any

deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organizations' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organizations' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organizations' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of the Board of Directors, management, the Office of the Louisiana Legislative Auditor and any cognizant agency and is not intended to be and should not be used by anyone other than these specified parties. However, under the provisions of Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document and its distribution is not limited.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance

To the Board of Directors Particular Council of St. Vincent de Paul of Baton Rouge, Louisiana St. Vincent de Paul Community Pharmacy, Inc. Baton Rouge, Louisiana

## **Opinion on Each Major Federal Program**

We have audited the Particular Council of St. Vincent de Paul of Baton Rouge, Louisiana and St. Vincent de Paul Community Pharmacy, Inc.'s ("The Organizations") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the Organizations' major federal program for the year ended September 30, 2022. The Organizations' major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organizations complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2022.

## **Basis for Opinion on Its Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organizations and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for its major federal program. Our audit does not provide a legal determination of the Organizations' compliance with the compliance requirements referred to above.

### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organizations' federal programs.

### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organizations' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organizations' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organizations' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organizations' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organizations' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control Over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiency or a combination of deficiency and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance to a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies, in internal control over compliance to a federal control over compliance is a deficiency of a federal program that is less severe than a material

weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

This report is intended solely for the information and use of the Board of Directors, management, the Office of the Louisiana Legislative Auditor and any cognizant agency and is not intended to be and should not be used by anyone other than these specified parties. However, under the provisions of Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document and its distribution is not limited.
